K-9 Structure & Terminology - Edward M Gilbert Jr. 2017-02-23

Structure: the foundation for health and function What sets apart the average dog enthusiast from the expert? Often it's an in-depth knowledge of the anatomy of the dog and a solid understanding of terminology used in the world of dogs. Do you know what a judge is talking about when he mentions "stifle let-down," "shallow brisket," or "excessive angulation?" K-9 Structure and Terminology defines and illustrates these and hundreds of other terms in easy to understand language so you can train your mind and eye to evaluate dogs. All dogs need sound structure for health, show, work, or sport, and, by learning to see beneath the skin the reader will be more able to work with, understand, and appreciate canis familiaris. Gain a better understanding of:

- Breed Standards including breed variations.
- How the original purpose of the breed is expressed in the structure of the dog.
- Terminology used in veterinary care and dog sports, especially Conformation.
- How to identify what is right and sound in any dog you encounter.

Bonus! A 31-page glossary of words including common and less common terms. What experts are saying about K-9 Structure and Terminology: "If you wish to significantly improve your knowledge of canine conformation, K-9 Structure and Terminology provides a...comprehensive description of the details...of canine variation. And it does so with a clear focus on the importance of establishing a common

terminology that can be understood and applied." James W. Edwards, Ph.D., Professor of Biology, Emeritus, Salem College; AKC, Director, Judging Research and Development "All of us in the dog world should strive for perfection...We need to train our eyes and our hands to recognize the strengths in a dog's structure and movement. This book is an excellent guide in our unending quest of applicable knowledge." Pat Hastings, author of Tricks of the Trade. From Best Intentions to Best in Show, AKC Judge and noted lecturer Edward M. Gilbert is a multiple breed and group AKC judge, lecturer, and writer. His engineering and technical writing background makes him especially well-suited to the task of explaining canine structure and terminology. He lives in California with his wife Pat and their retired Champion Afghans and Salukis. Thelma Brown, AKC Emeritus judge, worked side by side with her husband Curtis Brown breeding and showing dogs beginning in 1937. She is retired and living in California.

Lord of the Flies - William Golding 2003-12-16

Golding's iconic 1954 novel, now with a new foreword by Lois Lowry, remains one of the greatest books ever written for young adults and an unforgettable classic for readers of any age. This edition includes a new Suggestions for Further Reading by Jennifer Buehler. At the dawn of the next world war, a plane crashes on an uncharted island, stranding a group of schoolboys. At first, with no adult supervision, their freedom is

something to celebrate. This far from civilization they can do anything they want. Anything. But as order collapses, as strange howls echo in the night, as terror begins its reign, the hope of adventure seems as far removed from reality as the hope of being rescued.

How Children Succeed - Paul Tough 2012

Challenges conventional views about standardized testing to argue that success is more determined by self-discipline, and describes the work of pioneering researchers and educators who have enabled effective new teaching methods.

Dogalog - Bruce Fogle 2002

An extensive guide to the canine world provides more than four hundred full-color profiles of various dogs, detailing the personality, temperament, origin, and features of each breed. Original.

Fair Play - Eve Rodsky 2021-01-05

AN INSTANT NEW YORK TIMES BESTSELLER A REESE'S BOOK CLUB PICK Tired, stressed, and in need of more help from your partner? Imagine running your household (and life!) in a new way... It started with the Sh*t I Do List. Tired of being the "shefault" parent responsible for all aspects of her busy household, Eve Rodsky counted up all the unpaid, invisible work she was doing for her family--and then sent that list to her husband, asking for things to change. His response was...underwhelming. Rodsky realized that simply identifying the issue of unequal labor on the home front wasn't enough: She needed a solution to this universal problem. Her sanity, identity, career, and marriage depended on it. The result is Fair Play: a time- and anxiety-saving system that offers couples a completely new way to divvy up domestic responsibilities. Rodsky interviewed more than five hundred men and women from all walks of life to figure out what the invisible work in a family actually entails and how to get it all done efficiently. With 4 easy-to-follow rules, 100 household tasks, and a series of conversation starters for you and your partner, Fair Play helps you prioritize what's important to your family and who should take the lead on every chore, from laundry to homework to dinner. "Winning" this game means rebalancing your home life, reigniting your relationship with your significant other, and

reclaiming your Unicorn Space--the time to develop the skills and passions that keep you interested and interesting. Stop drowning in to-dos and lose some of that invisible workload that's pulling you down. Are you ready to try Fair Play? Let's deal you in.

Grooming Manual for the Dog and Cat - Sue Dallas 2013-05-06

One of the responsibilities of every dog or cat owner is that of coat care. There are many and varied coat types and there is a vast difference between the time it takes to groom a Doberman and an Old English Sheepdog, a Siamese and a Persian cat. This book provides much needed guidance for groomers, breeders and owners. It will be invaluable for those taking the City and Guilds 775 Grooming exam and animal care students of all levels. Step by step grooming/clipping techniques are described for the more popular breeds of dog and cat and in each case the technique is illustrated with photographic sequences. The book also includes allied subjects such as skin care, commonly found skin parasites and basic first aid and handling.

Notes to Self - Emilie Pine 2019-06-11

The international sensation that illuminates the experiences women are supposed to hide—from addiction, anger, sexual assault, and infertility to joy, sensuality, and love. WINNER OF THE AN POST IRISH BOOK OF THE YEAR • “Emilie Pine’s voice is razor-sharp and raw; her story is

utterly original yet as familiar as my own breath.”—Glennon Doyle, #1 New York Times bestselling author of *Love Warrior* In this dazzling debut, Emilie Pine speaks to the events that have marked her life—those emotional disruptions for which our society has no adequate language, at once bittersweet, clandestine, and ordinary. She writes with radical honesty on the unspeakable grief of infertility, on caring for an alcoholic parent, on taboos around female bodies and female pain, on sexual violence and violence against the self. This is the story of one woman, and of all women. Devastating, poignant, and wise—and joyful against the odds—*Notes to Self* is an unforgettable exploration of what it feels like to be alive, and a daring act of rebellion against a society that is more comfortable with women’s silence. Praise for *Notes to Self* “*Notes to Self* begins as a deceptively simple catalogue of the injustices of modern female life and slyly emerges as a screaming treatise on just what it means to make your own rules, turning the hand you’ve been dealt into the coolest game in town. Emilie Pine is like your best friend—if your best friend was so sharp she drew blood.”—Lena Dunham, #1 New York Times bestselling author of *Not That Kind of Girl* “To read these essays is to understand the human condition more clearly, to reassess one’s place in the world, and to reclaim one’s own experiences as real and valid.”—Sunday Independent “Harrowing, clear-eyed . . . Everyone should consider [this] priority reading.”—Sunday Business Post “Incredible and insightful—an absolute must-read.”—*The Skinny* “Agonizing, uncompromising, starkly brilliant. . . . [A] short, gleamingly instructive book, both memoir and psychological exploration—a platform for that insistent internal voice that almost any woman . . . wishes they had ignored.”—Financial Times “Do not read this book in public. It will make you cry.”—Anne Enright

The Kennel Club's Illustrated Breed Standards: The Official Guide to Registered Breeds - The Kennel Club 2017-02-23

The Kennel Club's Breed Standards form the basis for judging dogs at all licensed breed shows. This fully revised edition of the authoritative guide outlines the descriptive 'standards' for each of the 201 pure breeds of dog now recognised by the Kennel Club. The book has been completely

updated by a panel of experts to incorporate the latest standards for all breeds in each of the principal categories - Hound, Gundog, Terrier, Utility, Working, Pastoral and Toy. As well as providing a beautiful colour photograph of each dog, each entry contains a history of the breed, including its origins and function, as well as a full description outlining its essential features. There is also useful advice on the nature of each breed and practical information to help guide anyone who is buying a dog, as well as a glossary of canine terms. This book is essential reading for anyone who owns, or hopes to own, a pedigree dog and is indispensable for breeders, judges and those professionally involved with dogs.

The Chosen - Chaim Potok 2022-01-11

The story of two fathers and two sons and the pressures on all of them to pursue the religion they share in the way that is best suited to each. And as the boys grow into young men, they discover in the other a lost spiritual brother, and a link to an unexplored world that neither had ever considered before. In effect, they exchange places, and find the peace that neither will ever retreat from again.

A Scrum Book - Jeff Sutherland 2019-08-16

Building a successful product usually involves teams of people, and many choose the Scrum approach to aid in creating products that deliver the

highest possible value. Implementing Scrum gives teams a collection of powerful ideas they can assemble to fit their needs and meet their goals. The ninety-four patterns contained within are elaborated nuggets of insight into Scrum™'s building blocks, how they work, and how to use them. They offer novices a roadmap for starting from scratch, yet they help intermediate practitioners fine-tune or fortify their Scrum implementations. Experienced practitioners can use the patterns and supporting explanations to get a better understanding of how the parts of Scrum complement each other to solve common problems in product development. The patterns are written in the well-known Alexandrian form, whose roots in architecture and design have enjoyed broad application in the software world. The form organizes each pattern so you can navigate directly to organizational design tradeoffs or jump to the solution or rationale that makes the solution work. The patterns flow together naturally through the context sections at their beginning and end. Learn everything you need to know to master and implement Scrum one step at a time—the agile way.

information and adhering to the requirements of City & Guilds, British Dog Grooming Association, and nationally recognized dog grooming qualifications, The Dog Groomer's Manual is the perfect companion for dog groomers around the world seeking to attain these internationally recognized awards. Superbly illustrated with 1000 colour photographs.

The Game - Neil Strauss 2012-05-01

Hidden somewhere, in nearly every major city in the world, is an underground seduction lair. And in these lairs, men trade the most devastatingly effective techniques ever invented to charm women. This is not fiction. These men really exist. They live together in houses known as Projects. And Neil Strauss, the bestselling author and journalist, spent two years living among them, using the pseudonym Style to protect his real-life identity. The result is one of the most explosive and controversial books of the last decade—guaranteed to change the lives of men and transform the way women understand the opposite sex forever. On his journey from AFC (average frustrated chump) to PUA (pick-up artist) to PUG (pick-up guru), Strauss not only shares scores of original seduction techniques but also has unforgettable encounters with the likes of Tom Cruise, Britney Spears, Paris Hilton, Heidi Fleiss, and Courtney Love. And then things really start to get strange—and passions lead to betrayals lead to violence. The Game is the story of one man's transformation from frog to prince to prisoner in the most unforgettable book of this generation.

DIY Dog Grooming, From Puppy Cuts to Best in Show - Jorge Bendersky 2014-03

You can often tell how healthy a dog is by the appearance of its coat. Grooming your dog regularly offers clues to her health: It nips potential health problems, like allergies, poor nutrition, parasites, or diseases, in the bud--or at least gives you some early warning about them. Grooming also makes your dog (and you) comfortable socializing whilst also stopping the spread of dirt, fleas, and germs. You can conveniently groom your dog in the comfort of your home. But perhaps the biggest benefit to grooming your dog yourself is strengthening your bond with them. *DIY Dog Grooming, From Puppy Cuts to Best in Show* by Jorge Bendersky, and foreword by Cesar Milan, will show you how to take the best care of your dog, regardless of breed, temperament, or age. Practical step-by-step photos will take you through everything you need to know to bathe and trim your dogs, plus care for their nails, ears, teeth, and more. Learn how to train them to relax and enjoy grooming. "While you can make excuses not to take your dog to the groomer, you have no reason to make excuses for not doing it yourself any longer." -Cesar

Millan Inside you'll find: - Simple, step-by-step instructions for everything from bathing to brushing. - Practical solutions to common problems like fleas and ticks, dirt and mud. - Creative suggestions for grooming a picture-perfect dog.

Notes on Nursing - Florence Nightingale 1859

The following notes are by no means intended as a rule of thought by which nurses can teach themselves to nurse, still less as a manual to teach nurses to nurse. They are meant simply to give hints for thought to women who have personal charge of the health of others. Every woman, or at least almost every woman, in England has, at one time or another of her life, charge of the personal health of somebody, whether child or invalid, -in other words, every woman is a nurse. Every day sanitary knowledge, or the knowledge of nursing, or in other words, of how to put the constitution in such a state as that it will have no disease, or that it can recover from disease, takes a higher place. It is recognized as the knowledge which every one ought to have-distinct from medical knowledge, which only a profession can have. If, then, every woman must at some time or other of her life, become a nurse, i.e., have charge of somebody's health, how immense and how valuable would be the produce of her united experience if every woman would think how to nurse. I do not pretend to teach her how, I ask her to teach herself, and for this purpose I venture to give her some hints

Dog Grooming Simplified - Jodi Murphy 2014-08-15

Jodi has been well respected as an educator in the grooming industry for many years. She is one of the top pet stylists in the world winning multiple titles included World Grand Champion and Best American Groomer. She is here to share her knowledge in this extraordinary book. With over 190 breeds recognized by the American Kennel Club along with individual breed-specific grooming instructions, it can become very overwhelming for new groomers to retain the information. Straight to the Point is the solution to learning about pattern lines, which simplifies the learning process. Whether the patterns are set tight or left more natural, the patterns are set in the same fashion. Once a groomer understands basic patterns he or she will be able to groom any breed with ease. The dogs pictured in this book are top winning show dogs presenting the correct profile according to their breed standards. Jodi chose to illustrate this way for several reasons. First, a show dog presents an excellent representation of the breed and how it should be groomed per the breed standard. Second, the reader will be able to see the realistic depth and dimensions of the coat. Last, it will give the reader a vision of the pattern in a realistic view and will be a great reference source when grooming each breed. Once the groomer understands correct pattern placement, it can easily be applied to pet trims. A pet dog does not have to be groomed using show techniques, i.e., hand stripping, to present the proper breed profile. With proper pattern placement and techniques described in this text, the groomer will be able to present a well-balanced, well-blended pet trim to the pet owner.
