"This workbook will introduce your child to the addition of two multiple-digit numbers."--cover.

Focus on Multiplication and Division with Decimals - Kumon 2012-06

Kumon's research has discovered that children learn more easily when they tackle one skill at a time. That's why Kumon Focus on Workbooks shine a spotlight on one challenging math topic per book and help children improve these essential skills and gain confidence in their abilities. Each workbook utilizes the Kumon Method - a step-by-step, incremental approach that helps children learn at their own pace and without anxiety. By rigorously practising each skill, the child will be proficient in the mathematics that is crucial for future learning.
