**Mermaids Fast Asleep -**

Robin Riding 2019-04-09

Do you suppose, way down deep, there are mermaids fast asleep? Written in a gentle, lyrical style that mirrors a lullaby, MERMAIDS FAST ASLEEP asks the question that young children have maybe asked before bedtime: Are

there mermaids asleep in the sea? As our young human gazes into the water, her imagination wanders as she pictures the life that young mermaids live in the sea. Do they count fish instead of sheep? Do they breathe water like air? The book begins just at dusk as the sky is still Starbust oranges and pinks. And as the book moves on, the colors deepen to blues, greens, and purples until the sky is inky as night and a silvery moon magically glows. Paired with stunning art from Zoe Persico, MERMAIDS FAST ASLEEP is a must bedtime book for young mermaid fans.

BOOK OF THE YEAR AWARD • This enchanting tale of a cursed mythical creature and the lonely fisherman who falls in love with her is "a daring, mesmerizing novel ... single-handedly bringing magic realism up-to-date (Maggie O'Farrell, best-selling author of Hamnet). In 1976, David is fishing off the island of Black Conch when he comes upon a creature he doesn't expect: a mermaid by the name of Aycayia. Once a beautiful young woman, she was cursed by jealous wives to live in this form for the rest of her days. But after the mermaid is caught by American tourists, David rescues and hides her away in his home, finding that, once out of the water, she begins to transform back into a woman. Now David must work to win Aycayia's trust while she relearns what it is to be human, navigating not only her new body but also her relationship with others on the island—a difficult task after centuries of loneliness. As David and Aycayia grow to love each other, they juggle both

the joys and the dangers of life on shore. But a lingering question remains: Will the former mermaid be able to escape her curse? Taking on many points of view, this mythical adventure tells the story of one woman's return to land, her healing, and her survival.
