If you mean to download and install the The Attributes Of God , it is entirely simple then, since currently we extend the join to buy and create bargains to download and install The Attributes Of God thus simple!

Praying the Names and Attributes of God - Pauline Adongo 2020-07-23
Praying the names of God brings us into alignment with His power and appeals to that aspect of his character that relates to the particular need we are praying for; creating synergy and synchrony that results in greater impact and breakthrough. Faith also rises when we turn our focus from the problem to the Problem Solver! God is relatable and He often described Himself in a relational way so that people would understand how he relates to them. The names of God are descriptive and applicable in all situations. Praying the name of God changes the dynamics of prayer. The Names of God are still relatable in these times - there is no situation that is not covered by His Name or attribute. Outlined in this book are the names of God, a description and application of the Name and a prayer that can be customized and prayed in relation to that Name. The names of God can still be utilized today and incorporated in personal devotion and prayer. May your prayer life be enhanced, and may you experience expedited breakthroughs as you come into synergy with God.

The Identity and Attributes of God - Terry Lee Johnson 2019-03-08
The problem identified by the prophet Hosea in his day is still with us today - 'There is no...knowledge of God in the land' (Hos. 4:1). We were made to know God. We were saved to know God. Jesus said, 'This is eternal life that they know you, the only true God, and Jesus Christ whom you have sent' (John 17:3). Our chief end and purpose is to know God and thereby to honour and enjoy him. These pages explore God's identity. The God who is Father, Son, and Holy Spirit is also Creator, Governor, and Redeemer. This one true God is infinitely and unchangingly holy, just, good, and loving. This work is offered with the hope that it might promote the true knowledge of the true God. As Matthew Henry said, 'To know the perfections of the divine nature, the unsearchable riches of divine grace, to be led into the mystery of our redemption and reconciliation by Christ, this is food; such knowledge as this is a feast to the soul.'

The Attributes of God Volume 2 - A. W. Tozer 2007-02-14
The most important question we can ask... For A. W. Tozer, there is no question more important than, "What is God like?" The desire to know God consumed his entire life and ministry. That's why those who read him come to know God more intimately. Originally preached as sermons to the Avenue Road congregation in Toronto, this follow-up to The Attributes of God Volume 1 examines ten more attributes of God. It also includes a study guide for an in-depth look at each attribute: Self-Existent Transcendent Eternal Omnipotent Immutable Omniscient Wise Sovereign Faithful Loving Steeped in Scripture and filled with the Spirit, Tozer preached with striking clarity and power. The sense of his sermons comes through on every page, bringing the Word of God to bear upon you.

Catechism of the Catholic Church - U.S. Catholic Church 2003-03-04
Over 3 million copies sold! Essential reading for Catholics of all walks of life. Here it is - the first new Catechism of the Catholic Church in more than 400 years, a complete summary of what Catholics around the world commonly believe. The Catechism draws on the Bible, the Mass, the Sacraments, Church tradition and teaching, and the lives of saints. It comes with a complete index, footnotes and cross-references for a fuller understanding of every subject. The word catechism means "instruction" - this book will serve as the standard for all future catechisms. Using the tradition of explaining what the Church believes (the Creed), what she celebrates (the Sacraments), what she lives (the Commandments), and what she prays (the Lord's Prayer), the Catechism of the Catholic Church offers challenges for believers and answers for all those interested in learning about the mystery of the Catholic faith. The Catechism of the Catholic Church is a positive, coherent and contemporary map for our spiritual journey toward transformation.

The Attributes of God for Kids - Lydia White 2017-10-11
The Attributes of God For Kids is a devotional for elementary age

children and parents. Based on A.W. Tozer's classic book The Knowledge of the Holy, this book walks through 10 unique and 11 moral attributes of God. Fun questions, age appropriate readings, and memorization tools allow parents to shape their children's understanding of God's character. This bright and engaging resource includes suggested Jesus Storybook Bible chapters & Seeds Family Worship songs that can be utilized in a children's ministry or school setting.

Let Me See Thy Glory - Robert L. Deffinbaugh 2002

* Preface * Lesson 1: Exploring the Excellencies of God * Lesson 2: The Power of God * Lesson 3: The Goodness of God * Lesson 4: The Wisdom of God * Lesson 5: The Holiness of God * Lesson 6: The Righteousness of God * Lesson 7: The Wrath of God * Lesson 8: The Grace of God * Lesson 9: The Sovereignty of God in History * Lesson 10: The Sovereignty of God in Salvation * Lesson 11: The Nearness of God * Lesson 12: The Immutability of God * Lesson 13: The Joy of God * Lesson 14: The Invisibility of God * Lesson 15: The Forgiving God * Lesson 16: The Truth of God * Lesson 17: The Love of God * Lesson 18: The Glory of God

The Attributes and Work of God - RICHARD L. PRATT 2021

For decades, Third Millennium Ministries has been working to make a high-quality, orthodox theological education possible for anyone. Its Master's-level course materials are written in accessible language, vetted by Evangelical scholars, and used by seminaries, Bible colleges, churches, and mission organizations around the world. Now this established curricula is available in book form--an ideal resource for any student of theology, formal or informal. "Knowing God" means different things to different people--everything from experiencing personal intimacy with God, to witnessing his mighty works, to understanding facts about him that the Holy Spirit has revealed. What theologians often call "theology proper" is complex but vastly rewarding, growing us in our knowledge and understanding of God. The Attributes and Works of God considers God's attributes, eternal plan, and works in history, with a special focus on his decrees, creation, and providence. Readers will learn the fundamentals necessary to understand themselves and their world.

She Reads Truth - Raechel Myers 2016-10-04

She wants faith, hope, and love. She wants help and healing. She wants to hear and be heard, to see and be seen. She wants things set right. She wants to know what is true—not partly true, or sometimes true, or almost true. She wants to see Truth itself, face-to-face. But here, now, these things are all cloudy. Hope is tinged with hurt. Faith is shaded by doubt. Lesser, broken things masquerade as love. How does she find something permanent when the world around her is always changing, when not even she can stay the same? And if she finds it, how does she hold on? She Reads Truth tells the stories of two women who discovered, through very different lives and circumstances, that only God and His Word remain unchanged as the world around them shifted and slipped away. Infused with biblical application and Scripture, this book is not just about two characters in two stories, but about one Hero and one Story. Every image points to the bigger picture—that God and His Word are true. Not because of anything we do, but because of who He is. Not once, not occasionally, but right now and all the time. Sometimes it takes everything moving to notice the thing that doesn't move. Sometimes it takes telling two very different stories to notice how the Truth was exactly the same in both of them. For anyone searching for a solid foundation to cling to, She Reads Truth is a rich and honest Bible-filled journey to finally find permanent in a world that's passing away.

The Attributes of God Volume 1 - A. W. Tozer 2007-02-14

The most important question For A. W. Tozer, no question is more important than, "What is God like?" The desire to know God consumed his entire life and ministry. That's why those who read him come to know God more intimately. Originally preached as sermons at Southside Alliance Church in Chicago, this first volume of The Attributes of God examines ten attributes of God. It also includes a study guide for an in-depth look at each attribute: Infinite Immense Good Just Merciful

Gracious Omnipresent Immanent Holy Perfect Steeped in Scripture and filled with the Spirit, Tozer preached with striking clarity and power. The sense of his sermons comes through on every page, bringing the Word of God to bear upon you. "If a sermon can be compared to light, then A.W. Tozer released a laser beam from the pulpit, a beam that penetrated the heart." — Warren Wiersbe, former pastor of The Moody Church

Attributes of God - A.W Pink 2015-11-27

A Transforming Knowledge of the Living God The timeless appeal of this classic book, written by a preacher with a worldwide ministry during the first half of the twentieth century, demonstrates the deep hunger for a saving knowledge of God present in each generation. Arthur Pink sought to give readers not just a theoretical knowledge of God but pointed them toward a personal relationship of yielding to him and living according to his biblical precepts. Pink's book explores attributes such as God's decrees, foreknowledge, sovereignty, holiness, grace, and mercy, among many others, all packaged in a style especially useful for pastors, teachers, and Bible students. Our God who is above all names cannot be found through human searching alone, Pink teaches, but can be known only as he is revealed by the Holy Spirit through his living Word.

The Attributes of God - Gerald Bray 2021-01-25

How can we (created beings) know God (the Creator)? Throughout history, the church has recognized the importance of studying and understanding God's attributes. As the Creator of all things, God is unique and cannot be compared to any of his creatures, so to know him, believers turn to the pages of Scripture. In *The Attributes of God*, renowned theologian Gerald Bray leads us on an exploration of God's being, his essential attributes, his relational attributes, and the relevance of his attributes to our thinking, lives, and worship. As we better understand God's attributes, we will learn to delight in who God is and how he has made himself known to us in Scripture.

Attributes of God pamphlet - ROSE PUBLISHING. 2012-02-21

People often wonder, Who is God? Is He an old confused grandfather sitting in the clouds? Or is He a loving father, a righteous judge, and a merciful king? What we believe about God makes a difference in how we worship and behave. Have you ever questioned God's goodness during tough seasons? It's easy to accept that God is loving when you receive a promotion and that he's merciful when someone forgives you. But, God's characteristics during troubling times can appear so abstract that applying his identity to our life circumstances can seem like a theological puzzle: we possess all the pieces but don't know how they fit together. How can God be good and my life remain troubled, uncertain, and instable? Intellectually knowing God's traits is not enough to change our perspective. We need an overview that allows us to meditate on his traits and that suggests practical ways to apply his identity to our everyday lives. Rose Publishing's *Attributes of God*, a full color, 14-page pamphlet, explains 20 traits of God in an easy-to-reference chart. *Attributes of God* gives 20 key traits of God: Loving, Just, Kind, Triune, Transcendent, Immutable, Eternal, Omnipresent, Holy, Jealous, Good, Merciful, Sovereign, Omnipotent, Knowledgeable, Faithful, and more! This easy-to-understand pamphlet explains each attribute, and provides probing questions and devotion-based activities to help you apply the insights to your personal walk.

Discourses Upon the Existence and Attributes of God - Stephen Charnock 1835

[Praying the Attributes of God](#) - Ann Spangler 2013

God is bigger than you think Many people feel both drawn to God and afraid of him. How can they feel close to a perfect God whom their flawed self is incapable of pleasing? Fortunately, God has revealed truths about himself in Scripture that can untangle our confusion. In this daily guide to studying and praying according to God's attributes, Ann Spangler resurrects old-fashioned words like holiness, omnipotence, omniscience, and omnipresence. Far from boring us, these words, when excavated for their biblical meaning, paint a thrilling vision of God that can help us experience him more deeply. They can also prevent us from making the colossal mistake of concluding God is too weak, distant, or uncaring to help us when we need him. In the tradition of her bestselling books *Praying the Names of God* and *Women of the Bible*, this new devotional focuses on one particular attribute each week. *Praying the Attributes of God* will help you see that God is far bigger and far better than you could ever hope or suspect. At some point in our lives, many of us have fallen victim to an imbalanced, distorted view of God. Sometimes we see him as a hard god--all-seeing, all-powerful, and all-knowing, but not someone we can trust or get close to. Other times he's depicted as much softer--always tolerant and not too demanding, but not much better

than we are. What we need is the perspective only God can give--a true and deeper vision of who he is as the almighty, everlasting God, who is holy and yet merciful, jealous and yet loving, righteous and yet forgiving. Let us not settle for a vision of God that is thin and anemic, one that will fall to pieces when life becomes more difficult than we can bear. Instead, let us pray that God will draw us out of our complacency so that we might hunger and thirst for more of him. As you read through this book, I hope you will share my sense that learning more about God's attributes is like drawing water from a deep well--the kind that can refresh and invigorate your faith. In the days and weeks ahead, may God give you the boldness to prayerfully insist that he nourish, sustain, and strengthen you with a clearer revelation of who he is. --Ann Spangler

Enjoying God - R. C. Sproul 2017-09-19

Confused, angry, and hurt after the death of his father, a young R. C. Sproul began his personal search for ultimate truth with these piercing questions: Who are you, God? And why do you do the things you do? In *Enjoying God*, readers journey with R. C. Sproul to discover the attributes of God through the questions many of us have asked: Where are you, God? Can I trust you, God? and more. In this warm, personal account, Dr. Sproul communicates deep truths in a fresh and easy-to-understand style as he shares his passion to know God and urges the reader to dig deep and seek the God who is alive, who is real, and who loves each one of us.

God's Love - R. C. Sproul 2012-09-01

An in-depth look at a God who not only loves, but is love. Love has come to mean many things. It's used to describe emotions. It's the glue for relationships. It frames countless stories. And the greatest of these stories opens before time began and echoes throughout eternity. It's the story of God's unrelenting, overwhelming love for His people. Yet the truth of love is even more majestic, more staggering, and more extraordinary than we can understand: God doesn't just love us. He is love. Renowned theologian and teacher Dr. R.C. Sproul takes a remarkable look at this most profound truth. *God's Love* delves deep into Scripture to explore this dynamic attribute of God, which finds its ultimate expression in His Son. Dr. Sproul also examines seeming paradoxes of God, such as a loving God and divine hate, and how love coexists with His sovereignty. Practical, insightful, and revolutionary, *God's Love* compels and calls us to reflect His nature of unconditional love.

God's Attributes. Defining relationship between good and negative attributes of God - Sixbert Sangwa 2021-05-18

Seminar paper from the year 2020 in the subject Theology - Biblical Theology, grade: 90, Nations University, language: English, abstract: In order to deeply understand who God is, it is always important to understand His attributes, which tell about something that is true of Him. It is important to note, however, that man can hardly understand who God is due to being a limited being. However, God reveals Himself in various ways, such as His Word and His creation, so we can wrap our minds around our awesome Creator and God. Although describing Him may fall short of capturing who He is, God possesses some attributes He has revealed to us so we can know Him. In this piece of writing, one will try describing God with mere words delivered from the scriptures. It will cover a few attributes that inform us about who God is, what kind of God He is and what He is like.

God, Himself - Tony Evans 2020-09-01

How often do we stop to consider who the God is that we worship? When we draw near and learn more about this God, we become amazed at who He truly is. Join Tony Evans as he dives into the character of our awesome God—one attribute at a time. In *God, Himself*, we are invited, with unveiled faces, to behold the glory of the Lord—just as the Apostle Paul instructed the Corinthians to do. Dr. Evans offers insights about the character of God that will challenge you to pursue greater intimacy with Him and help you understand more fully what it means to be made in His image. For after all, as image-bearers knowing who He is defines who we are. You'll learn about attributes like God's wisdom and word, His sufficiency and sovereignty, and His goodness, grace, and glory that make Him the great God that He is. Dr. Evans also includes activities and challenges to help you know how to both process and respond to learning about God. Find your heart encouraged and your worship enriched as you learn about the beautiful nature of our God, the source of all goodness and life.

The Existence and Attributes of God - Stephen Charnock 1996
Puritan divine Charnock constructs an awe-inspiring portrait of God's attributes from theology and painstaking study of Scripture.

Experiencing God's Attributes - Warren Myers 2003

Gain a better understanding of God through a study of what He's really like.

The Sovereignty of God - A.W. Pink 2016-11-13

When was the last time we truly paused to meditate and study the crucially important doctrine of the sovereignty of God? In this book A.W. Pink unpacks the theology of the sovereignty of God for us in a way few others have before or after him. Pink dives into Scripture not only to define the sovereignty of God; he goes on to help us apply the doctrine to various aspects of our lives. Pink passionately challenges us to wrestle with and accept a higher, deeper and broader view of our omniscient and omnipotent King.

The Attributes of God - Arthur W. Pink 2019-07-18

The foundation of our knowledge of God rests upon knowing what he is like. Without understanding God's attributes, we have a skewed perception of him—often one cast in our own image. We need more than just a theoretical knowledge of God in order to worship him as he desires. This classic work of A.W. Pink invites readers to discover the truth about seventeen attributes of God, including his sovereignty, immutability, patience, love, faithfulness, and much more. Pink shows readers a God who is alive, all-powerful, and active in his creation. The perfect introductory text, 'The Attributes of God' also has enough depth and meat to satisfy the more experienced reader.

God's Attributes - Brad Hambrick 2012-04

Do you have a balanced understanding of God? Do you seek to emulate him? Are you able to rest in his attributes? This booklet explores 16 different attributes of God, categorized under love, essence, wisdom, and power, providing tools for reflection and correcting lopsided views.

God Is - Mark Jones 2017-06-20

"This is Mark Jones at his best. In twenty-seven concise chapters, *God Is* invites, equips, edifies, comforts, and challenges God's people to know God better and love him more." —Rosaria Butterfield, Former Professor of English, Syracuse University; author, *The Secret Thoughts of an Unlikely Convert* God has revealed many things about himself in his Word. But God's manifold attributes shine most clearly in his Son, Jesus Christ, who came to reveal his Father. Through Christ's saving work on the cross, we are able to know and worship God rightly. This book aims to help us study and understand the attributes of God so that we delight in and love him with all our heart, soul, strength, and mind. Each chapter explains one attribute, shows how it is most clearly manifested in Christ, and provides practical application for the Christian life.

The Existence and Attributes of God, Volume 7 of 50 Greatest Christian Classics, 2 Volumes in 1 - Stephen Charnock 2008-09-01

The Existence and Attributes of God comprises the first two volumes of the works of Stephen Charnock (1628-1680), an English puritan divine who was highly skilled in philosophy, patristics, Reformed theology, and Biblical languages. These volumes are his abiding monument. They are worthy of being compared with the finest in theology. "When the existence and attributes of God are called into question, to whom else can we better go than to Stephen Charnock" . . . "those [things revealed belong to us and to our children forever]. The material that Charnock discusses is firmly founded in the Word of God" . . . "Both the Old Testament and the New emphasize these two things: First, we should study the whole revelation, not just some easy or favorite parts of it; secondly, the study of God's attributes is not dry as dust theology, but is practical; that is, it leads to righteousness" (Dr. Gordon H. Clark, from a preface to this great work in a Sovereign Grace edition, 1958). One of the greatest tragedies in these spiritually starved times is the sad fact that most Christians know so very little about their God. It is often said that this is simply because these volumes are exhaustive on the subject. Yet it is clearly filled with sublime expositions of the truth regarding God's existence and attributes. "Charnock displays God's attributes not as impersonal abstractions for the mind to juggle with, but as qualities observable in the concrete actions of the living God of which the Bible speaks. The technical terms and sometimes, arguments of scholastic theology are employed, but always with a Biblical orientation. Charnock has no desire to speculate, but only to declare the works and ways, the nature and character, of the God of the Bible. The substance of his doctrine is characteristically Puritan and representatively Reformed." (Dr. James I. Packer, in *The Encyclopedia of Christianity*, Volume II, p. 410) The possessor of these rare volumes will be blessed by getting acquainted with the incomparable God, and thereby will reach a higher plane of spiritual enjoyment never attained before. To know Him better is to love Him more.

Desiring God - John Piper 1996

Insightful and heart-warming, this classic book is written for those who

seek to know God better. It unfolds life-impacting, biblical truths and has been called a "soul-stirring celebration of the pleasures of knowing God." Behold Your God - Myrna Alexander 1978

This study for women helps readers discover what God is really like and encourages practical application of this knowledge to daily living. Leader's helps are included.

God Is - Mark Jones 2020-09-29

With brevity and clarity, Mark Jones makes the doctrine of God accessible to the modern reader--specifically focusing on how each of God's attributes is fully realized in Christ and impacts the Christian life.

The Holiness of God - R. C. Sproul 2013-03-22

Central to God's character is the quality of holiness. Yet, even so, most people are hard-pressed to define what God's holiness precisely is. Many preachers today avoid the topic altogether because people today don't quite know what to do with words like "awe" or "fear." R. C. Sproul, in this classic work, puts the holiness of God in its proper and central place in the Christian life. He paints an awe-inspiring vision of God that encourages Christian to become holy just as God is holy. Once you encounter the holiness of God, your life will never be the same.

None Greater - Matthew Barrett 2019-03-05

"Matthew Barrett leads us to marvel at both how much and how little we know of God."--Tim Challies, blogger at challies.com; author of *Visual Theology* For too long, Christians have domesticated God, bringing him down to our level as if he is a God who can be tamed. But he is a God who is high and lifted up, the Creator rather than the creature, someone than whom none greater can be conceived. If God is the most perfect, supreme being, infinite and incomprehensible, then certain perfect-making attributes must be true of him. Perfections like aseity, simplicity, immutability, impassibility, and eternity shield God from being crippled by creaturely limitations. At the same time, this all-powerful, all-knowing, and all-wise God accommodates himself, exhibiting perfect holiness, mercy, and love as he makes known who he is and how he will save us. The attributes of God show us exactly why God is worthy of worship: there is none like him. Join Matthew Barrett as he rediscovers these divine perfections and finds himself surprised by the God he thought he knew. "Matthew Barrett's excellent book lays out in clear, accessible terms what the biblical, historic, ecumenical doctrine of God is, why it matters, and why its abandonment by great swathes of the Protestant world is something that needs correction."--Carl R. Trueman, professor, Grove City College; author of *Grace Alone* "Perhaps not since R. C. Sproul has there been a treatment of such deep theology with such careful devotion and accessibility. Read this book. And stagger."--Jared Wilson, director of content strategy, Midwestern Baptist Theological Seminary; managing editor, *For the Church*; author of *The Gospel-Driven Church* "The knowledge of God is the soil in which Christian piety flourishes. I am grateful for the publication of *None Greater* and pray it will be a source of growth in godliness among those captivated by its vision of God's supremacy."--Scott Swain, president and James Woodrow Hassell Professor of Systematic Theology, Reformed Theological Seminary-Orlando; author of *Reformed Catholicity*

The Attributes of God - A. W. Tozer 2007

Often quoted by Chuck Swindoll, Charles Stanley, Billy Graham and other great preachers, A. W. Tozer's words are being heard and read by millions today words like: "Origin is a creature word... All things have an origin. But when you come back to God, you come back to the One who has not origin. He is the Cause of all things, the uncaused Cause. God is Transcendent." "You'll never find Him on your own... He is far away in one sense, but in another He is as near as your heartbeat, for the cross has bridged the gulf." "If there is anything God could learn, it would mean that God didn't know it before. If he didn't know it before, then He didn't know everything, He wouldn't be perfect, and if He isn't perfect then He isn't God." The chapters of this book were originally preached as sermons at Avenue Road Church in Toronto, ON. Whether spoken or written, Tozer's words were designed to "promote personal heart religion" among God's people.

On Heroes, Hero-worship, and the Heroic in History - Thomas Carlyle 1852

Systematic Theology, Second Edition - Wayne A. Grudem 2020-12-08

This new edition of *Systematic Theology* by Wayne Grudem is one of the most important resources for helping you understand Scripture and grow as a Christian. The most widely used resource of the last 25 years in its area, *Systematic Theology* has been thoroughly revised and expanded for the first time while retaining the features that have made it the standard in its field: clear explanations, an emphasis on each doctrine's scriptural

basis, and practical applications to daily life. With nearly 250 pages of new content and revisions, this new edition now includes the following distinctive features: Updated analysis of recent controversies within evangelical theology, including the eternal relationship between the Father and the Son in the Trinity, the role of women in the church, miraculous gifts of the Holy Spirit, and contemporary worship music. New discussion and critiques of recent theological controversies situated outside of traditional evangelical theology, such as open theism, the "new perspective on Paul," Molinism (or "middle knowledge"), "Free Grace" theology, and the preterist view of Christ's second coming. Completely revised chapter on the clarity of Scripture. Completely revised chapter on creation and evolution, including a longer critique of theistic evolution and an extensive discussion on the age of the earth. New discussion of how biblical inerrancy applies to some specific "problem verses" in the Gospels. Additional material explaining evangelical Protestant differences with Roman Catholicism, Protestant liberalism, and Mormonism. Completely updated bibliographies. All Scripture quotations updated from RSV to ESV. Updated section on contemporary worship music. Numerous other updates and corrections. Part of the brilliance of Systematic Theology has been its simplicity and ease of use. Each chapter follows the same structure: discussion of the doctrine being considered, an explanation of that doctrine's biblical support and possible objections, followed by personal application and key terms to know for personal growth. Chapters also include a Scripture memory passage, references to other literature on the topic, and suggested hymns and worship songs. If you think theology is hard to understand or boring, then this new edition of Systematic Theology will change your mind.

The 52 Attributes of God - Raymond Creed 2012-10

'The 52 Attributes of God handles such questions as: - 1) Who is God? 2) What is He like? 3) How did He react to the death of Jesus? 4) How does He react to the corruption found in much of the Church? 5) To what extent can we become like God? 'The 52 Attributes of God' should prove particularly useful to religious ministers (of all denominational backgrounds), local church elders, Christian teachers, evangelists and theological students. The Messianic Jewish community and those wishing to delve deeper into theology would especially benefit. It should also be of assistance to those confused or troubled by particular 'spiritualities' which alluringly offer the chance of becoming divine. Any public or academic library with a theological section will find it a rich resource.

The Knowledge of the Holy - A. W. Tozer 2019-03-08

The Knowledge of the Holy by A.W. Tozer illuminates God's attributes—from wisdom, to grace, to mercy—and in doing so, attempts to restore the majesty and wonder of God in the hearts and minds of all Christians. It teaches us how we can rejuvenate our prayer life, meditate more reverently, understand God more deeply and experience God's presence in our daily lives.

Sinners in the Hands of an Angry God - Jonathan Edwards

2019-08-15

Preached at Enfield, Connecticut on July 8, 1741, this is perhaps the greatest sermon ever preached in America—and is certainly among the most well known. Owing to its forthright dealing with God's wrath and His intense hatred of sin and the sinner, it is also one of the most controversial. Indeed, for more than three-quarters of the sermon Edwards lays down a relentless stream of the most vivid and horrifying descriptions of the danger facing unregenerate men. While it is difficult to read such graphic language, there is abundant hope in the sermon's conclusion. Edwards puts it this way, "And now you have an extraordinary opportunity, a day wherein Christ has thrown the door of mercy wide open and stands calling and crying with a loud voice to poor sinners." While those who would rather ignore God's justice in favor of His mercy condemn Edwards and his sermon, those who were present and actually heard him preach that day reacted in a decidedly different manner. According to the diary of Reverend Stephen Williams who attended the sermon, "Before the sermon was done there was a great moaning and crying through the whole House, 'what shall I do to be saved; oh, I am going to hell, etc.'" The diary goes on to indicate that Edwards had to interrupt his sermon and come down to minister to those who were under such awful conviction. And so, in spite of what the scoffers might think or say, "the amazing and astonishing power of God" was manifested among the people that day—with many falling not into the hands of an angry God, but into the arms of a mighty Savior.

The Attributes of God - Ligonier Ministries 2017-05-16

Study guide for The Attributes of God includes lesson objectives, message outline, study questions, and discussion questions. Suitable for individual or group study.

The God You Can Know - Melanie Newton 2016-09-29

Through "The God You Can Know" lessons, you will become familiar with the character of God—those attributes that help you to know Him well, love Him wholeheartedly, and gain the confidence to trust Him as your Father God.

Our Glorious God - A. W. Pink 2015-11-02

A.W. Pink's The Attributes of God is a classic that presents the seventeen attributes of God in a way that is accessible to the less-experienced reader as well as providing enough for those with deeper familiarity with Christian literature. This is our God as Scripture reveals him, and it is vital that we have this understanding and not an image of God from our own imagination. Reading this book will warm your heart and enhance true worship. The Bible study published in Our Glorious God was written to help the reader more fully grasp and appreciate A.W. Pink's book. It includes the reading of Pink's chapters along with five days each week of biblical sections that highlight God's praiseworthy qualities. As Charles Spurgeon notes, the proper study of a Christian is the Godhead . . . the name, the nature, the person, the work, the doings, and the existence of the great God. J. I. Packer says that the study of God's nature and character is the most practical project that anyone can engage in.
