The Wild Way Home - Sophie Kirtley 2020-07-01
'So good I read it twice' - Hilary McKay, author of *The Skylarks* 'War 'This thrilling time-slip adventure oozes magic and heart' - Bookseller EDITOR'S CHOICE When Charlie's longed-for brother is born with a serious heart condition, Charlie's world is turned upside down. Upset and afraid, Charlie flees the hospital and makes for the ancient forest on the edge of town. There Charlie finds a boy floating face-down in the

stream, injured, but alive. But when Charlie sets off back to the hospital to fetch help, it seems the forest has changed. It's become a place as strange and wild as the boy dressed in deerskins. For Charlie has unwittingly fled into the Stone Age, with no way to help the boy or return to the present day. Or is there? What follows is a wild, big-hearted adventure as Charlie and the Stone Age boy set out together to find what they have lost - their courage, their hope, their family and their way home.

Bear - Wolf D. Storl

2018-01-09

Since the beginning of human history, bears have been regarded as animals of great power. Ethnobotanist and cultural anthropologist Wolf Storl, who spent years in the wilderness with bears, explores the fascinating relationship between bears and humans, including the history, mythology, healing lore, and biology of this formidable creature. Storl takes the reader from the bear caves of the Neanderthals to the bear-worshipping Siberian tribes of today, from the extinct cave bear to the modern teddy bear. Bears were traditionally seen as a kind of "forest human" under whose shaggy fur a king or a god was hidden, he explains. Vividly illustrating the power of myths and fairy tales to reveal more than scientific treatises about the true nature of beings--especially in the case of bears--Storl restores this

magnificent animal to its rightful place at the forefront of the human imagination as well as among the dwellers of the forest.

The First Drawing - Mordicai Gerstein 2013-09-10

Imagine you were born before the invention of drawing, more than thirty thousand years ago. You would live with your whole family in a cave and see woolly mammoths walk by! You might even see images of animals hidden in the shapes of clouds and rocks. You would want to share these pictures with your family, but wouldn't know how. Who would have made the world's first drawing? Would it have been you? In *The First Drawing*, Caldecott Medal winner Mordicai Gerstein imagines the discovery of drawing...and inspires the young dreamers and artists of today.

Stone Motel - Morris Ardoin

2020-04-15

In the summers of the early 1970s, Morris Ardoin and his siblings helped run their family's roadside motel in a hot, buggy, bayou town in Cajun Louisiana. The stifling, sticky heat inspired them to find creative ways to stay cool and out of trouble. When they were not doing their chores—handling a colorful cast of customers, scrubbing motel-room toilets, plucking chicken bones and used condoms from under the beds—they played canasta, an old ladies' game that provided them with a refuge from the sun and helped them avoid their violent, troubled father. Morris was successful at occupying his time with his siblings and the children of families staying in the motel's kitchenette apartments but was not so successful at keeping clear of his father, a man unable to shake the horrors he had experienced as a child and, later, as a soldier. The preteen would learn as he matured that his father had reserved his most ferocious attacks for him

because of an inability to accept a gay or, to his mind, broken, son. It became his dad's mission to "fix" his son, and Morris's mission to resist—and survive intact. He was aided in his struggle immeasurably by the love and encouragement of a selfless and generous grandmother, who provides his story with much of its warmth, wisdom, and humor. There's also suspense, awkward romance, naughty French lessons, and an insider's take on a truly remarkable, not-yet-homogenized pocket of American culture.

Harry Potter and the Cursed Child - J. K. Rowling

2017-07-25

The official playscript of the original West End production of Harry Potter and the Cursed Child. It was always difficult being Harry Potter and it isn't much easier now that he is an overworked employee of the Ministry of Magic, a husband, and father of three school-age children. While Harry grapples with a past that refuses to stay where it belongs, his youngest son Albus must struggle with the weight of a family legacy he never wanted. As past and present fuse ominously, both father and son learn the uncomfortable truth: sometimes, darkness comes from unexpected places. The playscript for Harry Potter and the Cursed Child was originally released as a 'special rehearsal edition' alongside the opening of Jack Thorne's play in London's West End in summer 2016. Based on an original story by J.K. Rowling, John Tiffany and Jack Thorne, the play opened to rapturous reviews from theatregoers and

critics alike, while the official playscript became an immediate global bestseller. This revised paperback edition updates the 'special rehearsal edition' with the conclusive and final dialogue from the play, which has subtly changed since its rehearsals, as well as a conversation piece between director John Tiffany and writer Jack Thorne, who share stories and insights about reading playscripts. This edition also includes useful background information including the Potter family tree and a timeline of events from the wizarding world prior to the beginning of Harry Potter and the Cursed Child.

Boys Like You - Juliana Stone 2015-04-07

"A story of family, first love and forgiveness. I couldn't stop

reading. I loved it!"—Miranda Kenneally, author of *Catching Jordan* Two shattered hearts are about to collide in this achingly poignant young adult novel. Monroe and Nathan are two lost souls each struggling with grief and guilt from a mistake that changed their lives looking for acceptance, so they can find forgiveness. For Monroe Blackwell, one small mistake has torn her family apart—leaving her empty and broken. There's a hole in her heart that nothing can fill. That no one can fill. And a summer in Louisiana with her grandma isn't going to change that... Nathan Everets knows heartache firsthand when a car accident leaves his best friend in a coma. And it's all his fault. He should be the one lying in the hospital. The one who will never play guitar again. He doesn't deserve forgiveness, and a court-appointed job at the Blackwell B&B isn't going to change that... There's No Going Back Captivating and hopeful, this achingly poignant novel brings together two lost souls struggling with grief and

Back to the Stone Age - Edgar Rice Burroughs 2021-10-13 Back to the Stone Age Edgar Rice Burroughs - The fifth installment of Edgar Rice Burroughs's Pellucidar series, Back to the Stone Age recounts the strange adventures of Lieutenant von Horst, a member of the original crew that sailed to Pellucidar with Jason Gridley and Tarzan who is left behind in the inner world. Von Horst wanders friendless and alone from one danger to the next among the Stone Age peoples, mighty reptiles, and huge animals that have been extinct on the outer crust for thousands of years. But woven among the tales of savage cave men in the country of the Basti, the hideous Gorbuses in the caverns beneath the Forest of Death, and the terrible Gaz is the story of the love this cultured hero feels for a barbarian slave

girl who has spurned and discouraged him, working instead toward her own mysterious goal.

Windows to Our Children - Violet Oaklander 1988

The History Detective

Investigates: Stone Age to Iron Age - Clare Hibbert 2017-06-06

Find out all about the first Britons, nomadic hunter-gatherers who came from mainland Europe to settle in England bringing wooden spears, flint hand-axes and animals with them. Stone Age to Iron Age tells the story of how these people settled and began farming the land. They built villages of timber and stone houses such as Skara Brae on Orkney. Stonehenge is perhaps the most famous monument of this period, a technological marvel of the time built by raising over 80 blue stones to create the 'henge'. The Bronze Age brought with it metalworking using copper, tin and gold to make tools and beautiful everyday objects. The Iron Age was known for its hill forts,

farming and art and culture. Contains maps, paintings, artifacts and photographs to show how early Britons lived. Ideally suited for readers age 8+ or teachers who are looking for books to support the new curriculum for 2014.

Stick and Stone - Beth Ferry 2015

Stick and Stone are both lonely until Pinecone's teasing causes one to stick up for the other, and a solid friendship is formed. 50,000 first printing.

The Boy with the Bronze Axe - Kathleen Fidler 2018-04-19

Kathleen Fidler's classic story is set in the ancient Stone Age village of Skara Brae on Orkney. This is a fascinating and vividly portrayed story of life nearly 3,000 years ago. Kali and Brockan are in trouble. They have been using their stone axes to chip limpets off the rocks, but they've gone too far out and find themselves trapped by the tides. Then, an unexpected rescuer appears, a strange boy in a strange boat, carrying a strangely sharp axe of a type they have never seen before. Conflict arises as the

village of Skara must decide what to do with the new ideas and practices that the boy brings. As a deadly storm threatens, the very survival of the village is in doubt. Step back into the Stone Age and learn about the daily life and rituals of the ancient village of Skara Brae in this compelling, fictional account of the famous Orkney settlement. Vivid descriptions and accurate historical details bring the village to life and make this an ideal choice for those studying the Stone Age curriculum.

The Stone Boy - Sophie

Loubière 2013-10-01

The bestselling French phenomenon, winner of the Prix Lion Noir, now available in English for the first time...

When Madame Préau returns to her own house outside Paris after several years spent in a convalescent home, she immediately notices that the

neighborhood has changed. Now, instead of a beautiful garden next door there is a new house. And she can see directly into her new neighbors' windows. Madame Préau quickly feels that something isn't right. Her neighbors have two perfectly healthy children who play in the yard after school. But there is also a third child: a young boy who looks malnourished and abused, and tosses small stones at her window in an apparent call for help. The family denies his existence. But is the little boy real, or merely a hallucination of a lonely, mentally unstable old woman cut off from her own beloved grandson? When the police refuse to listen to her, Madame Préau decides to take matters into her own hands. She's determined to help the little boy, and she'll do anything to make sure he's safe...
