Practise and Pass Starters Pupil's Book - Viv Lambert 2010-06-10

Practise and Pass Starters is especially useful for pupils who need to prepare and practise for the Cambridge YLE Test over a relatively short period or alongside another course book. It provides 20 to 30 hours of material. Practise and Pass Starters is much more than a collection of practice tests. The activities are lively and communicative and follow a clear progression, so the pupils prepare, practise and pass. In the "prepare" section the language is introduced, in the "practise" section the language is practised in a meaningful and fun way and finally in the

"pass" section the language is tested in a way that will make the eventual test familiar to the pupils. The Practise and Pass Starters Pupil's Book is further divided into three sections, with separate sections covering the Listening, Speaking and Reading and Writing parts of the test, so that it is possible to work on different parts of the exam if extra work is required. Throughout the book there are fun-based hints and tips on exam techniques which will help pupils when they come to take the test. There is also a full Practice Test at the end of the Pupil's Book. The Practise and Pass Starters Teacher's Book contains the key and tapescript as well as advice and tips to help pupils prepare for the test.
