Deathstalker Honor - Simon R. Green 2021-12-14

Official hero of the great rebellion, Owen Deathstalker fought impossible odds to throw down the Empress Lionstone XIV and destroy the corrupt Empire. That should have been enough to be feted, honored, and finally retired. Unfortunately, the new Parliament has some different ideas. There's no rest for a Deathstalker. As newly appointed Imperial bounty hunter, Owen tracks down the most dangerous war criminals. His current target: Valentine Wolfe, depraved right hand of the Empress and so-called "butcher of Virimonde." Valentine's latest atrocities are both staggering and deeply personal to Owen, but revenge may have to wait. Humanity faces extermination from enemies new and old, while the fledgling Parliament struggles to maintain control. Worse still, something is alive and beginning to stir in the Darkvoid. The odds are stacked against him again, but Owen Deathstalker will have to face his destiny one more time...or forever damn the future of mankind. Deathstalker: Honor is the fourth book in New York Times bestselling author Simon R. Green's beloved space opera series.

Visual features offer stats and comparisons to highlight traits of each animal. A final fight scene applies the content of the book in an action-packed finale!

Deathstalker Prelude - Simon R. Green 1998

This is the prelude to the Deathstalker books. The Empire that spanned lightyears, is now rotten to the core and its half-mad empress rules with a fist of iron. The stories told are Mistworld, Ghostworld and Hellworld.

Hellworld - Simon R. Green 2013-12-17

A band of outcasts is sent to colonize a barren and dangerous planet in this action-packed novel by a New York Times–bestselling author. A third-generation Naval officer, Scott Hunter was raised to be a captain in the Imperial starfleet. His career is soaring until he panics during a skirmish with the rebellion, a moment of weakness that gets half his crew killed. The Empire gives him a choice—quit the service, or join a Hell Squad. The Hell Squads are one-way planetary scouts—outcasts sent

to explore new worlds and determine whether or not they are habitable. Their task is simple: either survive or die. For one whose whole life is the Navy, this was never a choice at all. On his first Hell Squad mission, Hunter leads a motley team of hard-nosed rebels to the volcano planet of Wolf IV. After a bumpy landing, they find that what was supposed to be a hospitable planet is actually completely barren. On a world that was meant to hold new life, why does there seem to be death all around?

Deathstalker - Simon R. Green 2016-05-04

Owen Deathstalker, last of the infamous warrior Clan, always considered himself more of a writer than a fighter, preferring his history books to making any actual history with a sword. But books won't protect him from Her Imperial Majesty Lionstone XIV, who just Outlawed and condemned Owen to death, without any explanation, reason, or warning. No wonder she's called the Iron Bitch. Now, on the run from Imperial starcruisers, shady mercenaries, and just about everyone else in the Empire, Owen's options are limited. Though the name Deathstalker still commands respect in certain quarters, out on the Rim, Owen is lucky he can cobble together a makeshift team of castoffs, including an ex-pirate, a cyborg, and a bounty hunter. But allies won't be enough to save him. If he's to live, Owen can either run forever...or take down the corrupt Empire. To do that, he'll need the fabled Darkvoid Device—an artifact dating back to the first Deathstalker and perhaps the only weapon powerful enough to help this ragtag rebellion win. The time has come for Owen to finally embrace his Deathstalker heritage...and all the blood and death that go along with it. *Deathstalker* is the first book in New York Times bestselling author Simon R. Green's beloved space opera series.

Spiders - Gail Gibbons 2018-01-01

"...bright illustrations and simple text, pleasantly presented in read-along form, should be welcomed by budding entomologists." -School Library Journal

[Deathstalker War](#) - Simon R. Green 1997-07-01

Owen Deathstalker fights to win a war against an empire in this sci-fi epic from New York Times bestselling author Simon R. Green. Fate had made Owen Deathstalker a rebel hero in an empire choked by tyranny. Embracing his warrior lineage for the sake of freedom, he stoked the flames of revolution, gathering the forces that one day must strike against Imperial authority. That day has come. With his valiant compatriots Hazel d'Ark and Jack Random, Owen must now bring the uprising to a fiery conclusion. From the rebel strongholds of Mistworld and Virimonde to the Empire's mighty heart on the planet of Golgotha, the fate of humanity now depends on a clash of arms across light-years of space. But Deathstalker's desperate cause will need more than an army of courageous fighters to succeed—for the cunning Empress has some evil surprises to unleash...

Deathstalker Return - Simon R. Green 2016-08-03

Take a journey through the Age of Heroes... After falling in love with the king's intended, Lewis Deathstalker is now exiled, an outlaw from the empire he faithfully served for so long. With Lewis out of the way, former Paragon Finn Durandal, has led a silent coup to wrest control from the king and set himself up as the power behind the throne. But Durandal is not the Empire's biggest threat. The Terror that Owen Deathstalker prophesied nearly 200 years ago is almost upon them, and Owen is supposedly the only one who can save civilization from unspeakable horrors. Lewis, unwilling to believe that the galaxy's savior is dead, sets off to the darkest reaches of the Galaxy to find his lost ancestor. Lewis intends to retrace Owen's footsteps and overturn every possible lead. But with Finn in control of the empire's massive forces, he is outmanned and outgunned at every turn. Lewis must stay one step ahead of Finn's ever-expanding reach if he has any hope of discovering Owen's fate. Deathstalker Return is the seventh book in the beloved New York Times bestselling author Simon R. Green's beloved space opera

series.

Deathstalker Rebellion - Simon R. Green 1996-07-01

New York Times bestselling author Simon R. Green continues his compelling space opera with the second novel in the Deathstalker series. Owen Deathstalker—outlawed, with a price on his head and the blood of a mighty warrior lineage in his veins—had no choice but to embrace a dangerous destiny. With nothing to lose, only he had the courage to take up arms against Queen Lionstone XIV. Now as he gathers his unlikely allies—the legendary washed-up hero Jack Random, the beautiful pirate Hazel d'Arc, the original Deathstalker long since presumed dead, and the alien Hadenmen whose purposes no human can discern—the eyes of the downtrodden are upon him while the freedom of a galaxy hangs in the balance...

Deathstalker Rebellion - Simon R. Green 1996

In the sequel to Deathstalker, outlaw Owen Deathstalker and his band of washed-up warriors, pirates, and aliens battle the tyrannical Queen Lionstone XIV to preserve the galaxy's freedom. Reissue.

Rise of the Night Stalkers - Kurtis Eckstein 2020-01-07

Genres: GameLit, Post-Apocalyptic, Adventure Fantasy Waking up to discover the apocalypse had begun, and to find that I was no longer human, was not how I thought my day would go. But then again, I supposed I was thankful to just have another day to begin with, considering I'd apparently been a mindless monster for the last several months. The city was a mess, with many buildings destroyed by massive black towers that rose into the sky like enormous thorns. And yet, despite all this, I was about to discover that the monsters and bizarre landscape weren't the strangest things about the apocalypse. At least, not if the visual hallucination that displayed game-like stats counted. Warning: This book contains content that may not be suitable for all audiences, including excessive profanity and some violence/gore. Prologue As she got into position to strike, I quickly realized that stalking must truly come naturally to our kind, because the little demon proceeded to expertly sneak up on the man like a ninja, leaping onto his back and sinking her teeth into his neck. I could hear the snap from here,

as she broke his spine at the base of his skull, dropping him to the ground in an instant. However, the fact that I could hear it so loudly also meant that the other man did too. He whipped his head around, just in time to see a four-legged creature dash behind another car. Crying out in shock, he fired his gun a few shots after she had already vanished, only to run over to his partner in crime, continuing to point his weapon towards the car. Little did he realize that she was already on the move the moment he glanced away. Rise of the Night Stalkers is a full-length novel. Genres: GameLit, Post-Apocalyptic, Adventure Fantasy

Deathstalker Legacy - Simon R. Green 2016-08-02

A golden age doesn't last forever... Owen Deathstalker sacrificed everything to topple a corrupt empire and usher humanity into an age of peace and prosperity. Now Lewis Deathstalker, Owen's descendant, carries on the family name and honor as a Paragon, warriors famed for their skill and heroism who dispense the king's justice throughout the galaxy. However, two hundred years have passed since Owen and his gang of heroes disappeared into legend, and the peace that the Deathstalker bought with his life is quickly coming to an end. Amidst political uncertainty, Lewis's oldest friend, Douglas, ascends the throne

and names Lewis to the archaic, and largely symbolic, role of King's Champion. But Lewis quickly finds that he has all the bad luck of his famous ancestor and that his old allies have become his enemies. Surrounded on all sides by plots and treason with the political situation spiralling out of control, Lewis is exiled from court in disgrace. Now it's the new Deathstalker's turn to save the empire with only a ragged band of allies as chaos spreads throughout the empire and threatens to end the golden age.

Drinking Midnight Wine - Simon R. Green 2014-07-28

There is a world beyond the world It figures. Just when Bradfordian bookshop clerk, Toby Dexter, finally works up the nerve to talk to his secret crush, she darts into an open door. Toby follows, and in that

second, everything changes. Though it still looks like Bradford-on-Avon, the town's suddenly chatty ATM and river mermaids are the first clues that something is quite out of place—namely, Toby. The moment he stepped through that door, Toby entered the magical parallel world of Mysterie. Our ordinary dimension—the one Toby knew as Bradford-on-Avon—is actually Veritie, a mere shadow of its alter ego, Mysterie, where magic and myth, gods and monsters, living legends and walking nightmares reign. And Toby isn't the only recent arrival. A cunning and vicious demon—The Serpent's Son—has returned to Mysterie, accompanied by a malevolent new ally, intent on bringing down both dimensions. Toby can remain mortal, return to Veritie, and try to convince himself that he had a bad pint of bitter that night. Or he can stay in Mysterie, join forces with his new friends Leo Morn and his Brother Under The Hill, and try to stop The Serpent's Son. The choices Toby makes will have dramatic consequences for both worlds. It may not be the first time Mysterie's wars have spilled over into our reality, but if Toby fails, it could be the last. Simon R. Green, New York Times bestselling author of the Deathstalker series and the Nightside series, brings his trademark wit and inventiveness to his beloved hometown of Bradford-on-Avon, in this charming standalone urban fantasy novel.

Beware the Deathstalker Scorpion! - Ursula Pang 2022-07-30

The deathstalker scorpion is one of the world's most dangerous creatures, and it's hardly 3 inches long! This poisonous scorpion lives in hot, arid areas of Africa and the Middle East, hiding in burrows during the day and hunting for prey at night. The deathstalker's sting is very venomous and often deadly. The text in this volume addresses several important elementary science topics, including life cycle, conservation, and technology. Close-up photographs of deathstalkers help readers connect to the text, and frequent sidebars offer further chances to broaden their scientific knowledge.
