Salem Secret Underground - Christopher Jon Luke Dowgin 2017-12-15

In 1801 Elias Hasket Derby Jr. leaves his two year retirement. His father, the country's first millionaire, has left him a money pit that many would consider one of the nations first American Castles. The expense to keep up this mansion and his leisurely life style has forced Elias back into action. He will take command of the local militia to fill in the ponds in the Common as part of an elaborate plot. The plot would entail the beautification of this neighborhood and entice a series of merchants and ship captains to build a series of two grand brick mansions set apart at fixed distances around the new park. All attached to a series of smuggling tunnels that would lead from the wharf, to their stores, and the banks. An elaborate scheme filled with Masons,pirates, a Secretary of the Navy, Senators, Representatives, a Supreme Court Justice, Presidents, and a touch of murder! Dig into the tunnels of Salem and find the underbelly of our nation!

Life Change Studies - Delanyo Adadevoh 2012-03-03

The Life Change Studies is a groundbreaking Bible study series built completely on the International Leadership Foundation's (ILF) transforming leadership paradigm. The series is uniquely designed for leaders, or emerging leaders, in the business, professional, NGO, church or civil spheres of society. The Life Change Studies concentrates on the following leadership principles: Character, Calling, Commitment, Community-Building, Creative Leadership, Capacity, Coaching, Collaborative Leadership, Change Leadership, Communication, Celebrative Leadership and Continuation. Three sets of Transforming Leadership Principles (Cs) comprise the Life Change Studies with four Cs in each set. Life Change Groups/Bible study groups are encouraged to meet 90 minutes per week for in-depth study of each set of principles (8 weeks). Therefore, the Life Change Studies will take approximately 24 weeks to complete in its entirety. During the series, participants will experience the principles of life change within their own personal lives and relationships, as well as within society at-large.

[Grandad Mandela](#) - Ambassador Zindzi Mandela 2018-06-28

"...profoundly moving..." -Publishers Weekly Nelson Mandela's two great-grandchildren ask their grandmother, Mandela's youngest daughter, 15 questions about their grandad - the global icon of peace and forgiveness who spent 27 years in prison. They learn that he was a freedom fighter who put down his weapons for the sake of peace, and who then became the President of South Africa and a Nobel Peace Prize-winner, and realise that they can continue his legacy in the world today. Seen through a child's perspective, and authored jointly by Nelson Mandela's great-grandchildren and

daughter, this amazing story is told as never before to celebrate what would have been Nelson's Mandela 100th birthday.

The Groomer - Jon Athan 2020-03-13

Andrew McCarthy grows concerned for his family after he catches a young man, Zachary Denton, photographing his daughter, Grace McCarthy, and other children at a park. To his dismay, Zachary talks his way out of trouble when he's confronted by the police. He hopes that's the end of it. Then he finds Zachary at a diner and then at a grocery store. He knows their encounters aren't coincidences. And just as Andrew prepares to defend his family, Grace vanishes. As the police search stalls and the leads dry up, Andrew decides to take matters into his own hands. He starts by searching for sex offenders in the area and researching enhanced interrogation techniques... He convinces himself he'll do anything to rescue his daughter, unaware of the pure evil he'll face in his journey. He's willing to hurt-to torture-anyone to save his family. Jon Athan, the author of Into the Wolves' Den and The Abuse of Ashley Collins, delves into the underworld of internet predators in this disturbing horror novel. Are your children safe? The Animals Reader - Linda Kalof 2020-11-26
The Animals Reader brings together key classic and contemporary writings from philosophy, ethics, sociology, cultural studies, anthropology, environmental studies, history, law and science. Providing a framework for understanding the state of the multidisciplinary field of animal studies, the second edition contains updated content reflecting the developments in research and theory in the field that have emerged in the ten years since publication of the first edition. With new chapters from Peter Singer, Carol Gigliotto, Jacques Derrida and Irus Braverman, and new topics covered including the connection between animal abuse and interpersonal violence and human-animal relations, this book is the go-to resource for students of animal studies. Extracts are from academic texts and more popular texts alike as readers are given a sense of how human-animal relations have been

understood and critiqued through time. Helpful pedagogical features specific to this edition include: - an explanatory updated Editors Introduction - updated introductions to each extract, with details about the author of that piece and the context of their writing - further reading suggestions at the end of each section, updated to reflect new scholarship. With favourite chapters from the first edition preserved, this second edition has all the required new content to bring The Animals Reader fully up to date.

The Complete Guide on the Salad Diet for Beginners 2021/22 - Robert Sorrento 2021-04-20

□ 55% OFF for BookStore NOW at \$ 30,95 instead of \$ 40,95! □ The salad diet is an excellent remedy to get rid of extra kilos and say goodbye to a swollen belly and heavy legs. Moreover, it is also a precious help to fight cellulite. It is ideal not only in summer but in all periods of the year. Indicated especially after the Christmas holidays, it is very easy to follow. It is very popular among those who have little time to prepare lunch and those who, for work, are forced to eat out. If followed correctly, it is able to lose up to 5 kg in a week. In order to enjoy its slimming effect, nutritionists suggest eating it at the beginning of a meal. This is a very popular habit among the French, definitely healthy because it hides several benefits for the body. First of all, eating it before lunch or dinner gives a sense of great satiety, which leads us not to overdo with the possible following courses, usually rich in carbohydrates and fats. Here is what happens to those who eat lettuce This also allows to shorten the time of digestion and effectively stimulate the metabolism. In this way, it helps to control blood sugar levels. In fact, the fiber contained in the salad allows you to absorb less fat and carbohydrates in favor of the nutrients that are subsequently taken. A salad diet allows for varying one's nutrition in a creative way. There are many types of salad that can be combined in a tasty way with vegetables and dried fruits. The most used varieties of salad are lettuce, escarole, iceberg, radicchio, and arugula. In this cookbook, you will find a wide variety of salads revisited by me personally, and you will surely find recipes that will suit you both in terms of preparation and enjoyment. All these different types allow, in equal measure, to fill up with nutrients and vitamins essential for the sustenance of our body. Here are the main benefits of salad: purifies the body: source of water and very little fat, it eliminates toxins and excess waste; it fights constipation: it brings precious fibers. Ideal for those who suffer from chronic constipation; antioxidant effect: especially green salads are rich in vitamins E and C, folic acid, lycopene, and beta carotene. It

is these nutrients that counteract cellular aging, as well as stimulate blood circulation; anti-tumor action: source of flavonoids, a valuable aid against the formation of cancer cells; defeats tiredness and stress: eating salad regularly allows to fill up with minerals such as potassium, magnesium, calcium-phosphorus as well as vitamin B6. The latter is useful, especially in periods of both physical and mental fatigue; help against migraine: lettuce, in particular, contains a substance called lactucarium that relieves headaches. Start now this new path, build your daily diet thanks to the wide variety of salads that you will find here. Buy is NOW and let your Customers get addicted to this amazing book! Electric Field Analysis - Sivaji Chakravorti 2017-12-19

Electric Field Analysis is both a student-friendly textbook and a valuable tool for engineers and physicists engaged in the design work of high-voltage insulation systems. The text begins by introducing the physical and mathematical fundamentals of electric fields, presenting problems from power and dielectric engineering to show how the theories are put into practice. The book then describes various techniques for electric field analysis and their significance in the validation of numerically computed results, as well as: Discusses finite difference, finite element, charge simulation, and surface charge simulation methods for the numerical computation of electric fields Provides case studies for electric field distribution in a cable termination, around a post insulator, in a condenser bushing, and around a gas-insulated substation (GIS) spacer Explores numerical field calculation for electric field optimization, demonstrating contour correction and examining the application of artificial neural networks Explains how high-voltage field optimization studies are carried out to meet the desired engineering needs Electric Field Analysis is accompanied by an easy-to-use yet comprehensive software for electric field computation. The software, along with a wealth of supporting content, is available for download with qualifying course adoption. *30 Bangs* - Roosh V 2012-03-01

Katie's Cabbage - Katie Stagliano 2014-12-12

Katie's Cabbage is the inspirational true story of how Katie Stagliano, a third grader from Summerville, South Carolina, grew a forty-pound cabbage in her backyard and donated it to help feed 275 people at a local soup kitchen. In her own words, Katie shares the story of the little cabbage seedling and the big ideas of generosity and service that motivated her to turn this experience into Katie's Krops, a national youth movement aimed at ending hunger one vegetable garden at a time. Katie's Cabbage reminds us of how small things can grow and thrive when nurtured with tender loving and care and of how one person, with the support of

family, friends, and community, can help make a powerful difference in the lives of so many. Katie's Cabbage was illustrated by Karen Heid, associate professor of art education at the University of South Carolina School of Visual Art and Design. Editorial assistance was provided by Michelle H. Martin, a dedicated gardener and the Augusta Baker Chair in Childhood Literacy at the University of South Carolina School of Library and Information Science. Patricia Moore-Pastides, First Lady of the University of South Carolina and author of *Greek Revival from the Garden: Growing and Cooking for Life*, offers a foreword about her friendship with Katie and her admiration of Katie's dream to end hunger one garden at a time.
