As two sisters battle for a single throne in G.A. Aiken's newest fantasy, warring factions take up arms, a land is divided, and uncertain allies become very certain lovers . . . Gods save the queen! Ainsley Farmerson has always planned to break free of the family business—and the family drama. But what was once farming, smithworking, and bickering over the dinner table has turned into open warfare between sisters. Sides have been taken, lives are on the line, and Ainsley has no doubt which sister must be queen. She'll do whatever is necessary to take down the soulless Beatrix. Even if that means joining forces with angry battle nuns, irritating monks, and overbearing centaurs. Gruffyn of the Torn Moon Clan has no time for human beings. And yet . . . there is something about the uncontrollable princess that he can't ignore. Maybe it's the way her eldest sisters underestimate her. Or her bravery facing down dragons and mad queens from distant lands. Whatever the reason, Gruff is willing to fight by this human's side. Not only for the entertainment value, but because she's right. Beatrix must never be queen. So whatever he has to do, whoever he has to destroy, Gruff will battle beside Ainsley. Fast. Hard. And with absolutely no mercy . . . Praise for The Blacksmith Queen "It may be laugh-out-loud funny, but at its heart this is a story of a woman who cares deeply for both the family she has and the one she creates." —Bookpage "Tilting more toward fantasy, this paranormal romance will be a hit with fans of both genres who enjoy tales that are lighthearted and humorous." —Booklist

The Smoke Thief - Shana Abé 2005-09-27

For centuries they've lived in secret among northern England's green and misted hills. Creatures of extraordinary beauty, power, and sensuality, they possess the ability to shape-shift from human to dragon and back again. Now their secret—and their survival—is threatened by a temptation that will break every boundary. . . . Dubbed the Smoke Thief, a daring jewel thief is confounding the London police. His wealthy victims claim the master burglar can walk through walls and vanish into thin air. But Christoff, the charismatic Marquess of Langford, knows the truth: the thief is no ordinary human but a "runner" who's fled Darkfrith without permission. As Alpha leader of the dra'kon, it's Kit's duty to capture the fugitive before the secrets of the tribe are revealed to mortals. But not even Kit suspects that the Smoke Thief could be a woman. Clarissa Rue Hawthorne knew her dangerous exploits would attract the attention of the dra'kon. But she didn't expect Christoff himself to come to London, dangling the tribe's most valuable jewel—the Langford Diamond—as bait. For as long as she could remember, Rue had lived the life of a halfling—half dra'kon, half mortal—and an outcast in both worlds. She'd always loved the handsome and willful Kit from the only place it was safe: from afar. But now she was no longer the shy, timid girl she'd once been. She was the first woman capable of making the Turn in four generations. So why did she still feel the same dizzying sense of vulnerability whenever he was near? From the moment he saw her, Kit knew that the alluring and powerful beauty was every bit his Alpha equal and destined to be his bride. And by the harsh laws of the dra'kon, Rue knew that she was the property of the marquess. But they will risk banishment and worse for a chance at something greater. For now Rue is his prisoner, the diamond has disappeared, and she's made the kind of dangerous proposition a man like Kit cannot resist. . . . In this bewitching novel, Shana Abé transports us into a world of exhilarating romance and magic.

Dragon on Top - G.A. Aiken 2015-11-01

A little dragon tenderness goes a long way in the "hot, hot" fantasy series from the New York Times bestselling author of the Scarred Earth Saga (Library Journal). I am Ghleanna the Decimator. I am a warrior. A soldier. I know no fear. No pain. No mercy. I do, however, know acute embarrassment! How could I not after getting dumped by a bastard dragon in front of my own troops? So I tuck tail and return to my cave, drowning my sorrows in ale—as is my family's way. But instead of leaving me to my misery, I've been summoned to the Dragon Queen's court. As if my life wasn't pathetic enough, Her Majesty now has me escorting the highborn Bram the Merciful through dangerous territories—not exactly the best use of my military training. And just so he can negotiate with enemy dragons instead of battling them? Honestly, what has my world come to? Then again . . . Bram is quite easy on the eyes. The Undoing - Shelly Laurenston 2016-04-01

In this romantic adventure by the New York Times–bestselling author of *The Unleashing*, a Norse goddess’s handmaiden and a Viking fight to save the world. “Laurenston is the queen of paranormal romances that mix over-the-top humor, eccentric characters and sexy, crazy plots to produce addictive stories you won’t want to put down.” —RT Book Reviews No one would ever accuse Jace Berisha of having an easy life—considering her husband . . . you know . . . killed her. But that was then! Now she fights for mighty Viking gods with the spectacular and vicious Crows. But things are turning very bad, very quickly because a vengeful, ancient goddess has come into the world with just one thing on her mind—ending it. And the only way they can hope to stop her is if the Crows join forces with their one-time enemies, the Protectors, a Viking Clan created to do nothing but kill every Crow they see. Thankfully, Protector Ski Eriksen is a peace-loving kind of guy. Because the woman he is desperately trying to get close to is the beautiful and not-very-chatty Jace. Battling Nordic clans? Unkillable goddesses? Jace’s mean-spirited dog? None of these things would ever get in the way of a true Viking! Praise for *The Undoing* “Laurenston adeptly blends humor, romance, and action, her sizable cast fully fleshed out and always entertaining.” —Publishers Weekly “Anything Shelly Laurenston writes is pure, unadulterated fun. The queen of humorous paranormal romances continues to keep her title with her latest series—*Call of the Crows*. *The Undoing* is the second installment in this action packed, laugh out loud, sexy as sin series based on Norse mythology.” —Smexy Books

NYPD cop Desiree "Dez" MacDermot knows she's changed a lot since she palled around with her childhood buddy, Mace. But it's fair to say that Mace has changed even more. Meanwhile, for Tennessean Ronnie Lee Reed, New York City is the place where any girl—even one who runs with a Pack—can redefine herself. happy. So now Hell had a problem. A big one. One named Abaddon, who was currently tearing Hell apart trying to find me. Which meant I now had a choice to make. Let the Beast destroy all the realms or find myself a date. Because now the fate of the world rested upon my shoulders. Relied on me to find the one mortal vessel strong enough to contain the Beast, by merging their souls as one. There was just one problem with this. I had made a Beast fall in love with me. And now... Now, I just hoped I had the same luck with Adam... The man I just fell madly in love with.

The Dragon Who Loved Me - G.A. Aiken 2011-05-26

"There's never a dull moment with these dragons. Fighting! Mayhem! Danger! . . . a fun read" from the New York Times bestselling author (Vampire Book Club). I was raised for battle. And as the first daughter of a warrior family, I've earned my reputation the hard way. Yet now I fight alongside uncivilized male Northland dragons who think a female is only good for breeding and waiting back home in the cave. But it's the foolish and foolhardy who would try to stop me, Rhona the Fearless, from doing what I do best—destroying the enemies of my kind. So the smartest thing wily barbarian Vigholf the Abhorrent can do for me is stay out of my way as we risk all on a deadly mission in enemy territory. I don't care if he's fascinated by me, even though he is as attractive as he is resourceful. He's having far too much fun putting me in difficult situations and testing my sense of duty to the limit. In a Badger Way - Shelly Laurenston 2019-03-26

New York Times and USA Today bestselling author Shelly Laurenston follows the explosive success of Hot and Badgered with the second installment in her sizzingly outrageous series, this time featuring a heroine who is half tiger, half honey badger shifter, and fully living her truth. Fan Phenomena: Supernatural - Lynn Zubernis 2014

Supernatural premiered on September 13, 2005, on what was then called the WB Network. Creator Eric Kripke was inspired by Jack Kerouac’s On The Road, putting his heroes, brothers Sam and Dean Winchester, in a big black ‘67 Impala and sending them in search of the urban legends that fascinated him. The series attracted a passionate fan base from the start and was described as a “cultural attractor” that tapped into the zeitgeist of the moment, reflecting global fears of terrorism with its themes of fighting unseen evil. The chemistry between the lead actors, Jared Padalecki and Jensen Ackles, contributed to the show’s initial success, and Supernatural found its niche when it combined demon-hunting adventures with a powerful relationship drama that explored the intense, complicated bond between the brothers. Supernatural is as much a story of familial ties, love, and loyalty as it is of “saving people, hunting things.” Fan Phenomena: Supernatural explores the ongoing fascination and passion for a show that developed a relationship with fans through eight seasons and continues to have an impact on fan culture to the present day. Essays here explore the rich dynamic that has developed between fans and producers, actors, writers, directors, the show creator, and showrunners through online interactions on Twitter and Facebook, face-to-face exchanges at conventions, and representations of fandom within the show’s meta-episodes. Contributors also explore gender and sexuality in the show and in fan art; the visual dynamics, cinematography, and symbolism in the episodes as well as the fan videos they inspire; and the culture of influence, learning, and teaching in the series.

The Princess Knight - G. Aiken 2020

“Gemma Smythe dedicated her life to the glory of battle. With her fellow War Monks, she worshipped the war gods, rained destruction on her enemies, and raised the dead when the fancy took her. Until her sister Keeley became the prophesied Blacksmith Queen, and Gemma broke faith with her order to journey to the Amichai Mountain and fight by Keeley’s side. The Amichai warriors are an unruly, never-to-be-tamed lot, especially their leader-in-waiting, Quinn. But when the War Monks declare support for Gemma’s ruthless younger sister Beatrix, the immaturity of her key ally is the least of Gemma’s problems. She has to get to the grand masters, dispel their grudge against her, and persuade them to fight for Keeley and justice. If her conviction can’t sway them, perhaps Quinn’s irritating, irreverent, clearly unhinged, ferocity will win

the day."--Provided by publisher.
