Excel 2013 On Demand is built from the ground up for today's beginning-to-intermediate-level

Exceluser. Like every book in the On Demand Series, it teaches visually, using an easy, friendly, full-color format designed to "show you how," instead of "telling you how." But that's not all. This book:

- * Combines step-by-step training with quick-reference material users can rely on long after they've mastered the core skills they need
- * Provides easy-to-follow task-based coverage of the techniques you'll use most often, presenting most tasks in just one or two pages
- * Offers in-depth coverage of all new MOS (Microsoft Office Specialist) exam objectives, so you can use it as a study guide to enhance your job prospects or current career
- * Provides additional end-of-chapter workshops, plus even more hands-on projects online
- * Includes a complete practical troubleshooting guide
- * Helps you upgrade by presenting New Feature icons, plus a detailed list of new features indexed to the pages where they're covered

Simply put, no other book offers beginning-to-intermediate-level Excelusers this much simplicity, usable content,

flexibility, and value.

All of Peachpit's eBooks contain the same content as the print edition. You will find a link in the last few pages of your eBook that directs you to the media files. Helpful tips: If you are able to search the book, search for "Where are the lesson files?" Go to the very last page of the book and scroll backwards. You will need a web-enabled device or computer in order to access the media files that accompany this ebook. Entering the URL supplied into a computer with web access will allow you to get to the files. Depending on your device, it is possible that your display settings will cut off part of the URL. To make sure this is not the case, try reducing your font size and turning

your device to a landscape view. This should cause the full URL to appear.

[The Graphic Designer's Digital Toolkit: A](#)

Project-Based Introduction to Adobe Photoshop Creative Cloud, Illustrator Creative Cloud & InDesign Creative Cloud - Allan Wood
2014-07-14

THE GRAPHIC DESIGNER'S DIGITAL TOOLKIT, 7th Edition not only introduces students to the essential features of industry-standard software applications, but also gives them an understanding of how to integrate these programs into a seamless whole. Using a highly visual and project-based approach, this fully revised new edition examines Macintosh OS X Maverick, Windows 7 and Windows 8 operating systems, as well the most up to date Creative Cloud features of the "Big 3" digital design programs used in the graphics industry today: Adobe Illustrator, Adobe Photoshop, and Adobe InDesign . After thoroughly examining the features of each application from the designer's perspective, the author then reveals in practical detail the traditional skills and technology necessary for effective design for print and Web

media. Using online project files, students are encouraged to practice what they have learned by tackling design projects throughout the text from concept to completion. Effectively merging theory with practice, THE GRAPHIC DESIGNER'S DIGITAL TOOLKIT, 7th Edition stresses the critical importance of integration in design while meeting design parameters and client expectations.
