**War Cry** - Wilbur Smith  
2017-04-04

The saga of the legendary Courtney family continues in this fourteenth installment in Wilbur Smith's bestselling series—the sequel to 2009's *Assegai*—a thrilling tale of espionage, adventure, and danger, set in Africa and spanning from the Great War's end to the dark days of World War II. As a member of the remarkable Courtney family, Leon Courtney knows how quickly fortunes can be won and lost. Over the course of more than two centuries, generations of his family have risen and fallen with the tides of history. Leon, too, has experienced his own share of triumph and pain. In the wake of his beloved wife's death, the renowned big-game hunter is raising his young daughter, Saffron, alone in colonial Kenya. In the 1920s, the continent of Africa is a dangerous place. As Leon

attempts to navigate the murky political waters of this most exquisitely beautiful and wildest of lands, his daughter grows into an independent and headstrong young woman bound for a far different life in Britain, as a student at Oxford. But over the course of more than two decades, spies, traitors, and adventurers will dog their every step. As the fitful years of peace lead to the outbreak of the Second World War—involving Africa once more—Leon and Saffron must fight for their survival . . . and that of their illustrious family. Wilbur Smith masterfully captures the tensions that will spark a war across continents—and the uncertainty and hopes of a father and daughter caught in its grips—in this engrossing novel that delivers the fast-paced action and vivid history that have made him a living legend.

**GOLD MINE B SPL** - Wilbur Smith 2016-07-26

"Big King was at the shaft station when they heard the water coming. It sounded like an express train in a tunnel, a dull bellow of irresistible power. exciting adventure from Wilbur Smith, ambitious and hard-living mining expert Rod Ironsides knows that the general managership of the Sonder Ditch gold mine is the chance of a lifetime. In this epic African adventure, Wilbur Smith returns to his longest running series -- and the very beginnings of the Courtney family saga in the late seventeenth century -- with co-author Giles Kristian. Henry 'Hal' Courtney has always lived at sea. He watched his own father executed during the Anglo-Dutch naval war, and spent his entire young adulthood avenging his father's death. Now a truce has been made between the warring countries and Hal is captain of his own ship the Golden Bough. From the slave markets of Zanzibar to the pirate-riddled waters of the Indian Ocean, Hal leads his crew in and out of the waves of danger. But he soon realizes that just because the war is over, does not mean the battle is won, and the more a man achieves, the more he has to lose. GOLDEN LION follows Hal Courtney's adventures after the Christians have routed the Muslim invaders in Ethiopia in the mid-seventeenth century. And though conflicts still rage, Hal will face a much more personal

enemy bent on revenge. WHEN THE LION FEEDS (1964) introduced the Courtney family to readers around the world. Subsequent Courtney novels traced the fortunes, and misfortunes, of this sprawling, ambitious family, from the dawn of the 18th century to the late 20th century, from Natal in South Africa through Rhodesia and up through East Africa. *The Eye of the Tiger* - Wilbur Smith 2018-01-01

It takes one to recognise one. This was a man trained to live with, and by, violence. He was muscle, a soldier, in the jargon. I had hoped never to see this kind of barracuda cruising St Mary's placid waters. It gave me a sick little slide in the guts to know that it had found me out again. He left that life behind. But that life hasn't left him . . . Harry Fletcher lives a quiet life these days, running a

tourist fishing boat from the peaceful island of St Mary's, off the South African coast. Then his next group arrives, with very specific instructions for Harry - instructions that suggest they know exactly who he is. Before he knows it, Harry has been swept back into a world of greed and violence, of men who will do anything to

get their hands on the treasure under the sea, and of women who are too beautiful to trust. But when the Great Mogul diamond is the prize, all Harry knows is that he'll do anything to get there first . . . A gripping tale of one man's desperate attempt to escape his past, from global bestseller Wilbur Smith
