must dress in under-the-sea-themed costumes. For her grand entrance, Deidre dresses as a mermaid and is carried out on a giant half-shell by six teenage “sea creatures.” The garden boasts hedges clipped into the shapes of various types of ocean life. Deidre’s father even booked “Queen Mermaid Marissa” to perform in their pool—fin and all. But when a squirmy snake is found swimming in the pool too, Queen Marissa leaves in a huff! Who would sabotage the mermaid pool performance? Nancy, Bess, and George intend to find out!

Witness - Louise Milligan
2020-10-27

A masterful and deeply troubling exposé, *Witness* is the culmination of almost five years' work for award-winning investigative journalist Louise Milligan. Charting the experiences of those who have the courage to come forward and face their abusers in high-profile child abuse and sexual assault cases, Milligan was profoundly shocked by what she found. During this time, the

#MeToo movement changed the zeitgeist, but time and again during her investigations Milligan watched how witnesses were treated in the courtroom and listened to them afterwards as they relived the associated trauma. Then she was a witness herself in the trial of the decade, *R v George Pell*. Through these experiences, interviews with high-profile members of the legal profession, including judges, prosecutors and the defence lawyers who have worked in these cases, along with never-before-published court transcripts, Milligan lays bare the flaws that are ignored and exposes a court system that is sexist, unfeeling and weighted towards the rich and powerful. In *Witness*, Milligan reveals the devastating reality that within the Australian legal system truth is never guaranteed and, for victims, justice is often elusive. And even when they get justice, the process is so bruising, they wish they had never tried.

Attorney Joseph Antonelli tackles a case overflowing with greed and glamour, moviemaking, and murder in this new thriller in the Edgar Award-nominated series. *Star Witness* is about a man on trial for murder—a man recognized as one of the film industry's most successful writer/directors, a man of almost mythic drive and talent, and someone who looks more guilty with every passing witness. Attorney Joseph Antonelli—suave, philosophical, fearless—takes up the director's defense for the murder of his wife, the actress every woman wants to be and every man wants to possess. Despite Antonelli's examination of the prosecution's witnesses, the jury finds fewer and fewer reasons to doubt. Then the director shows Antonelli the script he considers his masterpiece—a re-imagining of Orson Welles's *Citizen Kane*—with a visionary film director as its hero. In this story-within-a-story, the accused reveals his version of the tragedy—the secrets of his marriage, and the

ominous events that led to his wife's death. In it we see the way art can imitate life—and unmask a killer even the court can't find. *Star Witness* is a stunning novel about the nature of fame and the ever-confusing intersection of truth and fantasy, dream and desire—a rich tale of Hollywood unlike one you've read in many years.

2021-06-01

A plucky lawyer's out of her element when she investigates a suspicious death that's out of this world in this mystery by the author of Last Chants.

Overworked San Francisco attorney Willa Jansson's ready to go on her three-week vacation and relax on the beach in Mexico. But before she can leave the office, she gets a phone call from a friend whom she owes a favor . . .

Willa heads to Santa Cruz to take on what at first sounds like a vehicular manslaughter and felony hit-and-run case. Alan Miller's Fiat fell on top of Francis Addenaur's Buick in a field of Brussels sprouts. The problem is the Fiat left no

tracks in the field and Miller wasn't in his car. He says he was abducted by aliens As Willa begins examining crop circles and subpoenaing UFO experts, she realizes this case could ruin her career. But with an angry widow packing heat and mysterious black helicopters circling the sky, discovering the truth feels like a matter of life or death . . .

"Matera's latest mystery is a hoot. It will drive the Pentagon non-UFO believers crazy and probably end up being the inspiration for an X-Files episode. . . . This fast-moving tale is peppered with eccentric characters, snappy dialogue and a creative plot." —San Francisco Examiner & Chronicle "Matera has proved more than once that she is the master when it comes to dabbling in Northern California flakiness for her mystery plots. This time she focuses on alien abduction. . . . Matera cleverly walks the line here between milking the material for humor and taking it all too seriously. . . . Mystery fans can't fail to be entertained." —San Jose

detached, slightly smug way he's always done. But when he dumps his much-too-young-for-him girlfriend in the same callous way he's come to treat those around him, he makes the first in a series of mistakes. One poor decision leads to another and, as Kevin wades deeper into a moral grey area, things go from bad to very much worse. The national treasure finds himself the subject of vitriolic press attacks, a police investigation, and so much public loathing he begins to wonder if he has any chance of receiving justice. As the line blurs between his own life and that of the character he plays on TV, Kevin must face the consequences of his actions if he is ever to right his sinking ship. The Star Witness is the story of one self-regarding man's descent into disgrace and his journey back to join the human race. A pin-sharp satire on the shallows of modern media culture and the dysfunctional relationship we all have with the idea of 'celebrity', it will keep you laughing, cringing and

guessing until the very last page.

From the #1 New York Times bestselling author of The Party Crasher and Love Your Life . . .

"Sophie Kinsella keeps her finger on the cultural pulse, while leaving me giddy with laughter."—Jojo Moyes, author of The Giver of Stars and The Last Letter from Your Lover
Sophie Kinsella returns to her beloved Shopaholic series with Becky Brandon (née Bloomwood) newly arrived in Hollywood and starry-eyed. She and her two-year-old daughter, Minnie, have relocated to L.A. to join Becky's husband, Luke, who is there to handle PR for famous actress Sage Seymour. Becky can't wait to start living the A-list lifestyle, complete with celebrity sightings, yoga retreats, and shopping trips to Rodeo Drive. But she really

hopes to become a personal stylist—Sage’s personal stylist—if only Luke would set up an introduction. Then, unexpectedly, Becky is offered the chance to dress Sage’s archrival, and though things become a bit more complicated, it’s a dream come true! Red carpet premieres, velvet ropes, paparazzi clamoring for attention—suddenly Becky has everything she’s ever wanted. Or does she? Praise for Shopaholic to the Stars “A witty novel with the twists of a soap and the laughs of a rom-com.”—InTouch “Shopaholic Becky is funnier than ever as she tries to make it in Hollywood as a celeb stylist.”—People “Our beloved heroine Becky hilariously juggles motherhood and a new career. . . . Sophie Kinsella is such a genius.”—Redbook “It’s impossible not to fall in love with Becky and her antics, and this latest offering doesn’t disappoint. With appeal for fans of Kinsella’s prior Shopaholic books, this one will draw in new fans as well. Like

the first six in the series, [Shopaholic to the Stars] is screamingly funny and lots of fun.”—Publishers Weekly (starred review) “Take the caustic wit of Gillian Flynn and the comedy of manners of Edith Wharton, add a British accent—that’s Sophie Kinsella.”—The Globe and Mail “Fans of the series who love Becky just as she is (and has always been) will enjoy this seventh series entry. . . . Kinsella expertly plots this story and deftly drops in some unexpected twists.”—Library Journal “Becky is a truly engaging narrator. She may be self-centered, a shopping addict and a bit flighty, but she’s also good-natured and genuinely funny. It’s a joy to accompany her on her journey, no matter how tangled it seems at times. A light, enjoyable read that’s pure escapism.”—Kirkus Reviews “Winsome Becky’s romp through Hollywood will thoroughly entertain readers, and the novel’s conclusion neatly paves the way for Becky’s next

adventure.”—Booklist “Loyal fans who have enjoyed Kinsella’s flakey protagonist in previous stories will enjoy this outing.”—Fredericksburg Free Lance-Star “Kinsella fans will be ecstatic for this long-awaited addition to the author’s Shopaholic series. Lighthearted, warm, funny—Kinsella rules the red carpet with Becky’s new Hollywood adventures. A little unsolved mystery at the end may cause the paparazzi to swarm Becky’s home and leave readers wanting more.”—RT Book Reviews

The Witness - Nora Roberts
2013-04-02

In her stunning 200th novel, #1 New York Times bestselling author Nora Roberts proves why no one is better “when it comes to flawlessly fusing high-stakes suspense with red-hot romance” (Booklist, starred review). Daughter of a cold, controlling mother and an anonymous donor, studious, obedient Elizabeth Fitch finally let loose one night, drinking too much at a nightclub and allowing a strange man’s

seductive Russian accent to lure her to a house on Lake Shore Drive. Twelve years later, the woman now known as Abigail Lowery lives alone on the outskirts of a small town in the Ozarks. A freelance security systems designer, her own protection is supplemented by a fierce dog and an assortment of firearms. She keeps to herself, saying little, revealing nothing. Unfortunately, that seems to be the quickest way to get attention in a tiny southern town. The mystery of Abigail Lowery and her sharp mind, secretive nature and unromantic viewpoint intrigues local police chief Brooks Gleason, on both a personal and professional level. And while he suspects that Abigail needs protection from something, Gleason is accustomed to two-bit troublemakers, not the powerful and dangerous men who are about to have him in their sights. And Abigail Lowery, who has built a life based on security and self-control, is at risk of losing

The Stars Bear Witness

[*Illustrated Edition*] - Bernard Goldstein 2015-11-06

Includes 204 photos, plans and maps illustrating The Holocaust “Born in a small town outside of Warsaw in 1889, Bernard Goldstein joined the Jewish labor organization, the Bund, at age 16 and dedicated his life to organizing workers and resisting tyranny. Goldstein spent time in prisons from Warsaw to Siberia, took part in the Russian Revolution and was a respected organizer within the vibrant labor movement in independent Poland. “In 1939, with the Nazi invasion of Poland and establishment of the Jewish Ghetto, Goldstein and the Bund went underground—organizing housing, food and clothing within the ghetto; communicating with the West for support; and developing a secret armed force. Smuggled out of the ghetto just before the Jewish militia’s heroic last stand, Goldstein assisted in procuring guns to aid those within the ghetto’s walls and

aided in the fight to free Warsaw. After the liberation of Poland, Goldstein emigrated to America, where he penned this account of his five-and-a-half years within the Warsaw ghetto and his brave comrades who resisted to the end. His surprisingly modest and frank depiction of a community under siege at a time when the world chose not to intervene is enlightening, devastating and ultimately inspiring.”-Print ed. “His active leadership before the war and his position in the Jewish underground during it qualify him as the chronicler of the last hours of Warsaw’s Jews. Out of the tortured memories of those five-and-a-half years, he has brought forth the picture with all its shadings—the good with the bad, the cowardly with the heroic, the disgraceful with the glorious. This is his valedictory, his final service to the Jews of Warsaw.”—Leonard Shatzkin [The Forging](#) - Jeffrey Hancock 2017-08-21

Some years ago it was my privilege to enjoy the acquaintance of Miss Frances Rolleston, of Keswick, and to carry on a correspondence with her with respect to her work, *Mazzaroth: or, the Constellations*. She was the first to create an interest in this important subject. Since then Dr. Seiss, of Philadelphia, has endeavoured to popularize her work on the other side of the Atlantic; and brief references have been made to the subject in such books as *Moses and Geology*, by Dr. Kinns, and in *Primeval Man*; but it was felt, for many reasons, that it was desirable to make another effort to set forth, in a more complete form, the witness of the stars to prophetic truth, so necessary in

these last days. To the late Miss Rolleston, however, belongs the honour of collecting a mass of information bearing on this subject; but, published as it was, chiefly in the form of notes, unarranged and unindexed, it was suited only for, but was most valuable to, the student. She it was who performed the drudgery of collecting the facts presented by Albumazer, the Arab astronomer to the Caliphs of Grenada, 850 a.d.; and the Tables drawn up by Ulugh Beigh, the Tartar prince and astronomer, about 1650 a.d., who gives the Arabian Astronomy as it had come down from the earliest times. Modern astronomers have preserved, and still have in common use, the ancient names of over a hundred of the principal stars which have been handed down; but now these names are used merely as a convenience, and without any reference to their significance. This work is an attempt to popularize this ancient information, and to use it in the

interests of truth. For the ancient astronomical facts and the names, with their signification, I am, from the very nature of the case, indebted, of course, to all who have preserved, collected, and handed them down; but for their interpretation I am alone responsible. It is for the readers to judge how far my conclusions are borne out by the evidence; and how far the foundation of our hopes of coming glory are strengthened by the prophecies which have been written in the stars of heaven, as well as in the Scriptures of truth.

The Witness for the Dead - Katherine Addison 2021-06-22 "At once intimate and literally operatic, it's everything I love about Katherine Addison's writing, in ways I didn't know to expect. I loved it." —John Scalzi Katherine Addison returns to the glittering world she created for her beloved novel, *The Goblin Emperor*, in this stand-alone sequel *Locus Award Finalist! Mythopoeic Award Finalist!* When the young half-goblin emperor

Maia sought to learn who had set the bombs that killed his father and half-brothers, he turned to an obscure resident of his father's Court, a Prelate of Ullis and a Witness for the Dead. Thara Celehar found the truth, though it did him no good to discover it. He lost his place as a retainer of his cousin the former Empress, and made far too many enemies among the many factions vying for power in the new Court. The favor of the Emperor is a dangerous coin. Now Celehar lives in the city of Amalo, far from the Court though not exactly in exile. He has not escaped from politics, but his position gives him the ability to serve the common people of the city, which is his preference. He lives modestly, but his decency and fundamental honesty will not permit him to live quietly. As a Witness for the Dead, he can, sometimes, speak to the recently dead: see the last thing they saw, know the last thought they had, experience the last thing they felt. attacks, a police investigation and so much public loathing that he starts to wonder if he has any chance of receiving a fair trial. As the line blurs between his own life and that of the character he plays on TV, Kevin is forced to confront a lifetime of inadequacy in order to redeem himself. The *Star Witness* is the story of one man's descent into disgrace and his journey to rejoin the human race. This pin-sharp satire on the shallows of modern media culture will keep you laughing, cringing and guessing until the very last page.

Leading the Witness - Carsen

Taite 2019-10-15

Catherine Landauer spends her days grilling prosecution witnesses in zealous defense of the accused criminals she represents, but no one knows she was once the victim of a headline-grabbing crime. When the man who kidnapped her resurfaces, Catherine goes from attorney to witness, reluctant to trust anyone, especially the alluring

prosecutor assigned to the case. Veteran prosecutor Starr Rio has a reputation of doing whatever it takes to win, even if she has to skirt the edge of the law in the pursuit of justice. Now she's working the case of a lifetime, saddled with an uncooperative witness who is sexy as hell and who thinks she knows more about criminal law than the entire task force assigned to the case. But when Starr and Catherine give in to desire, their hearts, careers, and even their lives are on the line.

Cross-Examination: Science and Techniques - Larry S.

Pozner 2012-09-27

In *Cross-Examination: Science and Techniques*, Second Edition, Larry Pozner and Roger Dodd continue their outstanding tradition of helping attorneys conduct commanding cross-examinations. The second edition offers deeper analysis of cross-examination methods, with more integration and interrelationship of techniques and principles. In analyzing thousands of new trial experiences, they present

efficient techniques to confront the challenges of evolving admissibility standards and electronic discovery, and ultimately, help attorneys develop cross-examination skills that are critical to trial success. Inside you'll find valuable advice on how to:

- Use opponents' objections as the springboard for deeper and broader cross-examinations.
- Sequence cross-examination to teach the theory of the case in the best way, and to literally expand the rules of admissibility.
- Use "loops" (the practice of incorporating and repeating key phrases and terms in successive questions to the witness) to rename witnesses and exhibits.
- Use "double loops" to discredit opposing expert witnesses.
- Use voir dire to create great jurors
- Use a fact-driven investigation to develop a winning theory
- Use a witness's own words to follow your theme and theory
- Control the runaway witness
- Communicate winning theories in opening, cross, and closing
- Use loops to box in the witness

- Use tactical sequencing to create the most powerful cross
- Convert a witness's silence into admission of fact
- Induce the witness to voice your pre-selected words
- Prepare for devastating impeachment
- Close off any escape routes for the witness
- Punish the evasive or "I don't know" witness
- Control the crying witness
- Use timing, posture, inflection, diction, wording, eye contact, and other effects to emphasize a witness's concession

Effective cross-examination is a science with established guidelines, identifiable techniques, and definable methods. Attorneys can learn how to control the outcome with careful preparation, calculated strategy, effective skills, and a disciplined demeanor. Pozner and Dodd's treatise remains the definitive guide to preparing killer cross-examinations, only from LexisNexis.
