DeLaine is embarking on an intense and surprising journey through the junior high jungle of 8th-grade. Now an upperclassman of the newly minted and rebuilt Milam Junior High, she, along with her best friend, Bailey Rains, encounter many new, wonderful and sometimes heartbreaking lessons in life. DeLaine's new life seems to begin almost the minute she walks into the doors of her school! Unbelievably, she is no longer invisible or it seems a peasant, in the school's social hierarchy! DeLaine is finding that being part of the popular crowd is attainable to someone like her. She can't believe her luck and how different her days

as an 8th-grader compare to her miserable days as a 6th-grader. With her unusual year being a 7th-grader at Samson High School over, she is free to explore in a completely different group of friends than what she has ever known. Her new group of friends includes Jax Garrett as an upstanding member in their midst.

DeLaine's crush from 6th-grade seems to confound her as much as Kevin Strong. Freshman, Kevin, is no longer in the same school with DeLaine and she feels his absence even with the attention she's receiving from cute cowboy, Jax! Her home life continues to be a roller coaster ride of insanity with occasional peeks of hope sprinkled throughout. Her step-mother, Clarice, seems to be happy with the caliber of friends DeLaine now has, which makes life a bit more bearable. She had hopes that since she would no longer be in the high school, her step-brother, Geoffrey would calm down as much as his mother has towards DeLaine, but he continues to run hot and cold

no matter what she does in regards to his best friend Kevin Strong. DeLaine's life takes an unexpected twist half-way through her school year and she learns what true heartbreak is after receiving devastating news! How will she survive the huge changes coming into her life?

#LoveJustLove - Michelle

Tatka 2020-03-02

In a world full of chaos & unpredictability, why not let love lead the way? Why not #LoveJustLove? Who doesn't want to enjoy some of the many benefits of loving: * Peace, Joy, Contentment * A healthier heart * Reduced anxiety * Fewer strokes * Less depression * Faster healing * Feeling of purpose * Longer life span * Maybe, just maybe, better SEX!!!!!! Who's not interested in waking up every day feeling overwhelming gratitude for all that you have, all you are able to give, everyone you are able to love? What kind of check would you write in order to live that kind of life? What if it cost you NOTHING!!! Would you be open to giving it a try? What do you have to lose? At the end of this life people will define their "success" in numerous ways. Many will gauge it by the bank accounts they leave behind, the toys they had accumulated, the titles they had obtained, but I will judge it by the number of

people I was able to love during my time here. I am just a girl trying to "love the world a better place". Honestly, that is all that I want for the rest of this lifetime. To

#LoveJustLove. Love without prejudice, without judgement, obstacles or boundaries, needing nothing in return, for loving is our greatest gift, the ultimate achievement, and OUR choice to make. So open this book.... open your mind... and open your heart. Much love friends~ Michelle

Orchestral "Pops" Music - Lucy
Manning 2013-10-10

In this second edition of
Orchestral "Pops" Music: A
Handbook, Lucy Manning
brings forward to the present
her remarkable compendium of
information about this form of
orchestral music. Since the
appearance of the first edition
in 2008, this work has proven
critical to successful "pops"
concert programming. With
changes in publishers and
agents, the discontinuation of
the publication of certain
original material or, worst of
all, presses going out of
business, music directors,
orchestra conductors, and
professional instrumentalists
face formidable challenges in
tracking down accurate
information about this vast
repertoire. This revised
handbook alleviates the time-
consuming task of researching
these changes by offering a list
of works for orchestral "pops"

concerts that is comprehensive, informative, and current. Manning's emphasis on clarity and accuracy gives users an indispensable tool for gathering vital information on the style, instrumentation, and availability of the repertoire listed, as well as notes on its performance. The user-friendly appendices include expanded instrumentation choices, easy-to-find durations, and handy title cross-references. In addition to corrections and updates, this new edition of *Orchestral "Pops" Music* includes at least 1,000 new title listings. *Orchestral "Pops" Music: A Handbook* is the ideal tool for working conductors and orchestral librarians, as well as music program directors at colleges, conservatories, and orchestras.
