No Peacocks! - Robin Newman 2018-09-04

Every day, Harry, Phil, and Jim are fed sunflower seeds by the staff who care for them at the Cathedral of St. John the Divine. But one day, they decide they're sick of them. They make a break for the New York City streets in search of pizza or Chinese takeout. But everywhere they go, they're told "No peacocks!" by the restaurant owners. So they try to get an ooey, gooey, delicious meal closer to home. But how are they going to sneak into the school cafeteria and get their wings on the school's world-famous mac 'n cheese? A little plotting, some stolen disguises, and a little help from some students, and the mission is a go! But will the peacocks get their mac 'n cheese? Or will their cover be blown so they have to fly the coop? Based on the real-life beloved bird celebrities who live at the Cathedral of St. John the Divine (who are known to run off the grounds), and brought to the page in bold, bright style, No Peacocks! is a hilarious romp and a perfect read-aloud.

Still Life with Two Dead Peacocks and a Girl - Diane Seuss

2018-05-01

Finalist for the National Book Critics Circle Award Finalist for the Los Angeles Times Book Prize Diane Seuss's brilliant follow-up to Four-Legged Girl, a finalist for the Pulitzer Prize for Poetry Still life with stack of bills phone cord cig butt and freezer-burned Dreamsicle Still life with Easter Bunny twenty caged minks and rusty meat grinder Still life with whiskey wooden leg two potpies and a dead parakeet Still life with pork rinds pickled peppers and the Book of Revelation Still life with feeding tube oxygen half-eaten raspberry Zinger Still life with convenience store pecking order shotgun blast to the face —from "American Still Lives" Still Life with Two Dead Peacocks and a Girl takes its title from Rembrandt's painting, a dark emblem of femininity, violence, and the viewer's own troubled gaze. In Diane Seuss's new collection, the notion of the still life is shattered and Rembrandt's painting is presented across the book in pieces—details that hide more than they reveal until they're assembled into a whole. With invention and irreverence, these poems

escape gilded frames and overturn traditional representations of gender, class, and luxury. Instead, Seuss invites in the alienated, the washed-up, the ugly, and the freakish—the overlooked many of us who might more often stand in a Walmart parking lot than before the canvases of Pollock, O’Keeffe, and Rothko. Rendered with precision and profound empathy, this extraordinary gallery of lives in shards shows us that “our memories are local, acute, and unrelenting.”

Peacock and Vine - A S Byatt 2016-07-07

This ravishing book opens a window onto the lives, designs, and passions of two charismatic artists. Born a generation apart, they were seeming opposites: Mariano Fortuny, a Spanish aristocrat thrilled by the sun-baked cultures of Crete and Knossos; William Morris, a British craftsman, in thrall to the myths of the North. Yet through their revolutionary inventions and textiles, both men inspired a new variety of art, as vibrant today as when it was first conceived. Acclaimed writer A.S. Byatt traces their genius right to the source. The Palazzo Pesaro Orfei in Venice is a warren of dark spaces leading to a workshop where Fortuny created his designs for pleated silks and shining velvets. Here he worked alongside the French model who became his wife and collaborator, including on the ‘Delphos’ dress – a flowing gown evoking classical Greece. Morris’s Red House, outside London, with its Gothic turrets and secret gardens, helped inspire his stunning floral and geometric patterns; it also represented a coming together of life and art. But it was Kelmscott Manor in the English countryside that he loved best – even when it became the setting for his wife’s love affair with Dante Gabriel Rossetti. Generously illustrated with the artists’ beautiful designs – pomegranates and acanthus, peacock and vine – A.S. Byatt brings the visions and ideas of Fortuny and Morris dazzlingly to life.

Covered in this book: Bringing your peacock home Care Choosing the best peacock Costs Daily care Do's and don'ts Eggs Facts Feeding Health History Housing Laws Nesting Personality Pro's and Con's Socializing Tracking Training Travelling Types of peacocks ...and much more
Three Hens and a Peacock - Lester L. Laminack 2017-04-18

A hilarious read-aloud favorite about some foolish farm animals who decide to trade roles—and discover just how hard it is to do someone else's job, from award-winning author Lester L. Laminack and celebrated illustrator Henry Cole. The Tuckers' farm is a peaceful place where everyone has a job and no one complains. That is, until a hapless peacock falls off the back of a passing truck and stirs things up. Soon, customers are flocking to the farm to see what all the fuss is about. But the hens don't like the newcomer getting attention while they do all the hard work. When a wise old hound sees the problem, he helps orchestrate a job swap. What follows is the riotous tale of three hens who get in way over their feathered heads, and one very distressed peacock who just can't figure out how to lay an egg. Lester L. Laminack has created a comical look at envy, finding your strength, and what happens when we underestimate the value of others' work. Henry Cole's delightful illustrations heighten the story's humor and will have readers of all ages laughing out loud.

HEX - Thomas Olde Heuvelt 2016-04-26

The Autobiography of Wayne B Peacock - Wayne B Peacock BSME 2018-10-31

This is an autobiography of a life played out against the historical events of his times and family circumstances. This collection of diverse stories is linearly grouped into eleven segments/elements of Wayne's remarkable life. By the time you have scanned the Contents page and read the brilliant Foreword authored by Wayne's British friend, Mike Wright, your curiosity will be piqued. You will find out how, while playing marbles at the age of seven, Wayne learned that if he wanted something, he would have to go out and get it as no one was going to hand it to him. Wayne's inner drive was to "do the right things right and then improve on them." This endeavor was about inspiring others by showcasing what one man can accomplish for himself, his family, his friends, and for mankind. Wayne is very proud of his book and looks forward to get cracking on part 2 of his autobiography.

Industrial & Mining Standard - 1907

The Mandaean Book of John - Charles G. Häberl 2019-11-18

Given the degree of popular fascination with Gnostic religions, it is

surprising how few pay attention to the one such religion that has survived from antiquity until the present day: Mandaeism. Mandaean, who esteem John the Baptist as the most famous adherent to their religion, have in our time found themselves driven from their historic homelands by war and oppression. Today, they are a community in crisis, but they provide us with unparalleled access to a library of ancient Gnostic scriptures, as part of the living tradition that has sustained them across the centuries. Gnostic texts such as these have caught popular interest in recent times, as traditional assumptions about the original forms and cultural contexts of related religious traditions, such as Judaism, Christianity, and Islam, have been called into question. However, we can learn only so much from texts in isolation from their own contexts. Mandaean literature uniquely allows us not only to increase our knowledge about Gnosticism, and by extension all these other religions, but also to observe the relationship between Gnostic texts, rituals, beliefs, and living practices, both historically and in the present day.

In Miniature - Simon Garfield 2019-03-12

Bestselling, award-winning writer Simon Garfield returns with an enthralling investigation of humans' peculiar fascination with small things—and what small things tell us about our larger world. "[Simon Garfield is] an exuberant truffle-hound of the recondite and delightful factoid." —Sunday Times (London) Simon Garfield writes books that shine a light on aspects of the everyday world in order to reveal the charms and eccentricities hiding in plain sight around us. After beguiling fans with books about everything from typography to time, from historic maps to the color mauve, he's found his most delightful topic yet: miniatures. Tiny Eiffel Towers. Platoons of brave toy soldiers. A doll's house created for a Queen. Diminutive crime scenes crafted to catch a killer. Model villages and miniscule railways. These are just a few of the objects you will discover in the pages of *In Miniature*. Bringing together history, psychology, art, and obsession, Garfield explores what fuels the strong appeal of miniature objects among collectors, modelers, and fans. The toys we enjoy as children invest us with a rare power at a young age,

conferring on us a taste of adult-sized authority. For some, the desire to play with small things becomes a desire to make small things. We live in a vast and uncertain world, and controlling just a tiny, scaled-down part of it restores our sense of order and worth. As it explores flea circuses, microscopic food, ancient tombs, and the Vegas Strip, In Miniature changes the way we perceive our surroundings, encouraging all of us to find greatness in the smallest of things.

Me, Frida, and the Secret of the Peacock Ring - Angela Cervantes
2018-03-27

A room locked for fifty years. A valuable peacock ring. A mysterious brother-sister duo. Paloma Marquez is traveling to Mexico City, birthplace of her deceased father, for the very first time. She's hoping that spending time in Mexico will help her unlock memories of the too-brief time they spent together. While in Mexico, Paloma meets Lizzie and Gael, who present her with an irresistible challenge: The siblings want her to help them find a valuable ring that once belonged to beloved Mexican artist Frida Kahlo. Finding the ring means a big reward -- and the thanks of all Mexico. What better way to honor her father than returning a priceless piece of jewelry that once belonged to his favorite artist! But the brother and sister have a secret. Do they really want to return the ring, or are they after something else entirely?

Feathers for Peacock - Jacqueline Jules 2016-04-07

Poor Peacock is naked while the rest of his friends are covered with warm, colorful feathers! A kind community response provides an original explanation for why the peacock has such beautiful feathers. Award-winning author Jacqueline Jules blends folktale motifs from around the world in a gently humorous tale of generosity. An appendix provides more information about peacocks. Stunning illustrations by Helen Cann

give readers fun opportunities to identify the colors and plant life of spring.
