Omega Phoenix: Claimed (Her Shifter

Harem's Babies 1) - Layla Heart 2020-09-23

Cyra, a rare Omega phoenix shifter, has had a rough week, to say the least. First, two playboy Alphas, a hydra and a griffin, start showing up at the cafe she works at. Their teasing making her all hot and bothered, no matter how much she tries to ignore them. And then she accidentally

accepts to play a princess at a spoiled shifter kid's birthday party, where her crappy old car promptly breaks down. Luckily, or maybe she's just cursed, a cerberus and a centaur Alpha are there to save the day and give her a ride home. For years, Cyra has managed to hide herself from other shifters, pretending she's human. Because she doesn't want her parents to marry her off to a rich asshole Alpha for money and status or to be kidnapped and bred like some other rare Omega shifters. She wants her freedom, to be able to make her own choices, and both of those things are taken away the moment she's mated. Once she's claimed by an Alpha, she'll become that Alpha's property, and she refuses to live like that. But now everything she's worked so hard for is falling apart around her. Money is tight, and with her crappy car constantly needing repairs, she won't be able to afford the medication she needs to stay hidden from shifters, especially with the mating season only weeks away. So she makes a reckless

decision and takes the cerberus and the centaur up on their offer to be their date to the yearly Night Gala, an exclusive shifter event for bachelor Alphas, Betas and Omegas, though it's not uncommon for humans to attend too, as 'dates' or serving staff. Their offer is too tempting, one night of boring chats while looking pretty, and all her money problems will be solved. That is, until the hydra and griffin Alphas also appear at the Night Gala and everything goes to hell... This is the first book in the Her Shifter Harem's Babies series, a paranormal Omegaverse reverse harem #WhyChoose story. This book may include any of these elements: steamy scenes, 'I need tissues NOW' moments, cries of 'why, oh, why' and cliffhangers that make you bite your nails (and curse the author). ??This story includes MF and MM scenes.

Blood Cursed - Sarah Piper 2018-12-02

"My whole life, you've been making deals for my future-for my soul-with other people. Now you're going to deal with me." The Prince of Hell has been gunning for a Silversbane heir for decades-a witch whose blood can summon the spirits of the most powerful magic-users ever to walk the

earth. A witch like me. Thanks to a soul-shattering devil's bargain, I'm now his most prized possession. But I've got bigger fires to fight than the ones burning in hell. My friends are still imprisoned. Hunters have joined forces with the dark fae, and the Council has turned their backs on us. One of my rebels is now forbidden to love me, and another can't remember that he ever did. Mix in an epic betrayal and a few dark secrets, and I'm ready to burn it all down. So yeah, maybe the Prince of Hell is used to closing deals and getting what he wants. But when it comes to this Silversbane witch? He probably should've read the fine print. **Sinner's Game** - Terina Adams 2021-09-20 Why would two witches with little magical talent go after the most stunning find in the paranormal world? Because we're thieves, and Auntie Bea concealed the truth. We find ourselves caught in the turbulent, hot mess that is Devonport, home of powerful factions, chasing a skull. Worse, Auntie Bea is kidnapped by the

dangerous Apostles to force my compliance. Worse still, I have four days to win the skull or Auntie Bea loses her ears, and other vital body parts. And then the real killer, I'm now the number one target to the most deadly of them all, the vampire King. An alpha male with some lethal skills and a serious attitude problem. He wants the skull. So do I. I have to win this race. How do I avoid a supreme predator when he's named me his nemesis?

Their Dark Valkyrie - Eva Chase 2021-01-28
Four scorching-hot gods. One kickass valkyrie. Nine realms of trouble. All I wanted was to keep my distance from the criminals I work for and get my little brother out of the hell that is our mother's house. Then I died and woke up to four stunningly hot gods telling me I'm now a valkyrie. Sly, sharp Loki. Jovial but ferocious Thor. Dreamily compassionate Baldur. Grim and secretive Hod. I'm connected to all of them through a bond we barely understand. The longer I spend with them, the more my walls

start to crack. But the gods didn't summon me just for kicks. Their king is missing, and they need me to find him. The first three valkyries they sent on the job never made it back. More power is awakening in me than I could ever have imagined, but the gods' enemies are more devious than even they knew. It's going to take every trick in the book for me to save myself, my brother, and these divine men who're getting under my skin in the most alluring way. Good thing I've always been a fighter. I'm Aria Watson, and Valhalla ain't seen nothing yet. *Their Dark Valkyrie is an action-packed, heart-wrenching urban fantasy series with Norse mythology like you've never seen it before. How to Break a Curse in Five Simple Steps - Jb Trepagnier 2021-04-20

A witch curse is a hell of a thing to deal with when you're immortal Nice to meet you. My name is Catarina Ash. You've probably read about me. Wife of Bath ring a bell? The Loathly Lady stories used to be wildly popular. I used to have a thing for dating writers. I don't take credit for the Viking story, but it wouldn't surprise me if Cadence was so proud of the curse she put on me, she repeated it on another witch. She throws out curses like candy and probably has a few repeats. I'm cursed to walk the earth as a wrinkled crone unless I can find love. What they don't tell you in all the stories about the Loathly Lady is that since I'm

immortal, when my love dies, I revert back to the crone unless I can find love again. I've retreated to my enchanted woods, hoping to just shrivel up and die, until one day, I feel a horrible aura sneaking around in my woods. My foresight tells me the human that aura belongs to is going to eventually lead me towards the path of breaking my curse for good. Edward Solomon is in my woods hoping to steal my land and build a university. Somehow, that university is important, but I don't know why. All I'm armed with is a cryptic feeling in my gut that giving this horrible man a part of my land and making a deal with him will lead me towards the right path. I've got my familiar here to guide me, but sometimes, she can't keep the present and future straight and I'm not sure what she's talking about. The answer to breaking my curse is there, but I will have to wait, learning ancient magic of my ancestors, tricking Cadence's curse with men from the university, and trying to find the missing piece to breaking my curse

My curse and Mephisto's secrets have to take a back seat, though, when the most powerful vampire in the city hires me for a job. It seems simple enough: negotiate the acquisition of a weapon that can kill his kind faster than a stake to the heart.
