It is only when you really believe in the true power of your dreams that you find the courage to realise them. Napoleon Hill, born in a one-room cabin in Wise County, Virginia, had a long and successful career writing, teaching, and lecturing about the principles of success. His work is a monument to individual achievement, the cornerstone of modern motivation. The Napoleon Hill Foundation is a non-profit educational institution perpetuating his philosophy of leadership and self-motivation.

The Law of Success - Napoleon Hill 2008-12-26

Here is the Holy Grail of success philosophy: Napoleon Hill's complete and original formula to achievement presented in fifteen remarkable principles--now newly designed in a handsome single-volume edition. This is the master volume of the extraordinary work that began the career of Napoleon Hill. Originally produced by Hill in 1928 as an eight-book series, The Law of Success is now available to contemporary readers in a single edition, redesigned and reset for ease of reading. The Law of Success is the golden key to Hill's thought--his complete and unabridged mind-power method for achieving your goals. After interviewing dozens of industrialists, diplomats, thought leaders, and successful people from all walks of life, the young Hill distilled what he learned into these fifteen core lessons, organized with an introductory chapter, 'The Master Mind,' that serves as a primer to Hill's overall philosophy. As Hill saw it, these lessons work as a "mind stimulant" that "will cause the student to organize and direct to a DEFINITE end the forces of his or her mind, thus harnessing the stupendous power which most people waste." While future classics of Napoleon Hill would inspire millions of readers, there is no substitute for The Law of Success for everyone who wants to grasp the full range of Hill's ideas and tap their transformative power.

The 7 Secrets for Wealth - Napoleon Hill 2015-05-05

One of the most Influential Tittles you will ever Read! ...IN EVERY chapter of this book, mention has been made of the money-making secret which has made fortunes for more than five hundred exceedingly wealthy men whom I have carefully analyzed over a long period of years. The secret was brought to my attention by Andrew Carnegie, more than a quarter of a century ago. The canny, lovable old Scotsman carelessly tossed it into my mind, when I was but a boy. Then he sat back in his chair, with a merry twinkle in his eyes, and watched carefully to see if I had brains enough to understand the full significance of what he had said to me. When he saw that I had grasped the idea, he asked if I would be willing to spend twenty years or more, preparing myself to take it to the world, to men and women who, without the secret, might go through life as failures. I said I would, and with Mr. Carnegie's cooperation, I have kept my promise...This book contains the secret, after having been put to a practical test by thousands of people, in almost every walk of life. It was Mr. Carnegie's idea that the magic formula, which gave him a stupendous fortune, ought to be placed within reach of people who do not have time to investigate how men make money, and it was his hope that I might test and demonstrate the soundness of the formula through the experience of men and women in every calling....

The Secret Law of Attraction as Explained By Napoleon Hill - Napoleon Hill 2008-06-24

IT ALL STARTED WITH CARNEGIE AND HILL Few things in recent history have had the impact of The Secret. Created by Rhonda Byrnes, the video program and book have taken the ideas of the New Thought Movement that flourished in America at the turn of the twentieth century and made them as intriguing as The Da Vinci Code and as up-to-date as this morning-s headlines. This book, The Secret Law of Attraction as explained by Napoleon Hill, focuses its attention on two of the most famous names mentioned as keepers of the secret--Andrew Carnegie and Napoleon Hill--and on how Carnegie conveyed his understanding of this Secret Law of Attraction to Hill--who, in turn, transformed those concepts into the best-selling success book in the history of publishing: Think and Grow Rich. THE COMPLETE SECRET IN ONE BOOK For the first time, Napoleon Hill-s books have been carefully analyzed to identify those passages dealing with the Law of Attraction as well as the lesser-known of Carnegie-s laws that govern personal achievement and success. These key sections have been brought together between the covers of this one book, The Secret Law of Attraction

The Think and Grow Rich Action Pack - Napoleon Hill 1988-08-01

Published around the world, this book has become an undisputed classic in the field of motivational literature. Inspired by Andrew Carnegie, it has been cited by many as the "calling card" that propelled countless numbers to fame and fortune and is the standard against which all other motivational material is measured. Think and Grow Rich and The Think and Grow Rich Action Pack have single-handedly changed the lives of millions of men, women and young adults and produced a legacy of achievement that includes many of today's and yesterday's leaders in business, government and civic organizations. "I knew Napoleon Hill in 1922 when I was a student in Salem College in the town of my birth. Mr. Hill came to our campus as the commencement speaker that year. As I listened to him, I heard something other than the words he spoke. I felt the substance—the wisdom—and the spirit of a man and his philosophy. Mr. Hill said "the most powerful instrument we have in our hand is the power of the mind." Napoleon Hill compiled this philosophy of American achievement for the benefit of all people. I strongly commend this philosophy to you for achievement and service in your chosen field." —Senator Jennings Randolph, West Virginia

Think and Grow Rich - Napoleon Hill 2021-04-20

This book provides a synopsis of the original 1937 text of Hill's masterpiece, Think and Grow Rich. It extracts the key principles, instructions, and examples so that the modern professional, regardless of how busy he or she is, can benefit from the timeless wisdom found in Hill's book. To receive the greatest possible benefit from its wisdom, read no more than one chapter per day, allowing the space and time to fully digest its insights and to enable your imaginative faculties to act on the thought impulses generated thereby. You will also undoubtedly find your progress magnified by working through this content in the setting of a book club or study group, wherein the mastermind principle can be applied to reach higher-level orders of thinking. Regardless of your approach, when you commit yourself to practicing the steps outlined in this book, you will surely open yourself up to great personal growth and momentum toward achieving your dreams. "Anything the mind can conceive and believe, it can achieve." Within this one line is distilled a success formula so simple that anyone can apply it--and yet so demanding that only a minority of the population ever fully lives it out. Upon it was built a success philosophy that explains how human desires can be translated into material reality, a framework that rests upon the power of thoughts to seek expression in physical form. Through this singular concept, the world's wealthiest and most successful individuals--rich in money, relationships, power, peace of mind, and social standing--have built and maintained their prosperity. It is the foundational principle of Napoleon Hill's Science of Success program, an achievement philosophy that effectively helped end the Great Depression and that has since made more millionaires, cultural icons, and thought leaders than any other. Hill was born in 1883 in a one-room cabin on the Pound River in Wise County, Virginia. He began his writing career at age thirteen as a mountain reporter for small-town newspapers. In 1908, as a young special investigator for a nationally known business magazine, he was sent to interview the great steel magnate Andrew Carnegie. During that interview, Carnegie shared the secrets that had enabled him to acquire hundreds of millions of dollars--a magic law of the human mind, a little-known psychological principle that was amazing in its power. Believing that this magic formula should be shared with those who did not have the time or resources to discover it on their own, Carnegie tasked Hill with spending twenty years or more developing this principle into a philosophy of personal success. This research would be conducted without pay; Carnegie merely provided Hill with access to over five hundred of America's greatest business leaders in order to test his success formula. In 1937, after twenty-nine years of research and writing, Hill published Think and Grow Rich, which contains the thirteen success principles that form the core of the Science of Success. Since its release, it has sold over one hundred million copies worldwide. No literary work in the personal development genre has had a greater creative impact than Think and Grow Rich.

Think and Grow Rich - Napoleon Hill 2005-08-18

Think and Grow Rich has been called the "Granddaddy of All Motivational Literature." It was the first book to boldly ask, "What makes a winner?" The man who asked and listened for the answer, Napoleon Hill, is now counted in the top ranks of the world's winners himself. The most famous of all teachers of success spent "a fortune and the better part of a lifetime of effort" to produce the "Law of Success" philosophy that forms the basis of his books and that is so powerfully summarized in this one. In the original Think and Grow Rich, published in 1937, Hill draws on stories of Andrew Carnegie, Thomas Edison, Henry Ford, and other millionaires of his generation to illustrate his principles. In the updated version, Arthur R. Pell, Ph.D., a nationally known author, lecturer, and consultant in human resources management and an expert in applying Hill's thought, deftly interweaves anecdotes of how contemporary millionaires and billionaires, such as Bill Gates, Mary Kay Ash, Dave Thomas, and Sir John Templeton, achieved their wealth. Outmoded or arcane terminology and examples are faithfully refreshed to preclude any stumbling blocks to a new generation of readers.

These three books are considered by many experts to be the most important manuals on how to get rich and prosper. Written at the turn of the century, these books contain timeless wisdom that applies to yesterday, today, and the days to come. Why wait? Start living more prosperously today! Think and Grow Rich by Napoleon Hill This book has been called the "Granddaddy of All Motivational Literature." It was the first book to boldly ask, "What makes a winner?" The man who asked and listened for the answer, Napoleon Hill, is now counted in the top ranks of the world's winners himself. The most famous of all teachers of success spent "a fortune and the better part of a lifetime of effort" to produce the "Law of Success" philosophy that forms the basis of his books and that is so powerfully summarized in this one. In the original Think and Grow Rich, published in 1937, Hill draws on stories of Andrew Carnegie, Thomas Edison, Henry Ford, and other millionaires of his generation to illustrate his principles. Outmoded or arcane terminology and examples are faithfully refreshed to preclude any stumbling blocks to a new generation of readers. The Science of Getting Rich by Wallace D. Wattles As featured in the bestselling book The Secret, here is the landmark guide to wealth creation republished with the classic essay "How to Get What You Want." Wallace D. Wattles spent a lifetime considering the laws of success as he found them in the work of the world's great philosophers. He then turned his life effort into this simple, slender book—a volume that he vowed could replace libraries of philosophy, spirituality, and self-help for the purpose of attaining one definite goal: a life of prosperity. Wattles describes a definite science of wealth attraction, built on the foundation of one commanding idea: "There is a thinking stuff from which all things are made...A thought, in this substance, produces the thing that is imaged by the thought." In his seventeen short, straight-to-the-point chapters, Wattles shows how to use this idea, how to overcome barriers to its application, and how work with very direct methods that awaken it in your life. He further explains how creation and not competition is the hidden key to wealth attraction, and how your power to get rich uplifts everyone around you. The Science of Getting Rich concludes with Wattle's rare essay "How to Get Want You Want"—a brilliant refresher of his laws of wealth creation. The Master Key System by Charles F. Haanel Businessman Charles F. Haanel made a meticulous study of the "Law of Attraction" in The Master Key System—a step-by-step guide to activating the principle of mental power, and a core inspiration behind The Secret.

If you are a consultant or a knowledge worker that wants to know exactly what to do to become rich, you will benefit greatly from this Workbook as it will increase your chances of success dramatically. To become rich, you should start by really thinking about the real reasons why you want to be rich. Then continue by reading and understanding, the principles explained in the Consultant & Knowledge Workers Edition of Think & Grow Rich. That's just the beginning of the process though, then you need to do the personal work required to apply the timeless wisdom to your life. This is exactly what this workbook will help you to achieve. It has been developed specifically for Consultants & Knowledge Workers to help them apply the success principles, techniques and mindset discovered by Napoleon Hill to their lives and careers. He discovered these principles during his 20 year project to research the success principles used by the richest people in the world at the time. The workbook takes you through each chapter in the book by initially providing a summary of the essence of each chapter as a brief refresher. Then it follows with a series of

questions and exercises that will help you increase your understanding of the concepts and to also apply them correctly to your personal situation. You complete the book by learning the specially developed Rich Consultant Framework(r) and using it to develop your personalized Rich Consultant Action Plan(r). This is your uniquely designed strategy that will capture the tasks and tactics you must deploy to ensure you use your knowledge, skills and experience to become as rich as you des

Think and Grow Rich for Women - Sharon Lechter 2014-06-17

Women are the future of American business. According to a recent Nielsen report, women will control two-thirds of American consumer wealth in less than a decade. And yet almost all business and success literature is still written for men—dispensing advice that doesn't take into account women's unique strengths or address the demands of family life on mothers. Think and Grow Rich for Women is a powerful new book—from the award-winning author of Think and Grow Rich: Three Feet from Gold and coauthor of the multimillion-selling Rich Dad, Poor Dad. It combines Hill's classic Thirteen Steps to Success with case studies of noteworthy women (including Sandra Day O'Connor, Maya Angelou, Katie Couric, Caroline Kennedy, Madonna, Oprah Winfrey, Margaret Thatcher, Condoleeza Rice, J. K. Rowling, Barbara De Angelis, Marianne Williamson Angela Merkel, Mary Kay Ash, IBM CEO Ginni Rometty and many more), outlining a master plan for success for all women.
