Good To Be Bad - Lauren Blakely 2021-05-11

It was only supposed to be one time. But that red-hot one night stand from the party? The sexy man in the suit who gave me more Os in a few hours than I've had in a year? Turns out my charming British stranger is keeping a little secret. He's as much of a whiz in the kitchen as he is in the bedroom and soon we'll be going head-to-head in NYC's biggest bake off. My one-time lover is now my enemy. I vow to loathe him for all eternity, though that would be easier if I wasn't dying to get naked with him again. But the more I learn more about my rival, the more I suspect he just might be everything I've wanted... If only I knew how to let him in... GOOD TO BE BAD is a sexy standalone romance in the Good Love series!

The Crooked Line - Ismat Chughtai 2015-09-15

A young Indian woman searches for her own identity as her country fights for independence in this novel from the award-winning Urdu Indian author. The Crooked Line is the story of Shamman, a spirited young woman who rebels against the traditional Indian life of purdah, or female seclusion, that she and her sisters are raised in. Shipped off to boarding school by her family, Shamman grows into a woman of education and independence just as India itself is fighting to throw off the shackles of colonialism. Shamman's search for her own path leads her into the fray of political unrest, where her passion for her country's independence becomes entangled with her passion for an Irish journalist. In this semi-autobiographical novel, Ismat Chughtai explores the complex relationships between women caught in a changing culture, and exposes the intellectual and emotional conflicts at the heart of India's battle for an uncertain future of independence from the British Raj and ultimately Partition.
