**Positioning Pooh** - Jennifer Harrison 2021-07-15

Contributions by Megan De Roover, Jennifer Harrison, Sarah Jackson, Zoe Jaques, Nada Kujundžić, Ivana Milković, Niall Nance-Carroll, Perry Nodelman, David Rudd, Jonathan Chun Ngai Tsang, Nicholas Tucker, Donna Varga, and Tim Wadham One hundred years ago, disparate events culminated in one of the most momentous happenings in the history of children's literature. Christopher Robin Milne was born to A. A. and Dorothy "Daphne" Milne; Edward Bear, a lovable stuffed toy, arrived on the market; and a living, young bear named Winnie settled in at the London Zoo. The collaboration originally begun by the Milnes, E. H. and Florence Shepard, Winnie herself, and the many toys and personalities who fed into the Pooh legend continued to evolve throughout the twentieth and twenty-first centuries to become a global phenomenon. Yet even a brief examination of this sensation reveals that Pooh and his adventures were from the onset marked by a rich complexity behind a seeming simplicity and innocence. This volume, after a decades-long lull in concentrated Pooh scholarship, seeks to highlight the plurality of perspectives, modes, and interpretations these tales afford, especially after the Disney Corporation scooped its paws into the honeypot in the 1950s. Positioning Pooh: Edward Bear after One Hundred Years argues the doings of Pooh remain relevant for readers in a posthuman, information-centric, media-saturated, globalized age. Pooh's

forays destabilize social certainties on all levels—linguistic, ontological, legal, narrative, political, and so on. Through essays that focus on geography, language, narrative, characterization, history, politics, economics, and a host of other social and cultural phenomena, contributors to this volume explore how the stories open up discourses about identity, ethics, social relations, and notions of belonging. This first volume to offer multiple perspectives from multiple authors on the Winnie-the-Pooh books in a single collection focuses on and develops approaches that bring this classic of children's literature into the current era. Essays included not only are of relevance to scholars with an interest in Pooh, Milne, and the "golden age" of children's literature, but also showcase the development of children's literature scholarship in step with exciting modern developments in literary theory.

**Book Review Digest** - 1905

Excerpts from and citations to reviews of more than 8,000 books each year, drawn from coverage of 109 publications. Book Review Digest provides citations to and excerpts of reviews of current juvenile and adult fiction and nonfiction in the English language. Reviews of the following types of books are excluded: government publications, textbooks, and technical books in the sciences and law. Reviews of books on science for the general reader, however, are included. The reviews originate in a group of selected periodicals in the humanities, social sciences, and general science published in the United States, Canada, and Great Britain. - Publisher.

The History of India, as Told by Its Own Historians - Henry M. Elliot 1875

*One Hundred Years of Solitude* - Gabriel Garcia Marquez 2003-06-24

One of the 20th century's enduring works, *One Hundred Years of Solitude* is a widely beloved and acclaimed novel known throughout the world, and the ultimate achievement in a Nobel Prize-winning career. The novel tells the story of the rise and fall of the mythical town of Macondo through the history of the Buendía family. It is a rich and brilliant chronicle of life and death, and the tragicomedy of humankind. In the noble, ridiculous, beautiful, and tawdry story of the Buendía family, one sees all of humanity, just as in the history, myths, growth, and decay of Macondo, one sees all of Latin America. Love and lust, war and revolution, riches and poverty, youth and senility -- the variety of life, the endlessness of death, the search for peace and truth -- these universal themes dominate the novel. Whether he is describing an affair of passion or the voracity of capitalism and the corruption of government, Gabriel García Márquez always writes with the simplicity, ease, and purity that are the mark of a master. Alternately reverential and comical, *One Hundred Years of Solitude* weaves the political, personal, and spiritual to bring a new consciousness to storytelling. Translated into dozens of languages, this stunning work is no less than an accounting of the history of the human race.

**Literary Gazette and Journal of Belles Lettres, Arts, Sciences, Etc** - William Jerdan 1823

**Toys and American Culture: An Encyclopedia** - Sharon M. Scott 2009-12-09

Tracing developments in toy making and marketing across the evolving landscape of the 20th century, this encyclopedia is a comprehensive reference guide to America's most popular playthings and the culture to

which they belong. • Nearly 200 alphabetically arranged entries document the historical and cultural significance of toys • Cross-references and a listing of additional resources accompany each entry and encourage further investigation • Photographs and illustrations gathered from public and private collections across the country depict the entire century of America at play • A guide to related topics identifies the entries according to broader categories such as toys, designers, companies, museums, events, and organizations • A resource guide provides information for contacting American toy companies, accessing national toy museums, and attending annual toy festivals, and offers many avenues for pursuing further information about toys and American culture including books, scholarly journals, audio recordings, films, and websites

*Best Books for Children* - John Thomas Gillespie 2003

This supplement to the 8th edition of the classic guide to children's books includes more than 5,000 in-print titles recommended for children aged 5 to 12. The thematic organisation, concise annotations, and complete bibliographic data and review citations make this volume equally useful for reader's advisory, research, and collection development.

Old Boston ... - Benjamin Franklin Stevens 1904

Philadelphia Gentlemen - Roger L. Geiger 2017-07-05

This proper Philadelphia story starts with the city's golden age at the close of the eighteenth century. It is a classic study of an American business aristocracy of colonial stock with Protestant affiliations as well as an analysis of how fabulously wealthy nineteenth-century family founders in Boston, New York, and Philadelphia, supported various exclusive institutions that in the course of the twentieth century produced a

national upper-class way of life. But as that way of life became an end of itself, instead of an effort to consolidate power and control, the upper-class outlived its function; this, argues Baltzell, is precisely what took place in the Philadelphia class system. Philadelphia Gentlemen emphasizes that class is largely a matter of family, whereas an elite is largely a matter of individual achievement. The emphasis in Philadelphia on old classes, in contrast to the emphasis in New York and Boston on individual achievement and elite striving, helps to explain the dramatically different outcomes of ruling class domination in major centers of the Eastern Establishment. In emphasizing class membership or family prestige, the dynamics of industrial and urban life passed by rather than through Philadelphia. As a result in the race for urban preeminence, Philadelphia lost precious time and eventually lost the struggle for ruling preeminence as such. When the book initially appeared, it was hailed by The New York Times as "a very, very important book." Writing in the pages of the American Sociological Review, Seymour Martin Lipset noted that "Philadelphia Gentlemen says important things about class and power in America, and says them in ways that will interest and fascinate both sociologists and laymen." And in the American Historical Review, Baltzell's book was identified simply as "a gold mine of information." In short, for sociologists, historians, and those concerned with issues of culture and

**One Hundred Years of Temperance** - Centennial Temperance Conference (1885 : Philadelphia, Pa.) 1886

The Bystander - 1909

**Philadelphia Gentlemen** - E. Digby Baltzell 2011-12-31

This proper Philadelphia story starts with the city's golden age at the close of the eighteenth century. It is a classic study of an American business aristocracy of colonial stock with Protestant affiliations as well as an analysis of how fabulously wealthy nineteenth-century family founders in Boston, New York, and Philadelphia, supported various exclusive institutions that in the course of the twentieth century produced a national upper-class way of life. But as that way of life became an end of itself, instead of an effort to consolidate power and control, the upper-class outlived its function; this, argues Baltzell, is precisely what took place in the Philadelphia class system. Philadelphia Gentlemen emphasizes that class is largely a matter of family, whereas an elite is largely a matter of individual achievement. The emphasis in Philadelphia on old classes, in contrast to the emphasis in New York and Boston on individual achievement and elite striving, helps to explain the dramatically different outcomes of ruling class domination in major centers of the Eastern Establishment. In emphasizing class membership or family prestige, the dynamics of industrial and urban life passed by rather than through Philadelphia. As a result in the race for urban preeminence, Philadelphia lost precious time and eventually lost the struggle for ruling preeminence as such. When the book initially appeared, it was hailed by The New York Times as "a very, very important book." Writing in the pages of the American Sociological Review, Seymour Martin Lipset noted that "Philadelphia Gentlemen says important things about class and power in America, and says them in ways that will interest and fascinate both sociologists and laymen." And in the American Historical Review, Baltzell's book was identified simply as "a gold mine of information." In short, for sociologists, historians, and those concerned with issues of culture and the economy, this is indeed a classic of modern social science.
