Blockchain - Melanie Swan 2015-01-24

Bitcoin is starting to come into its own as a digital currency, but the blockchain technology behind it could prove to be much more significant. This book takes you beyond the currency ("Blockchain 1.0") and smart contracts ("Blockchain 2.0") to demonstrate how the blockchain is in position to become the fifth disruptive computing paradigm after mainframes, PCs, the Internet, and mobile/social networking. Author Melanie Swan, Founder of the Institute for Blockchain Studies, explains that the blockchain is essentially a public ledger with potential as a worldwide, decentralized record for the registration, inventory, and transfer of all assets—not just finances, but property and intangible assets such as votes, software, health data, and ideas. Topics include: Concepts, features, and functionality of Bitcoin and the blockchain Using the blockchain for automated tracking of all digital endeavors Enabling censorship-resistant organizational models Creating a decentralized digital repository to verify identity Possibility of cheaper, more efficient services traditionally provided by nations Blockchain for science: making better use of the data-mining network Personal health record storage, including access to one's own genomic data Open access academic publishing on the blockchain This book is part of an ongoing O'Reilly series. Mastering Bitcoin: Unlocking Digital Crypto-Currencies

introduces Bitcoin and describes the technology behind Bitcoin and the blockchain. **Blockchain: Blueprint for a New Economy** considers theoretical, philosophical, and societal impact of cryptocurrencies and blockchain technologies.

Cold Burn of Magic - Jennifer Estep 2015

There Be Monsters Here. . . It's not as great as you'd think, living in a tourist town that's known as "the most magical place in America." Same boring high school, just twice as many monsters under the bridges and rival Families killing each other for power. I try to keep out of it. I've got my mom's bloodiron sword and my slightly illegal home in the basement of the municipal library. And a couple of Talents I try to keep quiet, including very light fingers and a way with a lock pick. But then some nasty characters bring their Family feud into my friend's pawn shop, and I have to make a call—get involved, or watch a cute guy die because I didn't. I guess I made the wrong choice, because now I'm stuck putting everything on the line for Devon Sinclair. My mom was murdered because of the Families, and it looks like I'm going to end up just like her. . .

The Naked Detective - Laurence Shames 2000

'I never meant to be a private investigator. It was my accountant's idea of a tax dodge ...'

The Schmuck in My Office - Jody Foster

2017-04-04

"This is a timely must-read for managers and anyone who has ever had to deal with a difficult

coworker; it addresses a ubiquitous problem in a proactive, positive manner that should get the desired results." - Publishers Weekly Everyone has a "schmuck" in their office---a difficult, disruptive person who upsets the workplace, confuses coworkers, and causes concern. It's hard to understand why schmucks act the way they do, but one thing is certain---they seem to come in all shapes and sizes. . . . - Narcissus---the condescending attention-seeker who carelessly steps on everyone's toes - The Flytrap---the bringer of chaos whose emotional instability causes an office maelstrom - The Bean Counter---the orderly perfectionist who never gives up control, even when it's full-steam-ahead to disaster - The Robot---the unreadable stone wall who just can't connect Sound like anyone you know? These are just a few of the more prominent types of difficult people at work. In *The Schmuck in My Office*, Dr. Jody Foster explains the entire spectrum of people we may think of as schmucks, how they can decrease productivity, destroy teams, and generally make everyone else unhappy. Along with nailing down the various types, she looks at personality traits and explains how dysfunctional interactions among coworkers can lead to workplace fiascos. She helps readers understand schmucks as people, figure out how to work with them, and ultimately solve workplace problems. She also makes readers consider the most difficult thing of all: despite where your finger may be pointing, sometimes you are the "schmuck"! Let Dr. Foster teach you how to make your workplace a happier and more productive one.

[Office Fling](#) - Amy Brent 2018-03-16
Work and play don't mix. End of story. Unless your new employee happens to be the most alluring surprise you've come across in years... One look at those delicious curves and I'm drawn. No amount of self-control can tame that hard on! And then I realize she's running away from her past, Hiding something, Maybe running away from her own self. Could that be the reason she is working under a fake name in my organization? Or is she a competitor spying on me? But my heart melts when she plays with my son, She couldn't be that dangerous, right? I mean, she gets along so well with little Dom. I decide to play the game, And play it well. I know what to do when her ex comes unannounced.

With that baby growing inside her, I'll make it more than just an office fling!

Powerful Phrases for Dealing with Difficult People - Renee Evenson 2013-10-15

The key to a harmonious work environment is not by working among people with similar personalities whom you never clash with. Instead, learning to interact effectively with difficult coworkers is essential for success. Most of us are going to work today with individuals who at times come across as incompetent, lazy, spotlight-hugging, whiny, or backstabbing. Then, tomorrow we go to work with them again and again. Like it or not, the bulk of our waking hours are spent with people at work--people who can grate on our nerves. Communications expert Renee Evenson thoroughly explains how anyone can learn how to confront head-on the difficult situations that can arise when dealing with these personalities, before they fester and spread. In *Powerful Phrases for Dealing with Difficult People*, Evenson shares practical and easy-to-use tactics such as: Thirty common personality traits, behaviors, and workplace scenarios along with the phrases that work best with each Nonverbal communication skills to back up your words Sample dialogues that demonstrate how phrasing improves interactions A five-step process for moving from conflict to resolution "Why This Works" sections that provide detailed explanations Button-pushing situations are going to come up today at work--and tomorrow too. Don't let them rent space inside of you and turning everything to mold. Instead, choose to deploy simple phrases to regain control and resolve conflicts. When you do, you, your colleagues, and your company will be all the better for it!

[How to Be a Mentsh \(And Not a Shmuck\)](#) - Michael Wex 2009-09-08

Wise and hilarious, this is a book about happiness, your own and that of others. The principles outlined here will work for anyone, Jewish or not, who makes the effort to put them into practice. Drawing on the "wisdom of the ages," bestselling author Michael Wex shows readers how to figure out the right thing to do in any situation. First he describes the two words "mentsh" and "shmuck." The former refers most often to an adult who has learned to think of others first; the latter refers to someone who

thinks he or she is someone special. In this book, you will learn how to keep yourself from believing you are someone special. You will learn how not to be a shmuck.

Practical Action Research for Change -

Richard A. Schmuck 2006-05-12

Richard Schmuck demonstrates how educators can use personal reflection and action research to convert frustrations into solvable problems and improved professional practice.

The Accidental Creative - Todd Henry

2013-08-27

Many of us assume that our creative process is beyond our ability to influence, and pay attention to it only when it isn't working properly. For the most part, we go about our daily tasks and everything just "works." Until it doesn't. Adding to this lack of understanding is the rapidly accelerating pace of work. Each day we are face escalating expectations and a continual squeeze to do more with less. We are asked to produce an ever-increasing amount of brilliance in an ever-shrinking amount of time. There is an unspoken (or spoken!) expectation that we'll be accessible 24/7, and as a result we frequently feel like we're "always on." Now business creativity expert Todd Henry explains how to unleash your creative potential. Whether you're a creative by trade or an "accidental creative," this book will help you quickly and effectively integrate new ideas into your daily life.

The Union Street Bakery - Mary Ellen Taylor

2013-02-05

In the first novel of the Union Street Bakery series, Daisy McCrae learns how easily life can turn on a dime... Suddenly without a job or a boyfriend, Daisy now lives in the attic above her family's store, the Union Street Bakery, while she learns the business. It doesn't help that, as the only adopted daughter, her relationship with her sisters has never been easy. When an elderly customer dies, Daisy is surprised to inherit a journal from the 1850s, written by a slave girl named Susie. As she reads, Daisy learns more about her family—and her own heritage—than she ever dreamed. Haunted by dreams of the young Susie, who beckons Daisy to "find her," she is compelled to explore the past more deeply. What she finds are the answers she has longed for her entire life.

Compromising Her Position - Samanthe Beck
2015-11-16

When Chelsea Wayne drags Santa into a supply closet for a little office party nookie, she assumes the man in the suit is her on-again/off-again coworker boyfriend. Instead, it's Rafe St. Sebastian, a man known for his hard-driving ways in business as well as the bedroom—and, kill her now, the brand spanking new owner of Las Ventanas—who grants her naughtiest Christmas wishes. So much for her reputation, not to mention her career. Rafe needs to close three acquisitions to prove to his father he's ready to take the helm of St. Sebastian Enterprises. A hot interlude in a supply closet after deal number two seems like the perfect illicit Christmas bonus. Unfortunately, when that "bonus" becomes the key to the final deal, he finds himself back in bed—so to speak—with Chelsea, and after their steamy tryst, he's not interested in keeping things professional... Each book in the Compromise Me series is a standalone story that can be enjoyed out of order. Series Order: Book #1 Compromising Her Position Book #2 Hard Compromise Book #3 Compromised in Paradise
Schmuck the Buck - Exo Books 2018-09
"Meet Schmuck the Buck, just a regular caribou. He liked to eat grass and then chew and chew and chew. Yet he and his kin happened to be the sole Jewish reindeer living in the North Pole. Schmuck was bullied and treated the worst way, until his brilliant plan saved one Christmas day."--Page 4 cover.

SUMMARY - The Schmuck In My Office: How To Deal Effectively With Difficult People At Work By Jody Foster And Michelle Joy - Shortcut Edition 2021-06-10

* Our summary is short, simple and pragmatic. It allows you to have the essential ideas of a big book in less than 30 minutes. By reading this summary, you will learn how to identify problematic personalities in your work environment and how to collaborate serenely and effectively with them. In particular, you will discover that : the behaviors that can disrupt work are very varied in nature; the people who are problematic generally do not do it on purpose; their colleagues are in the best position to help them change; by improving relationships at work, productivity and the life of the entire

company will improve. You probably have a difficult employee in your professional environment. Psychiatrist Jody J. Foster wrote this book to learn how to spot disruptive and counterproductive personalities. Through ten sample portraits, you will discover the psychological foundations of the main problematic characters. Indeed, to be able to work normally with someone who is complicated or odd, you must try to understand where their flaws come from and how their emotions are born. In fact, empathy is the key to helping a colleague behave differently. It's up to you to improve your social relationships to make your work more enjoyable and efficient! *Buy now the summary of this book for the modest price of a cup of coffee!

and profit-Dealing with success and failure Don't be sucked into other books that are written by corporate types who don't know what its like to bootstrap a business. You need to know how to survive and thrive. Don't Be a Schmuck delivers the unadulterated truth without sugar coating. *Barry Sonnenfeld, Call Your Mother* - Barry Sonnenfeld 2020-03-10

****A New York Times Editor's Choice selection!****

This outrageous and hilarious memoir follows a film and television director's life, from his idiosyncratic upbringing to his unexpected career as the director behind such huge film franchises as *The Addams Family* and *Men in Black*. Barry Sonnenfeld's philosophy is, "Regret the Past. Fear the Present. Dread the Future."

Told in his unmistakable voice, Barry Sonnenfeld, *Call Your Mother* is a laugh-out-loud memoir about coming of age. Constantly threatened with suicide by his over-protective mother, disillusioned by the father he worshiped, and abused by a demonic relative, Sonnenfeld somehow went on to become one of Hollywood's most successful producers and directors.

Written with poignant insight and real-life irony, the book follows Sonnenfeld from childhood as a French horn player through graduate film school at NYU, where he developed his talent for cinematography. His first job after graduating was shooting nine feature length pornos in nine days. From that humble entrée, he went on to form a friendship with the Coen Brothers, launching his career shooting their first three films. Though Sonnenfeld had no ambition to direct, Scott Rudin convinced him to be the director of *The Addams Family*. It was a successful career move. He went on to direct many more films and television shows. Will Smith once joked that he wanted to take Sonnenfeld to Philadelphia public schools and say, "If this guy could end up as a successful film director on big budget films, anyone can." This book is a fascinating and hilarious roadmap for anyone who thinks they can't succeed in life because of a rough beginning.

Dealing With Difficult People - Dr. Rick Brinkman 2006-04-07

Explains how to: Identify 10 bothersome behaviors and deal successfully with each of them Understand why people become difficult Use sophisticated techniques to neutralize

whining, negativity, attacks, tantrums and more
Cultivate the nine "take-charge" skills that
prevent people from becoming difficult

For the Love of Books - Thatcher Wine
2020-06-02

A celebration of the meaning and comfort
printed books bring to our homes and lives, from
the curation and design experts at Juniper
Books. Explore the significance of the home
library, embellished with alluring photography
and illustrations, in a keepsake worthy of any
bibliophile's collection. For the Love of Books
shares the vision of Juniper Books, a business
that embraces the roles that books fulfill in our
lives and their staying power. It recounts the
history of books and private libraries, and
champions the resilience of books in the digital
era. Dive into the nuances that define books for
reading, books for decoration, and books for
inspiration. Instructive chapters provide useful
details for creating and curating one's own home
library, whether it be a single shelf or multiple
rooms each with their own collection. You will
never look at your bookshelves the same way
again. For the Love of Books is about storytelling
beyond the pages of our favorite books. Our
books—the ones we choose to keep—tell the
story of who we are. They remind us who we
once were and who we aspire to be. Thatcher
Wine founded Juniper Books in 2001. The
company creates custom libraries and has
perfected the art of turning books inside out to
allow for books to tell stories not just to us, but
about us. Working with booklovers,
homeowners, and designers, Juniper Books has
provided the world with a fresh new approach to
the printed book. Thatcher grew up in New York
City where his parents owned and operated The
Quilted Giraffe, one of the most innovative
restaurants in America. Thatcher graduated
from Dartmouth College with a degree in history
and art history and lives in Boulder, Colorado.
Elizabeth Lane is the founder of Quarterlane, a
quarterly subscription book service which
merged with Juniper Books in 2018. She is also
the book buyer for her local independent

bookstore, Partners Village Store and Kitchen in
Westport, Massachusetts. Prior to working in
books, Elizabeth worked in contemporary visual
art—in galleries, nonprofit initiatives and
museums in New York, Austin, and Chicago.

Elizabeth graduated from Davidson College with
a degree in art history and received her masters
degree from the School of the Art Institute of
Chicago.

Playing with Matches - Brian Katcher
2009-10-13

"Recommend this to fans of John Green's
books."—Booklist Leon Sanders has a mug that
looks like it should be hanging in a post office
with the caption WANTED FOR SHOPLIFTING
AND CREDIT CARD FRAUD. His new locker
neighbor is Melody Hennon—class outcast and
certified freak. Everyone at school keeps their
distance from Melody because she was burned
in a childhood accident. Leon has avoided her
too, until the day he takes a chance, tells her a
bad joke, and makes her laugh. No one, least of
all Leon, could have predicted that Melody
would turn out to be a funny, smart, and
interesting person, or that he and Melody would
become good friends . . . and later, more than
friends. But when junior class hottie Amy Green
asks Leon out after he saves her from getting
detention, his devotion to Melody hangs in the
balance. Leon tries to find a way out of this nasty
dilemma without hurting anyone, but soon he
realizes—a little too late—that playing with
someone's heart is as dangerous as playing with
matches. A 2009 ALA-YALSA Best Book for
Young Adults

What's A Ghoul to Do? - Victoria Laurie
2007-04-03

M.J., her partner Gilley, and their client, the
wealthy, de-lish Dr. Steven Sable, are at his
family's lodge, where his grandfather allegedly
jumped to his death from the roof—although
Sable says it was foul play. But the patriarch's
isn't the only ghost around. The place is lousy
with souls, all with something to get off their
ghoulish chests. Now M.J. will have to quell
the clamor—and listen for a voice with the
answers...

Writing Movies for Fun and Profit - Thomas
Lennon 2012-07-03

The writers of Reno 911! and several other
feature films trace their haphazard experiences

in the movie industry, revealing the process through which they worked on script development with executives and stars, pacified exploitative decision makers and fought to be paid for their work.

Bad Bird - Chris Knopf 2011-02-01

Jackie Swaitkowski may not be the most buttoned-up lawyer in the Hamptons, but a plane crash before her very eyes is hard to miss. Just before the struggling air taxi takes a nosedive, its female pilot tosses out a camera case. To Jackie, the accident's only witness, the case (so to speak) seems meant for her. The camera's memory card holds an unusual set of photos. Jackie recognizes more than a few of the faces in those pictures. Are they telling her the story of the crash? The pilot, a hard-nosed biker chick named Eugenie Birkson, came from a family tree filled with ex-cons, and boasted a passenger list packed with high society. And Jackie soon learns that solving the mystery of Eugenie's death will mean uncovering some dark secrets from her own past as well. All this and a freshly revived romance with gentle giant Harry Goodlander, and Jackie yet again has her heart and her hands full. Award-winning mystery writer Chris Knopf returns to Southampton, a one-of-a-kind small town where the rich and the rest of us rub shoulders on a daily basis, generating all the frictions that might imply.

Beat the Reaper - Josh Bazell 2009-01-07

Dr. Peter Brown is an intern at Manhattan's worst hospital, with a talent for medicine, a shift from hell, and a past he'd prefer to keep hidden. Whether it's a blocked circumflex artery or a plan to land a massive malpractice suit, he knows what evil lurks in the hearts of men. Pietro "Bearclaw" Brwna is a hitman for the mob, with a genius for violence, a well-earned fear of sharks, and an overly close relationship with the Federal Witness Relocation Program. More likely to leave a trail of dead gangsters than a molecule of evidence, he's the last person you want to see in your hospital room. Nicholas LoBrutto, aka Eddy Squillante, is Dr. Brown's new patient, with three months to live and a very strange idea: that Peter Brown and Pietro Brwna might-just might-be the same person . . . Now, with the mob, the government, and death itself descending on the hospital, Peter has to buy time and do whatever it takes to keep his

patients, himself, and his last shot at redemption alive. To get through the next eight hours-and somehow beat the reaper. Spattered in adrenaline-fueled action and bone-saw-sharp dialogue, *Beat the Reaper* is a debut thriller so utterly original you won't be able to guess what happens next, and so shockingly entertaining you won't be able to put it down.

The Gutless Wonder's Guide to Success - Bob Goldman 2022-11-02

Do you want to learn how to win the hybrid office wars? How to become a master napper? How to get back to gossiping? How to make the most of your day at work (by working the least)? Allow business leader and humor writer Bob Goldman to navigate you through the minefield that is corporate life. He will provide you practical tips and attitude adjustments that guarantee laughter, if not financial success. This is a collection of the best of Bob Goldman from the past two and a half years.

The Schmuck in My Office - Jody Foster 2017-04-04

Everyone has a "schmuck" in their office-a difficult, disruptive person who upsets the workplace, confuses their co-workers and causes concern. No one is safe from a schmuck. They come in many sizes and shapes, such as: - Narcissus-the self-centered, condescending, attention-seeking peacock who tramples on others - The Flytrap-the bringer of chaos who can flip from angry to happy in an instant creating an office maelstrom - The Bean Counter-the orderly perfectionist who never gives up control even when it's full-steam-ahead to disaster - The Robot-the inflexible stone wall who is incapable of adapting, even in the face of much-needed change Sound like anyone you know? These are just a few of the more prominent schmucks. In her new book, Dr. Jody Foster explains the entire spectrum of schmucks, how they can decrease productivity, and generally make everyone else unhappy. After delineating the various types of schmucks, she looks at personality traits and explains how interactions among coworkers can become maladaptive leading to workplace disasters. She helps readers understand the schmuck as a person, figure out how to help him or her, and effect a positive solution. Dr. Foster also helps readers understand the most difficult thing of

all: sometime you are the "schmuck." Let Dr. Jody Foster show you how to help the schmuck, know if you are the schmuck, and make your workplace a happy and productive one.

I Alone Can Fix It - Carol Leonnig 2021-07-20
The instant #1 New York Times bestseller | A Washington Post Notable Book | One of NPR's Best Books of 2021 The definitive behind-the-scenes story of Trump's final year in office, by Phil Rucker and Carol Leonnig, the Pulitzer-Prize winning reporters and authors of *A Very Stable Genius*. "Chilling." - Anderson Cooper "Jaw-dropping." - John Berman "Shocking." - John Heilemann "Explosive." - Hallie Jackson "Blockbuster new reporting." - Nicolle Wallace "Bracing new revelations." - Brian Williams "Bombshell reporting." - David Muir The true story of what took place in Donald Trump's White House during a disastrous 2020 has never before been told in full. What was really going on around the president, as the government failed to contain the coronavirus and over half a million Americans perished? Who was influencing Trump after he refused to concede an election he had clearly lost and spread lies about election fraud? To answer these questions, Phil Rucker and Carol Leonnig reveal a dysfunctional and bumbling presidency's inner workings in unprecedented, stunning detail. Focused on Trump and the key players around him—the doctors, generals, senior advisers, and Trump family members—Rucker and Leonnig provide a forensic account of the most devastating year in a presidency like no other. Their sources were in the room as time and time again Trump put his personal gain ahead of the good of the country. These witnesses to history tell the story of him longing to deploy the military to the streets of American cities to crush the protest movement in the wake of the killing of George Floyd, all to bolster his image of strength ahead of the election. These sources saw firsthand his refusal to take the threat of the coronavirus seriously—even to the point of allowing himself and those around him to be infected. This is a story of a nation sabotaged—economically, medically, and politically—by its own leader, culminating with a groundbreaking, minute-by-minute account of exactly what went on in the Capitol building on January 6, as Trump's supporters so easily

breached the most sacred halls of American democracy, and how the president reacted. With unparalleled access, Rucker and Leonnig explain and expose exactly who enabled—and who foiled—Trump as he sought desperately to cling to power. A classic and heart-racing work of investigative reporting, this book is destined to be read and studied by citizens and historians alike for decades to come.

Bury My Heart at Conference Room B - Stan Slap 2010-08-12
#3 New York Times Advice/How-To Bestseller
#7 Wall Street Journal Nonfiction Bestseller
"This book is game changing in a way I have never seen in a business book. I learned about myself and gained new insights into the work I've been doing for thirty years. It is a spectacular read." - John Riccitiello, CEO, Electronic Arts This is not a management book. This is a book for managers. Ever have the feeling that no matter how rewarding your job is that there's an entirely different level of success and fulfillment available to you? Linger in the mist, just out of reach... There is, and Stan Slap is going to help you get it. You hold in your hands the book that entirely redraws the potential of being a manager. It will show you how to gain the one competency most critical to achieving business impact, but it won't stop there. This book will put a whole new level of meaning into your job description. You will never really work for your company until your company really works for you. *Bury My Heart at Conference Room B* is about igniting the massive power of any manager's emotional commitment to his or her company—worth more than financial, intellectual and physical commitment combined. Sometimes companies get this from their managers in the early garage days or in times of tremendous gain, but it's almost unheard of to get it on a sustained, self-reinforced basis. Of course your company is only going to get it if you're willing to give it. Slap proves that emotional commitment comes from the ability to live your deepest personal values at work and then provides a remarkable process that allows you to use your own values to achieve tremendous success. This is not soft stuff; it is the stuff of hard-core results. *Bury My Heart at Conference Room B* is the highest-rated management development solution at a number

of the world's highest-rated companies—companies that don't include "patience" on their list of corporate values. It has been exhaustively researched and bench tested with tens of thousands of real managers in more than seventy countries. You'll hear directly from managers about how this legendary method has transformed their careers and their lives. As Big as It Gets Stan Slap is doing nothing less than making the business case for a manager's humanity—for every manager and the companies that depend on them. Bury My Heart at Conference Room B gives managers the urgency to change their world and the energy to do it. It will stir the soul, race the heart, and throb the foot used for acceleration. Buckle Up. We're Going Off-Road. Slap is smart, provocative, wickedly funny and heartfelt. He fearlessly takes on some of the most cherished myths of management for the illogic they are and celebrates the experience of being a manager in all of its potential and potential weirdness. And he talks to managers like they really talk to themselves.

The Book of Joe - Jonathan Tropper 2005-01-25
Right after high school, Joe Goffman left sleepy Bush Falls, Connecticut and never looked back. Then he wrote a novel savaging everything in town, a novel that became a national bestseller and a huge hit movie. Fifteen years later, Joe is struggling to avoid the sophomore slump with his next novel when he gets a call: his father's had a stroke, so it's back to Bush Falls for the town's most famous pariah. His brother avoids him, his former classmates beat him up, and the members of the book club just hurl their copies of Bush Falls at his house. But with the help of some old friends, Joe discovers that coming home isn't all bad—and that maybe the best things in life are second chances. Fans of Nick Hornby and Jennifer Weiner will love this book, by turns howling funny, fiercely intelligent, and aching poignant. As evidenced by The Book of Joe's success in both the foreign and movie markets, Jonathan Tropper has created a compelling, incredibly resonant story.

Venture Deals - Jason Mendelson 2011-07-05
An engaging guide to excelling in today's venture capital arena Beginning in 2005, Brad Feld and Jason Mendelson, managing directors at Foundry Group, wrote a long series of blog

posts describing all the parts of a typical venture capital Term Sheet: a document which outlines key financial and other terms of a proposed investment. Since this time, they've seen the series used as the basis for a number of college courses, and have been thanked by thousands of people who have used the information to gain a better understanding of the venture capital field. Drawn from the past work Feld and Mendelson have written about in their blog and augmented with newer material, Venture Capital Financings puts this discipline in perspective and lays out the strategies that allow entrepreneurs to excel in their start-up companies. Page by page, this book discusses all facets of the venture capital fundraising process. Along the way, Feld and Mendelson touch on everything from how valuations are set to what externalities venture capitalists face that factor into entrepreneurs' businesses. Includes a breakdown analysis of the mechanics of a Term Sheet and the tactics needed to negotiate Details the different stages of the venture capital process, from starting a venture and seeing it through to the later stages Explores the entire venture capital ecosystem including those who invest in venture capitalist Contain standard documents that are used in these transactions Written by two highly regarded experts in the world of venture capital The venture capital arena is a complex and competitive place, but with this book as your guide, you'll discover what it takes to make your way through it.

Managing Diversity in Organizations - María Triana 2017-03-31

This book equips students with a thorough understanding of the advantages and challenges presented by workplace diversity, suggesting techniques to manage diversity effectively and maximize its benefits. Readers will learn to work with diverse groups to create a productive organization in which everyone feels included. The author offers a comprehensive survey of demographic groups and an analysis of their history, allowing students to develop a deep understanding of the dimensions of diversity. From this foundation, students are taught to manage diversity effectively on the basis of race, sex, LGBTQIA, religion, age, ability, national origin, and intersectionality in organizations and to understand the issues various groups face,

including discrimination. Opening with current case studies and discussion questions to enhance comprehension, the chapters provide practical insight into subconscious/implicit bias, team diversity, and diversity management in the United States and abroad. "Global View" examples further highlight how diversity management unfolds around the world. Offering a fresh look at workplace diversity, this book will serve students of diversity, human resource management, and organizational studies. A companion website featuring an instructor's manual, PowerPoint slides, and test banks provides additional support for students and instructors.

Disneywar - James B. Stewart 2008-12-09

When you wish upon a star', 'Whistle While You Work', 'The Happiest Place on Earth' - these are lyrics indelibly linked to Disney, one of the most admired and best-known companies in the world. So when Roy Disney, chairman of Disney animation, abruptly resigned in November 2003 and declared war on chairman and chief executive Michael Eisner, he sent shock waves throughout the world. DISNEYWAR is the dramatic inside story of what drove this iconic entertainment company to civil war, told by one of America's most acclaimed journalists. Drawing on unprecedented access to both Eisner and Roy Disney, current and former Disney executives and board members, as well as hundreds of pages of never-before-seen letters and memos, James B. Stewart gets to the bottom of mysteries that have enveloped Disney for years. In riveting detail, Stewart also lays bare the creative process that lies at the heart of Disney. Even as the executive suite has been engulfed in turmoil, Disney has worked - and sometimes clashed - with a glittering array of Hollywood players, many of who tell their stories here for the first time.

The Mailroom - David Rensin 2007-12-18

It's like a plot from a Hollywood potboiler: start out in the mailroom, end up a mogul. But for many, it happens to be true. Some of the biggest names in entertainment—including David Geffen, Barry Diller, and Michael Ovitz— started their dazzling careers in the lowly mailroom. Based on more than two hundred interviews, David Rensin unfolds the never-before-told history of an American institution—in the voices

of the people who lived it. Through nearly seven decades of glamour and humiliation, lousy pay and incredible perks, killer egos and a kill-or-be-killed ethos, you'll go where the trainees go, learn what they must do to get ahead, and hear the best insider stories from the Hollywood everyone knows about but no one really knows. A vibrant tapestry of dreams, desire, and exploitation, *The Mailroom* is not only an engrossing read but a crash course, taught by the experts, on how to succeed in Hollywood.

From the Corner of the Oval - Beck Dorey-Stein 2019-08-06

NEW YORK TIMES BESTSELLER • What if you lived out the drama of your twenties on Air Force One? "[This] breezy page turner is essentially Bridget Jones goes to the White House."—The New York Times RECOMMENDED READING theSkimm • Today • Entertainment Weekly • Refinery29 • Bustle • PopSugar • Vanity Fair • The New York Times Editors' Choice • Paste In 2012, Beck Dorey-Stein is working five part-time jobs and just scraping by when a posting on Craigslist lands her, improbably, in the Oval Office as one of Barack Obama's stenographers. The ultimate D.C. outsider, she joins the elite team who accompany the president wherever he goes, recorder and mic in hand. On whirlwind trips across time zones, Beck forges friendships with a dynamic group of fellow travelers—young men and women who, like her, leave their real lives behind to hop aboard Air Force One in service of the president. As she learns to navigate White House protocols and more than once runs afoul of the hierarchy, Beck becomes romantically entangled with a consummate D.C. insider, and suddenly the political becomes all too personal. Against a backdrop of glamour, drama, and intrigue, this is the story of a young woman learning what truly matters, and, in the process, discovering her voice. Praise for *From the Corner of the Oval* "Who knew the West Wing could be so sexy? Beck Dorey-Stein's unparalleled access is obvious on every page, along with her knife-sharp humor. I tore through the entire book on a four-hour flight and loved reading all about the brilliant yet hard-partying people who once surrounded the leader of the free world. Lots of books claim to give real insider glimpses, but this one actually

delivers.”—Lauren Weisberger, author of *The Devil Wears Prada* “Dorey-Stein . . . writes with wit and self-deprecating humor.”—*The Wall Street Journal* “Addictively readable . . . Dorey-Stein’s spunk and her sparkling, crackling prose had me cheering for her through each adventure. . . . She never loses her starry-eyed optimism, her pinch-me wonderment, her Working Girl pluck.”—Paul Begala, *The New York Times Book Review* (Editors’ Choice)

Wonder - R. J. Palacio 2017-09-26

Auggie Pullman, who was born with extreme facial abnormalities, goes from being home-schooled to entering fifth grade at a private middle school in Manhattan, which entails enduring the taunting and fear of his classmates.

Trump: How to Get Rich - Donald J. Trump 2004-03-23

First he made five billion dollars. Then he made *The Apprentice*. Now *The Donald* shows you how to make a fortune, Trump style. HOW TO GET RICH Real estate titan, bestselling author, and TV impresario Donald J. Trump reveals the secrets of his success in this candid and unprecedented book of business wisdom and advice. Over the years, everyone has urged Trump to write on this subject, but it wasn’t until NBC and executive producer Mark Burnett asked him to star in *The Apprentice* that he realized just how hungry people are to learn how great personal wealth is created and first-class businesses are run. Thousands applied to be Trump’s apprentice, and millions have been watching the program, making it the highest rated debut of the season. In *Trump: How To Get Rich*, Trump tells all—about the lessons learned from *The Apprentice*, his real estate empire, his position as head of the 20,000-member Trump Organization, and his most important role, as a father who has successfully taught his children the value of money and hard work. With his characteristic brass and smarts, Trump offers insights on how to • invest wisely • impress the boss and get a raise • manage a business efficiently • hire, motivate, and fire employees • negotiate anything • maintain the quality of your brand • think big and live large Plus, *The Donald* tells all on the art of the hair! With his luxury buildings, award-winning golf courses, high-stakes casinos, and glamorous beauty pageants, Donald J. Trump is one of a kind in American

business. Every day, he lives the American dream. Now he shows you how it’s done, in this rollicking, inspirational, and illuminating behind-the-scenes story of invaluable lessons and rich rewards.

The Book of No - Susan Newman 2017-12-05

An updated edition of the bestselling guide! Do you have problems saying "No?" Do people always turn to you for a favor? Wonder how you get roped into things you really don't want to do—with friends or family, at work or even with pushy salespeople? Refusing someone is rarely easy. Often, it's downright uncomfortable. But constantly saying "yes" causes anxiety, anger, stress, regret, and feelings of powerlessness. Social psychologist and author Dr. Susan Newman empowers you to break your debilitating yes habit with her simple techniques and insights. This new, enhanced edition is filled with research and timely scenarios that offer more ways to say "no" without feeling guilty or damaging your relationships. You'll discover how to: Recognize when someone is manipulating you into "yes" Be ready with the words you need to refuse Avoid being overcommitted, overworked and overwhelmed Put an end to feelings of resentment or frustration Make quality time for things you want to do Establish and keep your boundaries strong Harness the power of "No" and take back your life.

The New Sultan - Soner Cagaptay 2017-04-30

In a world of rising tensions between Russia and the United States, the Middle East and Europe, Sunnis and Shiites, Islamism and liberalism, Turkey is at the epicentre. And at the heart of Turkey is its right-wing populist president, Recep Tayyip Erdoğan. Since 2002, Erdoğan has consolidated his hold on domestic politics while using military and diplomatic means to solidify Turkey as a regional power. His crackdown has been brutal and consistent - scores of journalists arrested, academics officially banned from leaving the country, university deans fired and many of the highest-ranking military officers arrested. In some senses, the nefarious and failed 2016 coup has given Erdoğan the licence to make good on his repeated promise to bring order and stability under a 'strongman'. Here, leading Turkish expert Soner Cagaptay will look at Erdoğan's roots in Turkish history, what he believes in and how he has cemented his rule, as

well as what this means for the world. The book will also unpick the 'threats' Erdogan has worked to combat - from the liberal Turks to the Gulen movement, from coup plotters to Kurdish nationalists - all of which have culminated in the crisis of modern Turkey.

Longevity Decoded - Ma Stephen C Schimpff MD 2018-04-08

You can live a long and healthy life. There is no magic pill or Fountain of Youth, but you can achieve it with simple lifestyle modifications: 1. Eating the right foods 2. Getting the right exercise 3. Reducing and managing stress 4. Improving the quality of sleep 5. Eliminating tobacco 6. Remaining intellectually engaged 7. Staying involved socially The advice in Longevity Decoded works-because it puts you in charge of shaping your future. Everyone wants to live a long and healthy life-Longevity Decoded is your roadmap. The seven keys cost nothing, except your time and commitment. Dr. Stephen Schimpff provides you with straightforward advice for achieving and maintaining good health over a long life. Following his seven keys will pay generous returns over the years ahead, and there's a bonus: You'll become a role model and inspiration to your children and grandchildren! "Dr. Schimpff explores the exciting topic of healthy aging. He combines the science of aging with evidence to suggest how each of us influences our personal journey in life. We make choices every day which impact our health. This book will help you understand how those daily choices will influence your life not only today, but as you get older. Begin today to plan for tomorrow." -James (Jim) M. Anders, Jr., CPA, MBA, CGMA, President and Chairman of the Board, National Senior Campuses, Inc., Administrator and Chief Operating Officer, Kennedy Krieger Institute, Inc. "A highly enjoyable and uplifting read written by a physician with uncommon intellect and wisdom. Certainly, we can all benefit from following Dr. Schimpff's prescription for a healthier and more meaningful life." -R. Alan Butler, Chief Executive Office, Erickson Living "Brilliant work by Dr. Stephen Schimpff yet again! Dr. Schimpff has done a systematic analysis of aging and longevity. His uncanny ability to use data and science together makes his suggestions compelling and convincing, while being

insightful. Despite being a complete and thorough account for advanced readers, his book is simple enough to understand for a beginner. If there is only one book you want to read on this subject, it should be this one." -Hiren Doshi, CEO, Paragon Private Health, Co-founder and President, OmniActive Health Technologies "As my age cohort heads toward Medicare, like a veritable tsunami of aging boomers, this text ought to be our navigational guide in the storm. We will want yoga on the lawn, rather than a wheelchair in the garden; we will crave gourmet organic meals, not a nursing home tray!! Dr Schimpff will help us to achieve these dreams with his folksy and reassuring style. This book only confirms for me that the best is yet to come!" -David B. Nash MD, MBA. Founding Dean of the Jefferson College of Population Health "As the world's older population continues to expand at an unprecedented rate, Dr. Schimpff gives readers simple steps that can lay the crucial groundwork for our future health. He provides an optimistic approach to the inevitability of aging and a refreshing perspective that our 'golden years' can also be our 'golden age, ' based on his first-hand experience as a healthcare practitioner." -E. Albert Reece, MD, PhD, MBA, Vice President for Medical Affairs, University of Maryland, John Z. and Akiko K. Bowers Distinguished Professor and Dean, University of Maryland School of Medicine

Never Let Me Go - Sachin Garg 2012

Why Not Me? - Mindy Kaling 2015-09-15
#1 NEW YORK TIMES BESTSELLER • From the author of *Is Everyone Hanging Out Without Me?* and creator of *The Mindy Project* and *Never Have I Ever* comes a hilarious collection of essays about her ongoing journey to find contentment and excitement in her adult life. "This is Kaling at the height of her power."—USA Today In *Why Not Me?*, Kaling shares insightful, deeply personal stories about falling in love at work, seeking new friendships in lonely places, attempting to be the first person in history to lose weight without any behavior modification whatsoever, and believing that you have a place in Hollywood when you're constantly reminded that no one looks like you. In "How to Look Spectacular: A Starlet's

Confessions,” Kaling gives her tongue-in-cheek secrets for surefire on-camera beauty, (“Your natural hair color may be appropriate for your skin tone, but this isn’t the land of appropriate—this is Hollywood, baby. Out here, a dark-skinned woman’s traditional hair color is honey blonde.”) “Player” tells the story of Kaling being seduced and dumped by a female friend in L.A. (“I had been replaced by a younger model. And now they had matching bangs.”) In “Unlikely Leading Lady,” she muses on America’s fixation with the weight of actresses, (“Most women we see onscreen are either so

thin that they’re walking clavicles or so huge that their only scenes involve them breaking furniture.”) And in “Soup Snakes,” Kaling spills some secrets on her relationship with her ex-boyfriend and close friend, B.J. Novak (“I will freely admit: my relationship with B.J. Novak is weird as hell.”) Mindy turns the anxieties, the glamour, and the celebrations of her second coming-of-age into a laugh-out-loud funny collection of essays that anyone who’s ever been at a turning point in their life or career can relate to. And those who’ve never been at a turning point can skip to the parts where she talks about meeting Bradley Cooper.
