[Family Guide to Spiritual Warfare](#) - Kathleen Beckman 2021-01-29

Demons wage war against families because families are vital to God's plan of salvation. This stark reality requires that your family members become well-trained spiritual warriors who actively secure your home and fight to keep it off-limits to demonic activity. In *A Family Guide to Spiritual Warfare*, Kathleen Beckman offers you potent advice from her 12 years of active participation on an exorcist's team. She shows you how to "clean up" your household by cultivating in your family a civilization of love — and how to withstand the spiritual attacks that inevitably come to destroy the harmonious family life you create. Beckman reveals how you can recognize diabolical disguises in your home and offers proven means of protection found only in the Church's arsenal of spiritual weapons. You'll also learn the devil's strategies — how he does not necessarily seek to possess but simply to seed your family with the venom of hatred, desolation, envy, and vice. This, she explains, is why it's so important for spouses and children to become schooled in the art of spiritual combat. It's the only way you can destroy the works of the devil and unmask the hidden evil that weaves in and out of your daily family life. Along with more than two dozen effective prayers for family healing and deliverance, you'll also learn: How to understand the spirits working for — and against — your family, and what to do in response to them What specific actions to take if you believe your family has come under the influence of demonic activity How to use your baptismal, spousal, and parental authority in spiritual warfare How

curses can become effective — and what can be done to counteract them The difference between diabolical temptation, oppression, obsession, and possession The seven ways your family can wear the full armor of God The diabolical counterparts to each of the Ten Commandments and the Beatitudes The 13 weapons you can use to defend yourself and your family against evil spirits

[Praise - a Weapon of Warfare and Deliverance](#) - Frank Hammond 2015-01-31

PRAISE is a powerful weapon in deliverance and spiritual warfare. As you praise the Lord, things begin to happen in the unseen realm. In the Old Testament, the people of God didn't have the name of Jesus as a weapon, but they did have praise. When Saul was troubled by an evil spirit, the only thing they knew to help him was to call David. What happened when David began to play on his harp and sing praise to his God? The evil spirit departed from King Saul. You can see why praise was so important to those Old Testament saints. You can see why they developed such a lifestyle of praise. We are told to resist the devil and make him flee, and praise is an often overlooked and underused weapon to accomplish this. I want you to understand what your praise does in the spirit realm. A demon cannot exist in that atmosphere - he simply cannot function. Evil spirits have tormented us enough; through praise we get to turn the tables and torment them

Obstacles to Deliverance - Frank Hammond

2002-01-01

Why does deliverance sometimes fail? This is, in essence, the same question raised by Jesus' first disciples. When these disciples were unable to cast out a spirit of epilepsy, they were puzzled and asked Jesus the reason for their failure. Jesus gave a multi-part answer which leads us to take into account the petitioner's faith, the deliverance minister's capability, the spiritual qualifications that must be met, the strength of the spirit confronted and the strategy of warfare employed. In particular, there are myths, misunderstandings and misinformation concerning the ministry of deliverance. The first battleground is in the minds of men, where Satan has sown questions, doubts and fears that become hindrances to involvement in this valid, biblical ministry. Those who want an answer should be given an answer. Ignorance, prejudice and fear are hurdles that some sincere Christians must get over before they are willing to become involved in spiritual warfare. Before one can bring himself to obedience to deal with the devil and demons, certain obstacles must be overcome in one's mind.

Spiritual Warfare - Karl I. Payne 2021-03

The Bible is clear that we face three different

types of opposition while attempting to successfully navigate life as Ambassadors for Christ. Our opposition is identified in Scripture as "the world" (1 John 2:15-17), "the flesh" (Romans 7:15-25), and "the devil" (1 Peter 5:8-9). The sad reality is that too many Christians lose more battles than they win and endure their walk with God rather than enjoy it because they often don't recognize how opposition through spiritual warfare actually works. More importantly, they have no idea how to effectively and efficiently respond to these attacks. Scripture nowhere indicates that a wish, a hope, a cliché, or a sincere guess represent adequate responses to attacks from these three very real enemies. Christians must be strategic in their responses to these clearly defined enemies, learning how to fight biblically rather than just sincerely. In *Spiritual Warfare*, Dr. Karl Payne-- pastor of Leadership Development and Discipleship at Antioch Bible Church and former Chaplain for the NFL's Seattle Seahawks-- has written a guidebook for recognizing and responding to spiritual warfare that is simple, biblical, and transferable. Pragmatically speaking, the materials in this book are biblically sound, battle tested, and they work. As Christians we are supposed to live life as victors, not victims. It is past time we learn how to consistently walk our talk in the midst of conflict rather than passively sing songs or daydream about courageous Christian living.

[Spiritual Warfare for Lost Loved Ones](#) - Frank Hammond 2015-01-31

To Bring Those You Love to Christ... People often ask us as we travel to minister, "What can we do about family members? What can we do about friends and loved ones that are lost, or living a life of sin and taken over by the devil?" This question concerns the people in your life

who are outside the family of God, but who do not want any help. They are simply not open for direct ministry. Through spiritual warfare, intercessory prayer, and the ministry of love, we are able to help create the best possible environment around a loved one to come to know Jesus. But we must not lose our closeness with the Lord in the process, as these situations can be quite challenging to our spiritual walk. Using the wall-building example of Nehemiah, and insights from the Book of Jude, Frank Hammond explains the importance of edifying those around us as a means of leading them into a direct relationship with Jesus Christ. Frank Hammond says: "Remember that the Lord Christ is with you. The Lord is strong; the Lord is mighty; He is the Lord of hosts, the Lord of armies. He will fight in your behalf. Get in the battle and don't let your family or friends go down without resistance. Put up resistance and fight for your loves ones "

PIERCING THE DARKNESS - Dr Larry Reck 2014-09-22

Many Christians have chosen to turn a deaf ear and blind eye to the subject of spiritual warfare, deliverance, and demons. It is important to equip yourself with the proper ammunition in order to stand against Satan and those who follow him. We must realize that Satan doesn't just hide behind every bush and under every rock. Sometimes he finds a resting place within our churches. He may sing a pretty lullaby to the church and prevent Christians from hearing the true Word of God. Demons have been at this game for a long time and unfortunately they know more scripture than most Christians. We must put on the full armor of God and realize this is war - not against flesh and blood, but against the rulers of darkness in high places (Eph. 6:12). Jesus Christ is where our power comes from. He did not leave us powerless to overcome, but has endowed us with power to stand against Satan in such a time as this. If you were heading out to battle would you go unprepared - without weapons, without armor, without a leader, without an army? Within the pages of this book you will find the help needed to overcome these obstacles in your life. You will learn, among other things, how to break away from generational curses and most importantly, how to live a victorious life in Jesus Christ our

Lord and to prepare yourself.

Understanding Spiritual Warfare - Sam Storms 2021-04-27

The Bible frequently speaks of Satan and demons, and there is no mistaking the teaching of Scripture on this one point: as there is a kingdom of God, so too is there a kingdom of Satan. And the two are embroiled in open conflict. Yet many Christians today are unaware of this battle and are woefully ill equipped to engage in the work of spiritual warfare. Or they believe Satan and the demonic are part of a worldview that has long since lost its usefulness and cogency. This is the 21st century, for heaven's sake. Sam Storms believes we cannot so easily dispense with the multitude of biblical assertions concerning the reality of Satan and his demonic hordes. The truth is that believers in Jesus are likely to encounter on a daily basis men and women of all ages who are sorely oppressed, tormented, and tempted by demonic powers. How do we respond to these people? Is there help we can offer them? The good news is that Jesus offers deliverance and freedom from the influence of the enemy, and the resultant joy, peace, and spiritual flourishing that comes through the victory of Jesus dying and rising again. Understanding Spiritual Warfare explains

the biblical teaching on spiritual warfare and also shares numerous personal accounts of personal victories over the demonic, together with practical guidance on how you, too, can extinguish the "flaming darts" (Eph. 6:16) of the "cosmic powers" and "spiritual forces of evil" (Eph. 6:12) that so often bombard your life. Scattered throughout the pages of this book are real-life testimonies of men and women who have experienced deliverance from demonic oppression and now walk in the joy and freedom of inner spiritual healing, and in the case of some, physical healing as well. Understanding Spiritual Warfare is useful as a reference to address common questions about spiritual warfare, but it also serves as a training manual for a ministry of deliverance and inner healing. It is perfect for any individual or group who wants to grow in their understanding of spiritual warfare today.

Spiritual Warfare - Stella Davis 2010-07

"Spiritual Warfare," the sequel to Stella Davis's first book, "Giving God the Praise," provides teachings on spiritual warfare for both priests and laity through the recounting of Davis's own experiences in ministry and those of her team. As a veteran missionary herself, Davis believed that various texts she had read available to the public and to priests did not treat spiritual warfare in the depth required, especially at a time when evil has so increased, and the need to know how to combat it is so great. Extraordinary supernatural phenomena have become more common in our day and cannot escape our attention. Even those who consider themselves "enlightened," who maintain that the power of nature is unlimited, are put on their mettle by the undeniable facts of the preternatural. Intrigues of Satan are as active today as they were when God first called Davis to ministry. Hence, "Spiritual Warfare" attempts to address the need to deal with these occurrences, offering a call to repentance, healing, deliverance, and action.

The Horse and His Rider - Charmazelle Bryant 2014-09-08

In presenting this book, which is a true story, I relate a dramatic chain of events featuring dynamic miracles. During a time frame of just over half a year, pertinent scriptures were quickened to me at a time of impending bankruptcy, after trials of childhood trauma, coping psychologically with a twenty year old incurable wound, and the need for deliverance from evil spirits. The first chapter of this testimony presents the mystery that the names of books, and the numbers of chapter and verse of scriptures spontaneously came to mind twice in relatively quick succession when I traveled before God to get a word.. I rejected the first word because it baffled me and seemed irrelevant; therefore I tried again, only to receive a different text with exactly the same meaning, which, I believe, defied co-incidence:and whoever will not receive you, nor heed your words, when you depart from that house or city, shake off the dust from your feet. Matthew 10:14 (italics mine) similar text from Luke 9:5 After recording the events of this book, I dwelt on amplifying the personification of the word city in an unrelated scripture:and you shall

be called Sought Out, A City Not Forsaken, Isaiah 62:12 A mystery is thus unfolded to those of my readers, who will embrace this testimony of victory in the spirit and echo the words which are the theme of this book, the song of praise and thanksgiving that Moses sang when God brought the Israelites safely through the Red Sea: Sing unto the Lord For He has triumphed gloriously The horse and his rider Hath He thrown into the sea Exodus 15:1

Understanding Demonology, Spiritual Warfare, Healing, and Deliverance - Lee Ann B. Marino 2017-12

The study of the divine and the demonic - and how the two affect humanity - has been a source of fascination and intrigue for thousands of years. While divine interaction humanity has always brought about the benefit and growth of human beings, demonic interaction is never so uplifting. The demonic realm has caused humans to lose their status with God, venture where they should not, fall into sin, and at times, into places of oppression, depression, and possession. How are the divine and demonic understood in such situations, and how do we fight, liberate, and deliver those when such situations arise? Hailed as the most comprehensive textbook on the topics of demonology, spiritual warfare, and healing and deliverance you will ever need, this writing stands as a thorough and complete examination of matters that relate to all things we encounter, but many that we cannot easily see with the naked eye. Learn about the realms and operation of both the divine and the demonic, spirits and identifying types of spirits, demonology and mythology around the world, the occult, witchcraft and magic, superstitions, spiritual warfare from the perspective of Ephesians 6 and the War Scroll from the Dead Sea Scrolls, needed spiritual disciplines, healing and deliverance, having the right attitude about

healing and deliverance, ethics in healing and deliverance, regulating healing and deliverance ministry, and helping others maintain healing and deliverance. Designed for classroom use, perfect for discussion and containing textual assignments for each chapter, this book is a must-have for any serious student who wants to learn the truth about - and the proper ways - to handle all matters of spiritual warfare, healing, deliverance, and ultimately, spiritual discernment.

The Evangelical's Guide to Spiritual Warfare
- Charles H. Kraft 2015-02-17

Are you aware of the spiritual battle being waged around you today? The truth is that although spiritual warfare is a major theme in the Bible, many of us gloss over it--or ignore it completely. But 80 percent of the synoptic gospels addresses the battle with evil spirits, and Jesus and His disciples set a clear example for believers. We cannot afford to practice a powerless Christianity in a fallen world. In this essential, accessible resource, former evangelical seminary professor and missionary Charles Kraft helps you find your footing in the spiritual battle. Based on a solid biblical foundation and on decades of ministry experience, this book will help you:

- Differentiate between myths and truths about spiritual warfare
- Recognize the everyday battles taking place around you
- Learn what demons really are and what they actually do
- Understand the rules for engaging the enemy
- Achieve victory in daily battles with the help of the Holy Spirit

Don't let fear keep you from engaging the spiritual forces at work around you. Some problems can't be overcome in any other way. "This book is a must-read for anyone looking to engage in spiritual warfare." --Larry Richards, author of *The Full Armor of God* "Dr. Kraft has removed the veil of mystery that has surrounded deliverance ministry for far too long. With truth and honesty, he has opened the door to the evangelical community and given us the tools to set the captives free."--Tim Howard, president and founder, Wellsprings of Freedom International "For more than thirty years now, Dr. Charles Kraft has been studying and writing about spiritual warfare. In this latest book, Dr. Kraft summarizes his findings and shares from his years of experience his approach to inner

healing and deliverance ministries. This book needs to be read by every student studying spiritual formation, by every missiologist engaged in missionary activities and by every pastor and church worker committed to making healthy disciples of the Lord Jesus Christ."--Douglas Hayward, department chair, Graduate Intercultural Studies, Cook School of Intercultural Studies, Biola University

"Personally awakened to the spiritual nature of our Christian faith, Charles Kraft calls us to wake up as well. This book is a must-read for any who seek to understand God's work in the world today from the vantage point of an evangelical who daily engages in spiritual warfare."--Scott Moreau, professor of intercultural studies, Wheaton College Graduate School

"Most Christians are blind to the spiritual realities around us. This book pulls back the veil into the unseen world, where there is a battle. This book will quickly become a classic. Charles is steeped in wisdom in the area of spiritual warfare and has dedicated his life to bringing restoration to the church."--Judith MacNutt, M.A., president and co-founder, Christian Healing Ministries

"Charles Kraft has taken a topic that is still controversial among some in the body of Christ--spiritual warfare--and boiled it down to something we can all agree on: There is an enemy countering expressions of God's love in the lives of believers and lost souls alike that we must combat."--Jennifer LeClaire, senior editor at Charisma magazine and director of Awakening House of Prayer in Fort Lauderdale

"Again, Chuck Kraft has reminded us that 'we are at war with a cruel enemy.' This guide to the warfare reflects Dr. Kraft's passion for God's people to experience the full measure of the Father's love. His writing is grace-filled, balanced, thoughtful and practical."--John Shultz, Ph.D., president, Ashland Theological Seminary

Spiritual Warfare - Karl I. Payne, Dr. 2011

The Bible is explicit: We live in a world of distinct opponents; our very lives are a battle. Yet too many Christians lose more battles than they win and endure their walk with God rather than enjoy it because they don't recognize the enemy when they see it. More importantly, they have no idea how to respond. While society tells us we can react simply, the truth is that a wish,

a hope, and a prayer are not the best responses to attacks from those who stand between us and the Father. Christians must be strategic in their reactions to these clearly defined enemies, learning how to fight biblically and effectively rather than just sincerely. In *Spiritual Warfare*, Dr. Karl Payne - pastor of Leadership Development and Discipleship at Antioch Bible Church and Chaplain for the NFL's Seattle Seahawks - has written a guidebook for defense that is simple, biblical, and transferable. Through his teaching on how to recognize and resolve attacks from the world, we learn that we are more than conquerors in Christ.

Spiritual Warfare in the 21st Century - Judith Lawson 2011-03

The Jesus Movement revival of the 1960s and 1970s saw deliverance ministries develop where evil spirits were discerned and cast out of suffering individuals. However, some in the Body of Christ questioned its validity believing the gifts had ceased with the death of the Apostle John and deliverance ministries faded into oblivion. However, because signs of the closing days of earth's history are clear and spiritual warfare is intensifying learning its strategies is crucial for Christian growth. Thankfully there are also signs of re-emergence of the ministry of deliverance today in the 21st Century. This book outlines its principles.
