Indiana Real Estate License Exam Prep -
Stephen Mettling 2017-05-07

Features of Indiana Real Estate License Exam Prep (IN-RELEP): National Principles & Law Key Point Review (45 pages) Real Estate Math Key Formula Review & Practice (17 pages) Indiana-Specific Laws and Practices (30 pages) National Practice Tests (500 questions) Indiana Practice Tests (125 questions) Indiana Sample Exam (100 questions) We know the real estate licensing exam can be tough, and very nerve-wracking to prepare for. That's why we created the Indiana Real Estate License Exam Prep (IN-RELEP) the way we did. Since we have been managing real estate schools and developing curriculum for forty years, we know how all this works - or fails to work. IN-RELEP is comprehensive in that it contains both key content review and testing practice. And the text review is Indiana-specific -

not just simplistic national content, but terse, relevant and accurate Indiana laws and regulations presented as a well-organized set of state 'key point reviews' ideal for pre-test memorization. But let's not dismiss the importance of the national content either. IN-RELEP's national key point reviews are a succinct compression of tested national principles and practices that comprise the national portion of state license exams from coast to coast. Our content is drawn from our own national textbook, Principles of Real Estate Practice - one of the most widely used principles textbooks in the country. Finally, our national content, as well as our question selection, is further tailored to the state testing outline promulgated by Pearson Vue for Indiana. Thus the breadth and depth of the law reviews and test questions reflect the topic emphasis of your

state's testing service and your Indiana license exam. A word about the test questions... IN-RELEP's testing practice section consists of ten national practice tests, nine state practice tests, and one state exam sample test. The practice tests are roughly 50 questions in length and the sample test is 100 questions. The test questions are designed to cover the content covered by the law reviews - which reinforces your learning of the total body of information tested by your Indiana exam. The questions are direct, to the point, and designed to test your understanding. When you have completed a given test, you can check your answers against the answer key in the appendix. You may also note that each question's answer is accompanied by a brief explanation, or "rationale" to further reinforce your understanding. In the end, as you know, it's all up to you. Unlike other publications, we are not going to tell you that using this book will guarantee that you pass your state exam. It still takes hard work and study to pass. But we have

done our best here to get you ready. Following that, the most we can do is wish you the best of success in taking and passing your Indiana real estate exam. So good luck!! For Indiana students looking for an Indiana textbook to complement Indiana Real Estate License Exam Prep, we have Principles of Real Estate Practice in Indiana. Financial Peace - Dave Ramsey 2002-01-01 Dave Ramsey explains those scriptural guidelines for handling money. Questions and Answers to Help You Pass the Real Estate Exam - John W. Reilly 2000 "There is no question about it... QUESTIONS & ANSWERS is one of the most trusted and recommended exam prep tools available. Why? Because it's designed to help you pass any national licensing exam, including ASI, AMP, PSI, Experior, and state-designed exams, on the first try. Here are some other reasons why QUESTIONS & ANSWERS is so effective: Over 1,800 practice questions with answers fully explained. Expanded chapter overviews discuss

the key concepts of each chapter. Key words defined at the beginning of each chapter help you master each exam subject area. Speed questions highlighted throughout the text cover the essential points in a chapter for those who want a quick review. Broker-level questions identified throughout the text distinguish higher-level questions from basic-level and intermediate-level questions. False friends feature identifies seemingly similar terms that are often confused with each other. Special sections containing real estate math questions, sample salesperson and broker final exams, and review exams."--BOOK COVER.

Florida Real Estate License Exam Prep: All-in-One Review and Testing to Pass Florida's Real Estate Exam - Stephen Mettling 2020-08-31
Features of Florida Real Estate License Exam Prep (FL-RELEP): - Florida Practices & Law Key Point Review in the same 19 sections as the FREC 1 prelicense course (80 pages) - Real Estate Math Key Formula Review & Practice (20 pages) - 20 Practice Tests (575 questions with explanations also in FREC 1 order) - Florida License Exam Simulation (100 questions with explanations) We know the real estate licensing exam can be tough, and very nerve-wracking to prepare for. That's why we created the Florida Real Estate License Exam Prep (FL-RELEP) the way we did. Since we have been managing real estate schools and developing curriculum for forty years, we know how all this works - or fails to work. First, FL-RELEP is comprehensive. It

contains both extensive content review as well as testing practice. And the text review, unlike most competing books, is Florida-specific - not just simplistic national content, but terse, relevant and accurate state and national laws and regulations presented as a set of 'key point reviews' ideal for pre-test memorization. FL-RELEP precisely follows the official 50+ page Florida syllabus topic by topic in the correct ordered sequence. Consequently, the material serves as a more user-friendly review for students who have taken pre-license courses throughout Florida containing this required content and organization. FL-RELEP's key point reviews are a succinct compression of tested national principles and practices drawn from our own Florida textbook, Principles of Real Estate Practice in Florida - one of the most widely used principles textbooks in Florida. Finally, our review content and question selection is tailored to follow the state testing outline promulgated by the state of Florida. A word about the tests.

The FL-RELEP's test questions are designed to cover the content covered by the law reviews – which reinforces your learning of the total body of information tested by the state of Florida. The questions are direct, to the point, and designed to test your understanding. When you have completed a given test, you can check your answers against the answer key in the appendix. You may also note that each question's answer is accompanied by a brief explanation to further reinforce your understanding. In the end, as you know, it's all up to you. Unlike other publications, we are not going to tell you that using this book will guarantee that you pass the Florida state exam. It still takes hard work and study to pass. But we have done our best here to get you ready. Following that, the most we can do is wish you the best of success in taking and passing your Florida exam. So good luck!!

Real Estate License Exam Prep - Stephen

Mettling 2019-11-18

Features of Real Estate License Exam Prep (RELEP): National Principles & Law Key Point Review (60 pages) Real Estate Math Key Formula Review & Practice (20 pages) National Practice Tests (500 questions) Sample Exam (75 questions) We know the real estate licensing exam can be tough, and very nerve-wracking to prepare for. That’s why we created the Real Estate License Exam Prep (RELEP) the way we did. Since we have been managing real estate schools and developing curriculum for forty years, we know how all this works – or fails to work. First, RELEP is comprehensive in that it contains both key content review and testing practice. RELEP’s national key point reviews are a succinct compression of tested national principles and practices that comprise the national portion of state license exams from coast to coast. Our content is drawn from our own national textbook, Principles of Real Estate Practice – one of the most widely used principles

textbooks in the country. Thus the breadth and depth of the law reviews and test questions reflect the topic emphasis of the three major testing services for the national portion of the state exam. A word about the test questions... RELEP's testing practice section consists of ten national practice tests and one sample test. The practice tests are roughly 50 questions in length and the sample test is 75 questions. The questions are direct, to the point, and designed to test your understanding. When you have completed a given test, you can check your answers against the answer key in the appendix. You may also note that each question's answer is accompanied by a brief explanation, or "rationale" to further reinforce your understanding. Your particular study and testing practice strategy using RELEP is up to you. But to fully exploit its comprehensive content coverage, you should try to review and memorize the key point reviews as much as possible. Then you should make every effort to

take each exam, review your mistakes, and re-read the key point reviews that cover your weaker areas. One note of caution is also in order: this National edition of RELEP does not contain state laws and practices applicable in your state of residence or where you intend to get your license. Therefore you will need to study state-level laws given to you by your prelicense school in order to pass the state portion of the state exam. While we are in the process of adding state-level materials to our RELEP series we still have a ways to go. So, until we have state review materials for your state, we give you this publication - a total-coverage review and practice resource of the highest quality for the national portion of the state exam. Now that we've have been straightforward with you, a second word of caution. Don't be fooled by other national prep books - that contain no state-level materials - that advertise you will pass your state exam by learning and reviewing what's in their

publication. You won't. It is absolutely essential that you develop a comprehensive understanding of both national and state laws and principles in order to pass your state's license examination. While RELEP is as comprehensive a national prep text as it gets, in the end -- as your prelicense course hopefully informed you -- it's all up to you. It still takes hard work and study to pass. But we have done our best here to get you ready for the national portion of the state exam. Following that, the most we can do is wish you the best of success in taking and passing your state exam. So good luck!!
