Keep Going - Joseph M. Marshall 2006
Grandfather says this: "In life there is sadness as well as joy, losing as well as winning, falling as well as standing, hunger as well as plenty, bad as well as good. I do not say this to make you despair, but to teach you...that life is a journey sometimes walked in light and sometimes in shadow."
Grandfather says this: "Keep going." These thought-

provoking lessons, passed down by the author's own Lakota grandfather, will inspire the hundreds of thousands who already know his work—and will tap into the market that has embraced such books as Oriah Mountain Dreamer's The Invitation. When a young man's father dies, he turns to his sagacious grandfather for comfort. Together they sit underneath the family's cottonwood tree, and the

grandfather shares his perspective on life, the perseverance it requires, and the pleasure and pain of the journey. Filled with dialogue, stories, and recollections, each section focuses on a portion of the prose poem "Keep Going" and provides commentary on the text. Readers will draw comfort, knowledge, and strength from the Grandfather's wise words—just as Marshall himself did.

Speed Date - Janet Allard
2008

It's Valentine's Day and the pressure is on. Seventeen crazy characters search for love in a round-robin game of speed dating. Everyone's in on the action: a hopeless people-pleaser, a Frenchman, a guy hung up on his previous girlfriends, an art therapist, a clown, and more. They're desperate, chatty, needy, strange -- and the clock is ticking. Will they find love before time runs out?

Webster College, a once conservative school now known for producing fired-up, progressive graduates. So Naomi isn't surprised or unduly alarmed when Webster students begin the fall semester with an outdoor encampment around "The Stump"-a traditional campus gathering place for generations of student activists-to protest a popular professor's denial of tenure. A former student radical herself, Naomi admires the protestors' passion, especially when her own daughter, Hannah, joins their ranks. Then Omar Khayal, a charismatic Palestinian student with a devastating personal history, emerges as the group's leader, and the demonstration begins to consume Naomi's life, destabilizing Webster College from the inside out. As the crisis slips beyond her control, Naomi must take increasingly desperate measures to protect her friends, colleagues, and family from an unknowable adversary. Touching on some of the most topical and controversial concerns at the

heart of our society, this riveting novel examines the fragility that lies behind who we think we are-and what we think we believe.

How to Understand Your Sexuality - Meg-John Barker
2021-11-18

Gay, straight, queer, pansexual, demisexual, ace...? Sexuality is complex and diverse, but it doesn't have to be confusing. This down-to-earth guide is the ultimate companion for understanding, accepting and celebrating your sexuality. Written by two internationally renowned authors and therapists, the book explains how sexuality works in terms of our identities, attractions, desires and practices, and explores how it intersects with our personal experiences and the world around us. With activities and reflection points throughout, it offers space to tune into yourself and think deeply about your own sexuality. You'll hear from people across the sexuality spectrum and in different relationship set-ups, and be

inspired by the ideas of scholars, activists and practitioners. Sexuality is a vast and wonderful landscape - let this book guide you on your journey!

Stalking - Keith E. Davis, PhD
2001-12-27

Here is the latest word in scholarship on stalkers and those they terrify... a mandatory reading for anyone wanting to stay ahead of the curve on the flourishing clinical and legal literature about this worldwide and vexing problem. - John Monahan, PhD Doherty Professor of Law, University of Virginia At what point does following a person, or trying to intimidate him or her into accepting one's advances, become "stalking"? How is stalking related to gender? Who is the stalker? What are the long-term effects of stalking? These are among the many issues explored in this groundbreaking empirical investigation. This book based on two special issues of the journal *Violence & Victims* presents in-depth findings on both victim and perpetrator,

and includes a new understanding of the categories of stalking behavior: simple obsessional, love obsessional, and erotomanic. *The Magnesium Miracle (Second Edition)* - Carolyn Dean, M.D., N.D. 2017-08-15 Now updated with 30 percent new material, the only comprehensive guide to one of the most essential but often-overlooked minerals, magnesium—which guards against and helps to alleviate heart disease, stroke, osteoporosis, diabetes, depression, arthritis, and asthma Magnesium is an essential nutrient, indispensable to your health and well-being. By adding this mineral to your diet, you are guarding against—and helping to alleviate—such threats as heart disease, stroke, osteoporosis, diabetes, depression, arthritis, and asthma. But despite magnesium's numerous benefits, many Americans remain dangerously deficient. Updated and revised throughout with the latest

Andy Landis are eight years old when they meet late one night in an ER waiting room. Born with a congenital heart defect, Rachel is a veteran of hospitals, and she's intrigued by the boy who shows up all alone with a broken arm. He tells her his name. She tells him a story. After Andy's taken back to the emergency room and Rachel's sent back to her bed, they think they'll never see each other again. Rachel, the beloved, popular, and protected daughter of two doting parents, grows up wanting for nothing in a fancy Florida suburb. Andy grows up poor in Philadelphia with a single mom and a rare talent that will let him become one of the best runners of his generation. Over the course of three decades, through high school and college, marriages and divorces, from the pinnacles of victory and the heartbreak of defeat, Andy and Rachel will find each other again and again, until they are finally given a chance to decide whether love can surmount difference and distance and if

they've been running toward each other all along. With honesty, wit, and clear-eyed observations about men and women, love and fate, and the truth about happy endings, Jennifer Weiner delivers two of her most memorable characters, and a love story you'll never forget.

The Teddy Robber - Ian Beck
2006

Young Tom finds himself plucked out of bed along with his beloved bear by a giant and whisked off to a mammoth castle, where he learns why the giant is stealing teddy bears.

In the Fall They Come Back -
Robert Bausch 2017-12-12

A brilliantly observed prep school novel about fraught teacher-student relationships-- and about coming into adulthood. Ben Jameson begins his teaching career in a small private school in Northern Virginia. He is idealistic, happy to have his first job after graduate school, and hoping some day to figure out what he really wants out of life. And in his two years teaching English at Glenn Acres Preparatory

Downloaded from
test.uni.cari.be.edu.doon

School, he comes to believe this really is his life's work, his calling. He wants to change lives. But his desire to "save" his students leads him into complicated territory, as he becomes more and more deeply involved with three students in particular: an abused boy, a mute and damaged girl, and a dangerous eighteen-year-old who has come back to school for one more chance to graduate. In the Fall They Come Back is a book about human relationships, as played out in that most fraught of settings, a school. But it is not only a book about teaching. It is about the limits and complexities of even our most benevolent urges-- what we can give to others and how we lose ourselves.

The Heartfix - Stella Grey
2017-06

'Shocking, tender and funny... as gripping as a thriller'
Miranda Sawyer Mind-boggling, heart-rending and darkly comic, this is the full story for the first time, from the writer of the Guardian column Midlife Exwife.... When

her husband fell in love with someone else, Stella Grey thought she'd be unhappy for the rest of her life. But then she realised that she needed to take her future in her own hands. She needed to meet someone wonderful, and find a heartfix for heartbreak. So, she joined online dating sites and embarked on a mission. What followed were 693 days of encounters, on screen and in person: dates in cafés and over glasses of astringent red wine, short term relationships and awkward sex, but mostly there were phone calls and emails (many, many emails). Her journey was never dull, featuring marriage proposals, invitations to Tangier, badly timed food poisoning and much younger men - but was it ultimately successful? Totally compulsive, painfully true and darkly comic, this is an unputdownable account of one woman's search for love online.

young woman, the brilliant and eternally curious Magda Danvers took the academic world by storm. Then, to everyone's surprise, she married Francis Lake, a mild, midwestern seminarian, who has devoted his life to taking care of his charismatic wife. Now, Magda's grave illness puts their marriage to its ultimate test. Though facing her "Final Examination," Magda continues to arouse her visitors with compelling thoughts and questions. Into this provocative atmosphere comes Alice Henry, retreating from family tragedy and a crumbling marriage to novelist Hugo Henry. But is it the incandescence of Magda's ideas that draws Alice, or the secret of "the good marriage" that she is desperate to discover? For Alice, Hugo, Francis, and Magda will learn that the most ideal relationship--even a perfect marriage--doesn't come without a price....

"COMPELLING WRITING...REMARKABLY SKILLFUL...Gail Godwin shows

herself to be at the height of her considerable power as a storyteller and a writer." --The Boston Globe "ONE OF HER FINEST BOOKS...It is not only a well-written story, but a mature and wise one, affirmative in its vision of love, unblinking in its portrayal of tragic loss." --Atlanta Journal & Constitution

"FASCINATING...[A] BIG SUMPTUOUS BOOK...HER BEST NOVEL." --Entertainment Weekly "A BRILLIANTLY CRAFTED NOVEL, full of fun and mischief and resonating with wisdom and moral depth." --New Woman A Featured Selection of the Book-of-the-Month Club

Mid-Life Ex-Wife - Stella Grey
2017-05-02

Nora Ephron meets Bridget Jones's Diary in Guardian columnist Stella Grey's heartrendingly honest, witty memoir about her online odyssey to find real love in a virtual world. "The literary equivalent of the When Harry Met Sally line, 'tell me I'll never be out there again'." —JoJo Moyes, #1 New

Downloaded from

York Times bestselling author of *Me Before You* Singers may croon about love being lovelier the second time around, but it can also be far more complicated. When Stella Grey's husband leaves her for another woman, she fears she'll be unhappy and alone for the rest of her life. But daytime vodka-drinking and ice-cream are only short-term consolations. Realizing that she needs to take her future into her own hands, Stella dives into the world of online dating. What follow are 693 days of hilarious, depressing, and baffling encounters that unfold both in person and online. Stella quickly discovers that the more perfect a man appears on her screen, the warier she should be. It's a game of chance, with some players perfectly willing to lie to get what they want, whether that's a lifetime of love or a very brief encounter. Amid flirty emails, Skype chats, and awkward small talk over glasses of bad wine (which may or may not lead to awkward sex), Stella struggles to remain

optimistic. To succeed, does she have to redefine the kind of man she's looking for—or change the kind of woman she is? Funny, raw, and heartwarming, this book is a brutally honest account of the world of online dating—a world which so many of us are a part of, no matter our age—drawn from Stella's hugely popular Guardian column, "Mid-life Ex-Wife" (and expanded with new material) about her search for a second chance at love.

[How to Fix a Broken Heart](#) -
Guy Winch 2018-02-13

Imagine if we treated broken hearts with the same respect and concern we have for broken arms? Psychologist Guy Winch urges us to rethink the way we deal with emotional pain, offering warm, wise, and witty advice for the broken-hearted. Real heartbreak is unmistakable. We think of nothing else. We feel nothing else. We care about nothing else. Yet while we wouldn't expect someone to return to daily activities immediately after suffering a broken limb, heartbroken people are

expected to function normally in their lives, despite the emotional pain they feel. Now psychologist Guy Winch imagines how different things would be if we paid more attention to this unique emotion—if only we can understand how heartbreak works, we can begin to fix it. Through compelling research and new scientific studies, Winch reveals how and why heartbreak impacts our brain and our behavior in dramatic and unexpected ways, regardless of our age. Emotional pain lowers our ability to reason, to think creatively, to problem solve, and to function at our best. In *How to Fix a Broken Heart* he focuses on two types of emotional pain—romantic heartbreak and the heartbreak that results from the loss of a cherished pet. These experiences are both accompanied by severe grief responses, yet they are not deemed as important as, for example, a formal divorce or the loss of a close relative. As a result, we are often deprived of

the recognition, support, and compassion afforded to those whose heartbreak is considered more significant. Our heart might be broken, but we do not have to break with it. Winch reveals that recovering from heartbreak always starts with a decision, a determination to move on when our mind is fighting to keep us stuck. We can take control of our lives and our minds and put ourselves on the path to healing. Winch offers a toolkit on how to handle and cope with a broken heart and how to, eventually, move on.

Fracking 101 - Eric George
2016-04-24

Fracking, or hydraulic fracturing to give its proper name, has become part of our lives recently, due to the massive exploitation of America's shale oil and gas fields. Along the way it has stirred up controversy, with passionate opponents fighting against the oil companies. The fight has generated a lot of heat, but not much understanding. This guide, written by some-one who

Downloaded from
test.uni.cari.be.edu.doon

knows what he is talking about takes a detached, neutral view of the subject. Without pushing a view for or against, it provides the factual background you need to form an opinion of your own. An Informed and Neutral Introduction Like most people I have heard of fracking, but did I really understand what it was? To answer honestly, no. I knew it had something to do with mining and was perhaps destructive to the land. To me, it was just one of those words of the moment. This guide has given me a real sense and understanding of what fracking is. It allowed me, someone who has no experience in this field, to learn about the pros and cons of fracking, without having the good and bad of it forced down my throat. If you want an informed and neutral introduction into fracking, then this is the guide for you. ~

On Second Thought - Kristan Higgins 2017-01-31

Read the book that has book clubs everywhere falling in love! From the New York Times

bestselling author of *If You Only Knew* comes an irresistible, heartbreaking novel. Praise for *On Second Thought*: "Higgins has perfect pitch when it comes to her upstate New York protagonists and their expanded worlds that even extend to Brooklyn. Emotional depth is seared into every page along with wry banter, bringing readers to tears and smiles. Another hit for Higgins."—Library Journal, starred review "A captivating read about two sisters dealing with love, loss and new beginnings. What sets this book apart is how one event changes both women's lives. Kate is refreshingly frank in her inner monologue, and Ainsley is charmingly self-aware and wry."—RT Book Reviews, *5 STARS* Top Pick! "Higgins' complex, witty characters will seem like close friends, and readers will savor each and every page as they find that love comes in many different flavors and forms. Demand will be high for the latest from this women's-

fictionstar.”—Booklist, starred review Ainsley O’Leary is so ready to get married—she’s even found the engagement ring her boyfriend has stashed away. What she doesn’t anticipate is being blindsided by a breakup she chronicles in a blog...which (of course) goes viral. Devastated and humiliated, Ainsley turns to her older half sister, Kate, who’s struggling with a sudden loss of her own. Kate’s always been the poised, self-assured sister, but becoming a newlywed—and a widow—in the space of four months overwhelms her. Though the sisters were never close, she starts to confide in Ainsley, especially when she learns her late husband was keeping a secret from her. Despite the murky blended-family dynamic that’s always separated them, Ainsley’s and Kate’s heartaches bind their summer together when they come to terms with the inevitable imperfection of relationships and family—and the possibility of one day finding love again.

Lamott) In 2011, when she was in her late fifties, beloved author and journalist Joyce Maynard met the first true partner she had ever known. Jim wore a rakish hat over a good head of hair; he asked real questions and gave real answers; he loved to see Joyce shine, both in and out of the spotlight; and he didn't mind the mess she made in the kitchen. He was not the husband Joyce imagined, but he quickly became the partner she had always dreamed of. Before they met, both had believed they were done with marriage, and even after they married, Joyce resolved that no one could alter her course of determined independence. Then, just after their one-year wedding anniversary, her new husband was diagnosed with pancreatic cancer. During the nineteen months that followed, as they battled his illness together, she discovered for the first time what it really meant to be a couple--to be a true partner and to have one. This is their story. Charting the course through their whirlwind

romance, a marriage cut short by tragedy, and Joyce's return to singleness on new terms, *The Best of Us* is a heart-wrenching, ultimately life-affirming reflection on coming to understand true love through the experience of great loss.

The Long Haul: A Trucker's Tales of Life on the Road -

Finn Murphy 2017-06-06

"There's nothing semi about Finn Murphy's trucking tales of *The Long Haul*."—Sloane Crosley, *Vanity Fair* More than thirty years ago, Finn Murphy dropped out of college to become a long-haul trucker. Since then he's covered more than a million miles as a mover, packing, loading, hauling people's belongings all over America. In *The Long Haul*, Murphy recounts with wit, candor, and charm the America he has seen change over the decades and the poignant, funny, and often haunting stories of the people he encounters on the job.

Kiss Me First - Lottie Moggach 2013-07-09

This chilling and intense novel tells the story of a solitary young woman drawn into an online world run by a charismatic web guru who entices her into impersonating a glamorous but desperate woman. Now a series on Netflix. A sheltered young woman raised by a single mother, Leila often struggled to connect with the girls at

school. On an internet community for philosophical and ethical debate, she finally comes into her own, and is flattered when the website's brilliant, charismatic founder invites her to be part of Project Tess. Communicating only through online channels, Leila immerses herself in Tess's world. She must learn every detail about this other woman's life: her mother's birthday, her favorite songs, her best friends, her first kiss. Because soon, Leila will have to become her. And Tess will disappear. FINALIST The Guardian First Book Prize British National Book Award--New Writers Award

The Chemistry Between Us -

Larry Young PhD 2012-09-13
How much control do we have over love? Much less than we like to think. All that mystery, all that poetry, all those complex behaviors surrounding human bonding leading to the most life-changing decisions we'll ever make, are unconsciously driven by a few molecules in our brains. How does love begin? How can two

Downloaded from
est.uni.cari.be.edu.doon

strangers come to the conclusion that it would not only be pleasant to share their lives, but that they must share them? How can a man say he loves his wife, yet still cheat on her? Why do others stay in relationships even after the romance fades? How is it possible to fall in love with the “wrong” person? How do people come to have a “type”? Physical attraction, jealousy, infidelity, mother-infant bonding—all the behaviors that so often leave us befuddled—are now being teased out of the fog of mystery thanks to today’s social neuroscience. Larry Young, one of the world’s leading experts in the field, and journalist Brian Alexander explain how those findings apply to you. Drawing on real human stories and research from labs around the world, *The Chemistry Between Us* is a bold attempt to create a “grand unified theory” of love. Some of the mind-blowing insights include: Love can get such a grip on us because it is, literally, an addiction. To a woman falling

in love, a man is like her baby. Why it’s false to say society makes gender, and how it’s possible to have the body of one gender and the brain of another. Why some people are more likely to cheat than others. Why we sometimes truly can’t resist temptation. Young and Alexander place their revelations into historical, political, and social contexts. In the process, they touch on everything from gay marriage to why single-mother households might not be good for society. *The Chemistry Between Us* offers powerful insights into love, sex, gender, sexual orientation, and family life that will prove to be enlightening, controversial, and thought provoking.

A Sense of Direction - Gideon Lewis-Kraus 2013-05-07

In medieval times, a pilgrimage gave the average Joe his only break from the daily grind. For Gideon Lewis-Kraus, it promises a different kind of escape. Determined to avoid the fear and self-sacrifice that kept his father, a gay rabbi, closeted until midlife, he has moved to anything-goes Berlin. But the surfeit of freedom there has begun to paralyze him, and when a friend extends a drunken invitation to join him on an ancient pilgrimage route across Spain, Lewis-Kraus packs his bag, grateful for the chance to wake each morning with a sense of direction. Irreverent, moving, hilarious, and thought-provoking, *A Sense of Direction* is Lewis-Kraus's dazzling riff on the perpetual war between discipline and desire, and its attendant casualties. Across three pilgrimages and many

hundreds of miles, he completes an idiosyncratic odyssey to the heart of a family mystery and a human dilemma: How do we come to terms with what has been and what is—and find a way forward, with purpose?

the acclaimed collection *Untold Stories*, this tender, intimate family portrait beautifully captures the Bennetts' hopes, disappointments, and yearning for a life like other people's. With the sudden descent of his mother into depression, and later dementia, Bennett uncovers a long-held family secret in this extraordinarily moving and at times irresistibly funny work of autobiography.

Diamond Head - Cecily Wong
2015-04-14

"Diamond Head is an intricate meditation on what is in our control and what is fate—and on whether children must bear the costs of their parents' mistakes." —Celeste Ng, #1 New York Times bestselling author of *Everything I Never Told You* and *Little Fires Everywhere* At the turn of the nineteenth century, Frank Leong, a fabulously wealthy shipping industrialist, moves his family from China to the island of Oahu. But something ancient follows the Leongs to Hawaii, haunting them. The parable of the red string of fate, the cord that binds one

intended beloved to her perfect match, also punishes for mistakes in love, passing a destructive knot down the family line. When Frank Leong is murdered, his family is thrown into a perilous downward spiral. Left to rebuild in their patriarch's shadow, the surviving members of the Leong family try their hand at a new, ordinary life, vowing to bury their gilded past. Still, the island continues to whisper—fragmented pieces of truth and chatter, until a letter arrives two decades later, carrying a confession that shatters the family even further. Now the Leongs' survival rests with young Theresa, Frank Leong's only grandchild, eighteen and pregnant, the heir apparent to her ancestors' punishing knots. Told through the eyes of the Leong's secret-keeping daughters and wives and spanning the Boxer Rebellion to Pearl Harbor to 1960s Hawaii, *Diamond Head* is a breathtakingly powerful tale of tragic love, shocking lies, poignant compromise, aching

loss, heroic acts of sacrifice and, miraculous hope.

Slave Stealers - Timothy Ballard 2018-09-04

Follow two abolitionists who fought one of the most shockingly persistent evils of the world: human trafficking and sexual exploitation of slaves. Told in alternating chapters from perspectives spanning more than a century apart, read the riveting 19th century first-hand account of Harriet Jacobs and the modern-day eyewitness account of Timothy Ballard. Harriet Jacobs was an African-American, born into slavery in North Carolina in 1813. She thwarted the sexual advances of her master for years until she escaped and hid in the attic crawl space of her grandmother's house for seven years before escaping north to freedom. She published an autobiography of her life, *Incidents in the Life of a Slave Girl*, which was one of the first open discussions about sexual abuse endured by slave women. She was an active abolitionist, associated with Frederick Douglass, and,

during the Civil War, used her celebrity to raise money for black refugees. After the war, she worked to improve the conditions of newly-freed slaves. As a former Special Agent for the Department of Homeland Security who has seen the horrors and carnage of war, Timothy Ballard founded a modern-day "underground railroad" which has rescued hundreds of children from being fully enslaved, abused, or trafficked in third-world countries. His story includes the rescue and his eventual adoption of two young siblings--Mia and Marky, who were born in Haiti. Section 2 features the lives of five abolitionists, a mix of heroes from past to present, who call us to action and teach us life lessons based on their own experiences: Harriet Tubman--The "Conductor"; Abraham Lincoln--the "Great Emancipator"; Little Mia--the sister who saved her little brother; Guesno Mardy--the Haitian father who lost his son to slave traders; and Harriet Jacobs--a teacher for us all.

Sex in the Digital Age - Paul G Nixon 2017-08-16

Shifts in societal development resulting from economic and technological advancements have had an impact upon the development of human sexuality and behaviour, and with the expansion of developments such as the Internet and associated technologies, it is likely that further societal shifts will ensue. This book recognises the importance of new digital spaces for discourses surrounding sexuality, examining issues such as pornography; sex education and health; LGBTQ sexualities; polysexuality or polyamory; abstention; sexual abuse and violence; erotic online literature; sex therapy; teledildonics; sex and gaming; online dating; celebrity porn; young people and sexual media; and sexting and sextainment, all of which are prominently affected by the use of digital media. With case studies drawn from the US, the UK and Europe, Sex in the Digital Age engages in

discussion about the changing acceptance of sex in the 21st century and part played in that by digital media, and considers the future of sex and sexuality in an increasingly digital age. It will therefore appear to scholars across the social sciences with interests in gender and sexuality, new technologies and media and cultural studies.

Stories & Reviews! "Hi Antia, One year since the day my fiancée and I met is just around the corner, and we are now married! We are in love and don't want to live life without one another. I have lived with him for 6 months and have been the happiest I have ever been in my life. Thank you so much for the coaching... I will check in very soon. Lots of love!" ~L.W. "Hi Antia, my man and I are very happy as we are exploring and enjoy our new life together. Our coaching together was very helpful in my ability to stay centered in the reality of a true intimate loving relationship unfolding. It has also helped me in nurturing it too. Thanks so much for your support!" ~A.G. "After just one session with Antia, I could tell there were some really helpful shifts in how I was energetically approaching my dating prospects and I started to see some instant changes. I met someone really great and have been enjoying a much healthier and more satisfying dating life. Thank you Antia!" ~A. E. It is now YOUR turn -

read this book and begin your new love journey today! ♥

Understanding Humans - Barry Lewis 2010

UNDERSTANDING HUMANS: INTRODUCTION TO PHYSICAL ANTHROPOLOGY AND ARCHAEOLOGY,

International Edition shows students how anthropologists and archaeologists go about their work as they study human evolution, living nonhuman primates, human adaptation and variation, the origin and dispersal of modern humans, food production, the first civilizations of the Old and New Worlds, and so much more. At a Glance sections and Focus Questions help students better understand the material and study more effectively for exams.

Working With Mean Girls - Meredith Fuller 2012-01-25

What do you do when the Queen Bee has you in her sights, demanding to know why you haven't done the report she never asked for? What do you do when the colleague you thought was your friend takes all the credit for

the project you worked on together? There are nasty, manipulative and destructive women in some workplaces who glide under the radar while the ruthless alpha males get all the bad press. Trouble is, it's hard to speak about catty behaviour when it's insidious or goes on behind your back. Yet you know something's wrong: you've stressed to the max and you hate the job you used to love. It feels personal. But the good news is that bitchiness at work is rarely about you. Beneath their powerful exteriors, mean girls are insecure, fearful and craving attention. They can't help themselves, but you can avoid their sting. Offering practical advice and using fascinating case studies, psychologist Meredith Fuller shows you how to recognise and manage difficult women at work. Don't let mean girls spoil your career or ruin your health learn how to protect yourself.

The Key to the Middle East -

Derek Prince 2013-11-05

One Nation Holds the Key to the Destiny of Mankind Though

it may seem distant from our modern lives, the drama playing out in the Middle East on the world stage has consequences beyond what we can imagine. And in the tumult of it all, one tiny nation will become the watershed of world events, affecting us all. In this accessible, behind-the-scenes guide, internationally renowned teacher and scholar Derek Prince goes beyond the headlines and immerses you in what the Bible has to say about Israel. Tracing her long, astonishing history, he offers insight into the mounting tension and exposes the destructive enemy now stalking this war-torn land. Accessible and fascinating, *The Key to the Middle East* also reveals God's plans for all nations--and what our future could look like.

Prince's depth of understanding and interpretation of Scripture will challenge and encourage you. But above all, you will be brought face-to-face with the God who remembers, honors and lovingly guards His promises to His people.

A Lesson Before Dying - Ernest J. Gaines 2004-01-20

NATIONAL BOOK CRITICS CIRCLE AWARD WINNER • A deep and compassionate novel about a young man who returns to 1940s Cajun country to visit a black youth on death row for a crime he didn't commit. Together they come to understand the heroism of resisting. A "majestic, moving novel ... an instant classic, a book that will be read, discussed and taught beyond the rest of our lives" (Chicago Tribune), from the critically acclaimed author of *A Gathering of Old Men* and *The Autobiography of Miss Jane Pittman*.

A Hero Ain't Nothin But a Sandwich - Alice Childress 2000-02-01

Benjie can stop using heroin anytime he wants to. He just doesn't want to yet. Why would he want to give up something that makes him feel so good, so relaxed, so tuned-out? As

Benjie sees it, there's nothing much to tune in for. School is a waste of time, and home life isn't much better. All Benjie wants is for someone to believe in him, for someone to believe that he's more than a thirteen-year-old junkie. Told from the perspectives of the people in his life-including his mother, stepfather, teachers, drug dealer, and best friend-this powerful story will draw you into Benjie's troubled world and force you to confront the uncertainty of his future.

The Psychology of Romantic Love - Robert A. Johnson 1988-11

By retelling the myth of Tristan and Iseult, the author provides an illuminating exploration of the origins and meaning of romantic love. From Romeo and Juliet to the latest romantic novel he offers both women and men insights into their inner selves and the forces at work when we are caught up in the experience of romantic love.
