Billy Summers - Stephen King 2021-08-03
The #1 New York Times Bestseller An Esquire Best Book of the Year A Wall Street Journal Favorite Book of the Year A Goodreads Choice Awards Finalist From legendary storyteller Stephen King, whose “restless imagination is a power that cannot be contained” (The New York Times Book Review), comes a thrilling new novel about a good guy in a bad job. Billy Summers is a man in a room with a gun. He’s a killer for hire and the best in the business. But he’ll do the job only if the target is a truly bad guy. And now Billy wants out. But first there is one last hit. Billy is among the best snipers in the world, a decorated Iraq war vet, a Houdini when it comes to vanishing after the job is done. So what could possibly go wrong? How about everything. This spectacular can’t-put-it-down novel is part war story, part love letter to small town America and the people who live there, and it features one of the most compelling and surprising duos in King fiction, who set out to avenge the crimes of an extraordinarily evil man. It’s about love, luck, fate, and a complex hero with one last shot at redemption. You won’t put this story down, and you won’t forget Billy.

Night in the Underworld - Mark Stephen O'Neal
2019-04-19

A guy simply known as Red tried to make the best of his situation once he had lost his job in

the banking industry after clocking sixteen years of service. He'd also broken up with his girlfriend who he dated for three years a few months prior to being laid off, and he tried to find another job in his field before his severance package ran out. However, Red found a lifeline in driving for Uber and made a good living doing so. He would eventually reach a crossroad and would ultimately have to make the decision to either continue driving for Uber or to quit. *Night in the Underworld* will take you on a journey into the world of sex, drugs and possibly murder on a rainy May night in Chicago.

Managing Sustainable Business - Gilbert G. Lenssen 2018-03-07

This book offers 32 texts and case studies from across a wide range of business sectors around a managerial framework for Sustainable Business. The case studies are developed for and tested in executive education programmes at leading business schools. The book is based on the premise that the key for managing the sustainable business is finding the right balance over time between managing competitiveness and profitability AND managing the context of the business with its political, social and ecological risks and opportunities. In that way, a sustainable business is highly responsive to the demands and challenges from both markets and societies and managers embrace the complexity,

ambivalence and uncertainty that goes along with this approach. The book presents a framework that facilitates the adoption of best business practice. This framework leads executives through a systematic approach of strategic analysis and business planning in risk management, issues management, stakeholder management, sustainable business development and strategic differentiation, business model innovation and developing dynamic capabilities. The approach helps broaden the understanding of what sustainable performance means, by protecting business value against sustainability risks and creating business value from sustainability opportunities.

The Trust Revolution - M.Todd Henderson
2019-08-15

Traces the history of innovation and trust, demonstrating how the Internet offers new ways to rehabilitate and strengthen trust.

You Don't Have to Drive an Uber in Retirement - Marc Lichtenfeld 2018-02-08

Named the 2019 Investment and Retirement Planning "Book of the Year" by the Institute for Financial Literacy It's never too late to start planning for retirement You Don't Have to Drive an Uber in Retirement is a survival guide for your golden years, and a lifeline for those entering the Retirement Crisis unprepared. Roughly 45 percent of Americans have zero dollars saved for retirement—but the average retiree will spend \$154,000 in out-of-pocket health care costs alone. We need to figure out how to generate more income, even in retirement, and spend less. How do we boost our retirement income? Is investing the way to go? How much do we need, anyway? This book does more than just answer the important questions—it gives you real-world tips to help you reach your financial goals. Yes, it is possible to increase your income in or as you approach retirement. These guidelines will help you optimize your assets and put away more money for the years you'll need it most. Planning for retirement does not mean holding off on fun today; there are many ways the average American can reduce everyday costs of living without living like a pauper. This book will help you take stock of what you have and what you'll need, and show you how to bridge the gap. Maximize your savings while minimizing the

lifestyle impact Unique ways for generating a meaningful amount of income, that don't require you to get a job Learn just how much you'll need for a comfortable retirement Adopt new everyday strategies that will help you bolster your funds Add new income streams, optimize your portfolio, and learn to spend less without living less—these are the key factors in making your golden years truly golden. You Don't Have to Drive an Uber in Retirement is an important resource and insightful guide for those hoping to one day leave the workforce—in comfort.

The Torch - Scott Wellinger 2017-10-02

A massive restaurant fire in the North End of Boston takes down an entire city block. Office buildings. Apartments. The death toll staggering. The suspected cause is arson. While the police and fire department conduct their investigations, the insurance company holding the paper on the restaurant executes a parallel investigation using Lisa Sheed, a private investigator in a small but sought-after firm. Only Lisa's investigation uncovers much more than possible insurance fraud. The fire investigation leads to another case. And another. While simultaneously dealing with multiple personal crises, Lisa finds herself sucked into an underbelly that threatens not only her life, but the lives of her wife and friends. No one is safe. Time is ticking. Her entire world is on her shoulders. She must find the strength within herself to conquer unimaginable fears, bureaucratic red-tape, and the evil that threatens everything. *The Torch* is a heartbreaking, suspenseful, and insightful novel with twists and turns rivaling anything in the genre. A complex and compelling page-turner from a master storyteller. Scott Wellinger is at the very top of his cr

Postsocialist Politics and the Ends of Revolution - Neda Atanasoski 2022-10-20

Moving past the conflation of state socialism with all socialist projects, this book opens up avenues for addressing socialist projects rooted in decolonial and antiracist politics. To that end, this anthology brings together scholarship across regions that engages postsocialism as an analytic that connects the 'afters' of the capitalist-socialist dynamic to present day politics. Resisting the revolutionary teleology of what was before, "postsocialism" can function to create space to work through ongoing legacies

of socialisms in the present. Looking at the Middle East, Scandanavia, the UK, Korea, Romania, China, and the US, the chapters in this book assess ongoing socialist legacies in new ethical collectivities and networks of dissent opposing state- and corporate- based military, economic, and cultural expansionism since the end of the Cold War. The majority of the chapters in this book were originally published as a special issue of the journal, Social Identities.

UBER Stories, from a driver - Phil Gare
2017-04-30

This story is talks about some of the fun, light, educational stories from an Uber driver that has driven over 2,500 rides. It is meant to provide entertainment and share stories about wonderful people and encourage people to network and reach out.

Disney World and the Orlando Area - Fodor's
1991-08-06

As interest in domestic travel grows, the Orlando area expects to attract even more than its usual 10 million visitors per year. In addition to the area's latest attractions and best ways to beat the lines, this guide also covers out-lying points of interest, such as Busch Gardens and Cape Canaveral.

The Rider and Driver - 1893

Confessions of an Uber Driver - John Dillingham
2017-09-05

Chronicled during the spring and summer of 2016 in Tampa Bay, Florida, these are the true stories and confessions of John Dillingham.

Uberland - Alex Rosenblat 2018-10-23
Silicon Valley technology is transforming the way we work, and Uber is leading the charge. An American startup that promised to deliver entrepreneurship for the masses through its technology, Uber instead built a new template for employment using algorithms and Internet platforms. Upending our understanding of work in the digital age, Uberland paints a future where any of us might be managed by a faceless boss. The neutral language of technology masks the powerful influence algorithms have across the New Economy. Uberland chronicles the stories of drivers in more than twenty-five cities in the United States and Canada over four years, shedding light on their working conditions and

providing a window into how they feel behind the wheel. The book also explores Uber's outsized influence around the world: the billion-dollar company is now influencing everything from debates about sexual harassment and transportation regulations to racial equality campaigns and labor rights initiatives. Based on award-winning technology ethnographer Alex Rosenblat's firsthand experience of riding over 5,000 miles with Uber drivers, daily visits to online forums, and face-to-face discussions with senior Uber employees, Uberland goes beyond the headlines to reveal the complicated politics of popular technologies that are manipulating both workers and consumers.

Beyond the Algorithm - Deepa Das Acevedo
2020-11-05

In *Beyond the Algorithm: Qualitative Insights for Gig Work Regulation*, Deepa Das Acevedo and a collection of scholars and experts show why government actors must go beyond mass surveys and data-scrubbing in order to truly understand the realities of gig work. The contributors draw on qualitative empirical research to reveal the narratives and real-life experiences that define gig work, and they connect these insights to policy debates being fought out in courts, town halls, and even in Congress itself. The book also bridges academic and non-academic worlds by drawing on the experiences of drivers, journalists, and workers' advocates who were among the first people to study gig work from the bottom up. This book is a must-read for anyone interested in gig work, the legal infrastructure surrounding it, and how that infrastructure can and must be improved.

It's Not All Downhill From Here - Terry McMillan
2020-03-31

NEW YORK TIMES BESTSELLER • After a sudden change of plans, a remarkable woman and her loyal group of friends try to figure out what she's going to do with the rest of her life—from Terry McMillan, the bestselling author of *How Stella Got Her Groove Back* and *Waiting to Exhale* NAMED ONE OF THE BEST BOOKS OF THE YEAR BY MARIE CLAIRE AND GOOD HOUSEKEEPING • "Poignant, funny and full of life, this is a balm for troubled times."—People Loretha Curry's life is full. A little crowded sometimes, but full indeed. On the eve of her sixty-eighth birthday, she has a booming beauty-

supply empire, a gaggle of lifelong friends, and a husband whose moves still surprise. True, she's carrying a few more pounds than she should be, but Loretha is not one of those women who think her best days are behind her—and she's determined to prove wrong her mother, her twin sister, and everyone else with that outdated view of aging wrong. It's not all downhill from here. But when an unexpected loss turns her world upside down, Loretha will have to summon all her strength, resourcefulness, and determination to keep on thriving, pursue joy, heal old wounds, and chart new paths. With a little help from her friends, of course.

Baby Can Travel - Dan Brewer 2017-02-18

Get Rich with Dividends - Marc Lichtenfeld

2015-02-04

2016 Book of the Year award winner by the Institute for Financial Literacy "Set it and forget it" investing, with less risk and higher returns Get Rich with Dividends is the bestselling dividend-investing book that shows investors how to achieve double-digit returns using a time-

tested conservative strategy. Written by a nineteen-year veteran of the equity markets, this invaluable guide shows you how to set up your investments for minimal maintenance and higher returns, so you can accumulate wealth while you focus on the things that matter. Using the author's proprietary 10-11-12 system, you'll learn how to generate the income you need on a quarterly or even monthly basis. You'll discover the keys to identifying stocks that will return twelve percent or more every year, and how to structure your investments for greater security and financial well being. This method is so easy to use, you'll want to teach it to your children early to set them up for financial independence and help them avoid the problems that plagued many investors over the past decade. Dividends are responsible for 44 percent of the S&P 500's returns over the last eighty years. They represent an excellent opportunity today, especially for investors who have been burned in recent meltdowns and are desperate for sensible and less risky ways to make their money grow. This book describes a framework that allows investors to reap higher returns with a low-to-no maintenance plan. Set up an investment system that requires little to no maintenance Achieve double-digit average annualized returns over the long term Focus on other things while your money works for you Increase returns even with below-average growth in share price Market risk is high and interest rates are low, making it a perfect time to get started on a more sensible wealth generation strategy. With expert guidance toward finding and investing in these unique but conservative and proven stocks, Get Rich with Dividends is the only book on dividend investing you'll ever need.

[More Money Now](#) - Michael Zechmann
2017-11-14

Working in the financial services industry for the past decade, Michael Zechmann has met a lot of people looking to make some extra money right now. Usually, they aren't looking for a new job or to switch careers, they just need to make more money. This includes retirees, stay at home parents, or the average working family trying to save extra money. More Money Now teaches everyone how to find multiple ways to make money that they will actually enjoy doing.

If Hemingway Wrote JavaScript - Angus Croll

2014-10-14

What if William Shakespeare were asked to generate the Fibonacci series or Jane Austen had to write a factorial program? In *If Hemingway Wrote JavaScript*, author Angus Croll imagines short JavaScript programs as written by famous wordsmiths. The result is a peculiar and charming combination of prose, poetry, and programming. The best authors are those who obsess about language—and the same goes for JavaScript developers. To master either craft, you must experiment with language to develop your own style, your own idioms, and your own expressions. To that end, *If Hemingway Wrote JavaScript* playfully bridges the worlds of programming and literature for the literary geek in all of us. Featuring original artwork by Miran Lipovača.

Moon Living Abroad Costa Rica - Erin Van Rheenen

Confessions of a Late Night Uber Driver - Matt Pridgen
2020-09-01

"HEY, UBER DRIVER! DO YOU THINK MY FRIEND SHOULD GO HOME WITH THIS GUY?"

My rider blurted out the question without my prompting. I kept my mouth shut and my eyes on the road. "We just met him tonight...but he bought us hotdogs and drinks." Pop music from a local radio station played softly in the background as I began to process her statement. I AM A LATE NIGHT UBER DRIVER. Well, actually I'm a stay-at-home dad trying to earn a few extra bucks on the weekends. Driving the night shift in a college town, I was originally enticed by the surge fares and 2 a.m. bar rush, but I soon discovered something far more valuable than an extra boost of income. I found that the young people I drive around need more than just a safe ride home-they need to know that there is still hope in this crazy world. JOIN ME AS I SHARE MY TALES OF LATE NIGHTS on the Uber circuit-the good, the bad and the ugly. And stick around to discover the answer to the one question everyone always wants to know: "Has anyone ever puked in your car?"

How to Be an Uber Driver Or a Lyft Driver by Cole Son - Cole Son 2017-05-15

Are you looking to be an Uber Driver or a Lyft driver? This is the book for you! Start Driving Today. I wrote this book to help people understand the "ins and outs" of being an Uber Driver or a Lyft Driver and how to do it easily with no stress and Make Lots Money!:) Whether you want to become an Uber Driver or a Lyft Driver this is the book for you, written by someone who drove seven days a week, ten to twelve hour days and had experiences with a wide variety of people and situations. Not only was the author a serious driver for Uber as well as Lyft but he also had more than eight years experience in driving limousines for three different companies in Los Angeles. As you well know being a limousine driver is a huge responsibility and one needs to be on top of your game, especially when you're driving ten to twelve people in the back of a long stretch. Although this book won't cover driving limousines, I only want to share with you the needed information so you can comfortable start driving for Uber and Lyft. I have enclosed links as well where you can sign up easily and get going. I have helped many people start their careers as an Uber and a Lyft driver by showing them the easiest way to get going as well as some tips. Be professional but don't forget to

also have fun and drive safely at the same time. After all, if you're not going to have fun in anything you do, you might as well do something else. Uber and Lyft are an excellent way to start making money immediately without any stress of going to an office and having to work for a boss. If you have questions like; How much money do Uber drivers make? Or... What are Uber Requirements? Or... How do I complete a Lyft Driver Application, or any other questions you might have this is the book for you. Inside this book is valuable information directly from a Driver who drove for more than five months and drove hard. In the wind, in the sun and in massive rainstorms, in one of the biggest cities in America. Los Angeles. Thank you for your interest in becoming an Uber or a Lyft Driver. I would suggest signing up for both companies but driving only for one company as starters then maybe later try driving for the other company. Both companies have their good and their not so good but from my experience it was mostly good. Here are Driving Jobs near you. Learn the Uber Car Requirements and sign up. Also download Lyft driver app and Uber Driver App. How to be an Uber Driver or a Lyft Driver from an Experienced Driver.

UberEats Food Delivery: Learning the Basics - Bill Stonehem 2016-06-29

UberEats was developed by Uber early in 2016, but became available to users in March. Uber is an online transportation network that provides users with the mobile app to obtain a 'car for hire' with the tap of a button. Uber has now developed UberEats which is an on demand food delivery service. They display new menus each day for customers to choose from. At present, it is only available in 10 cities across the United States.

Toward Permeable Boundaries of Organizations? - Leopold Ringel 2018-10-17

The classical concept of organizations as solitary 'walled-in' actors with clear operational boundaries is increasingly being challenged. This volume examines why, examines the impact of these changes on organizations and offers conceptual and empirical insights.

The Rideshare Guide - Harry Campbell 2018-04-03

An industry leader's guide to making Lyft and Uber work for you. In less than five years,

ridesharing has grown from nonexistence into a billion dollar industry. Uber now has two million drivers in the United States, Lyft has seven hundred thousand, and both show no signs of slowing down. Despite the large number of drivers, Uber and Lyft provide little in the way of help for new drivers, who complain that there is a lack of guidance when starting out. Harry Campbell, founder and director of The Rideshare Guy blog and podcast and a driver himself, can help. The Rideshare Guide offers a comprehensive and engaging handbook for current and prospective rideshare drivers. Learn how to: Decide between Uber and Lyft Maximize passengers and profits Maintain a five-star rating Keep safe and interact appropriately with passengers Navigate legal matters and tax codes Campbell explains these and much more, also including funny, shocking, and bizarre tales from the road. Whether you are thinking about becoming a driver or a veteran wondering about UberPool and tax help, The Rideshare Guide by the Rideshare Guy has the answers.

How To Start A Business With UBER & LYFT - Donte L Coleman Sr 2017-12-10

-WHY YOU SHOULD START THIS BUSINESS - HOW YOU WILL PROFIT FROM YOUR NEW BUSINESS -TAX DEDUCTIONS AND MUCH MORE

Transition Point: From Steam to the Singularity - Sean A. Culey 2018-12-07

A tale of technological revolutions, human evolution and the potential for a utopian or dystopian future. The impact of the next wave on business, the economy, society and the future of humanity. A unique book of three intertwined parts that bring together history, economics, business theory, social commentary, disruptive technology and futurism

Gender Violence, Social Media, and Online Environments - Lisa M. Cuklanz 2022-12-30

This book examines contexts, practices, and activism on issues of gender violence at the intersections of online and public spaces. Through individual case studies, the volume considers the interplay between the virtual worlds of online spaces including social media, physical spaces and bodies, and the ways in which offline and online dimensions of experience can serve as motivators for, extensions of, or limitations to each other.

Examining both problems and potential solutions, chapters explore the impacts of, and potential resistance to, the intersections of gender violence, social media, and our complex lived environments across national boundaries. Throughout the volume, close attention is paid to the difficult issues highlighted when prior conceptions of basic foundations such as public space, individual rights, and professional responsibility are confronted by new examples that further trouble the boundaries of long-held frameworks of legal, social, professional understanding, and even our comprehension of the "real." Each chapter grapples with a difficult reality related to gender violence, underscores possible ways forward, and highlights limitations, resisting easy answers to complex and persistent questions about rights, personal integrity, and social responsibility. Offering clear insights into a critical issue, this book will be of interest to scholars and students in the areas of media studies, social media, gender and women's studies, sociology and criminology, digital humanities, and politics.

Take the Ride of Your Life, with The Uber-Groover! - M. J. Manley 2017-01-20

This is the true story of how an Uber driver experienced face-to-face fear from drug dealers, gang bangers and criminals as a taxi driver for Uber. Mitchell Martinez, the Uber-Groover, gives his account of driving for the taxi service Uber, with over 1,000 passengers who experienced the rides of their lives in cities from San Diego to San Francisco. A "Jerry Springer saga on wheels," Mitchell Martinez gives his true confession and documents his experience of driving for Uber while coping with a war-time injury he incurred while serving in the United States Army during the Iraq war. Shocked and disappointed to discover that the German word "uber" is defined as superior; above from the Deutschland dictionary and devastated that he drives for a mobile sweatshop on wheels, Martinez dismantles the Uber organization by filing a class action lawsuit for benefits and fair wages. Uber, the word, lives up to its name that means in the German language: Slavery for Profit!

Transforming Legacy Organizations - Kris Østergaard 2019-06-03

Expert guidance on how to grow innovation and

optimize already-successful areas of established organizations Transforming Legacy Organizations provides real-world advice and research-based information on how to grow innovation by employing new technologies, improving processes, and establishing a culture of creativity and forward momentum.

Conventional business wisdom views innovation as the biggest advantage startups have over large, established organizations, often referred to as legacy organizations. This belief is false, especially when considering that 70% of all startups fail within 20 months of their first venture round. The truth is innovation initiatives of legacy organizations have far better chances of succeeding. Organizations with superior resources—money, customers, suppliers, data, employees, infrastructure—can overcome challenges from new entrepreneurial ventures: knowing how to leverage their underutilized advantage is key for achieving sustained, long-term innovation success. Author Kris Oestergaard has been teaching established organizations around the world for over 15 years. Transforming Legacy Organizations illustrates how to best pursue innovation to create future success. This book helps leaders to: Incorporate proven strategies and research-based information into your organization's overall innovation initiatives Use new technologies to improve processes and increase innovation Learn to capitalize on your organization's existing resources to beat startups at their own game Transform innovative concepts into specific products, services, and business models Reinvent your organization to overcome disruptions in the market and challenges from new competitors Transforming Legacy Organizations: Turn your Established Business into an Innovation Champion to Win the Future is a valuable resource for leaders of established companies such as C-Suite executives, senior managers, and heads of business development, innovation, and digital teams.

Cab Brief Counseling (CBC): The Concept - Dr. Joyzy Pius Egunjobi

Hustle and Gig - Alexandra J. Ravenelle
2019-03-12

Choose your hours, choose your work, be your

own boss, control your own income. Welcome to the sharing economy, a nebulous collection of online platforms and apps that promise to transcend capitalism. Supporters argue that the gig economy will reverse economic inequality, enhance worker rights, and bring entrepreneurship to the masses. But does it? In *Hustle and Gig*, Alexandra J. Ravenelle shares the personal stories of nearly eighty predominantly millennial workers from Airbnb, Uber, TaskRabbit, and Kitchensurfing. Their stories underline the volatility of working in the gig economy: the autonomy these young workers expected has been usurped by the need to maintain algorithm-approved acceptance and response rates. The sharing economy upends generations of workplace protections such as worker safety; workplace protections around discrimination and sexual harassment; the right to unionize; and the right to redress for injuries. Discerning three types of gig economy workers—Success Stories, who have used the gig economy to create the life they want; Strugglers, who can't make ends meet; and Strivers, who have stable jobs and use the sharing economy for extra cash—Ravenelle examines the costs, benefits, and societal impact of this new economic movement. Poignant and evocative, *Hustle and Gig* exposes how the gig economy is the millennial's version of minimum-wage precarious work.

[Teaching Social and Emotional Learning in Health Education](#) - Mary Connolly 2021-07-01
Teaching Social and Emotional Learning in Health Education provides instructors with the tools they need to successfully incorporate social and emotional learning into their classrooms. It aligns social and emotional learning to standards-based health education, providing a clear rationale for pairing the two when planning your curriculum. This valuable text trains health educators to connect the Social Emotional Learning (SEL) competencies to the National Health Education Standards (NHES), then design assessment and instruction.

What to Say Evangelism - Brent Price D.Min.
2022-07-28

What To Say Evangelism will teach you precisely what to say in order to lead any unsaved person to their decision for Christ.

Welcome to My World - Curtis Bunn

2017-10-10

From Essence bestselling author Curtis Bunn comes a moving novel about a down and out corporate executive whose unexpected encounter with a stranger inspires her to reinvent her life. Brenda Harris, a former corporate executive in Atlanta, has endured two years of personal tragedies and professional disappointments, and believes the world owes her a break. One day, she encounters a homeless man who encourages her to look at life differently. She regularly sees this man at one of her daily stops. But she does not realize that he has been closely observing her and, despite his mental illness, is able to forge a deep connection with her in ways that both surprise and inspire her. She realizes there is a whole world out there for her to experience, and Rodney Bridges, the homeless man, helps her begin her journey of self-discovery by challenging her on their daily walks. The path is difficult, but her time with Rodney opens her up to a new world, a world she had dismissed when she lost her job, her husband left her, and her dear sister died. Part of her journey moves her to help Rodney. Through meaningful conversation and dedication, she is able to penetrate the emotional wall Rodney built after his own tragic circumstances sent him onto the streets. They become an unlikely duo--encouraging each other to overcome each of their own obstacles...and slowly a new world emerges. A moving and powerful story about how inspiration can be found in the unlikeliest places, Welcome to My World also reaffirms that the simplest things in life--a conversation with a stranger--can lead to life-changing results.

Earthlingorgeous Life Interrupted - Earth Rullan
2020-10-31

This book contains anecdotes about a blogger before and during the COVID 19 period. The blogger is based in Philippines.

The Life of an Uber Driver - Danny B
2017-02-23

The Life Of An Uber Driver is a ride (book) you won't want to miss. This book is an all access, all inclusive shared experience into an array of personalities and walks of life that enter an Uber ride. From your Grandpa to the boardroom

executive, to the drunk late Friday night texts, to the sappy love stories, to the strippers and everything in between, you'll never guess what's coming next. The Author is just like you, living and breathing on this great planet we call Earth. The hope of the Author is that you read The Life Of An Uber Driver without knowing any further information about them. Instead, without any pre-conceived notions of them or the passengers, that you get to know everyone intimately. You might even find yourself amongst the pages. Riveting| Raw| Revealing

Diary of an Uber Driver -

TheOriginalUberDriver 2016-02-01

'The best storyteller we've had on the show' Kyle Sandilands, Kyle & Jackie O, KIIS FM Welcome to the secret world of the Uber driver. Ben Phillips enjoys an intimate glimpse into the lives of ordinary people around Sydney -- from their morning routines to their despair after a date gone wrong, the trip out to the city and the drunken ride home afterwards. He acts as a sounding board, takes the rap for loud music, sees people at their finest and weakest, and most importantly gets to observe a cast of thoroughly extraordinary characters that make a big metropolis. Featured on ABC The Drum, The Today Show and KIIS FM, Ben Phillips' wry wit and insight have taken Sydney by storm. Diary of an Uber Driver is a snapshot of our unerring propensity to share, and overshare, from the safe anonymity of the back seat. These are your stories -- whether you remember telling them or not.

Management - John R. Schermerhorn, Jr.
2020-02-05

Schermerhorn, Management 14e continues to offer the same balanced theory approach as with previous editions. Students need an active and engaged learning classroom environment that brings personal meaning to course content and the instructor's course objectives. Schermerhorn communicates with students through rich, timely features and cases that bring management topics, theories, and concepts to life. The underlying goal is to translate foundation theories into lasting tools for students as they move beyond the classroom where their skills will be put to the test.
