9 Ways to a Resilient Child - Justin Coulson
2017-02-01

Resident parenting expert on Channel 9's Parental Guidance Dr Justin Coulson, on raising kids who'll bounce back from adversity and challenging times. 'How can I help my child be more resilient?' is a question Dr Justin Coulson often hears from worried mums and dads. *9 Ways to a Resilient Child* gives parents practical strategies to help their children cope with the challenges that life throws at them - from friendship problems and bullying to losing a game or failing an exam. Even our home environment and the way that we parent can impact our children's potential to recover from difficulty. Dr Coulson explains the factors that help or hinder resilience and why common advice such as 'Toughen up, princess' just doesn't work. Learn the secrets of positive psychology that will build your child's capacity to bounce back, stronger and more resilient than ever, including the ability to think flexibly, exercise self-control, and make safe and healthy choices. Discover the powerful impact of family, relationships, school and community, and the most effective ways to support your child. Dr Coulson aims to bolster resilience - not just in our children, but also in ourselves. Because it takes resilient parents to raise a resilient child.

Building Confidence in Your Child - Dr. James Dobson 2015-06-02

A solid sense of self-worth helps children make good choices, develop healthy relationships, and work to achieve their dreams. Based on a biblical understanding of human value, *Building Confidence in Your Child* teaches moms and dads how to parent positively to help their children grow into secure adults who are poised for success in life. Deftly balancing the principles of humility and pride, trusted author and parenting expert Dr. James Dobson offers practical pointers that break through the theories and get right down to the decisions parents have to make every day.

Self-Compassion - Dr. Kristin Neff 2011-04-19
Kristin Neff, Ph.D., says that it's time to "stop beating yourself up and leave insecurity behind." *Self-Compassion: Stop Beating Yourself Up and Leave Insecurity Behind* offers expert advice on how to limit self-criticism and offset its negative effects, enabling you to achieve your highest potential and a more contented, fulfilled life. More and more, psychologists are turning away from an emphasis on self-esteem and moving toward self-compassion in the treatment of their patients—and Dr. Neff's extraordinary book offers exercises and action plans for dealing with every emotionally debilitating struggle, be it

parenting, weight loss, or any of the numerous trials of everyday living.

An Emotionally Focused Workbook for Couples - Veronica Kallos-Lilly 2021-12-21

The second edition of this essential and newly updated workbook is intended for use with couples who want to enhance their emotional connection or overcome their relationship distress. It closely follows the course of EFT treatment and allows clinicians to easily integrate guided reading, reflection, and discussion into the therapeutic process. Incorporating new developments in EFT and decades of research in the field of attachment, Veronica Kallos-Lilly and Jennifer Fitzgerald include chapters that explore concepts such as attachment bonds, the three cycles of relationship distress, how to make sense of emotions, relationship hurts and more. The workbook follows the familiar and accessible format of the first edition, Read, Reflect, and Discuss, and weaves fresh, illustrative examples throughout, with updated content considering the impact of gender, culture, and sexual orientation on relationship dynamics. Added reflections on these topics and an expanded section on sexuality dispels constraining popular myths and frees partners up to express themselves more openly. This book is essential reading for partners looking for helpful steps to improve the quality of their romantic relationships as well as marriage and family therapists, couple therapists and clinicians training in EFT to use with their clients.

Summary of Becoming - Ninja Reads 2019-11

*PLEASE NOTE: This concise summary is unofficial and is not authorized, approved, licensed, or endorsed by the original book's publisher or author. *Becoming* became a #1 New York Times Bestseller simply because... The bestselling memoir, *Becoming*, contains a powerful story of working hard, overcoming obstacles, and learning to adapt. In three parts-- *Becoming Me*, *Becoming Us*, *Becoming More*-- Michelle Obama tells her story from childhood through her eight years of being the first African American First Lady in United States history. She gives an insightful look into her family and achievements. She does so by utilizing vivid examples and vignettes that paint her experiences with ease for the reader. She

handles hard topics with grace and care. Who Benefits From This Summary? Throughout her life, Michelle had to learn to balance the difficulties of her husband's political career, her own career, and keeping her family running smoothly so that her daughters could grow up happily and healthily. In the book, she details her academic, professional, and White House successes as well as her personal ones. Of all her achievements, she is most proud of being a mother and has two daughters who fill her with pride. She tried her hardest to give them a normal life despite the undoubtedly unusual circumstances. Why read NinjaReads Summaries: *High-Quality Written Summaries with 30-Day Money Back Guarantee *Professional Publishing Team with Native English Speakers & Writers *Each summary is written to ensure your personal growth and enhance your learning experience. *Key Takeaways & Analysis of each chapter with zero fluff. *Actionable item steps summarized to ensure you are able to implement the knowledge. NinjaReads summaries is made for Go-Getters who have an itch to learn and grow. Not only will you learn faster, but you'll also be more productive as you save hours of your day. As you grow smarter from each read, your family and friends may notice and give you compliments on how much you have grown. We chase after the key points and analyze every chapter. You save time by not having to read all the unnecessary fluff that some books may have and absorb only the valuable & practical info you need. That's right... you don't need super speed-reading powers, you'll absorb the info in an hour or less! DISCLAIMER: We are confident that our professional summaries will bring more readers to the full-lengthed book who otherwise would have been discouraged due to a long-read commitment. Our hope is that readers like you can use this summary to help cement the most important lessons and ultimately use it as an intro or companion to the original book, not as a replacement.

What Happened to You? - Oprah Winfrey 2021-04-27

#1 NEW YORK TIMES BESTSELLER Our earliest experiences shape our lives far down the road, and *What Happened to You?* provides powerful scientific and emotional insights into

the behavioral patterns so many of us struggle to understand. "Through this lens we can build a renewed sense of personal self-worth and ultimately recalibrate our responses to circumstances, situations, and relationships. It is, in other words, the key to reshaping our very lives."—Oprah Winfrey This book is going to change the way you see your life. Have you ever wondered "Why did I do that?" or "Why can't I just control my behavior?" Others may judge our reactions and think, "What's wrong with that person?" When questioning our emotions, it's easy to place the blame on ourselves; holding ourselves and those around us to an impossible standard. It's time we started asking a different question. Through deeply personal conversations, Oprah Winfrey and renowned brain and trauma expert Dr. Bruce Perry offer a groundbreaking and profound shift from asking "What's wrong with you?" to "What happened to you?" Here, Winfrey shares stories from her own past, understanding through experience the vulnerability that comes from facing trauma and adversity at a young age. In conversation throughout the book, she and Dr. Perry focus on understanding people, behavior, and ourselves. It's a subtle but profound shift in our approach to trauma, and it's one that allows us to understand our pasts in order to clear a path to our future—opening the door to resilience and healing in a proven, powerful way.

You Are Your Best Thing - Tarana Burke
2022-01-25

NEW YORK TIMES BESTSELLER • Tarana Burke and Dr. Brené Brown bring together a dynamic group of Black writers, organizers, artists, academics, and cultural figures to discuss the topics the two have dedicated their lives to understanding and teaching: vulnerability and shame resilience.

Contributions by Kiese Laymon, Imani Perry, Laverne Cox, Jason Reynolds, Austin Channing Brown, and more NAMED ONE OF THE BEST BOOKS OF THE YEAR BY MARIE CLAIRE AND BOOKRIOT It started as a text between two friends. Tarana Burke, founder of the 'me too.' Movement, texted researcher and writer Brené Brown to see if she was free to jump on a call. Brené assumed that Tarana wanted to talk about wallpaper. They had been trading home decorating inspiration boards in their last text

conversation so Brené started scrolling to find her latest Pinterest pictures when the phone rang. But it was immediately clear to Brené that the conversation wasn't going to be about wallpaper. Tarana's hello was serious and she hesitated for a bit before saying, "Brené, you know your work affected me so deeply, but as a Black woman, I've sometimes had to feel like I have to contort myself to fit into some of your words. The core of it rings so true for me, but the application has been harder." Brené replied, "I'm so glad we're talking about this. It makes sense to me. Especially in terms of vulnerability. How do you take the armor off in a country where you're not physically or emotionally safe?" Long pause. "That's why I'm calling," said Tarana. "What do you think about working together on a book about the Black experience with vulnerability and shame resilience?" There was no hesitation. Burke and Brown are the perfect pair to usher in this stark, potent collection of essays on Black shame and healing. Along with the anthology contributors, they create a space to recognize and process the trauma of white supremacy, a space to be vulnerable and affirm the fullness of Black love and Black life.

[Atlas of the Heart](#) - Brené Brown 2021-11-30
#1 NEW YORK TIMES BESTSELLER • In her latest book, Brené Brown writes, "If we want to find the way back to ourselves and one another, we need language and the grounded confidence to both tell our stories and be stewards of the stories that we hear. This is the framework for meaningful connection." In *Atlas of the Heart*, Brown takes us on a journey through eighty-seven of the emotions and experiences that define what it means to be human. As she maps the necessary skills and an actionable framework for meaningful connection, she gives us the language and tools to access a universe of new choices and second chances—a universe where we can share and steward the stories of our bravest and most heartbreaking moments with one another in a way that builds connection. Over the past two decades, Brown's extensive research into the experiences that make us who we are has shaped the cultural conversation and helped define what it means to be courageous with our lives. *Atlas of the Heart* draws on this research, as well as on Brown's

singular skills as a storyteller, to show us how accurately naming an experience doesn't give the experience more power—it gives us the power of understanding, meaning, and choice. Brown shares, "I want this book to be an atlas for all of us, because I believe that, with an adventurous heart and the right maps, we can travel anywhere and never fear losing ourselves."

Dare to Lead - Brené Brown 2018-10-09

#1 NEW YORK TIMES BESTSELLER • Brené Brown has taught us what it means to dare greatly, rise strong, and brave the wilderness. Now, based on new research conducted with leaders, change makers, and culture shifters, she's showing us how to put those ideas into practice so we can step up and lead. Don't miss the five-part HBO Max docuseries Brené Brown: Atlas of the Heart! NAMED ONE OF THE BEST BOOKS OF THE YEAR BY BLOOMBERG Leadership is not about titles, status, and wielding power. A leader is anyone who takes responsibility for recognizing the potential in people and ideas, and has the courage to develop that potential. When we dare to lead, we don't pretend to have the right answers; we stay curious and ask the right questions. We don't see power as finite and hoard it; we know that power becomes infinite when we share it with others. We don't avoid difficult conversations and situations; we lean into vulnerability when it's necessary to do good work. But daring leadership in a culture defined by scarcity, fear, and uncertainty requires skill-building around traits that are deeply and uniquely human. The irony is that we're choosing not to invest in developing the hearts and minds of leaders at the exact same time as we're scrambling to figure out what we have to offer that machines and AI can't do better and faster. What can we do better? Empathy, connection, and courage, to start. Four-time #1 New York Times bestselling author Brené Brown has spent the past two decades studying the emotions and experiences that give meaning to our lives, and the past seven years working with transformative leaders and teams spanning the globe. She found that leaders in organizations ranging from small entrepreneurial startups and family-owned businesses to nonprofits, civic organizations, and Fortune 50 companies all ask the same question:

How do you cultivate braver, more daring leaders, and how do you embed the value of courage in your culture? In this new book, Brown uses research, stories, and examples to answer these questions in the no-BS style that millions of readers have come to expect and love. Brown writes, "One of the most important findings of my career is that daring leadership is a collection of four skill sets that are 100 percent teachable, observable, and measurable. It's learning and unlearning that requires brave work, tough conversations, and showing up with your whole heart. Easy? No. Because choosing courage over comfort is not always our default. Worth it? Always. We want to be brave with our lives and our work. It's why we're here." Whether you've read Daring Greatly and Rising Strong or you're new to Brené Brown's work, this book is for anyone who wants to step up and into brave leadership.

No Matter What! - Lisa Nichols 2009-04-13

From bestselling author and motivational speaker Lisa Nichols comes a unique and powerful inspirational program that will both move you and empower you to realize your dreams. Millions are trying to live by The Secret's Law of Attraction, but the truth is it won't work unless you flex your all-important "bounce-back" muscles, which give you the ability to successfully navigate life's speed bumps. By developing and toning her own bounce-back muscles at critical points in her life, Lisa found the power to become her authentic self and achieve everything she dared to hope for. Now, in No Matter What, she offers a groundbreaking program that outlines these 9 Steps or "muscles", which include among others your Confidence, Faith-in-Myself, Honesty Out Loud and Forgiveness muscles, and explains how anyone can use them to achieve happiness and off-the-charts success. In this powerful guide Lisa Nichols introduces her dynamic plan, shares her own remarkable story, and prescribes specific exercises and action steps to inspire readers to learn from their past and move toward a courageous future. "I've watched Lisa Nichols light up rooms and inspire thousands for years. As a featured teacher in The Secret, she explained the Law of Attraction, but now, for the first time, she reveals her own secret to happiness: the Law of No Matter What. Read

this book, and learn to create the things in life you believed were out of reach." --Marci Shimoff, bestselling author of *Happy for No Reason* and featured teacher in *The Secret* "Lisa is a living example of what it takes to overcome the inevitable obstacles in your path...with the help of this book, you'll be able to soar to success--no matter what!" --Jack Canfield, Co-Author of the *New York Times Bestselling Chicken Soup for the Soul Series* "Lisa Nichols is a rock star of personal growth! Gutsy and authentic, in *No Matter What*, Lisa uses her charismatic and influential style to teach resilience. Whether you are a seasoned student of character and enlightenment or just starting, this book is a must read, advanced course for possibility." --Stephen M. R. Covey, author of the *New York Times* bestseller *The Speed of Trust*

Daring Greatly - Brené Brown 2013-01-17

Researcher and thought leader Dr. Brené Brown offers a powerful new vision in *Daring Greatly* that encourages us to embrace vulnerability and imperfection, to live wholeheartedly and courageously. 'It is not the critic who counts; not the man who points out how the strong man stumbles, or where the doer of deeds could have done them better. The credit belongs to the man who is actually in the arena, whose face is marred by dust and sweat and blood; who strives valiantly; . . . who at best knows in the end the triumph of high achievement, and who at worst, if he fails, at least fails while daring greatly' - Theodore Roosevelt

Every time we are introduced to someone new, try to be creative, or start a difficult conversation, we take a risk. We feel uncertain and exposed. We feel vulnerable. Most of us try to fight those feelings - we strive to appear perfect. Challenging everything we think we know about vulnerability, Dr. Brené Brown dispels the widely accepted myth that it's a weakness. She argues that vulnerability is in fact a strength, and when we shut ourselves off from revealing our true selves we grow distanced from the things that bring purpose and meaning to our lives. *Daring Greatly* is the culmination of 12 years of groundbreaking social research, across the home, relationships, work, and parenting. It is an invitation to be courageous; to show up and let ourselves be seen, even when there are no guarantees. This is vulnerability. This is daring

greatly. 'Brilliantly insightful. I can't stop thinking about this book' -Gretchen Rubin Brené Brown, Ph.D., LMSW is a #1 *New York Times* bestselling author and a research professor at the University of Houston Graduate College of Social Work. Her groundbreaking work was featured on Oprah Winfrey's Super Soul Sunday, NPR, and CNN. Her TED talk is one of the most watched TED talks of all time. Brené is also the author of *The Gifts of Imperfection* and *I Thought It Was Just Me (but it isn't)*.

A Year of Living Kindly - Donna Cameron
2018-09-25

2020 New York City Big Book Awards Winner in Self-Help: Motivational 2020 14th Annual National Indie Excellence Award-Winner in Self-Help Motivational 2019 IPPY Gold Medal Winner: Self Help 2019 Nautilus Book Awards Gold Winner in Personal Growth & Self-Help 2019 Next Generation Indie Book Awards: Gold Medal Winner in Motivational 2019 Readers' Favorite Awards: Gold Medal Winner in Nonfiction Self-Help 2019 Eric Hoffer Award Winner: Self-Help 2019 Independent Author Network Book of the Year Awards: First Place in Self-Help 2019 Chanticleer I & I Book Awards for Instruction and Insight Finalist 2019 International Book Awards: Finalist, Self-Help: General 2019 Nancy Pearl Best Book Award: Finalist in Memoir 2019 Eric Hoffer Montaigne Medal: Finalist 2019 Foreword Indies Finalist: Adult Nonfiction—Self-Help Kirkus Reviews Best Books of 2018 Being kind is something most of us do when it's easy and when it suits us. Being kind when we don't feel like it, or when all of our buttons are being pushed, is hard. But that's also when it's most needed; that's when it can defuse anger and even violence, when it can restore civility in our personal and virtual interactions. Kindness has the power to profoundly change our relationships with other people and with ourselves. It can, in fact, change the world. In *A Year of Living Kindly*—using stories, observation, humor, and summaries of expert research—Donna Cameron shares her experience committing to 365 days of practicing kindness. She presents compelling research into the myriad benefits of kindness, including health, wealth, longevity, improved relationships, and personal and business success. She explores what a kind life entails,

and what gets in the way of it. And she provides practical and experiential suggestions for how each of us can strengthen our kindness muscle so choosing a life of kindness becomes ever easier and more natural. An inspiring, practical guide that can help any reader make a commitment to kindness, *A Year of Living Kindly* shines a light on how we can create a better, safer, and more just world—and how you can be part of that transformation.

[What I Know For Sure](#) - Oprah Winfrey

2014-09-02

As a creative force, student of the human heart and soul, and champion of living the life you want, Oprah Winfrey stands alone. Over the years, she has made history with a legendary talk show - the highest-rated program of its kind, launched her own television network, become the nation's only African-American billionaire, and been awarded both an honorary degree by Harvard University and the Presidential Medal of Freedom. From all her experiences, she has gleaned life lessons—which, for fourteen years, she's shared in *O, The Oprah Magazine's* widely popular "What I Know For Sure" column, a monthly source of inspiration and revelation. Now, for the first time, these thoughtful gems have been revised, updated, and collected in *What I Know For Sure*, a beautiful cloth bound book with a ribbon marker, packed with insight and revelation from Oprah Winfrey. Organized by theme—joy, resilience, connection, gratitude, possibility, awe, clarity, and power—these essays offer a rare, powerful and intimate glimpse into the heart and mind of one of the world's most extraordinary women—while providing readers a guide to becoming their best selves. Candid, moving, exhilarating, uplifting, and frequently humorous, the words Oprah shares in *What I Know For Sure* shimmer with the sort of truth that readers will turn to again and again.

The Science of Effective Mentorship in

STEMM - National Academies of Sciences, Engineering, and Medicine 2020-01-24

Mentorship is a catalyst capable of unleashing one's potential for discovery, curiosity, and participation in STEMM and subsequently improving the training environment in which that STEMM potential is fostered. Mentoring relationships provide developmental spaces in which students' STEMM skills are honed and

pathways into STEMM fields can be discovered. Because mentorship can be so influential in shaping the future STEMM workforce, its occurrence should not be left to chance or idiosyncratic implementation. There is a gap between what we know about effective mentoring and how it is practiced in higher education. *The Science of Effective Mentorship in STEMM* studies mentoring programs and practices at the undergraduate and graduate levels. It explores the importance of mentorship, the science of mentoring relationships, mentorship of underrepresented students in STEMM, mentorship structures and behaviors, and institutional cultures that support mentorship. This report and its complementary interactive guide present insights on effective programs and practices that can be adopted and adapted by institutions, departments, and individual faculty members.

Stay Woke - Justin Michael Williams 2020-02-11

A no-nonsense guide to establishing a personal meditation practice, changing your life, and taking hold of your dreams. **CONFESSION:** This is not really a meditation book. Yes, you're going to learn everything you need to know about meditation, but if you came looking for a typical guide to mindfulness, you're in the wrong place. We are modern people in a high-tech world. We have first world problems and long to-do lists. And if you grew up in struggle—overcoming homophobia, sexism, trauma, shame, depression, poverty, toxic masculinity, racism, or social injustice—you need a different type of meditation ... one that doesn't pretend the struggle doesn't exist. Here you will discover: ● How to actually find stillness when your mind is going crazy ● Why most guided meditations get boring after a while ● What nobody tells you about "setting intentions" and the scientific process to manifesting ● Four hidden habits that sabotage your growth—and how to move past them ● Proven techniques to overcome anxiety, stress, and trouble sleeping ● Daily rituals that cement and enrich your practice ● How to use mindfulness to take action toward the causes you believe in and get sh!t done Whether you've tried meditation but it never sticks, or you've heard about it but never gave it a shot, Justin Michael Williams guides you step by step in creating a custom meditation ritual that fits in

with your busy (and sometimes messy!) modern life. With free downloadable audio meditations every step of the way, *Stay Woke* gives people of all genders, identities, colors, religions, ages, and economic backgrounds the tools to stop wasting time, overcome self-doubt, and wake up to the lives we were really born to live.

[Women and Shame](#) - Brené Brown 2004-06-30

A compelling and provocative exploration of the complexities of shame and its impact on women's lives. Based on interviews with over 200 women, here are ideas, information, and strategies for understanding shame across a wide range of topics, including appearance, sex, body image, motherhood, parenting, health, and aging, supported by poignant and relevant case examples. Four key elements that allow women to transform shame into connection and acceptance are identified and explained.

Original.

[Radical Acceptance](#) - Tara Brach 2004-11-23

For many of us, feelings of deficiency are right around the corner. It doesn't take much--just hearing of someone else's accomplishments, being criticized, getting into an argument, making a mistake at work--to make us feel that we are not okay. Beginning to understand how our lives have become ensnared in this trance of unworthiness is our first step toward reconnecting with who we really are and what it means to live fully. —from *Radical Acceptance* "Believing that something is wrong with us is a deep and tenacious suffering," says Tara Brach at the start of this illuminating book. This suffering emerges in crippling self-judgments and conflicts in our relationships, in addictions and perfectionism, in loneliness and overwork—all the forces that keep our lives constricted and unfulfilled. *Radical Acceptance* offers a path to freedom, including the day-to-day practical guidance developed over Dr. Brach's twenty years of work with therapy clients and Buddhist students. Writing with great warmth and clarity, Tara Brach brings her teachings alive through personal stories and case histories, fresh interpretations of Buddhist tales, and guided meditations. Step by step, she leads us to trust our innate goodness, showing how we can develop the balance of clear-sightedness and compassion that is the essence of *Radical Acceptance*. *Radical Acceptance* does

not mean self-indulgence or passivity. Instead it empowers genuine change: healing fear and shame and helping to build loving, authentic relationships. When we stop being at war with ourselves, we are free to live fully every precious moment of our lives.

Why Won't You Apologize? - Harriet Lerner 2017-01-10

"If you want to know why Harriet Lerner is one of my great heroes, *Why Won't You Apologize?* is the answer. This book is a game changer."

—Brené Brown, PhD, LMSW, author of the #1 New York Times bestseller *Rising Strong*

"Harriet Lerner is one hell of a wise woman. She draws you in with deft and engaging prose, and then changes your life with her rigorous intelligence and her deeply human advice. I promise that you will never see 'the apology' in quite the same way." —Esther Perel, MA, LMFT author of *Mating in Captivity* Renowned psychologist and bestselling author of *The Dance of Anger* sheds new light on the two most important words in the English language—I'm sorry—and offers a unique perspective on the challenge of healing broken connections and restoring trust. Dr. Harriet Lerner has been studying apologies—and why some people won't give them—for more than two decades. Now she offers compelling stories and solid theory that bring home how much the simple apology matters and what is required for healing when the hurt we've inflicted (or received) is far from simple. Readers will learn how to craft a deeply meaningful "I'm sorry" and avoid apologies that only deepen the original injury. *Why Won't You Apologize?* also addresses the compelling needs of the injured party—the one who has been hurt by someone who won't apologize, tell the truth, or feel remorse. Lerner explains what drives both the non-apologizer and the over-apologizer, as well as why the people who do the worst things are the least able to own up. She helps the injured person resist pressure to forgive too easily and challenges the popular notion that forgiveness is the only path to peace of mind. With her trademark humor and wit, Lerner offers a joyful and sanity-saving guide to setting things right.

Braving the Wilderness - Brené Brown 2019-08-27

#1 NEW YORK TIMES BESTSELLER • REESE'S

BOOK CLUB PICK • A timely and important book that challenges everything we think we know about cultivating true belonging in our communities, organizations, and culture, from the #1 bestselling author of *Rising Strong*, *Daring Greatly*, and *The Gifts of Imperfection*. Don't miss the five-part HBO Max docuseries *Brené Brown: Atlas of the Heart!* "True belonging doesn't require us to change who we are. It requires us to be who we are." Social scientist Brené Brown, PhD, MSW, has sparked a global conversation about the experiences that bring meaning to our lives—experiences of courage, vulnerability, love, belonging, shame, and empathy. In *Braving the Wilderness*, Brown redefines what it means to truly belong in an age of increased polarization. With her trademark mix of research, storytelling, and honesty, Brown will again change the cultural conversation while mapping a clear path to true belonging. Brown argues that we're experiencing a spiritual crisis of disconnection, and introduces four practices of true belonging that challenge everything we believe about ourselves and each other. She writes, "True belonging requires us to believe in and belong to ourselves so fully that we can find sacredness both in being a part of something and in standing alone when necessary. But in a culture that's rife with perfectionism and pleasing, and with the erosion of civility, it's easy to stay quiet, hide in our ideological bunkers, or fit in rather than show up as our true selves and brave the wilderness of uncertainty and criticism. But true belonging is not something we negotiate or accomplish with others; it's a daily practice that demands integrity and authenticity. It's a personal commitment that we carry in our hearts." Brown offers us the clarity and courage we need to find our way back to ourselves and to each other. And that path cuts right through the wilderness. Brown writes, "The wilderness is an untamed, unpredictable place of solitude and searching. It is a place as dangerous as it is breathtaking, a place as sought after as it is feared. But it turns out to be the place of true belonging, and it's the bravest and most sacred place you will ever stand."

The 48 Laws Of Power - Robert Greene
2010-09-03

THE MILLION COPY INTERNATIONAL

BESTSELLER Drawn from 3,000 years of the history of power, this is the definitive guide to help readers achieve for themselves what Queen Elizabeth I, Henry Kissinger, Louis XIV and Machiavelli learnt the hard way. Law 1: Never outshine the master Law 2: Never put too much trust in friends; learn how to use enemies Law 3: Conceal your intentions Law 4: Always say less than necessary. The text is bold and elegant, laid out in black and red throughout and replete with fables and unique word sculptures. The 48 laws are illustrated through the tactics, triumphs and failures of great figures from the past who have wielded - or been victimised by - power.

(From the
Playboy interview with Jay-Z, April 2003)

PLAYBOY: Rap careers are usually over fast: one or two hits, then styles change and a new guy comes along. Why have you endured while other rappers haven't? JAY-Z: I would say that it's from still being able to relate to people. It's natural to lose yourself when you have success, to start surrounding yourself with fake people. In *The 48 Laws of Power*, it says the worst thing you can do is build a fortress around yourself. I still got the people who grew up with me, my cousin and my childhood friends. This guy right here (gestures to the studio manager), he's my friend, and he told me that one of my records, *Volume Three*, was wack. People set higher standards for me, and I love it.

The Seat of the Soul - Gary Zukav 2014-03-11
Explores a new phase of human evolution that reflects a growing understanding about authentic, spiritual power based on cooperative beliefs and a reverence for life.

Rising Strong - Brené Brown 2017-04-04
#1 NEW YORK TIMES BESTSELLER • When we deny our stories, they define us. When we own our stories, we get to write the ending. Don't miss the five-part HBO Max docuseries *Brené Brown: Atlas of the Heart!* Social scientist Brené Brown has ignited a global conversation on courage, vulnerability, shame, and worthiness. Her pioneering work uncovered a profound truth: Vulnerability—the willingness to show up and be seen with no guarantee of outcome—is the only path to more love, belonging, creativity, and joy. But living a brave life is not always easy: We are, inevitably, going to stumble and fall. It is the rise from falling that Brown takes as her

subject in *Rising Strong*. As a grounded theory researcher, Brown has listened as a range of people—from leaders in Fortune 500 companies and the military to artists, couples in long-term relationships, teachers, and parents—shared their stories of being brave, falling, and getting back up. She asked herself, What do these people with strong and loving relationships, leaders nurturing creativity, artists pushing innovation, and clergy walking with people through faith and mystery have in common? The answer was clear: They recognize the power of emotion and they're not afraid to lean in to discomfort. Walking into our stories of hurt can feel dangerous. But the process of regaining our footing in the midst of struggle is where our courage is tested and our values are forged. Our stories of struggle can be big ones, like the loss of a job or the end of a relationship, or smaller ones, like a conflict with a friend or colleague. Regardless of magnitude or circumstance, the rising strong process is the same: We reckon with our emotions and get curious about what we're feeling; we rumble with our stories until we get to a place of truth; and we live this process, every day, until it becomes a practice and creates nothing short of a revolution in our lives. Rising strong after a fall is how we cultivate wholeheartedness. It's the process, Brown writes, that teaches us the most about who we are. ONE OF GREATER GOOD'S FAVORITE BOOKS OF THE YEAR "[Brené Brown's] research and work have given us a new vocabulary, a way to talk with each other about the ideas and feelings and fears we've all had but haven't quite known how to articulate. . . . Brené empowers us each to be a little more courageous."—The Huffington Post

Cassandra Speaks - Elizabeth Lesser 2020-09-15

What story would Eve have told about picking the apple? Why is Pandora blamed for opening the box? And what about the fate of Cassandra who was blessed with knowing the future but cursed so that no one believed her? What if women had been the storytellers? Elizabeth Lesser believes that if women's voices had been equally heard and respected throughout history, humankind would have followed different hero myths and guiding stories—stories that value caretaking, champion compassion, and elevate communication over vengeance and violence.

Cassandra Speaks is about the stories we tell and how those stories become the culture. It's about the stories we still blindly cling to, and the ones that cling to us: the origin tales, the guiding myths, the religious parables, the literature and films and fairy tales passed down through the centuries about women and men, power and war, sex and love, and the values we live by. Stories written mostly by men with lessons and laws for all of humanity. We have outgrown so many of them, and still they endure. This book is about what happens when women are the storytellers too—when we speak from our authentic voices, when we flex our values, when we become protagonists in the tales we tell about what it means to be human. Lesser has walked two main paths in her life—the spiritual path and the feminist one—paths that sometimes cross but sometimes feel at cross-purposes. *Cassandra Speaks* is her extraordinary merging of the two. The bestselling author of *Broken Open* and *Marrow*, Lesser is a beloved spiritual writer, as well as a leading feminist thinker. In this book she gives equal voice to the cool water of her meditative self and the fire of her feminist self. With her trademark gifts of both humor and insight, she offers a vision that transcends the either/or ideologies on both sides of the gender debate. Brilliantly structured into three distinct parts, Part One explores how history is carried forward through the stories a culture tells and values, and what we can do to balance the scales. Part Two looks at women and power and expands what it means to be courageous, daring, and strong. And Part Three offers "A Toolbox for Inner Strength." Lesser argues that change in the culture starts with inner change, and that no one—woman or man—is immune to the corrupting influence of power. She provides inner tools to help us be both strong-willed and kind-hearted. *Cassandra Speaks* is a beautifully balanced synthesis of storytelling, memoir, and cultural observation. Women, men and all people will find themselves in the pages of this book, and will come away strengthened, opened, and ready to work together to create a better world for all people.

The Dance of Connection - Harriet Lerner
2009-10-13

Bestselling author Harriet Lerner focuses on the challenge and the importance of being able to

express one's "authentic voice" in intimate relationships. The key problem in relationships, particularly over time, is that people begin to lose their voice. Despite decades of assertiveness training and lots of good advice about communicating with clarity, timing, and tact, women and men find that their greatest complaints in marriage and other intimate relationships are that they are not being heard, that they cannot affect the other person, that fights go nowhere, that conflict brings only pain. Although an intimate, long-term relationship offers the greatest possibilities for knowing the other person and being known, these relationships are also fertile ground for silence and frustration when it comes to articulating a true self. And yet giving voice to this self is at the center of having both a relationship and a self. Much as she did in *THE MOTHER DANCE*, Lerner will approach this rich subject with tales from her personal life and clinical work, inspiring and teaching readers to speak their own truths to the most important people in their lives.

[Abundance Now](#) - Lisa Nichols 2016-01-05
New York Times bestselling author, Personal Transformation guru, and life coach for the Steve Harvey Show and Today, Lisa Nichols shares her journey from scarcity to abundance, outlining steps everyone can take to create abundance in career, relationships, self, and finances—while creating a legacy for others to follow. Twenty years ago, Lisa Nichols was a single mother dependent on public assistance and jumping from one dead end job to the next. Determined to break out of the defeatist mindset, negative behavior, and bad habits that were holding her back from success, she resolved to change her life. Today, she leads the life of her dreams. In *Abundance Now*, this icon in the field of personal transformation shares her secrets to creating a life that is rich in every way possible. Focusing on the four areas of life that must be refined to bring true abundance, or the 4 E's—Enrichment, Enchantment, Engagement, Endowment—Nichols identifies the framework upon which a fulfilled existence is built. *Abundance Now* offers provocative lessons, actionable plans and real-life case-studies, and makes clear what we must do every day to attract abundance, how to act as if we are

already leading abundant lives, and how to open the door to a life of richness in our work, our relationships, our finances, and in our view of ourselves.

Summary of Permanent Record - Ninja Reads 2019-11-02

*PLEASE NOTE: This concise summary is unofficial and is not authorized, approved, licensed, or endorsed by the original book's publisher or author. Permanent Record became Internationally Known simply because... Edward Snowden's Permanent Record is a testimony of a man for whom privacy is paramount, but who knows that exposing himself is necessary for the world to understand the importance of the information he revealed about the U.S. government. Snowden takes us through his life and decision to reveal the National Security Agency's mass surveillance of American citizens and the tools the NSA used to collect every text, e-mail, phone call, and digital action made by citizens. It is the account of a young man who grew up online and saw the internet change from a land of freedom to a tool used by a sprawling, oppressive machine. It is a memoir for the modern age, and a must-read for those who care about their own privacy. Why read NinjaReads Summaries: *High-Quality Written Summaries with 30-Day Money Back Guarantee *Professional Publishing Team with Native English Speakers & Writers *Each summary is written to ensure your personal growth and enhance your learning experience. *Key Takeaways & Analysis of each chapter with zero fluff. *Actionable item steps summarized to ensure you are able to implement the knowledge. NinjaReads summaries is made for Go-Getters who have an itch to learn and grow. Not only will you learn faster, but you'll also be more productive as you save hours of your day. As you grow smarter from each read, your family and friends may notice and give you compliments on how much you have grown. We chase after the key points and analyze every chapter. You save time by not having to read all the unnecessary fluff that some books may have and absorb only the valuable & practical info you need. That's right... you don't need super speed-reading powers, you'll absorb the info in an hour or less! **DISCLAIMER:** We are confident that our professional summaries will bring more readers

to the full-lengthed book who otherwise would have been discouraged due to a long-read commitment. Our hope is that readers like you can use this summary to help cement the most important lessons and ultimately use it as an intro or companion to the original book, not as a replacement.

Real - Catherine O'Kane 2016-11-17

Stop pursuing happiness and discover the joy of being fully alive through authentic, vulnerable connection. This inspirational, life-changing book reveals how most of our struggles in life are relationship struggles. Depression, anxiety, mental and physical illness, low self-esteem, high divorce rates, and all the myriad ways we explain our pain are more a result of lack of real relationships. We don't know how to connect, and the ways we go about attempting to do so often contribute to the problem. We hide, pretend and defend instead of being real. Connection is the doorway to being fully alive, and it is only one vulnerable step away in any given moment. In this book, Duane and Catherine take the reader through an intimate journey using exercises and examples from their personal and professional lives. Practical tools are shared, including 5 skills of emotional responsibility, and the 4 step 'getting real' process to correct the self-limiting beliefs and feelings that are at the root of our relationship dilemmas. This book provides a road map back to a fully connected life for all of those who have suffered in isolation.

Codependent No More - Melody Beattie
2009-06-10

In a crisis, it's easy to revert to old patterns. Caring for your well-being during the coronavirus pandemic includes maintaining healthy boundaries and saying no to unhealthy relationships. The healing touchstone of millions, this modern classic by one of America's best-loved and most inspirational authors holds the key to understanding codependency and to unlocking its stultifying hold on your life. Is someone else's problem your problem? If, like so many others, you've lost sight of your own life in the drama of tending to someone else's, you may be codependent--and you may find yourself in this book--Codependent No More. The healing touchstone of millions, this modern classic by one of America's best-loved and most

inspirational authors holds the key to understanding codependency and to unlocking its stultifying hold on your life. With instructive life stories, personal reflections, exercises, and self-tests, Codependent No More is a simple, straightforward, readable map of the perplexing world of codependency--charting the path to freedom and a lifetime of healing, hope, and happiness. Melody Beattie is the author of Beyond Codependency, The Language of Letting Go, Stop Being Mean to Yourself, The Codependent No More Workbook and Playing It by Heart.

All the Single Ladies - Rebecca Traister
2016-10-11

"Today, only twenty percent of Americans are wed by age twenty-nine, compared to nearly sixty percent in 1960. The Population Reference Bureau calls it a 'dramatic reversal.' [This book presents a] portrait of contemporary American life and how we got here, through the lens of the single American woman, covering class, race, [and] sexual orientation, and filled with ... anecdotes from ... contemporary and historical figures"--

Leading from Purpose - Nick Craig 2018-06-05
Drawing on ten years of experience working with more than 10,000 executives from companies around the globe, Nick Craig takes you on a revelatory journey to understand your purpose, find clarity and focus, and lead with inspiration. When uncovered, purpose becomes our most fundamental guiding principle. Explaining where true purpose lies and demystifying where it doesn't, Craig offers the methods through which anyone can find their purpose. He identifies three pathways that will assess where you are with your purpose and where you should be going. Illustrated by case studies of leaders from all walks of life and industries, Craig shares their unique stories to show how top leaders are energized by their purpose, finding in it the confidence they need to properly evaluate high-stakes decisions and take the optimal action. The best leaders access their purpose especially when facing the unknown, drawing on the source of it to energize themselves. Purpose also redefines their relationships to stress, allowing them to thrive where others just survived, and to postpone momentary, fleeting rewards in favor of leaving

a sustained, meaningful impact. Accessible, methodical, and eminently practical, *Leading from Purpose* offers the comprehensive toolbox with which everyone--whether a c-suite executive or behind-the-scenes office worker--can live out their purpose and achieve success on their own terms. If you find yourself in an organization that is struggling to live its purpose, Craig's insights on how to bring your purpose and the organization's purpose into the same room at the same time is game-changing and will redefine your life and career.

Created for Connection - Sue Johnson
2016-10-04

"Whoever does not love does not know God, because God is love."--1 John 4:8 Are you looking to enrich a healthy relationship, revitalize a tired one, or rescue one gone awry? Do you yearn to grow closer to God, and to further incorporate Him and His teachings into your marriage? We all want a lifetime of love, support, and faith. But sometimes we need a little help. Enter Dr. Sue Johnson, developer of Emotionally Focused Therapy (EFT) and "the best couple therapist in the world," according to bestselling relationship expert Dr. John Gottman. In *CREATED FOR CONNECTION*, Dr. Johnson and Kenneth Sanderfer, a leading EFT practitioner in the Christian community, share Johnson's groundbreaking and remarkably successful program for creating stronger, more secure relationships not only between partners, but between us and God. The message of *CREATED FOR CONNECTION* is simple: Forget about learning how to argue better, analyzing your early childhood, or making grand romantic gestures. Instead, get to the emotional underpinnings of your relationship by recognizing that you are attached to and dependent on your partner in much the same way that a child is on a parent, and we are on the Heavenly Father, for nurturing, soothing, and protection. The way to enhance or save our relationships with each other and with God is to be open, attuned, responsive, and to reestablish safe emotional connection. Filled with Bible verses, inspiring real-life stories, and guidance, *CREATED FOR CONNECTION* will ensure a lifetime of love.

The Good Girl Stripped Bare - Tracey Spicer
2017-05-01

From bogan to boned and beyond -- a full-frontal 'femoir' by one of Australia's best-loved journalists
From bogan to boned and beyond - a full-frontal femoir
Tracey Spicer was always the good girl. Inspired by Jana Wendt, this bogan from the Brisbane backwaters waded through the 'cruel and shallow money trench' of television to land a dream role: national news anchor for a commercial network. But the journalist found that, for women, TV was less about news and more about helmet hair, masses of makeup and fatuous fashion, in an era when bosses told you to 'stick your tits out', 'lose two inches off your arse', and 'quit before you're too long in the tooth'. Still, Tracey plastered on a smile and did what she was told. But when she was sacked by email after having a baby, this good girl turned 'bad', taking legal action against the network for pregnancy discrimination. In this frank and funny 'femoir' - part memoir, part manifesto - Tracey 'sheconstructs' the structural barriers facing women in the workplace and encourages us all to shake off the shackles of the good girl. "Glow with the wisdom of a woman who has learned essential truths about love, life and happiness" - Caroline Overington "Wickedly witty and wonderfully wise" - Wendy Harmer "Fiercely smart and ferociously funny" - Benjamin Law
Girl Gurl Grrrl - Kenya Hunt 2020-12-08
A People Pick! "One of the year's must-reads." -ELLE "[A] provocative, heart-breaking, and frequently hilarious collection." -GLAMOUR "Essential, vital, and urgent." -HARPER'S BAZAAR
In the vein of Roxane Gay's *Bad Feminist* and Issa Rae's *The Misadventures of Awkward Black Girl*, but wholly its own, a provocative, humorous, and, at times, heartbreaking collection of essays on what it means to be black, a woman, a mother, and a global citizen in today's ever-changing world. Black women have never been more visible or more publicly celebrated than they are now. But for every new milestone, every magazine cover, every box office record smashed, every new face elected to public office, the reality of everyday life for black women remains a complex, conflicted, contradiction-laden experience. An American journalist who has been living and working in London for a decade, Kenya Hunt has made a career of distilling moments,

movements, and cultural moods into words. Her work takes the difficult and the indefinable and makes it accessible; it is razor sharp cultural observation threaded through evocative and relatable stories. *Girl Gurl Grrr!* both illuminates our current cultural moment and transcends it. Hunt captures the zeitgeist while also creating a timeless celebration of womanhood, of blackness, and the possibilities they both contain. She blends the popular and the personal, the frivolous and the momentous in a collection that truly reflects what it is to be living and thriving as a black woman today.

The Art of Asking - Amanda Palmer 2014-11-11
FOREWORD BY BRENE BROWN and
POSTSCRIPT FROM BRAIN PICKINGS

CREATOR MARIA POPOVA Rock star, crowdfunding pioneer, and TED speaker Amanda Palmer knows all about asking. Performing as a living statue in a wedding dress, she wordlessly asked thousands of passersby for their dollars. When she became a singer, songwriter, and musician, she was not afraid to ask her audience to support her as she surfed the crowd (and slept on their couches while touring). And when she left her record label to strike out on her own, she asked her fans to support her in making an album, leading to the world's most successful music Kickstarter. Even while Amanda is both celebrated and attacked for her fearlessness in asking for help, she finds that there are important things she cannot ask for—as a musician, as a friend, and as a wife. She learns that she isn't alone in this, that so many people are afraid to ask for help, and it paralyzes their lives and relationships. In this groundbreaking book, she explores these barriers in her own life and in the lives of those around her, and discovers the emotional, philosophical, and practical aspects of THE ART OF ASKING. Part manifesto, part revelation, this is the story of an artist struggling with the new rules of exchange in the twenty-first century, both on and off the Internet. THE ART OF ASKING will inspire readers to rethink their own ideas about asking, giving, art, and love.

I Thought It Was Just Me (but it Isn't) - Brené Brown 2008

Draws on research with hundreds of interviewees to identify the pervasive influence of cultural shame, discussing how women can

recognize the ways in which shame influences their health and relationships and can be transformed into courage and connectivity.
Socio-Emotional Relationship Therapy - Carmen Knudson-Martin 2015-02-02

This path-breaking volume introduces Socio-Emotional Relationship Therapy for clinical work with troubled couples. Practice-focused and engaging, it integrates real-world knowledge of the intersections of gender, culture, power, and identity in relationships with empirical findings on the neurobiology of attraction. Case examples detail the process of therapists in the moment as they develop both their clinical skills and their understanding of the social contexts fueling couples' difficulties. Applications of the method, which can be used with same-sex couples as well as heterosexual ones, are shown in addressing infidelity, tapping into partners' spirituality, and modeling and encouraging mutual respect and support. Among the topics covered: Undoing gendered power in heterosexual couple relationships. Interpersonal neurobiology, couples, and the societal context. How gender discourses hijack couple therapy—and how it can be avoided. How SERT therapists develop interventions that address the larger context. Building a circle of care in same-sex couple relationships. Couple therapy with adult survivors of child abuse: gender, power, and trust. Socio-Emotional Relationship Therapy opens out practical new possibilities for marriage and family therapists, clinical psychologists, social workers, and counselors seeking ideas for more meaningful couples work.
First Year of Marriage - Marcus Kusi 2016-06-09
How to adjust to married life, build a strong foundation, and survive your first year of marriage. - EVEN if you don't know where to start. Do you feel overwhelmed and completely unprepared for marriage? Are you worried about failing in your marriage, second-guessing your decision to even get married, or considering a divorce? Do you want to have the best marriage you possibly can, but not sure where to start? You are not alone. It is easy to feel like you are the only newlywed struggling with married life; the frustrations, sadness, hopelessness, silent treatment, name calling, anxiety, disagreements, anger, disappointments, coping with new behavior discoveries, wondering if this is what

marriage is supposed to be like, etc. We know how you feel because we experienced these struggles after getting married too. We have also listened to great married couples share their first year of marriage struggles on our podcast, The First Year Marriage Show, and countless others. So, we understand the problems you are facing and want to help you have a better marriage. To be honest, the first year of marriage is the hardest year for most married couples. However, you can avoid the marriage problems newlyweds face every single day by reading this guide for newlyweds and engaged couples today. We strongly believe this book will change your marriage. Because the lessons come from our own first-hand experience and gleaned knowledge. We share our struggles and how we overcame adversity to build a strong foundation for the healthy, happy, and fulfilling marriage we have today. In this First Year of Marriage book, you will learn: 1. How to transform your mindset from I into We. 2. How to build a safe environment for your marriage, so you can express your feelings and opinions without feeling judged. 3. Our simple and proven communication strategies have helped many couples to communicate better. 4. Get a better idea of what is at the root of the issues troubling your marriage, and how to fix them. 5. The glue that holds your marriage together and what we did after one of us changed our faith. 6. How to be independent and interdependent without losing your identity. 7. How to connect and grow together as a couple. 8. Why it is important to create a vision for your marriage, and the four steps we used to create a vision our marriage. 9. Why your first year of marriage is critical to the success of your marriage. And much more. This is the book that we wished was out there when we first got married. If you are a newlywed, just got engaged, looking to remarry or improve your marriage, this indispensable guide is for you. Filled with ideas you can apply immediately to your marriage. Marriage counselors, coaches, educators, pastors, and wedding officiants can also use this book for premarital counseling. You can have the satisfying marriage you both desire. Marriage does not have to be hard. Practice everything we share in this newlyweds guide with your spouse, and you will both be heading towards a happy, healthy, and fulfilling

marriage. If you like reading books that are practical, easy to read, and straightforward. Books you can instantly apply what you learn to your life, then you will enjoy reading this guide for newlyweds. More importantly, read this book with your spouse, discuss the questions, and complete the workbook together. Then apply everything you learn to your marriage. You wouldn't build a million-dollar home on a weak foundation. Why would you consider the same for your marriage? Girl Walks Out of a Bar - Lisa F. Smith
2016-06-07

Lisa Smith was a bright, young lawyer at a prestigious firm in NYC in the early nineties when alcoholism started to take over her life. What was once a way of escaping her insecurity and negativity became a means of coping with the anxiety and stress of an impossible workload. *Girl Walks Out of a Bar* is Smith's darkly comic and wrenchingly honest story of her formative years, the decade of alcohol and drug abuse, divorce, and her road to recovery. Smith describes how her spiraling circumstances conspired with her predisposition to depression and self-medication, nurturing an environment ripe for addiction to flourish. *Girl Walks Out of a Bar* is a candid portrait of alcoholism through the lens of gritty New York realism. Beneath the façade of success lies the reality of addiction.

The Gifts of Imperfection - Brené Brown
2010-09-20

NEW YORK TIMES BESTSELLER • This tenth-anniversary edition of the game-changing #1 New York Times bestseller features a new foreword and new tools to make the work your own. For over a decade, Brené Brown has found a special place in our hearts as a gifted mapmaker and a fellow traveler. She is both a social scientist and a kitchen-table friend whom

you can always count on to tell the truth, make you laugh, and, on occasion, cry with you. And what's now become a movement all started with *The Gifts of Imperfection*, which has sold more than two million copies in thirty-five different languages across the globe. What transforms this book from words on a page to effective daily practices are the ten guideposts to wholehearted living. The guideposts not only help us understand the practices that will allow us to change our lives and families, they also walk us through the unattainable and sabotaging expectations that get in the way. Brené writes, "This book is an invitation to join a wholehearted revolution. A small, quiet, grassroots movement that starts with each of us saying, 'My story matters because I matter.' Revolution might sound a little dramatic, but in this world, choosing authenticity and worthiness is an absolute act of resistance."

Together - Vivek H. Murthy, M.D. 2020-04-07

The book we need NOW to avoid a social recession, Murthy's prescient message is about the importance of human connection, the hidden impact of loneliness on our health, and the social power of community. Humans are social creatures: In this simple and obvious fact lies both the problem and the solution to the current crisis of loneliness. In his groundbreaking book, the 19th surgeon general of the United States Dr. Vivek Murthy makes a case for loneliness as a public health concern: a root cause and contributor to many of the epidemics sweeping the world today from alcohol and drug addiction to violence to depression and anxiety.

Loneliness, he argues, is affecting not only our health, but also how our children experience school, how we perform in the workplace, and the sense of division and polarization in our society. But, at the center of our loneliness is our innate desire to connect. We have evolved to

participate in community, to forge lasting bonds with others, to help one another, and to share life experiences. We are, simply, better together. The lessons in *Together* have immediate relevance and application. These four key strategies will help us not only to weather this crisis, but also to heal our social world far into the future. Spend time each day with those you love. Devote at least 15 minutes each day to connecting with those you most care about. Focus on each other. Forget about multitasking and give the other person the gift of your full attention, making eye contact, if possible, and genuinely listening. Embrace solitude. The first step toward building stronger connections with others is to build a stronger connection with oneself. Meditation, prayer, art, music, and time spent outdoors can all be sources of solitary comfort and joy. Help and be helped. Service is a form of human connection that reminds us of our value and purpose in life. Checking on a neighbor, seeking advice, even just offering a smile to a stranger six feet away, all can make us stronger. During Murthy's tenure as Surgeon General and during the research for *Together*, he found that there were few issues that elicited as much enthusiastic interest from both very conservative and very liberal members of Congress, from young and old people, or from urban and rural residents alike. Loneliness was something so many people have known themselves or have seen in the people around them. In the book, Murthy also shares his own deeply personal experiences with the subject--from struggling with loneliness in school, to the devastating loss of his uncle who succumbed to his own loneliness, as well as the important example of community and connection that his parents modeled. Simply, it's a universal condition that affects all of us directly or through the people we love—now more than ever.
