The Longest Cocktail Party -

Richard DiLello 2014-11-05
Apple Records was a noble experiment created in the spirit of the 1960s by four musicians who came to represent everything that was best about those tumultuous, experimental, and liberating times. The Beatles started out with the greatest of intentions, but reality soon got in the way. Much has been written about this period in the history of The Beatles' evolution and

dissolution--some of it true, some of it wildly exaggerated, but not much of it first-hand. The Longest Cocktail Party is a rare exception. Written by Richard DiLello, who served as Apple Record's "House Hippie" from 1968 to 1970, this unusual first-hand glimpse into The Beatles' empire humorously chronicles the stranger-than-life stories that were to become legendary, including visits by the Hell's Angels and endless tales of celebrity antics. Alfred Music is proud to offer this latest edition, which features a new and insightful foreword by the author. Originally published by Playboy Press in 1972, The Longest Cocktail Party has proven itself a timeless chronicle of this most colorful period in pop history.

Put the Needle on the Record - Matthew Chojnacki 2011

In the 1980s, music defined the moment: "Video Killed The Radio Star" ushered in MTV, "Don't You (Forget About Me)" ruled "The Breakfast Club," and "I Still Haven't Found

What I'm Looking For" became the anthem of a generation. The 1980s were also the most visually provocative era of the last millennium. Every new vinyl single hit the stands wrapped in eye-catching sleeves that reflected the latest trends. Put The Needle On The Record is pop culture historian Matthew Chojnacki's definitive guide to 7- and 12-inch vinyl single artwork from the '80s. He presents and compares more than 250 vinyl single covers representing nearly every prominent musician of the decade. Read the previously untold stories behind the most iconic images from the designers and visual talent behind Madonna, Prince, Pink Floyd, Queen, Adam Ant, Iron Maiden, The Clash, Pet Shop Boys, Van Halen, and more. Coupled with exclusive commentary from more than 100 of the '80s biggest musicians, including Annie Lennox, Duran Duran, Run-DMC, Devo, The B-52's, Erasure, The Human League, Scorpions, The Knack, and Yoko Ono, this is an

The First Collection of Criticism by a Living Female Rock Critic - Jessica Hopper
2021-07-06

"Jessica Hopper's criticism is a trenchant and necessary counterpoint not just on music, but on our culture at large."
—Annie Clark, *St. Vincent* An acclaimed, career-spanning collection from a fiercely feminist and revered contemporary rock critic, reissued with new material Throughout her career, spanning more than two decades, Jessica Hopper, a revered and pioneering music critic, has examined women recording and producing music, in all genres, through an intersectional feminist lens. *The First Collection of Criticism by a Living Female Rock Critic* features oral histories of bands like Hole and Sleater Kinney, interviews with the women editors of 1970s-era *Rolling Stone*, and intimate conversations with iconic

musicians such as Björk, Robyn, and Lido Pimienta. Hopper journeys through the truths of Riot Grrrl's empowering insurgence; decamps to Gary, Indiana, on the eve of Michael Jackson's death; explodes the grunge-era mythologies of Nirvana and Courtney Love; and examines the rise of emo. The collection also includes profiles and reviews of some of the most-loved, and most-loathed, women artists making music today: Fiona Apple, Kacey Musgraves, M.I.A., Miley Cyrus, Lana Del Rey. In order for the music industry to change, Hopper writes, we need "the continual presence of radicalized women . . . being encouraged and given reasons to stay, rather than diminished by the music which glues our communities together." *The First Collection of Criticism by a Living Female Rock Critic*—published to acclaim in 2015, and reissued now with new material and an introduction by Samantha Irby—is a rallying cry for women-centered history and

storytelling, and a groundbreaking, obsessive, razor-sharp panorama of music writing crafted by one of the most influential critics of her generation.

Neil Young Nation - Kevin Chong 2005
"Neil Young is a figure who straddles divisions: he's Canadian and American, folkie and rocker, an old guy relevant enough to be quoted in the suicide note of Kurt Cobain. His brilliant, gnomic, lyrical

music has earned him fans of all vintages and persuasions - among them novelist Kevin Chong." "Fast approaching the dreaded age of thirty, Chong is shocked to realize that his boyhood hero is turning sixty. He takes to the road in celebration, crisscrossing the continent with three buddies and a hatbox full of space cakes to visit places central to Neil's life and career. Chong doesn't meet the man in his travels, but that was never his intention. Instead, his brief vacation from adulthood - recounted to hilarious effect in these pages - teaches him something about rock 'n' roll, contrarianism, being cool, and aging gracefully: staying Young."--BOOK JACKET.

UKetopia! - Jim Beloff 2021-12-10

When Billboard Associate Publisher, Jim Beloff purchased his first ukulele at the Rose Bowl Flea Market in 1992, there were no ukulele songbook collections on the market—none—just a few vintage instructional books. As an already-accomplished guitarist, this frustrated Jim, who had fallen in love instantly with this little instrument. Sensing that there might be an

opportunity to fill this void, he and his graphic-artist wife, Liz, created Flea Market Music, Inc., which, for thirty years, has published more than three dozen song and instructional books, totaling over one million copies in print. They have also grown the ukulele market through their influential fleamarketmusic.com website, the creation of the popular UKetopia concert series, marketing and promoting their family's line of ukuleles, consulting on two major museum shows, and a continuous performing schedule. At the same time, Jim (aka Jumpin' Jim) wrote the first complete full-color history book on the ukulele, recorded and produced nearly a dozen CDs, made three instructional DVDs, composed two ukulele concertos for symphony orchestra, penned numerous articles for ukulele and trade magazines, and continues to lead workshops at uke festivals throughout the world. Today, Jim and Liz are recognized as having played a major role in the current third wave of

Cat Power - Elizabeth Goodman
2009-04-07

How Chan Marshall, aka Cat Power, Survived Herself-and Became the Indie Rock Queen.

Chan Marshall's stark lyrics, minimal arrangements, and wounded, smoky vocals, were an instant indie hit in the nineties—but her mental instability nearly derailed her career. How this sensitive but headstrong Georgian daughter of an unstable mother and a relatively unknown musician father—managed to make it big, burn out, and rise up again to become not only the darling of the indie music scene but also a fashion and Hollywood icon is the fabric of this irresistible story. Covering her musical beginnings in the south and her booze-soaked rise to fame in New York City to her eventual breakdown and subsequent reclamation of herself and her music, Cat Power delves into the soul of this fragile but ferociously gifted young talent. With seven albums behind her, the hottest designers clamoring to dress her, and perpetually sold-out venues, Marshall is at the height of her career—a perfect vantage point from which to look at her notorious and intriguing history. The 'Ukulele - Jim Tranquada
2012-05-31

Since its introduction to Hawai'i in 1879, the 'ukulele has been many things: a symbol of an island paradise; a tool of political protest; an instrument central to a rich musical culture; a musical joke; a highly sought-after collectible; a cheap airport souvenir; a lucrative industry; and the product of a remarkable synthesis of western and Pacific cultures. *The 'Ukulele: A History* explores all of these facets, placing the instrument for the first time in a broad historical, cultural, and musical context. Drawing on a wealth of

previously untapped sources, Jim Tranquada and John King tell the surprising story of how an obscure four-string folk guitar from Portugal became the national instrument of Hawai'i, of its subsequent rise and fall from international cultural phenomenon to "the Dangerfield of instruments," and of the resurgence in popularity (and respect) it is currently enjoying among musicians from Thailand to Finland. The book shows how the technologies of successive generations (recorded music, radio, television, the Internet) have played critical roles in popularizing the 'ukulele. Famous composers and entertainers (Queen Liliuokalani, Irving Berlin, Arthur Godfrey, Paul McCartney, SpongeBob SquarePants) and writers (Rudyard Kipling, Jack London, P. G. Wodehouse, Agatha Christie) wind their way through its history—as well as a host of outstanding Hawaiian musicians (Ernest Kaai, George Kia Nahaolelua, Samuel K. Kamakaia, Henry A. Peelua

Bishaw). In telling the story of the 'ukulele, Tranquada and King also present a sweeping history of modern Hawaiian music that spans more than two centuries, beginning with the introduction of western melody and harmony by missionaries to the Hawaiian music renaissance of the 1970s and 1980s.

Shakey: Neil Young's

Biography - Jimmy

McDonough 2003-05-13

Neil Young is one of rock and roll's most important and enigmatic figures, a legend from the sixties who is still hugely influential today. He has never granted a writer access to his inner life - until now. Based on six years of interviews with more than three hundred of Young's associates, and on more than fifty hours of interviews with Young himself, Shakey is a fascinating, prodigious account of the singer's life and career. Jimmy McDonough follows Young from his childhood in Canada to his cofounding of Buffalo Springfield to the huge success of Crosby, Stills, Nash

and Young to his comeback in the nineties. Filled with never-before-published words directly from the artist himself, Shakey is an essential addition to the top shelf of rock biographies. *Perspectives on Males and Singing* - Scott D. Harrison 2012-01-03

"Since singing is so good a thing, I wish all men would learne to sing" (William Byrd, 1588) Over the centuries, there has been reluctance among boys and men to become involved in some forms of singing. *Perspectives on Males and Singing* tackles this conundrum head-on as the first academic volume to bring together leading thinkers and practitioners who share their insights on the involvement of males in singing. The authors share research that analyzes the axiomatic male disinclination to sing, and give strategies designed to engage males more successfully in performing vocal music emphasizing the many positive effects it can have on their lives. Harkins 2019-08-15
Thomas Edward Harkin's
Woodstock FAQ: All That's Left
to Know About the Fabled
Garden cuts through the lofty
rhetoric and mythology
surrounding the legendary
festival. Rather than waxing
philosophical about whether or
not the Woodstock Music & Art
Fair was the defining moment
of the 1960s as so many have
done before, Harkins places
the focus on the music, solo
artists, and bands who
performed. Thirty-two acts took
to the stage in Bethel, New
York that weekend, and the
book gives the performers and
the music their due
consideration. Who were they?

Where did they come from?
What songs did they play?
What happened to them
afterward? How did the festival
impact their careers? Those
are the questions explored in
these pages. Further, the book
attempts to restore the
chronological arc of the festival
from concept to concert to its
aftermath and enduring legacy.
Drawing on his experiences as
a media scholar, Harkins
ponders how the album
releases and Michael
Wadleigh's Academy Award-
winning 1970 film Woodstock
helped shape the narrative of
the festival and in the bargain
distort people's memories of
the actual event.
