Bodyguard. Mercenary. Gun for hire. I didn't care what you called it, the end result was always the same. You paid me for a job, you got results. The Marines trained me to shoot, but life taught me to aim. Working for the best personal security firm in the business was a stepping stone. Put in my time, build the résumé, then move on. I didn't do

attachments, on any level. Until a smoking-hot former one-night stand crossed the street in front of me, holding a kid who was my spitting image. She tried to play it off, deny he was mine. She said she didn't remember me, right before she turned around and ran. She thought she'd made a clean escape. But she was about to find out how merciless a bodyguard could be.

Since I could walk, I'd been primed to take over the family business. Build the real estate empire bigger, ruthlessly fight my way to the top—make everyone richer. Instead, I'd enlisted. Wanting to protect my country, not a bank account,

I'd turned my back on the family business and given the Marines eight years. Now she was about to find out how ruthless a bodyguard could be.

Drawn to Mr. King - Elle Nicoll

2021-11-04

♥Jaxon King is a work of art-beautiful, unique... priceless.♥

I meet him when he admires my artwork at a hotel opening.

He's older, sophisticated... a

gentleman. At least he is with

his clothes on. Out of them...

well, that's a masterpiece in

itself. But even a connection as strong as ours means nothing once the champagne wears off. A promise to call me. Then... nothing. When he turns up as my new boss on the biggest project of my career, I try my hardest to turn the page and leave him in the past. Only, he isn't a memory I can simply erase. No matter how hard I try. We have this pull to one another... two colours that merge and create something heavenly. But he screws up the paper and leaves me crumpled... torn. Maybe it's all an illusion and I should erase him from my heart once and for all? If only we could draw our own path through life. Start over. But it's never as simple as erasing the past, not when you're drawn to Mr. King.

Alpha - David Philipps

2022-09-13

An “infuriating, fast-paced” (The Washington Post) account of the Navy SEALs of Alpha platoon, the startling accusations against their chief, Eddie Gallagher, and the courtroom battle that exposed the dark underbelly of America’s special forces—from a Pulitzer Prize-winning reporter **WINNER OF THE COLORADO BOOK AWARD** • “Nearly impossible to put down.”—Jon Krakauer, New York Times bestselling author of *Where Men Win Glory* and *Into the Wild* In this “brilliantly written” (The New York Times Book Review) and startling account, Pulitzer Prize-winning New York Times correspondent David Philipps reveals a powerful moral crucible, one that would define the American military during the years of combat that became known as “the forever war.” When the Navy SEALs of Alpha platoon returned from their 2017 deployment to Iraq, a group of them reported their chief, Eddie Gallagher, for war crimes, alleging that he’d

stabbed a prisoner in cold blood and taken lethal sniper shots at unarmed civilians. The story of Alpha’s war, both in Iraq and in the shocking trial that followed the men’s accusations, would complicate the SEALs’ post-9/11 hero narrative, turning brothers-in-arms against one another and bringing into stark relief the choice that elite soldiers face between loyalty to their unit and to their country. One of the great stories written about American special forces, Alpha is by turns a battlefield drama, a courtroom thriller, and a compelling examination of how soldiers define themselves and live with the decisions in the heat of combat.

She had never heard the word Omega. Aura chose isolation over the terrifying passion, but that does not make her safe. She could not bear a life locked in a gilded cage, but she has no idea what dangers await outside the walls of the palace. Castor will not stop until he recovers his mate, even if it means tearing the city apart brick by brick. But he isn't the only one looking for her. Time is running out for them both. She cannot survive without him. And he cannot live without her. Alpha's Redemption is the final chapter of Aura and Castor's story. Alpha's Temptation and Alpha's Corruption should be read first.

There are scenes of an Adult nature also. "Agent Alpha" Author Rosa Foxxe Q&A Session Q - Congratulations on the huge success of "Agent Alpha". Just what can new readers expect this series to be about? A - Thanks. I have been amazed at how well it has done. Without giving the whole plot away, we are following the

sexy adventures of FBI Agent Melinda Warren and her partner. Only twist is that her partner is actually a werewolf and ex-alpha of his pack. They are brought together in pursuit of dangerous fugitive and there is a hell of a lot of fun, excitement, adventure and romance in between! Q- So what inspired you to write a story with a werewolf FBI agent? A- I have to admit I originally just wanted to write a story involving a female FBI agent who gets involved with her sexy partner. Then I tried to think of ways to make it more original and this was the twist I came up with. I love watching cop shows where there is strong chemistry between the male and female partners even though we never get to see the sex. So I wanted to do something similar. Q- Who do you feel the Agent Alpha series will appeal to most? A - I really think this can be a cross over from fans of different genres. The paranormal romance fans will love the shifter aspect of it. The interracial fans will love the

black woman white man aspect and the mystery suspense and thriller fans get treated also. Oh and let's not forget that those who love Erotica also get catered for in the books. So there is something for everyone.

PennThey say revenge is a dish best served cold. I'd had four years to stew on what Daria Followhill did to me, and now my heart was completely iced. I took her first

kiss. She took the only thing I loved. I was poor. She was rich. The good thing about circumstances? They can change. Fast. Now, I'm her parents' latest shiny project. Her housemate. Her tormentor. The captain of the rival football team she hates so much. Yeah, baby girl, say it- I'm your foster brother. There's a price to pay for ruining the only good thing in my life, and she's about to shell out some serious tears. Daria Followhill thinks she is THE queen. I'm about to prove to her that she's nothing but a spoiled princess. Daria Everyone loves a good old unapologetic punk. But being a bitch? Oh, you get slammed for every snarky comment, cynical eye roll, and foot you put in your adversaries' way. In Penn Scully's case, I pierced his heart until he bled out, then left it in a trash can on a bright summer day. Four years ago, he asked me to save all my firsts for

him. Now he lives across the hall, and I want nothing more than to be his last everything. His parting words when he gave me his heart were that nothing in this world is free. Now? Now he is making me pay.

He's rough, arrogant, sexy and irresistible as hell. The stereotypical ladies man that I swore I'd never fall for. He stole my heart once before when we were kids, and I promised myself I would never give it to him again. One night, a few drinks and memories neither one of us could escape lands me right back to where it all started, or should I say ended. But when push comes to shove, will he be ready to hear the truth about our past

and face the secret I've been holding in for over 10 years? Or will he run like I always knew he would? The one reason why I never let myself get too close to him again. As they say, tigers can't change their stripes, and I won't let him make a fool out of me trying. She's stubborn, hot-headed and has a temper worse than any woman I have ever met before - but damn it if that doesn't just make me want her more. Like an idiot I let her walk away from me before, but hell if I will let myself make that mistake again. She's mine, and I won't stop until she knows it. But moving forward means facing the demons in my past. The secrets I've never told her about that one night 10 years ago I planned to promise her forever and never showed up. A secret that has eaten me alive and kept me away from her all these years when all I have ever wanted was to hold her again. This time though, I won't let go, and she has another thing coming if she thinks she is getting away from me that easy. As reckless

as our love has been, I will never stop fighting for her. After all... her, me - that is all I know that is right in this world. Monster Hunter Alpha - Larry Correia 2011-08-01
