Grand Key of Solomon the King - Pseudo Asaph Berechiah 2009-11

The enchanting tales of 1001 Arabian Nights and the mysterious magical societies of the Moors share a legendary figure. He is no other than Asaph Ben Berechiah, the Vizier of King Solomon himself. According to Islamic tradition, this Arabian Merlin bested a djinn in a magical contest, teleporting Queen Sheeba's throne in the blink of an eye, using his knowledge of the Great Name. Through the ages masters of the forbidden art of djinn evocation have shared with their disciples in secrecy an extensive oral tradition of rituals, incantations, and magical implements belonging to Asaph Ben Berechiah. Fragments of these arcane mysteries could be found in the writing of master occultists from the Middle Ages, the likes of Ahmed al-Buni. Few and far between, many have treasured what little fragments of this oral tradition could be found. There were also whispers of a grimoire compiled by an anonymous Arabian wizard brimming with secrets of the magic of Asaph Ben Berechiah. Known only as Ajnas, its reputation grew, but few possessed it. It has resurfaced in recent years and remains one of the most popular guides to angelic and djinn evocation in the land of the Arabian nights. O seeker of the art of the masters, you needn't wait centuries for this important grimoire to be available in English as has happened with Ghayat al-Hakim (Picatrix). Right now, you are beholding an accurate and complete translation of Ajnas waiting for its secrets to be unlocked by the disciples of today and the masters of tomorrow. The Angelical Language, Volume II - Aaron Leitch 2010

This masterwork is the most comprehensive analysis of John Dee's Angelical language ever undertaken. Most Enochian dictionaries merely present word lists—this encyclopedic textbook presents a wealth of original material and expands upon (and corrects) previously published information. It is designed so readers can actually learn the language and use it in their own magick. For the first time ever, every Angelical word recorded in Dee's books, journals, and personal grimoire is recorded and cross-referenced in a number of helpful ways, allowing the reader to recognize root words, alternate spellings, and more. The *Angelical Language, Volume II* includes notes about each word's definition, history, or usage—both Dee's original marginal notations and new commentary by the author. Also presented are Dee's own phonetic

notations, as well as a brand-new pronunciation key designed to make it easier to speak the language. The material within these pages is based strictly upon Dee's journals and personal grimoire. There are no inclusions from later mystics or organizations. This reference work, along with its companion guide, *The Angelical Language, Volume I: The Complete History and Mythos of the Tongue of Angels*, is the authoritative guide to the celestial language in its purest form. "The *Angelical Language* is the single most comprehensive text ever written on the subject of the Enochian magical system and language of Elizabethan luminary Dr. John Dee. This two-volume magnum opus demonstrates Aaron Leitch's familiarity with practical magic as well as his skill as a meticulous researcher. A must-have book."—Chic Cicero and Sandra Tabatha Cicero, Chief Adepts of the Hermetic Order of the Golden Dawn

The 72 Angels of the Name - Baal Kadmon 2015-08-16

In this book, we will discuss how to communicate with the 72 angels that are associated with the 72 names of God in volume 1 of this series. We

will not be using any fancy and complicated rituals. With all due respect to those who plan elaborate rituals, the rituals end up being more of a distraction. The angels do not require certain hours of day or night or certain colors or garb. They are not human that they require such trivialities. Do you think an angel with a limitless mind requires such limited and minute actions to get its attention? I know this may completely contradict what you have heard, but logically, this is so. If you are looking for elaborate rituals, you will be disappointed in this book. This book is for people who want a direct connection. Not those who wish to mire themselves in complexity that in actually, is contrived. We know where many of those rituals in all those Grimoires come from and I assure you, the complexities are formalities only and not necessary for deep connection with these angels. With that, In this book, we will go into the significance of the 72 names of God and then proceed to the names of the angels. And finally, how to call upon them to help you.

The Lost Art of Enochian Magic - John DeSalvo 2010-05-14

A practical guide to Dr. John Dee's angelic magic • Contains instructions for performing Enochian magic meditations • Examines John Dee's original diaries from the British Library Enochian magic is a powerful, ancient system for opening portals to heavenly realms and enabling the ascent to God. The basis for many of the modern systems of magic, including the Golden Dawn, Enochian magic is named after the biblical prophet Enoch, who received the same knowledge and wisdom that was later conveyed to the astrologer to the court of Queen Elizabeth I, Dr. John Dee, by angels in the 16th century. In *The Lost Art of Enochian Magic* John DeSalvo traces the history of magic--from the earliest civilizations of the Akadians and Egyptians through the Greco-Roman period and up to the present time--to reveal how magic has penetrated and influenced our religious beliefs and practices today. Through his unprecedented investigation into the angelic magic of Dr. John Dee, during which time he deciphered Dee's original phonetic notations in the margins of Dee's 16th-century diaries, DeSalvo learned to properly reproduce the "Enochian calls," which act like mantras in opening higher realms and invoking angels, key to this type of magical practice. DeSalvo shows how to use Enochian magic for personal spiritual development and also as protection from negative energies.
