Midnight Descending - Lisa

M. Green 2021-02-04

Broken by betrayal.

Surrounded by destruction.

United by hope. Aurianna must

live with the consequences of

her heartbreaking decisions in

the aftermath of a betrayal too

devastating to face. She and

her friends have no idea who is

trustworthy and who is

scheming for power. Their only

option is to seek assistance

from two groups: one that no

one thought to ask, and one

that no one thought existed.

The fate of Eresseia lies in the

hands of those whose power is

far greater than it seems, and

whose leaders are not always

what they appear to be. To

protect the ones she loves, has

she merely traded one monster

for another? Aurianna is

now—irrevocably—a key player

in a world that needs her as a

leader, as a hero, and as the

face for their emerging

resistance movement. With so

many sides, choosing the

wrong one could lead to the

destruction of everything she

has begun to think of as home.

Midnight Descending is the

third and final book in the

Awakened series, a fairytale

retelling set within a dystopian

fantasy adventure. This

Sleeping Beauty reimagining

has elements of portal fantasy

with time travel, magic, and a

unique fantasy setting.

The Last Town - Blake Crouch

The final book of the smash-hit

Wayward Pines trilogy from the

New York Times bestselling

author of Dark Matter,

Recursion, and Upgrade

What's inside was a nightmare.

What's outside is a thousand

times worse. Welcome to

Wayward Pines, the last town.

Secret Service agent Ethan

Burke arrived in Wayward

Pines, Idaho, three weeks ago.

In this town, people are told who to marry, where to live, where to work. No one is allowed to leave; even asking questions can get you killed. But Ethan has discovered the astonishing secret of what lies beyond the electrified fence that surrounds Wayward Pines and protects it from the terrifying world beyond. And now that secret is about to come storming through the fence to wipe out this last, fragile remnant of humanity. The Last Town at last pitches Ethan Burke and his fellow residents into all-out war against the forces outside the town's gates—and in doing so delivers every bit the riotously horrific, breathlessly action-packed conclusion that the Wayward Pines trilogy deserves.

Frogcatchers - Jeff Lemire

2019-09-24

Experience a surreal descent into one man's psychosis in this haunting and chilling graphic novel from the New York Times bestselling author of *Roughneck* and *Sweet Tooth*, hailed as "the Stephen King of

comics" (Maclean's). A man wakes up alone in a strange room with no recollection of who he is or how he got there. The padlocked doors and barren lobby reinforce the strangeness of this place. This is—as he reads from an old-fashioned keychain beside his bed—the Edgewater Hotel. Even worse, something ominous seems to be lurking in one of the rooms. But when he meets a young companion—the only other soul in this vast, enveloping emptiness—his new friend begs him not to unlock the door. There must be something behind it...but what? A haunted hotel on the edge of reality, an endless bridge spanning an infinite ocean, and a man and a boy looking for a way out. This is the setting for a boundary-pushing, genre-defying new work of fiction by one of comics' master storytellers. "A perfect miniature of memory and loss, affecting and beautifully told in an outstanding use of the medium. A haunting dream of a book" (Warren Ellis, New York Times bestselling author).

Wayward - Blake Crouch

2022-10-18

The second book of the smash-hit Wayward Pines trilogy, from the New York Times bestselling author of Dark Matter, Recursion, and Upgrade It's the perfect town . . . as long as you don't try to leave. Nestled amid picture-perfect mountains, the idyllic town of Wayward Pines is a modern-day Eden—at least at first glance. Except that within its fences, the residents are told where to work, how to live, and who to marry. None of them know how they got here. Some believe they are dead. Others think they're trapped in an unfathomable experiment. Everyone secretly dreams of leaving, but those who dare face a terrifying surprise. As sheriff, Ethan Burke is tasked with enforcing the town's laws, and he's one of the few entrusted with the truth—even though, for all his knowledge, he's as much a prisoner of Wayward Pines as anyone else. But when a murder investigation draws him deeper into the town's inner workings,

Ethan learns that its past is darker than even he suspected—and finds himself faced with an impossible choice. The second novel in Blake Crouch's blockbuster trilogy, Wayward delves deeper into the irresistible mysteries and horrors of this perfect little town, even as it asks what it means to live with secrets—and what price we'll pay for the truth.

Wayward - Blake Crouch 2018

Welcome to Wayward Pines, population 461. The town is a modern-day Eden ... except for the electrified fence and razor wire, snipers scoping everything 24/7, and the relentless surveillance tracking each word and gesture. Ethan Burke has seen the world beyond. He's sheriff, and one of the few who knows the truth-- Wayward Pines isn't just a town. And what lies on the other side of the fence is a nightmare beyond anyone's imagining ...

City of Masks - Daniel Hecht

2008-12-17

"Superb...A thoroughly satisfying, disturbing novel." -

Cleveland Plain Dealer In City of Masks, the first Cree Black novel, parapsychologist Cree and her partner take a case in New Orleans's Garden District that leaves them fearing for their own lives. The 150-year-old Beauforte House has long stood empty, until Lila Beauforte resumes residence and starts to see some of the house's secrets literally come to life. Tormented by an insidious and violent presence, Lila finds herself trapped in a life increasingly filled with childhood terrors. It takes Cree's unconventional take on psychology and her powerful natural empathy with Lila to navigate the dangerous worlds of spirit and memory, as they clash in a terrifying tale of mistaken identity and murder.

The Girls in My Town -

Angela Morales 2016-04-01

The autobiographical essays in The Girls in My Town create an unforgettable portrait of a family in Los Angeles.

Reaching back to her grandmother's childhood and navigating through her own girlhood and on to the present,

Angela Morales contemplates moments of loss and longing, truth and beauty, motherhood and daughterhood. She writes about her parents' appliance store and how she escaped from it, the bowling alley that provided refuge, and the strange and beautiful things she sees while riding her bike in the early mornings. She remembers fighting for equal rights for girls as a sixth grader, calling the cops when her parents fought, and listening with her mother to Helen Reddy's "I Am Woman," the soundtrack of her parents' divorce. Poignant, serious, and funny, Morales's book is both a coming-of-age story and an exploration of how a writer discovers her voice.

Anyone You Want Me To Be

- John Douglas 2012-12-11

Legendary FBI profiler and New York Times bestselling author John Douglas explores the shocking case of John Robinson a harmless, unassuming family man whose criminal history began with embezzlement and fraud - and ended with his arrest for the

savage murders of six women and his suspected involvement in at least five disappearances. Most disturbing was the hunting ground in which Robinson seduced his prey: the world of cyberspace. Haunting chat rooms, targeting vulnerable women, and exploiting the anonymity of the Internet, his bloody spree was finally halted by a relentless parole officer who spent ten years trying to nail Robinson as a cold-blooded killer. A cautionary tale set in a virtual world where relationships are established without the benefit of physical contact, *ANYONE YOU WANT ME TO BE* is a contemporary real-life drama of high-tech crime and punishment.

Wayward - Chuck Wendig

2022-11-15

"If King had written a sequel to *The Stand*, it might look something like this monumental epic of a story."—James Rollins, #1 New York Times bestselling author of *Kingdom of Bones* "As great as *Wanderers* was, *Wayward* is better."—Christopher Golden,

New York Times bestselling author of *Road of Bones* Five years ago, ordinary Americans fell under the grip of a strange new malady that caused them to sleepwalk across the country to a destination only they knew. They were followed on their quest by the shepherds: friends and family who gave up everything to protect them. Their secret destination: Ouray, a small town in Colorado that would become one of the last outposts of civilization. Because the sleepwalking epidemic was only the first in a chain of events that led to the end of the world—and the birth of a new one. The survivors, sleepwalkers and shepherds alike, have a dream of rebuilding human society. Among them are Benji, the scientist struggling through grief to lead the town; Marcy, the former police officer who wants only to look after the people she loves; and Shana, the teenage girl who became the first shepherd—and an unlikely hero whose courage will be needed again. Because

the people of Ouray are not the only survivors, and the world they are building is fragile. The forces of cruelty and brutality are amassing under the leadership of self-proclaimed president Ed Creel. And in the very heart of Ouray, the most powerful survivor of all is plotting its own vision for the new world: Black Swan, the A.I. who imagined the apocalypse. Against these threats, Benji, Marcy, Shana, and the rest have only one hope: one another. Because the only way to survive the end of the world is together.

Treachery Times Two - Robert McCaw 2022-01-04

Secret military weapons, saboteurs, a volcanic eruption—and a probe of Chief Detective Koa Kane's criminal past On Hawaii Island, a volcanic earthquake disrupts an abandoned cemetery—unearthing the body of a woman mutilated by her killer to conceal her identity. The search for her identity leads Hilo Hawaii's Chief Detective Koa Kane to a mysterious defense contractor

with a politically connected board of directors. Defying his chief of police, Koa pursues the killer, only to become entangled in an FBI espionage investigation of Deimos, a powerful secret military weapon. Is the FBI telling all it knows—or does it, too, have a duplicitous agenda? At the same time, Koa—a cop who thirty years earlier killed his father's nemesis and covered up the murder—faces exposure by the dead man's grandson. Koa is forced to investigate his own homicide, and step by step, his cover-up unravels until another man is falsely accused. Can Koa stand by and let an innocent man pay for his crime? A crime novel perfect for fans of Michael Connelly and James Lee Burke While all the novels in the Koa Kane Hawaiian Mystery Series stand on their own and can be read in any order, the publication sequence is: *Death of a Messenger* *Off the Grid* *Fire and Vengeance* *Treachery Times Two*

Dark Matter - Blake Crouch 2016-07-26

A mindbending, relentlessly surprising thriller from the author of the bestselling Wayward Pines trilogy. "Are you happy with your life?" Those are the last words Jason Dessen hears before the masked abductor knocks him unconscious. Before he awakens to find himself strapped to a gurney, surrounded by strangers in hazmat suits. Before a man Jason's never met smiles down at him and says, "Welcome back, my friend." In this world he's woken up to, Jason's life is not the one he knows. His wife is not his wife. His son was never born. And Jason is not an ordinary college physics professor, but a celebrated genius who has achieved something remarkable. Something impossible. Is it this world or the other that's the dream? And even if the home he remembers is real, how can Jason possibly make it back to the family he loves? The answers lie in a journey more wondrous and horrifying than anything he could've imagined—one that will force

him to confront the darkest parts of himself even as he battles a terrifying, seemingly unbeatable foe. Dark Matter is a brilliantly plotted tale that is at once sweeping and intimate, mind-bendingly strange and profoundly human—a relentlessly surprising science-fiction thriller about choices, paths not taken, and how far we'll go to claim the lives we dream of.

The Philadelphia Chromosome
- Jessica Wapner 2014-04-08
Philadelphia, 1959: A scientist scrutinizing a single human cell under a microscope detects a missing piece of DNA. That scientist, David Hungerford, had no way of knowing that he had stumbled upon the starting point of modern cancer research—the Philadelphia chromosome. It would take doctors and researchers around the world more than three decades to unravel the implications of this landmark discovery. In 1990, the Philadelphia chromosome was recognized as the sole cause of a deadly blood cancer, chronic myeloid leukemia, or CML.

Cancer research would never be the same. Science journalist Jessica Wapner reconstructs more than forty years of crucial breakthroughs, clearly explains the science behind them, and pays tribute—with extensive original reporting, including more than thirty-five interviews—to the dozens of researchers, doctors, and patients with a direct role in this inspirational story. Their curiosity and determination would ultimately lead to a lifesaving treatment unlike anything before it. The Philadelphia Chromosome chronicles the remarkable change of fortune for the more than 70,000 people worldwide who are diagnosed with CML each year. It is a celebration of a rare triumph in the battle against cancer and a blueprint for future research, as doctors and scientists race to uncover and treat the genetic roots of a wide range of cancers.

Black Tide - KC Jones
2022-05-31

A character-driven science fiction/horror blend, KC Jones' *Black Tide* is Stephen King's *Cujo* meets *A Quiet Place*. It was just another day at the beach. Then the world ended. Mike and Beth were strangers before the night of the meteor shower. Chance made them neighbors, a bottle of champagne brought them together, and a shared need for human connection sparked something more. Following their drunken and desperate one-night stand, the two discover the astronomical event has left widespread destruction in its wake. But the cosmic lightshow was only part of something much bigger, and far more terrifying. When a lost car key leaves them stranded on an empty stretch of Oregon coast and inhuman screams echo from the dunes, when the rising tide reaches for their car and unspeakable horrors close in around them, these two self-destructive souls must fight to survive a nightmare of apocalyptic scale. "This is gasp-for-your-breath, peek-through-your-fingers horror, and I loved

every page of it." —Jonathan Janz, author of *The Siren* and *the Specter* At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Wayward - Jim Zub 2015

Rori Lane is trying to start a new life when she reunites with her mother in Japan, but ancient creatures lurking in the shadows of Tokyo sense something hidden deep within her, threatening everything she holds dear. Can she unlock the secrets of her power before it's too late? An Anonymous Girl - Greer Hendricks 2019-01-08

The next novel of psychological suspense and obsession from the authors of the blockbuster bestseller *The Wife Between Us* Seeking women ages 18–32 to participate in a study on ethics and morality. Generous

compensation. Anonymity guaranteed. When Jessica Farris signs up for a psychology study conducted by the mysterious Dr. Shields, she thinks all she'll have to do is answer a few questions, collect her money, and leave. Question #1: Could you tell a lie without feeling guilt? But as the questions grow more and more intense and invasive and the sessions become outings where Jess is told what to wear and how to act, she begins to feel as though Dr. Shields may know what she's thinking...and what she's hiding. Question #2: Have you ever deeply hurt someone you care about? As Jess's paranoia grows, it becomes clear that she can no longer trust what in her life is real, and what is one of Dr. Shields' manipulative experiments. Caught in a web of deceit and jealousy, Jess quickly learns that some obsessions can be deadly. Question #3: Should a punishment always fit the crime? From the authors of the blockbuster bestseller *The Wife Between Us* comes an

electrifying new novel about doubt, passion, and just how much you can trust someone. Praise for *The Wife Between Us*: "A fiendishly smart cat-and-mouse thriller" —New York Times Book Review "[A] seamless thriller that will keep readers on their toes to the very end...Readers will enjoy the dizzying back-and-forth as they attempt to figure out just who to root for and as the suspense ratchets up to one hell of a conclusion." —Booklist

The Temporary Gentleman -

Sebastian Barry 2014-05-01

A stunning new novel from the two-time Man Booker shortlisted author of The Secret Scripture. Sebastian

Barry's latest novel, *A Thousand Moons*, is now available. Irishman Jack McNulty is a "temporary gentleman"—an Irishman whose commission in the British army in World War II was never permanent. Sitting in his lodgings in Accra, Ghana, in 1957, he's writing the story of his life with desperate urgency. He cannot take one step further without examining all the extraordinary events that he has seen. A lifetime of war and world travel—as a soldier in World War II, an engineer, a UN observer—has brought him to this point. But the memory that weighs heaviest on his heart is that of the beautiful Mai Kirwan, and their tempestuous, heartbreaking marriage. Mai was once the great beauty of Sligo, a magnetic yet unstable woman who, after sharing a life with Jack, gradually slipped from his grasp. Award-winning author Sebastian Barry's *The Temporary Gentleman* is the sixth book in his cycle of separate yet interconnected novels that brilliantly

reimagine characters from Barry's own family.

[Sleeping Giants](#) - Sylvain Neuvel 2016-04-26
A page-turning debut in the tradition of Michael Crichton, World War Z, and The Martian, [Sleeping Giants](#) is a thriller fueled by an earthshaking mystery—and a fight to control a gargantuan power. A girl named Rose is riding her new bike near her home in Deadwood, South Dakota, when she falls through the earth. She wakes up at the bottom of a square hole, its walls glowing with intricate carvings. But the firemen who come to save her peer down upon something even stranger: a little girl in the palm of a giant metal hand. Seventeen years later, the mystery of the bizarre artifact remains unsolved—its origins, architects, and purpose unknown. Its carbon dating defies belief; military reports are redacted; theories are floated, then rejected. But some can never stop searching for answers. Rose Franklin is

now a highly trained physicist leading a top secret team to crack the hand's code. And along with her colleagues, she is being interviewed by a nameless interrogator whose power and purview are as enigmatic as the provenance of the relic. What's clear is that Rose and her compatriots are on the edge of unraveling history's most perplexing discovery—and figuring out what it portends for humanity. But once the pieces of the puzzle are in place, will the result prove to be an instrument of lasting peace or a weapon of mass destruction? Praise for *Sleeping Giants* “As high-concept as it is, *Sleeping Giants* is a thriller through and through. . . . One of the most promising series kickoffs in recent memory, [and] a smart demonstration of how science fiction can honor its traditions and reverse-engineer them at the same time.”—NPR “Neuvel weaves a complex tapestry with ancient machinery buried in the Earth, shadow governments, and geopolitical conflicts. But the most

surprising thing about the book may just be how compelling the central characters are in the midst of these larger-than-life concepts. . . . I can't stop thinking about it.”—Chicago Review of Books “A remarkable debut . . . Reminiscent of Max Brooks's *World War Z*, the story's format effectively builds suspense.”—Library Journal (debut of the month) “This stellar debut novel . . . masterfully blends together elements of sci-fi, political thriller and apocalyptic fiction. . . . A page-turner of the highest order.”—Kirkus Reviews (starred review) Don't miss any of The Themis Files by Sylvain Neuvel: *SLEEPING GIANTS* | *WAKING GODS* | *ONLY HUMAN* *Darkness Awakening* - Lisa M. Green 2020-11-19 After discovering that her attempts to thwart the catastrophe failed, Aurianna must work to determine how and where the real event will occur, all while still trying to control her elemental abilities. The fate of time itself is at stake if she can't learn to

control her powers. Uncovering the shocking secrets of her own past threatens to shatter Aurianna's already fragile balance between power and self-restraint. A tragic set of events leads to a battle of wills and a horrifying revelation that threatens to destroy her heart ... and her home.

Wayward Pines: Genesis - Steven Konkoly 2018-10-08

This is a Wayward Pines-inspired story GENESIS includes a foreword by Blake Crouch. 2833 AD. Reanimated ahead of schedule, Adam Hassler, former Delta Force officer, leads the first expedition out of David Pilcher's mountain superstructure. His mission is simple. Guide and protect a team of surveyors and scientists, while they study the surrounding area and collect data for the reconstruction of Wayward Pines. A few hours into the trek, Hassler suspects that the operation has been compromised--by the very people that ordered it. With daylight fading, Hassler's team faces an unknown threat, on unfamiliar ground--in front of an impatient audience. The GENESIS connection to Blake Crouch's bestselling Wayward Pines series: David Pilcher predicted mankind's fall. The world as he knew it would be gone when his "volunteers" emerged from suspension--and they would rebuild it. He'd reboot humanity in Wayward Pines, Idaho--a cozy, idyllic

town situated deep inside a sheltered mountain valley. The residents of Wayward Pines would be protected: isolated from the dangers of the new world. Only one obstacle stood in the way. An enemy far deadlier than Pilcher ever imagined possible. A powerful, uncompromising adversary--immune to fear and devoid of mercy. Humankind's worst nightmare. With the odds overwhelmingly stacked against his project, and time running out, Pilcher takes a wild chance on an unpredictable member of his team. Adam Hassler, former Delta Force officer, is woken from suspension ahead of schedule and ordered to explore the valley. The task sounds simple to Hassler, but there's a catch. He is unaware of the danger lurking in the forest beyond the hatch--and nobody plans to warn him. The vicious struggle to build Wayward Pines unfolds in the definitive prequel to The Wayward Pines series. This ebook was published through an agreement with the author

of Wayward Pines, Blake Crouch. Mr. Crouch has not necessarily read or endorsed this story.

[The Travels of Daniel Ascher](#) - Déborah Lévy-Bertherat
2015-05-26

A sensation in France, this is a story about literary deceptions, family secrets, and a thrilling quest for the truth Who is the real author of The Black Insignia? Is it H. R. Sanders, whose name is printed on the cover of every installment of the wildly successful young adult adventure series? Or is it Daniel Roche, the enigmatic world traveler who disappears for months at a time? When Daniel's great-niece, Hélène, moves to Paris to study archeology, she does not expect to be searching for answers to these questions. As rumors circulate, however, that the twenty-fourth volume of The Black Insignia series will be the last, Hélène and her friend Guillaume, a devoted fan of her great-uncle's books, set

out to discover more about the man whose life eludes her. In so doing, she uncovers an explosive secret dating back to the darkest days of the Occupation. In recounting the moment when one history began and another ended, The Travels of Daniel Ascher explores the true nature of fiction: is it a refuge, a lie, or a stand-in for mourning?

Darwin's Children - Greg Bear
2004-06-01

Greg Bear's Nebula

Award-winning novel, Darwin's Radio, painted a chilling portrait of humankind on the threshold of a radical leap in evolution—one that would alter our species forever. Now Bear continues his provocative tale of the human race confronted by an uncertain future, where "survival of the fittest" takes on astonishing and controversial new dimensions. Eleven years have passed since SHEVA, an ancient retrovirus, was discovered in human DNA—a retrovirus that caused mutations in the human genome and heralded the arrival of a new wave of genetically enhanced humans. Now these changed children have reached adolescence . . . and face a world that is outraged about their very existence. For these special youths, possessed of remarkable, advanced traits

that mark a major turning point in human development, are also ticking time bombs harboring hosts of viruses that could exterminate the "old" human race. Fear and hatred of the virus children have made them a persecuted underclass, quarantined by the government in special "schools," targeted by federally sanctioned bounty hunters, and demonized by hysterical segments of the population. But pockets of resistance have sprung up among those opposed to treating the children like dangerous diseases—and who fear the worst if the government's draconian measures are carried to their extreme. Scientists Kaye Lang and Mitch Rafelson are part of this small but determined minority. Once at the forefront of the discovery and study of the SHEVA outbreak, they now live as virtual exiles in the Virginia suburbs with their daughter, Stella—a bright, inquisitive virus child who is quickly maturing, straining to break free of the protective world her parents have built

around her, and eager to seek out others of her kind. But for all their precautions, Kaye, Mitch, and Stella have not slipped below the government's radar. The agencies fanatically devoted to segregating and controlling the new-breed children monitor their every move—watching and waiting for the opportunity to strike the next blow in their escalating war to preserve “humankind” at any cost.

Upgrade - Blake Crouch

2022-07-12

NEW YORK TIMES

BESTSELLER • “If Michael

Crichton had written a superhero novel, it would look a lot like Upgrade.”—The New York Times Book Review “You don't so much sympathize with the main character as live inside his skin.”—DIANA GABALDON, #1 New York Times bestselling author of the Outlander series “Mysterious, fascinating, and deeply moving—exploring the very nature of what it means to be human.”—ALEX

MICHAELIDES, #1 New York Times bestselling author of The

Silent Patient and The Maiden
The mind-blowing new thriller from the New York Times bestselling author of Dark Matter and

Recursion—currently in development as a motion picture at Steven Spielberg's Amblin Partners “You are the next step in human evolution.” At first, Logan Ramsay isn't sure if anything's different. He just feels a little . . . sharper.

Better able to concentrate. Better at multitasking. Reading a bit faster, memorizing better, needing less sleep. But before long, he can't deny it:

Something's happening to his brain. To his body. He's starting to see the world, and those around him—even those he loves most—in whole new ways. The truth is, Logan's genome has been hacked. And there's a reason he's been targeted for this upgrade. A reason that goes back decades to the darkest part of his past, and a horrific family legacy. Worse still, what's happening to him is just the first step in a much larger plan, one that will inflict the same changes on

humanity at large—at a terrifying cost. Because of his new abilities, Logan's the one person in the world capable of stopping what's been set in motion. But to have a chance at winning this war, he'll have to become something other than himself. Maybe even something other than human. And even as he's fighting, he can't help wondering: what if humanity's only hope for a future really does lie in engineering our own evolution? Intimate in scale yet epic in scope, *Upgrade* is an intricately plotted, lightning-fast tale that charts one man's thrilling transformation, even as it asks us to ponder the limits of our humanity—and our boundless potential.
