All the Rivers - Dorit Rabinyan 2017-04-25

A controversial, award-winning story about the passionate but untenable affair between an Israeli woman and a Palestinian man, from one of Israel's most acclaimed novelists When Liat meets Hilmi on a blustery autumn afternoon in Greenwich Village, she finds herself unwillingly drawn to him. Charismatic and handsome, Hilmi is a talented young artist from Palestine. Liat, an aspiring translation student, plans to return to Israel the following summer. Despite knowing that their love can be only temporary, that it can exist only away from their conflicted homeland, Liat lets herself be enraptured by Hilmi: by his lively imagination, by his beautiful hands and wise eyes, by his sweetness and devotion. Together they explore the city, sharing laughs and fantasies and pangs of homesickness. But the unfettered joy they awaken in each other cannot overcome the guilt Liat feels for hiding him from her family in Israel and her Jewish friends in New York. As her departure date looms and her love for Hilmi deepens, Liat must decide whether she is willing to risk alienating her family, her community, and her sense of self for the love of one man. Banned from classrooms by Israel's Ministry of Education, Dorit Rabinyan's remarkable novel contains multitudes. A bold portrayal of the strains—and delights—of a forbidden relationship, *All the Rivers* (published in Israel as *Borderlife*) is a love story and a war story, a New York story and a Middle East story, an unflinching foray into the forces that bind us and divide us. "The land is the same land," Hilmi reminds Liat. "In the end all the rivers flow into the same sea." Praise for *All the Rivers* "Rabinyan's book is a sort of Romeo and Juliet, a forbidden love affair between a Jewish girl from Tel Aviv and a Palestinian boy from Hebron. . . . [A] beautiful novel."—The Guardian "A fine, subtle, and disturbing study of the ways in which public events encroach upon the private lives of those who attempt to live and love in peace with each other, and, impossibly, with a riven and irreconcilable world."—John Banville, Man Booker Prize-winning author of *The Sea* "I'm with Dorit Rabinyan. Love, not hate, will save us. Hatred sows hatred, but love can break down barriers."—Svetlana Alexievich, winner of the Nobel Prize for Literature "Astonishing . . . [a] precise and elegant love story, drawn with the finest of lines."—Amos Oz "Rabinyan's writing reflects the honesty and modesty of a true artisan."—Haaretz "Because the novel strikes the right balance between the personal and the political, and because of her ability to tell a suspenseful and satisfying story, we decided to award Dorit Rabinyan's [*All the Rivers*] the 2015 Bernstein Prize."—From the 2015 Bernstein Prize judges' decision "[*All the Rivers*] ought to be read like J. M. Coetzee or Toni Morrison—from a distance in order to get close."—Walla! "Beautiful and sensitive . . . a human tale of rapprochement and separation . . . a noteworthy human and literary achievement."—Makor Rishon "A captivating (and heartbreaking) gem, written in a spectacular style, with a rich, flowing, colorful and addictive language."—Motke "A great novel of love and peace."—La Stampa "A novel that truly speaks to the heart."—Corriere della Sera

Rivers of London - Ben Aaronovitch 2017-06-13

My name is Peter Grant and until January I was just probationary constable in that mighty army for justice known to all right-thinking people as the Metropolitan Police Service (and as the Filth to everybody else). My only concerns in life were how to avoid a transfer to the Case Progression Unit - we do paperwork so real coppers don't have to - and finding a way to climb into the panties of the outrageously perky WPC Leslie May. Then one night, in pursuance of a murder inquiry, I tried to take a witness statement from someone who was dead but disturbingly valuable, and that brought me to the attention of Inspector Nightingale, the last wizard in England. Now I'm a Detective Constable and a trainee wizard, the first apprentice in fifty years, and my world has become somewhat more complicated: nests of vampires in Purley, negotiating a truce between the warring god and goddess of the Thames, and digging up graves in Covent Garden ... and there's something festering at the heart of the city I love, a malicious vengeful spirit that takes ordinary

Londoners and twists them into grotesque mannequins to act out its drama of violence and despair. The spirit of riot and rebellion has awakened in the city, and it's falling to me to bring order out of chaos - or die trying.

Campbell Award for Best New Writer, Finalist Lambda Literary Award Finalist, LGBTQ SF/F/Horror A Stonewall Book Award Honor Book Included in the American Library Association's GLBTRT 2019 Over the Rainbow List Included in Hypable's list of book recommendations related to Captain Marvel "What Solomon achieves with this debut--the sharpness, the depth, the precision--puts me in mind of a syringe full of stars. I want to say about this book, its only imperfection is that it ended. But that might give the wrong impression: that it is a happy book, a book that makes a body feel good. It is not a happy book. I love it like I love food, I love it for what it did to me, I love it for having made me feel stronger and more sure in a nightmare world, but it is not a happy book. It is an antidote to poison. It is inoculation against pervasive, enduring disease. Like a vaccine, it is briefly painful, leaves a lingering soreness, but armors you from the inside out." --NPR "Ghosts are 'the past refusing to be forgot,' says a character in this assured science-fiction debut. That's certainly the case aboard the HSS Matilda, a massive spacecraft arranged along the cruel racial divides of pre-Civil War America." --Toronto Star "This novel from an exciting new voice follows Aster, who lives in the slums of a spaceship that is escorting the last survivors of humanity to a Promised Land--a journey that has taken decades so far. The vessel is segregated and cruel, and as she tries to escape, she starts discovering dark connections between her own mother's death and the fate of the ship's sovereign. Solomon has already been called a successor to Octavia Butler, rightly so." --Elle UK "In Rivers Solomon's highly imaginative sci-fi novel *An Unkindness of Ghosts*, eccentric Aster was born into slavery on--and is trying to escape from--a brutally segregated spaceship that for generations has been trying to escort the last humans from a dying planet to a Promised Land. When she discovers clues about the circumstances of her mother's death, she also comes closer to disturbing truths about the ship and its journey." --Buzzfeed "Rivers Solomon's debut science fiction novel is cunning, dark, and unapologetic; atmospheric and visceral; the kind of story that pulls you in and doesn't let go. Aboard the HSS Matilda, a spaceship in the future, Solomon and her characters deftly tackle race, identity, sexuality, gender, poverty, and discrimination, all with thoughtful insight and thrilling intensity. This is a difficult work that pays off; the rare kind of book that stays with you for years. You should read it now--I plan to read it again." --Shondaland Aster has little to offer folks in the way of rebuttal when they call her ogre and freak. She's used to the names; she only wishes there was more truth to them. If she were truly a monster, she'd be powerful enough to tear down the walls around her until nothing remains of her world. Aster lives in the lowdeck slums of the HSS Matilda, a space vessel organized much like the antebellum South. For generations, Matilda has ferried the last of humanity to a mythical Promised Land. On its way, the ship's leaders have imposed harsh moral restrictions and deep indignities on dark-skinned sharecroppers like Aster. Embroiled in a grudge with a brutal overseer, Aster learns there may be a way to improve her lot--if she's willing to sow the seeds of civil war.

The Masterpiece - Francine Rivers 2018-02-06

A successful LA artist, Roman Velasco appears to have everything he could possibly want--money, women, fame. Only Grace Moore, his reluctant, newly hired personal assistant, knows how little he truly has. The demons of Roman's past seem to echo through the halls of his empty mansion and out across his breathtaking Topanga Canyon view. But Grace doesn't know how her boss secretly wrestles with those demons: by tagging buildings as the Bird, a notorious but unidentified graffiti artist--an alter ego that could destroy his career and land him in prison. Like Roman, Grace is wrestling with ghosts and secrets of her own. After a disastrous marriage threw her life completely off course, she vowed

never to let love steal her dreams again. But as she gets to know the enigmatic man behind the reputation, it's as if the jagged pieces of both of their pasts slowly begin to fit together . . . until something so unexpected happens that it changes the course of their relationship--and both their lives--forever. "Rivers deftly threads Roman's and Grace's lives together as they tiptoe around their emotional scars, eventually shifting into a dance of tentative steps toward a love neither can resist. Fans of Christian romance will delight in this tale of salvation through love." --Kirkus Reviews "Richly detailed characters with traumatic pasts are woven together with biblical truths and redemptive themes... This is an amazing, beautifully written tale to be savored and pondered and shared with others." --Romantic Times "Readers will marvel at Rivers's storytelling arc encompassing the reconciliation of gritty past misdeeds and the work in progress of a life of forgiveness." --Booklist "Fans of Francine Rivers will eagerly devour *The Masterpiece* and find exactly what they are looking for: a beautifully written story of faith, romance, and the power that true freedom can bring." --Bookreporter.com

As a result of the Treaty of 1851, some Indians were convinced that the country to the north—called Absaraka—might be a better option for a home range. At the very least, it held the promise of less trouble from the whites. The danger from other tribes was another matter.

SHORTLISTED FOR THE CENTER FOR FICTION FIRST NOVEL PRIZE "Taut, almost unbearable suspense . . . This galvanizing historical portrait of courage, determination, and abiding love mesmerizes and shocks." —Booklist (starred review) "All I had known for certain when I came around the hen house that first evening in July and saw my husband trudging into the yard after lifetimes spent away from us, a borrowed bag in his hand and the shadow of grief on his face, was that he had to be protected at all costs from knowing what had happened in his absence. I did not believe he could survive it." When Major Gryffth Hockaday is called to the front lines of the Civil War, his new bride is left to care for her husband's three-hundred-acre farm and infant son. Placidia, a mere teenager herself living far from her family and completely unprepared to run a farm or raise a child, must endure the darkest days of the war on her own. Deep Rivers - José María Arguedas 2002-03-28

Fiction. In English translation. Jos Mara Arguedas is one of the few Latin American authors who loved and described his natural surroundings, and he ranks among the greatest writers of any time and place. He saw the beauty of the Peruvian landscape, as well as the grimness of social conditions in the Andes, through the eyes of the Indians who are a part of it. Ernesto, the narrator of *Deep Rivers*, is a child with origins in two worlds. The son of a wandering country lawyer, he is brought up by Indian servants until he enters a Catholic boarding school at age 14. In this urban Spanish environment he is a misfit and a loner. The conflict of the Indian and the Spanish cultures is acted out within him as it was in

the life of Arguedas. For the boy Ernesto, salvation is his world of dreams and memories. While Arguedas poetry was published in Quechua, he invented a language for his novels in which he used native syntax with Spanish vocabulary. This makes translation into other languages extremely difficult, and Frances Horning Barraclough has done a masterful job, winning the 1978 Translation Center Award from Columbia University.

The Deep - Rivers Solomon 2019-11-05

Their past, too traumatic to be remembered regularly is forgotten by everyone, save one—the historian. This demanding role has been bestowed on Yetu. Yetu remembers for everyone, and the memories, painful and wonderful, traumatic and terrible and miraculous, are destroying her. Sure that her daughter will do the right thing, Geneva has left to seek spiritual guidance and break things off with her long-time lover. Rain begins to fall and an epic flood threatens the Mississippi Delta. While Melody tries to get a handle on the chaos at home, a man and his little boy are squatting on her land, escaping their own nightmare. Obi is on the run from a horrific mistake, and he's intent on keeping his son with him at any cost. When the storm arrives, though, they have no choice but to take shelter in Melody's house. And the waters just keep rising. A lifetime of lies, misunderstandings and dark secrets bubble to the surface as the flood destroys the land and threatens their lives. Set against the fertile but dangerous landscape of the rural south near the fictional town of White Forest, Mississippi, *Three Rivers* beautifully weaves together three parallel stories, told over three days, as each character is propelled headlong into the storm.

"A literary masterpiece, reminding us that God's love is unconditional."—Debbie Macomber California's gold country, 1850. A time when men sold their souls for a bag of gold and women sold their bodies for a place to sleep. Angel expects nothing from men but betrayal. Sold into prostitution as a child, she survives by keeping her hatred alive. And what she hates most are the men who use her, leaving her empty and dead inside. Then she meets Michael Hosea, a man who seeks his Father's heart in everything. Michael obeys God's call to marry Angel and to love her unconditionally. Slowly, day by day, he defies Angel's every bitter expectation, until despite her resistance, her frozen heart begins to thaw. But with her unexpected softening comes overwhelming feelings of unworthiness and fear. And so Angel runs. Back to the darkness, away from her husband's pursuing love, terrified of the truth she no longer can deny: her final healing must come from the One who loves her even more than Michael does . . . the One who will never let her go. A powerful retelling of the story of Gomer and Hosea, *Redeeming Love* is a life-changing story of God's unconditional, redemptive, all-consuming love.

All Rivers Flow to the Sea - Alison McGhee 2013-06-11

"McGhee writes confidently as one who remembers the ordinariness of adolescence as well as its angst . . . and compellingly creates a protagonist blindsided by loss." — Publishers Weekly (starred review) For seventeen-year-old Rose, it keeps happening — the car crash. The car crash that put her sister, Ivy, in a coma with only a respirator

keeping her alive. While Rose tries to find support from her reticent mother, distraction from the series of boys she meets at the town's gorge at night, and empathy from her neighbor William T., what she really

needs must come from within herself — a release of what's been welling up inside. Heartrending, honest, and ultimately hopeful, this is the tale of a teenager overwhelmed by trauma and loss, yet steadied by loyal friendship and the solace of first love.
