Just in time for the holidays—here comes Santa Cat! From the New York Times bestselling author of *Interstellar Cinderella*, *The Quiet Book*, and *Here Comes the Easter Cat* comes a hilarious holiday adventure that's perfect for fans of *Narwhal* and *Jelly*, *Elephant and Piggie*, and holiday gift-giving. Christmas is coming, and Cat has a hunch he's not on Santa's "nice" list. But Cat knows what to do—dress up as Santa! What better way to be sure he gets a present? "Instead of being Santa," the narrator gently suggests, "why don't you just try to be nice?" Doubtful at first, Cat quickly warms to the holiday spirit, but his attempts at gift-giving, caroling, and tree-decorating go hilariously awry. There are wonders still in store, though, and this holiday, Cat might surprise even himself with his capacity for generosity. He may also get a visit from the man in the red suit and an extraordinary surprise of his own. Readers of all ages will delight in this unsentimental holiday treat with a surprisingly sweet center. 'Twas the night before Christmas when a bedraggled white feline entered the heart -- and home -- of Cleveland Amory. To say it is a friendly takeover is an understatement. For the cat who came for Christmas is clearly of the Independent Type, and Cleveland Amory, cranky or not, is a pushover where animals are concerned. Toe to toe they stand -- Amory at six feet three, the cat at six inches -- and eyeball to eyeball with each other on every issue: whether or not to come when called; to recognize one's name; to take a trip, a pill, a bath, or a walk on a leash; to be civil to New People; or even in an age when Thin Is In, why anyone in his right mind would want to be the Last Fat Cat. We will not spoil The Cat Who Came For Christmas by telling you who blinks first. Suffice it to say that in this hilarious battle, nine times out of ten, it is not the cat.
