Dinner with Dickens - Pen Vogler 2017-10-10

Recipes and menus from the novels and the household of Charles Dickens, one of the world's favorite authors. *Dinner with Dickens* celebrates the food of Victorian England by recreating dishes the author wrote about with such gusto, and enjoyed in real life. Food in the novels not only creates character and comedy, but is also a means of highlighting social issues. A grand wedding breakfast skewers ostentation in a wealthy household. A bread-and-butter tea conjures honesty and companionship. The gruel given to hungry children exposes a cruel and unjust regime. The characters who throng Dickens novels are forever offering one another punch or seed biscuits; arranging a nice little supper of pickled salmon, salad and tea; showing concern with a roast fowl; or sisterly love with a painstakingly made beefsteak pudding. And, of course, there is the great feast of Christmas, celebrated in glorious style even by the impoverished Cratchits. At home, Dickens' wife Catherine helped him entertain, and published (under a pseudonym) her own book, *What Shall We Have for Dinner?*, with pages of menus or "bills of fare" for different sizes of party and the changing seasons. In *Dinner with Dickens*, Pen Vogler has fully updated recipes from contemporary Victorian cookbooks, including Catherine's own book. Clear instructions enable you to recreate mutton stuffed with oysters, Betsey Prig's Twopenny Salad, Dickens' own recipe for punch, and the Dickens family's Twelfth Cake. In addition there are features on topics such as Dickens Abroad, Shopping for Food, and Eating Out, with fascinating insights into housekeeping, entertaining, and social history.

Jane Austen's Card Games - 11 Classic Card Games And 3 Supper Menus From The Novels And Letters Of Jane Austen - Jo Ann Staples 2018-09-25

Card playing was a favorite pastime for many of Jane Austen's characters. Jane Bennet and Charles Bingley bonded over vingt-un, Mr. Woodhouse entertained Mrs. Goddard with piquet, and Fanny Price dealt the cribbage cards for Lady Bertram. There are ten card games mentioned by name in Jane Austen's novels and an eleventh, brag, was so enjoyed by her brother's family at Godmersham that she wrote a comic poem about it in one of her letters to Cassandra. An evening card party often involved "a little bit of hot supper" like the one Mrs. Philips promised her nieces and the Meryton officers in *Pride and Prejudice*. Complete instructions for the 11 Jane Austen card games are included in this book, along with three supper menus based on period recipes for dishes mentioned in the novels and letters. Chapters on the history of card playing and the evolution of supper in English country life provide background and context.

Jane of Austin - Hillary Manton Lodge 2017-06-13

"Know your own happiness. You want nothing but patience - or give it a more fascinating name, call it hope." — Jane Austen, Sense and Sensibility Just a few years after their father's business scandal shatters their lives, Jane and Celia Woodward find themselves forced out of their San Francisco tea shop. The last thing Jane wants is to leave their beloved shop on Valencia Street, but when Celia insists on a move to Austin, Texas, the sisters pack up their kid sister Margot and Jane's tea plants, determined to start over yet again. But life in Austin isn't all sweet tea and breakfast tacos. Their unusual living situation is challenging and unspoken words begin to fester between Jane and Celia. When Jane meets and falls for up-and-coming musician Sean Willis, the chasm grows deeper. While Sean seems to charm everyone in his path, one person is immune - retired Marine Captain Callum Beckett. Callum never meant to leave the military, but the twin losses of his father and his left leg have returned him to the place he least expected—Texas. In this modern spin on the Austen classic, Sense and Sensibility, the Woodward sisters must contend with new ingredients in unfamiliar kitchens, a dash of heartbreak, and the fragile hope that maybe home isn't so far away.

The Anne of Green Gables Cookbook - Kate Macdonald 2017-09-19

My Dear Cassandra - Jane Austen 1990

In 1884, Edward, Lord Brabourne published the letters of Jane Austen in two volumes. These were letters that had been bequeathed to Lady Knatchbull (née Fanny Knight), his mother, by her great-aunt Cassandra Austen. It was to Jane's sister Cassandra that most of the letters that survive were written. By 1884 Jane Austen's novels were much acclaimed. The time had come to offer to the public "a picture of her such as no history written by another person could give so well," wrote Lord Brabourne. "Amid the most ordinary details and most commonplace topics, every now and then sparkle out the same wit and humour which illuminate the pages of Pride and Prejudice, ... etc., and which have endeared the name of Jane Austen to many thousands of readers in English-speaking homes." This is reason enough to publish a fresh selection of extracts from the letters in an easily readable edition in which relevant excerpts from the novels, together with appropriate illustrations, illuminate Jane Austen the woman and Jane Austen the author.—Adapted from page 6.

This book strolls through the sorts of gardens that Jane Austen would have known and visited: the gardens of the great estates, cottage gardens, gardens in town, and public gardens and parks. Some of the gardens she owned or knew exist still in some form today; among the gardens highlighted is the restored garden at Jane Austen's House Museum in Chawton, England, complete with a sample planting plan of the flowers grown there now. The book also includes touring information for gardens featured in film adaptations of the novels.
