Charlie Chaplin's Last Dance - Fabio Stassi 2014-04-03

'A day without laughter is a day wasted.' It is Christmas Day when Charlie Chaplin receives a visit from Death. The great actor is 82 years old, but not yet ready to face the final curtain. Desperate to see his teenage son grow up, the actor strikes a deal: if he manages to make Death laugh, he will win an extra year of life. As he awaits his final, fatal encounter, Chaplin composes an impassioned letter to his son, in which he attempts to tell him about his past, from his impoverished childhood in England (with an alcoholic father and a mother who went mad) to the heights of success on the silver screen in America, via stints in the circus and vaudeville, and odd jobs as a newspaper hawker, printer, boxer and embalmer. As well as being the story of the evolution of a comic genius, this is the story of the evolution of cinema and how a beam of light on a white screen fired the imagination of an entire nation. As in his silent films, Charlie's adventures are simultaneously tragic and comic. The narrative flickers at a frenetic clip from false starts and early failures to eventual triumph in the magical moment when - before the eyes of a stupefied film crew - Charlie became the Tramp: with a little moustache, a shuffling slantwise walk, a cane and a dusty bowler hat, one of the most iconic figures of the golden age of cinema was born.

What he discovers is unnerving. A woman on her way home from work has been held up at gunpoint, chloroformed and kidnapped, but then released just hours later - unharmed and with all her possessions - into the open countryside. Later that day, Montalbano hears from Enzo, the owner of his favourite restaurant, that his niece has recently been the victim of the exact same crime. Before long, a third instance of this baffling overnight kidnapping has been reported. As far as Montalbano can tell, there is no link

between the attacker and the victims. So what exactly is this mystery assailant gaining from these fleeting kidnappings? And what can he do to stop them? Montalbano must use all his logic and intuition if he is to answer these pressing questions before the kidnapper finds his next victim . . . The Overnight Kidnapper is followed by the twenty-fourth gripping Montalbano mystery, *The Other End of the Line*.

Each novel in this wholly addictive, entirely magical series, set in Sicily and starring a detective unlike any other in crime fiction, blasts the brain like a shot of pure oxygen...transporting. Long live Camilleri, and long live Montalbano." —A.J. Finn, #1 New York Times bestselling author of *The Woman in the Window* The day after a storm floods Vigàta, Inspector

Montalbano encounters a strange, bedraggled woman who expresses interest in a certain yacht scheduled to dock that afternoon. Not long after she's gone, the crew of the yacht reports having found a dinghy in the port, and within it, a disfigured corpse. Also at anchor is an eighty-five-foot luxury boat with a somewhat shady crew. Both boats will have to stay in Vigàta until the investigation is over—the unidentified man was poisoned, it seems. Based on the information—and misinformation—the mysterious woman shared with him, Montalbano begins to think the occupants of the yacht just might know a little more about the man's death than they're letting on.

Judges - Andrea Camilleri 2015-10-06

Incorporating distinct traditions and styles of crime writing, the three novellas in *Judges* are united by a theme of idealistic judges in an often futile struggle against crime and corruption. Andrea Camilleri's novella recounts the charming Judge Surra. Leaving his family behind, Surra arrives in the 19th-century Sicilian town of Montelusa from Turin and is given quirky gifts from the locals, but is oblivious to the veiled threats accompanying them. Finally forced to contend with a hostile community and an imminent attempt on his life, Surra proves he is relentless in his quest for justice. Carlo Lucarelli's novella presents a darkly hued Bologna in the 1980s, where judges are frequent targets of assassination attempts. The protagonist, Judge Valentina Lorenzi—"La Bambina"—stumbles upon an extensive money laundering operation involving prominent public officials. Determined to nip Valentina's investigations in the bud, the criminals attack the judge and leave her clinging to life. Ultimately, Valentina is faced with a troubling question: will she break her vow to uphold the letter of the law in order to bring those responsible to justice? The final novella, *The Triple Dream* of the Prosecutor, by judge and novelist Giancarlo De Cataldo, teeters between dream and reality. Prosecutor Mandati is engaged in a life-long feud with the corrupt mayor of Novere, and his efforts finally pay off on the night before the trial of his life. Kafkaesque, tumultuous, and thoroughly gripping.
