Safe Passage - Ida Cook 2008-11-01

A remarkable memoir about two sisters and their brave acts of resistance and heroism during World War II. Ida and Louise Cook are two ordinary Englishwomen, seemingly destined never to stray from their quiet London suburb and comfortable civil service jobs. But in 1923, a chance encounter sparked a determination to rescue dozens of Jews facing persecution and death. Even when Ida began to earn thousands as a successful romance novelist, the sisters never departed from their homespun virtues of thrift, hard work, self-sacrifice and unwavering moral conviction. Through ingenuity, bottomless goodwill, and incredible bravery, the Cook sisters embark on dangerous undercover missions into the heart of Nazi Germany. They directed every spare resource toward saving as many people as they could from Hitler's death camps, and coordinated networks of satellite families in safe nations for displaced Jews. No one would have predicted such glamorous and daring lives for Ida and Louise Cook—but saving people became their greatest happiness. First published in 1950, Ida's memoir of the adventures she and Louise shared remains as fresh, vital and entertaining as the woman who wrote it, and is a moving testament to the extraordinary acts of courage by two everyday heroes. "Safe Passage is well worth reading."

[This] elegantly wrought narrative bears the Cartier hallmark."—*The Economist* The "astounding" (André Leon Talley) story of the family behind the Cartier empire and the three brothers who turned their grandfather's humble Parisian jewelry store into a global luxury icon—as told by a great-granddaughter with exclusive access to long-lost family archives "Ms. Cartier Brickell has done her grandfather proud."—*The Wall Street Journal* *The Cartiers* is the revealing tale of a jewelry dynasty—four generations, from revolutionary France to the 1970s. At its heart are the three Cartier brothers whose motto was "Never copy, only create" and who made their family firm internationally famous in the early days of the twentieth century, thanks to their unique and complementary talents: Louis, the visionary designer who created the first men's wristwatch to help an aviator friend tell the time without taking his hands off the controls of his flying machine; Pierre, the master dealmaker who bought the New York headquarters on Fifth Avenue for a double-stranded natural pearl necklace; and Jacques, the globe-trotting gemstone expert whose travels to India gave Cartier access to the world's best rubies, emeralds, and sapphires, inspiring the celebrated Tutti Frutti jewelry. Francesca Cartier Brickell, whose great-grandfather was the youngest of the brothers, has traveled the world researching her family's history, tracking down those connected with her ancestors and discovering long-lost pieces of the puzzle along the way. Now she reveals never-before-told dramas, romances, intrigues, betrayals, and more. *The Cartiers* also offers a behind-the-scenes look at the firm's most iconic jewelry—the notoriously cursed Hope Diamond, the Romanov emeralds, the classic panther pieces—and the long line of stars from the worlds of fashion, film, and royalty who wore them, from Indian maharajas and Russian grand duchesses to Wallis Simpson, Coco Chanel, and Elizabeth Taylor. Published in the two-hundredth anniversary year of the birth of the dynasty's founder, Louis-François Cartier, this book is a magnificent, definitive, epic social history shown through the deeply personal lens of

one legendary family.

[Koh-i-Noor](#) - William Dalrymple 2017-09-12

From the internationally acclaimed and bestselling historians William Dalrymple and Anita Anand, the first comprehensive and authoritative history of the Koh-i-Noor diamond, arguably the most celebrated jewel in

the world. On March 29, 1849, the ten-year-old leader of the Sikh kingdom of the Punjab was ushered into the magnificent Mirrored Hall at the center of the British fort in Lahore, India. There, in a formal Act of Submission, the frightened but dignified child handed over to the British East India Company swathes of the richest land in India and the single most valuable object in the subcontinent: the celebrated Koh-i-Noor diamond, otherwise known as the Mountain of Light. To celebrate the acquisition, the British East India Company commissioned a history of the diamond woven together from the gossip of the Delhi Bazaars. From that moment forward, the Koh-i-Noor became the most famous and mythological diamond in history, with thousands of people coming to see it at the 1851 Great Exhibition and still more thousands repeating the largely fictitious account of its passage through history. Using original eyewitness accounts and chronicles never before translated into English, Dalrymple and Anand trace the true history of the diamond and disperse the myths and fantastic tales that have long surrounded this awe-inspiring jewel. The resulting history of south and central Asia tells a true tale of greed, conquest, murder, torture, colonialism, and appropriation that shaped a continent and the Koh-i-Noor itself.

When a brooch is broken, some of its magic is lost... When NYPD detective JL O'Grady is invited to be her brother's plus-one at Montgomery Winery's end-of-harvest gala, she plans to enjoy a fabulous weekend in Napa drinking wine, enjoying sunset dinners on the veranda, and watching her brother's high school basketball tournament. Now it's up to JL and Kevin - with a little help from David McBain, who is drowning in toddler hell - to solve the case.
