The Coven - Graham Masterton 2017-10-05

They say the girls were witches. But Beatrice Scarlet, the apothecary's daughter, is sure they were innocent victims... London, 1758: Beatrice Scarlet, the apothecary's daughter, has found a position at St Mary Magdalene's Refuge for fallen women. The charity is supported by a wealthy merchant who offers the most promising girls steady work in his factory. But when seven girls go missing, Beatrice is uneasy. Their would-be benefactor claims they were a coven of witches, beholden only to Satan and his demonic misdeeds. But Beatrice is convinced something much darker than witchcraft is at play...

Supplemento à vocabularj italiani - Giovanni Gherardini 1854

The Eyes of Venice - Alessandro Barbero 2012-11-08

Venice at the end of the 1500s is an unforgiving city. The Doge rules with an iron fist and the Holy Office harbors suspicions about everything and everyone. Even the walls have eyes. The Republic of Venice watches and listens, then passes judgment swiftly and definitively. In a city where everyone is assumed guilty of something, a young stonemason by the name of Michele has been accused of a crime he didn't commit. Afraid for his life, he flees the city aboard a galley carrying gold coin, leaving behind his young wife, Bianca. Banished from his home, Michele embarks on a series of extraordinary adventures as the ship he travels on stops in every port and on every island of the Mediterranean. In order to survive this once naive and immature boy must fast become a man, one possessed of cunning, courage and fortitude. Bianca remains alone in the cruel and treacherous Venice. She faces challenges that are, if anything, even more difficult than those of Michele, and will encounter all the terrors and mysteries that the labyrinthine city holds in its blind alleys and narrow passageways. And she, like Michele, will discover in herself a tenacious and indestructible will to survive. Land and sea, East and West, the arrogance of power and the indestructible pride of the poor and dispossessed. Two lives and one all embracing love. As richly imagined as Orhan Pamuk's *The White Castle*, *The Eyes of Venice* is a grand and gripping tale of love and adventure that will also appeal to fans of the historical novels of Umberto Eco and Susan Dunant.

Canti del popolo veneziano, per la prima volta raccolti ed illustrati - Angelo Dalmedico 1848

Canti del popolo veneziano - Angelo Dalmedico 1848

Supplimento a' vocabolarj italiani - 1854

Marco Made Easy - Marco Pierre White 2010

This book is all about creating beautiful and delicious food...without stress and without fuss. Marco Pierre White serves up more than 100 recipes and shows the home cook how to get big flavours from store-cupboard ingredients. The book has sections for starters, shellfish, fish, meat, poultry, desserts, and Marco uses bottles, jars and packets to make divine sauces, syrups and dressings. Olive oil, honey, mustard, soy sauce, vinegar, Hellmann's, Heinz and Knorr - they are all on the lists of ingredients here. And the three main ingredients of Marco Made Easy are: Simple, Fast and Fun. 'It'll take longer to wash the dishes,' he

says, 'than it will to make them.' Tomato ketchup helps to make Salmon Ketchup; that bottle of Lea and Perrins brings life to the sauce for peppered steak; and beef casserole is transformed by a can (or two) of Guinness mixed with a carton of prune juice. Desserts, too, require little skill. Jamaican Mess, made with bananas, shop-bought custard and Carnation caramel sauce - is creamy, rich and sweet. Who could say no? Beautiful photographs of each stunning dish enable the reader to copy the master chef's presentation: you don't need to be an artist. As Marco says of this revolutionary cook book, 'It's for anyone who loves food but hates aggro.'

Milan Little Tourists Guide Book - Stefania Scaini 2015

The historical itinerary presented here tells of a Milan which has the taste, style and simplicity of those who look at Milan with inquisitive eyes. The visitor finds him/herself immediately in front of the main door of the Duomo to look for a dinosaur! This guidebook is undoubtedly a new and imaginative way to see the city. It is perfect for school children but also for those visiting the city for the first time and for the Milanese themselves.

Confessions of an Italian - Ippolito Nievo 2014-05-29

An overlooked classic of Italian literature, this epic and unforgettable novel recounts one man's long and turbulent life in revolutionary Italy. At the age of eighty-three and nearing death, Carlo Altoviti has decided to write down the confessions of his long life. He remembers everything: his unhappy childhood in the kitchens of the Castle of Fratta; romantic entanglements during the siege of Genoa; revolutionary fighting in Naples; and so much more. Throughout, Carlo lives only for his twin passions in life: his dream of a unified, free Italy and his undying love for the magnificent but inconstant Pisana. Peopled by a host of unforgettable characters - including drunken smugglers, saintly nuns, scheming priests, Napoleon and Lord Byron - this is an epic historical novel that tells the remarkable and inseparable stories of one man's life and the history of Italy's unification. Ippolito Nievo was born in 1831 in Padua. Confessions of an Italian, written in 1858 and published posthumously in 1867, is his best known work. A patriot and a republican, he took part with Garibaldi and his Thousand in the momentous 1860 landing in Sicily to free the south from Bourbon rule. Nievo died before he reached the age of thirty, when his ship, en route from Palermo to Naples, went down in the Tyrrhenian Sea in early 1861. He was, Italo Calvino once said, the sole Italian novelist of the nineteenth century in the 'daredevil, swashbuckler, rambler' mould so dear to other European literatures. Frederika Randall has worked as a cultural journalist for many years. Her previous translations include Luigi Meneghello's Deliver Us and Ottavio Cappellani's Sicilian Tragedy and Sergio Luzzatto's Padre Pio: Miracles and Politics in a Secular Age. Lucy Riall is Professor of Comparative History at the European University Institute. Her many books include Garibaldi. Invention of a Hero. 'Of all the furore that came out of the Risorgimento, only Manzoni and Nievo really matter today' - Umberto Eco 'The one 19th century Italian novel which has [for an Italian reader] that charm and fascination so abundant in foreign literatures' - Italo Calvino 'Perhaps the greatest Italian novel of the nineteenth century' - Roberto Carnerò 'A spirited appeal for liberté, égalité and fraternité, the novel is also an astute, scathing and amusing human comedy, a tale of love, sex and betrayal, of great wealth and grinding poverty, of absolute power and scheming submission, of idealism and cynicism, courage and villainy' - The Literary Encyclopedia
