Dumpty - John Lithgow
2019-10-22
New York Times Bestseller!
Dumpty: The Age of Trump in Verse is Volume 1 of a satirical poetry collection from award-winning actor and bestselling author John Lithgow. Chronicling the last few raucous years in American politics, Lithgow takes readers verse by verse through the history of Donald Trump's presidency. • Lampoons the likes of Betsy DeVos, William

Barr, Rudy Giuliani, and dozens more. • Illustrated from cover to cover with Lithgow's never-before-seen line drawings. • Draws inspiration from A. A. Milne, Lewis Carroll, Edward Lear, and even Mother Goose. • Great for fans of A Very Stable Genius by Mike Luckovich, Win Bigly: Persuasion in a World Where Facts Don't Matter by Scott Adams, and The Donald J. Trump Presidential Twitter Library by The Daily Show with

Trevor Noah. The poems collected in *Dumpty* draw inspiration from A. A. Milne, Lewis Carroll, Edward Lear, Rodgers and Hammerstein, Mother Goose, and many more. A feat of laugh-out-loud lyrical storytelling, this timely volume is bound to bring joy to poetry lovers, political junkies, and Lithgow fans alike. Audio edition read by the author.

The Dangerous Case of Donald Trump - Bandy X. Lee
2019-03-19

As this bestseller predicted, Trump has only grown more erratic and dangerous as the pressures on him mount. This new edition includes new essays bringing the book up to date—because this is still not normal. Originally released in fall 2017, *The Dangerous Case of Donald Trump* was a runaway bestseller. Alarmed Americans and international onlookers wanted to know: What is wrong with him? That question still plagues us. The Trump administration has proven as chaotic and destructive as its opponents feared, and the man at the

center of it all remains a cipher. Constrained by the APA's "Goldwater rule," which inhibits mental health professionals from diagnosing public figures they have not personally examined, many of those qualified to weigh in on the issue have shied away from discussing it at all. The public has thus been left to wonder whether he is mad, bad, or both. The prestigious mental health experts who have contributed to the revised and updated version of *The Dangerous Case of Donald Trump* argue that their moral and civic "duty to warn" supersedes professional neutrality. Whatever affects him, affects the nation: From the trauma people have experienced under the Trump administration to the cult-like characteristics of his followers, he has created unprecedented mental health consequences across our nation and beyond. With eight new essays (about one hundred pages of new material), this edition will cover the dangerous ramifications of Trump's

unnatural state. It's not all in our heads. It's in his.

I'll Take Your Questions Now - Stephanie Grisham 2021-10-05

The most frank and intimate portrait of the Trump White House yet Stephanie Grisham rose from being a junior press wrangler on the Trump campaign in 2016 to assuming top positions in the administration as White House press secretary and communications director, while at the same time acting as First Lady Melania Trump's communications director and eventually chief of staff. Few members of the Trump inner circle served longer or were as close to the first family as Stephanie Grisham, and few had her unique insight into the turbulent four years of the administration, especially the personalities behind the headlines.

Trump And The Kids - Emil Kahen 2021-05-05

Donald John Trump (born June 14, 1946) is an American media personality and businessman who served as the 45th president of the United States

from 2017 to 2021. Trump provides the perfect example of how not to behave, speak, and treat people. Now there's a book to help your kids understand why Trump alarms most Americans. Most kids' presidential biographies gloss over the scandals and bad behavior. We explain how Trump wants to return to an America that wasn't great for Blacks, women, immigrants, or anyone different. We explore his worrying relationship with dictators. Don't Be Like Trump explains the long history of useless border walls, Trump's military service (just kidding!), and the Resistance in an accessible, breezy style. activities make learning about our awful president fun, including: Impersonate the President Get Rich Quick Using Trump's Proven Method Prove You are Smarter than the President with Quizzes Annoy President Donald Trump Eight Different Ways Buy now.

Demagogue for President - Jennifer Mercieca 2020-07-07

"Deserves a place alongside George Orwell's 'Politics and

the English Language'. . . one of the most important political books of this perilous summer."—The Washington Post "A must-read"—Salon "Highly recommended"—Jack Shafer, Politico Featured in "The Best New Books to Read This Summer" and "Lit Hub's Most Anticipated Books of 2020"—Literary Hub

Historic levels of polarization, a disaffected and frustrated electorate, and widespread distrust of government, the news media, and traditional political leadership set the stage in 2016 for an unexpected, unlikely, and unprecedented presidential contest. Donald Trump's campaign speeches and other rhetoric seemed on the surface to be simplistic, repetitive, and disorganized to many. As Demagogue for President shows, Trump's campaign strategy was anything but simple. Political communication expert Jennifer Mercieca shows how the Trump campaign expertly used the common rhetorical techniques of a demagogue, a

word with two contradictory definitions—"a leader who makes use of popular prejudices and false claims and promises in order to gain power" or "a leader championing the cause of the common people in ancient times" (Merriam-Webster, 2019). These strategies, in conjunction with post-rhetorical public relations techniques, were meant to appeal to a segment of an already distrustful electorate. It was an effective tactic. Mercieca analyzes rhetorical strategies such as argument ad hominem, argument ad baculum, argument ad populum, reification, paralipsis, and more to reveal a campaign that was morally repugnant to some but to others a brilliant appeal to American exceptionalism. By all accounts, it fundamentally changed the discourse of the American public sphere.

No Is Not Enough - Naomi Klein 2017-06-13
The New York Times—bestselling roadmap to resistance in the Trump era

*Downloaded from
test.uni.cari.be.edu.doon
by guest*

from the internationally acclaimed activist and author of *On Fire* and *The Battle for Paradise*. The election of Donald Trump is a dangerous escalation in a world of cascading crises. Trump's vision—a radical deregulation of the US economy in the interest of corporations, an all-out war on “radical Islamic terrorism,” and a sweeping aside of climate science to unleash a domestic fossil fuel frenzy—will generate wave after wave of crises and shocks, to the economy, to national security, to the environment. In *No Is Not Enough*, Naomi Klein explains that Trump, extreme as he is, is not an aberration but a logical extension of the worst and most dangerous trends of the past half-century. In exposing the malignant forces behind Trump's rise, she puts forward a bold vision for a mass movement to counter rising militarism, nationalism, and corporatism in the United States and around the world. Longlisted for the National Book Award “I hope that

Klein's book is read by more than just her (mostly) leftwing fan base. For whatever you think about her economic arguments, she makes a powerful and an important point: that you cannot understand Trump without looking at how he reflects bigger cultural and social dynamics. And what is perhaps refreshing about *No Is Not Enough* is that Klein tries to move beyond mere outrage and hand-wringing to offer a practical manifesto for opposition.” —Financial Times “Brimming with ideas rarely heard in the mainstream media. And her fiery, punchy writing style, which is occasionally laced with humor, makes it hard to put down.” —The Georgia Straight

[What Were We Thinking](#) -
Carlos Lozada 2021-10-12

In this “crisp, engaging, and very smart” (The New York Times Book Review) work, The Washington Post's Pulitzer Prize-winning book critic digs into books of the Trump era and finds that our response to this presidency often reflects

Downloaded from
test.uni.cari.be.edu.doon

by guest

the same polarization, contradictions, and resentments that made it possible. It is an irony of our age that a man who rarely reads has unleashed an onslaught of books about his tenure and his time. Dissections of the white working class. Manifestos of political resistance. Works on identity, gender, and migration. Memoirs on race and protest. Revelations of White House mayhem. Warnings over the future of conservatism, progressivism, and of American democracy itself. As a book critic for The Washington Post, Carlos Lozada has read just about all of them. In *What Were We Thinking*, he draws on some 150 recent volumes to explore how we understand ourselves in the Trump era. Lozada's characters are not the president, his advisers, or his antagonists but the political and cultural ideas at play—and at stake—in America. Just as Trump's election upended the country's political establishment, it shocked its

intellectual class. Though some of the books of the Trump era skillfully illuminate the challenges and transformations the nation faces, too many works are more defensive than incisive, more righteous than right. Lozada offers a provocative argument: Whether written by liberals or conservatives, activists or academics, true believers or harsh critics, the books of Trump's America are vulnerable to the same failures of imagination that gave us this presidency in the first place. In *What Were We Thinking*, Lozada's selections range from bestselling titles to little-known works, from thoroughly reported accounts of the administration to partisan polemics, from meditations on the fate of truth to memoirs about enduring—or enabling—the Trump presidency. He also identifies books that challenge entrenched assumptions and shift our vantage points, the books that best help us make sense of this era. The result is an "elegant yet lacerating"

*Downloaded from
test.uni.cari.be.edu.doon
by guest*

(The Guardian) intellectual history of our time, a work that transcends daily headlines to discern how we got here and how we thought here. What *Were We Thinking* will help today's readers understand America, and will help tomorrow's readers look back and understand us.

Born Trump - Emily Jane Fox
2018-06-19

Who is Donald J. Trump? To truly understand America's forty-fifth president, argues Vanity Fair journalist Emily Jane Fox, you must know his children, whose own stories provide the key to unlocking what makes him tick. *Born Trump* is Fox's dishy, deeply reported, and richly detailed look at Trump's five children (and equally powerful son-in-law, Jared Kushner), exploring their lives, their roles in the campaign and administration, and their dramatic and often fraught relationships with their father and with one another. Reexamining the tabloid-soaked events that shaped their lives in startling new detail, *Born Trump* is full of

surprising insights, previously untold stories, and delicious tidbits about their childhoods (ridiculously privileged and painful, in equal measure) and the extraordinary power they now wield. As a version of this new kind of American royalty they wish to be, they are ensconced not in palaces but in Trump Tower and the White House. Even before Trump's oldest child, Don Jr., was born, Donald told friends that he wanted at least five kids—to make sure there was a greater probability one would turn out just like him. His vision didn't pan out exactly as he'd imagined, but Trump's children each inherited some of his essential traits—as one source says, “collectively, they make the whole.” Ivanka is a media-savvy, hyperskilled messenger with her father's self-promotional ease but without the brash. Don Jr. has the most contentious relationship with his father yet seems prone to endlessly repeat his mistakes. Eric embraced the family's real estate business but has, in surprising ways, charted a

Downloaded from
test.uni.cari.be.edu.doon
by guest

more independent course than his siblings. While Tiffany grew up mostly separate from her father, she inherited Trump's perspective as an outsider—his unique combination of assurance and insecurity. And there is Ivanka's husband, Jared Kushner, whose own family drama and personal ambition is a crucial thread in this saga. Come for the vision of Trump as a father—a portrait of the president at his kindest and cruelest. Stay for the revelatory gossip, including the truth about the firings of Christie and Manafort, the inside scoop on Donald's three marriages, why Ivanka and Jared are "bashert," and how this family of real estate tycoons have become the most powerful people in the world.

[The 21 Biggest Lies about Donald Trump \(and you!\)](#) - Kurt Schlichter 2020-07-07

Has any president been more unjustly vilified than Donald Trump? Yes, he's brash. Yes, he has an ego. Yes, his ad-libbing sometimes gets him into trouble. But the fact is Donald Trump is the most effective

conservative president in decades. That's why the media hate him. That's why they lie about him. And there's something else. When they lie about him, they're really lying about you, because to the media, anyone who supports Donald Trump is deplorable. But here, at last, is the counterpunch we've been waiting for. Columnist and bestselling author Kurt Schlichter provides a fact-filled—and frequently hilarious—takedown of some of the media's most pernicious lies about the president. In *The 21 Biggest Lies about Donald Trump (and you!)*, you'll learn: Why liberals cry "racism" at any argument they don't like—when the real racists of American history have all been the Democrats How Trump "the warmonger" has actually given America a more realistic—and safer—foreign policy than any of his immediate predecessors Why the media refuses to understand the difference between legal and illegal immigrants (here's a clue:

Trump's mother was a legal immigrant—and so is his wife) Why Trump and his supporters are infinitely more intelligent than a media that have gotten every major story of the Trump presidency wrong Trump's great virtues (that too many Republicans lack): realism, courage, common sense, and an unapologetic determination to win conservative victories Tired of media and leftwing lies about Donald Trump? Then you'll love this book.

Trump Never Give Up -

Donald J. Trump 2010-12-29

In *Never Give Up*, Donald Trump tells the dramatic stories of his biggest challenges, lowest moments, and worst mistakes—and how he uses tenacity and creativity to turn defeat into victory. Each chapter includes an inspiring story from Trump's career and concludes with expert commentary and coaching from adversity researcher and author Paul Stoltz. Inspirational and intelligent, *Never Give Up* will help you deal with your own personal challenges, failures,

and weaknesses.

Time to Get Tough - Donald J.

Trump 2011-12-06

A New York Times bestseller! For the first time in his own words, President-elect Donald J. Trump explains his plan to make America great again! He wants to "put America's interests first—and that means doing what's right for our economy, our national security, and our public safety."

Throughout the 2016 campaign, Trump conjured images of American strength and culture when small towns boomed with industry, mom and pop shops bustled, and people said, "Merry Christmas!" The media scoffed at Trump's vision and the people who supported him; they were blinded by the Clinton machine. But their eyes were opened after Trump won 62 million votes and the Oval Office. Even Republican House Speaker Paul Ryan said, "Donald Trump heard a voice in this country that no one else heard." As Trump says in *Time to Get Tough*, "I've built businesses across the globe.

I've dealt with foreign leaders. I've created tens of thousands of American jobs. My whole life has been about executing deals and making real money—massive money. That's what I do for a living: make big things happen..." Trump is about to make the biggest deals of his life, and he's going to make them for America! From reversing lax immigration policies to eliminating regulations that restrict small businesses, Donald Trump understands that America "doesn't need cowardice, it needs courage." President Elect Trump is about to "Make America Great Again" and Time to Get Tough is his blueprint!

Trump's Democrats -

Stephanie Muravchik

2020-09-29

Why did hundreds of Democratic strongholds break for Donald Trump in 2016 and stay loyal to him in 2020? Looking for answers, Muravchik and Shields lived in three such "flipped" communities. There they discovered a political culture

that was Trumpy long before the 45th president arrived on the national political scene. In these places, dominated by the white working-class, some of the most beloved and longest-serving Democratic leaders are themselves

Trumpian—grandiose, combative, thin-skinned, and nepotistic. Indifferent to ideology, they promise to take care of "their people" by cutting deals—and corners if needed. Stressing loyalty, they often turn to family to fill critical political roles. Trump, resembling these old-style Democratic bosses, strikes a familiar and appealing figure in these communities. Although voters in "flipped" communities have often been portrayed as white supremacists, Muravchik and Shields find that their primary political allegiances are to place—not race. They will spend an extra dollar to patronize local businesses, and they think local jobs should go to their neighbors, not "foreigners" from neighboring counties—who are just as likely to be white and native-born.

Downloaded from
test.uni.cari.be.edu.doon

by guest

Unlike the Proud Boys, they take more pride in their local communities than in their skin color. Trump successfully courted these Democrats by promising to revitalize their struggling hometowns. Because these communities largely stuck with Trump in 2020, Biden won the presidency by just the thinnest of margins. Whether they will continue to support a Republican Party without Trump—or swing back to the Democrats—depends in part on which party can satisfy these locally grown political tastes and values. The party that does that will enjoy a stranglehold in national elections for years to come.

Disloyal: A Memoir - Michael Cohen 2020-09-08

A #1 New York Times Bestseller! "I read it cover-to-cover. I did not intend to, but I started at the beginning and didn't put it down until it was over."—Rachel Maddow, MSNBC This book almost didn't see the light of day as government officials tried to bar its publication. The Inside

Story of the Real President Trump, by His Former Attorney and Personal Advisor—The Man Who Helped Get Him Into the Oval Office Once Donald Trump's fiercest surrogate, closest confidant, and staunchest defender, Michael Cohen knows where the skeletons are buried. This is the most devastating business and political horror story of the century. As Trump's lawyer and "fixer," Cohen not only witnessed firsthand but was also an active participant in the inner workings of Trump's business empire, political campaign, and presidential administration. This is a story that you have not read in newspapers, or on social media, or watched on television. These are accounts that only someone who worked for Trump around the clock for over a decade—not a few months or even a couple of years—could know. Cohen describes Trump's racist rants against President Barack Obama, Nelson Mandela, and Black and Hispanic people in general, as well as the cruelty,

Downloaded from
test.uni.cari.be.edu.doon
by guest

humiliation, and abuse he leveled at family and staff. Whether he's exposing the fact that Trump engaged in tax fraud by inflating his wealth or electronic fraud by rigging an online survey, or outing Trump's Neanderthal views towards women or his hush-money payments to clandestine lovers, Cohen pulls no punches. He shows Trump's relentless willingness to lie, exaggerate, mislead, or manipulate. Trump emerges as a man without a soul—a man who courts evangelicals and then trashes them, panders to the common man, but then rips off small business owners, a con man who will do or say absolutely anything to win, regardless of the cost to his family, his associates, or his country. At the heart of Disloyal, we see how Cohen came under the spell of his charismatic "Boss" and, as a result, lost all sense of his moral compass. The real "real" Donald Trump who permeates these pages—the racist, sexist, homophobic, lying, cheating President—will be discussed, written about,

and analyzed for years to come. **Trump's War** - Michael Savage 2017-03-14 #1 NEW YORK TIMES BESTSELLER The wall, taxes, tariffs, deportations, Obamacare, guns, military strength, schools, abortion, religion - what will the new president do? The "Godfather of Trumpmania," Michael Savage, examines the initial appointments, speeches, tweets and history of Donald Trump and offers his insights and analysis. The man many consider to be the determining factor in driving Trump over the finish line by motivating millions of undecideds and the "Deplorables," who would have otherwise sat out the election, provides a crucial first look at the early direction of the Trump presidency. Savage has waged a twenty-five year war on the radio to save America's borders, language and culture from a progressive onslaught that is already turning Europe into a socialist, multiculturalist nightmare, where violent gangs of radical Islamic refugees terrorize defenseless citizens

*Downloaded from
test.uni.cari.be.edu.doon
by guest*

on a daily basis. While most in the chattering classes around the world dismissed Trump's campaign, conservative radio icon Dr. Michael Savage championed Trump's platform and helped him galvanize the support of disaffected middle Americans left behind by the globalist central planners in their distant capitol. Savage's army of listeners on The Savage Nation was instrumental in electing Donald Trump to take the fight to Washington. But electoral victory was only the beginning. Trump now has an even bigger challenge in delivering on the promises he made to millions of American voters. He faces relentless opposition from special interests in both parties who stand to lose trillions if Trump's America First policies become the law of the land. Dr. Michael Savage has been on the front line of this fight for decades and knows what Trump and his administration are up against. He lays out a path to victory for the new, conservative American revolutionaries in Trump's War.

Landslide - Michael Wolff
2021-07-13

An instant New York Times bestseller. Critics agree: Michael Wolff's Landslide is THE book on Trump.

"Landslide . . . is the one to leap upon. Smart, vivid and intrepid . . ." —The New York Times "I inhaled Landslide, gobbled it up." —Slate "Wow. Just wow . . ." —Evening Standard "Cruel, unforgiving, muckraking, scandalous. I couldn't stop reading it." —The Telegraph We all witnessed some of the most shocking and confounding political events of our lifetime: the careening last stage of Donald J. Trump's reelection campaign, the president's audacious election challenge, the harrowing mayhem of January 6, the buffoonery of the second impeachment trial. But what was really going on in the inner sanctum of the White House during these calamitous events? What did the president and his dwindling cadre of loyalists actually believe? And what were they planning?

Michael Wolff pulled back the

Downloaded from
test.uni-cari.be.edu.doon

by guest

curtain on the Trump presidency with his #1 bestselling blockbuster *Fire and Fury*. Now, in *Landslide*, he closes the door on the presidency with a final, astonishingly candid account. Wolff embedded himself in the White House in 2017 and gave us a vivid picture of the chaos that had descended on Washington. Almost four years later, Wolff finds the Oval Office even more chaotic and bizarre, a kind of Star Wars bar scene. At all times of the day, Trump, behind the Resolute desk, is surrounded by schemers and unqualified sycophants who spoon-feed him the “alternative facts” he hungers to hear—about COVID-19, Black Lives Matter protests, and, most of all, his chance of winning reelection. Once again, Wolff has gotten top-level access and takes us front row as Trump’s circle of plotters whittles down to the most enabling and the president reaches beyond the bounds of democracy as he entertains the idea of martial law and balks at calling off the

insurrectionist mob that threatens the institution of democracy itself. As the Trump presidency’s hold over the country spiraled out of control, an untold and human account of desperation, duplicity, and delusion was unfolding within the West Wing. *Landslide* is that story as only Michael Wolff can tell it.

[The Cruelty Is the Point](#) - Adam Serwer 2021-06-29

NEW YORK TIMES

BESTSELLER • From an

award-winning journalist at

The Atlantic, these searing

essays make a powerful case

that “real hope lies not in a

sunny nostalgia for American

greatness but in seeing this

history plain—in all of its

brutality, unadorned by

euphemism” (The New York

Times). NAMED ONE OF THE

BEST BOOKS OF THE YEAR

BY NPR • “No writer better

demonstrates how American

by guest

American, even. But they are not, writes The Atlantic's Adam Serwer in this prescient essay collection, which dissects the most devastating moments in recent memory to reveal deeply entrenched dynamics, patterns as old as the country itself. The January 6 insurrection, anti-immigrant sentiment, and American authoritarianism all have historic roots that explain their continued power with or without President Donald Trump—a fact borne out by what has happened since his departure from the White House. Serwer argues that Trump is not the cause, he is a symptom. Serwer's phrase "the cruelty is the point" became among the most-used descriptions of Trump's era, but as this book demonstrates, it resonates across centuries. The essays here combine revelatory reporting, searing analysis, and a clarity that's bracing. In this new, expanded version of his bestselling debut, Serwer elegantly dissects white supremacy's profound influence on our political system, looking at the

persistence of the Lost Cause, the past and present of police unions, the mythology of migration, and the many faces of anti-Semitism. In so doing, he offers abundant proof that our past is present and demonstrates the devastating costs of continuing to pretend it's not. The Cruelty Is the Point dares us, the reader, to not look away.

Triggered - Donald Trump Jr.
2019-11-05

This is the book that the leftist elites don't want you to read -- Donald Trump, Jr., exposes all the tricks that the left uses to smear conservatives and push them out of the public square, from online "shadow banning" to rampant "political correctness." In *Triggered*, Donald Trump, Jr. will expose all the tricks that the left uses to smear conservatives and push them out of the public square, from online "shadow banning" to fake accusations of "hate speech." No topic is spared from political correctness. This is the book that the leftist elites don't want you to read! Trump, Jr. will

Trump: The Art of the Deal - Donald J. Trump 2009-12-23
President Donald J. Trump lays out his professional and personal worldview in this classic work—a firsthand account of the rise of America's foremost deal-maker. "I like thinking big. I always have. To me it's very simple: If you're going to be thinking anyway, you might as well think big."—Donald J. Trump Here is Trump in action—how he runs his organization and how he runs his life—as he meets the people he needs to meet, chats with family and friends, clashes

with enemies, and challenges conventional thinking. But even a maverick plays by rules, and Trump has formulated time-tested guidelines for success. He isolates the common elements in his greatest accomplishments; he shatters myths; he names names, spells out the zeros, and fully reveals the deal-maker's art. And throughout, Trump talks—really talks—about how he does it. Trump: The Art of the Deal is an unguarded look at the mind of a brilliant entrepreneur—the ultimate read for anyone interested in the man behind the spotlight. Praise for Trump: The Art of the Deal "Trump makes one believe for a moment in the American dream again."—The New York Times "Donald Trump is a deal maker. He is a deal maker the way lions are carnivores and water is wet."—Chicago Tribune "Fascinating . . . wholly absorbing . . . conveys Trump's larger-than-life demeanor so vibrantly that the reader's attention is instantly and fully claimed."—Boston Herald "A

The Trump Survival Guide - Gene Stone 2017-01-10 National Bestseller Don't despair. Don't retreat. Fight back. A call-to-action for Democrats, moderate Republicans, and other anti-Trump dissenters, detailing the history of social and political policies, how Obama treated them, how Trump has the power to undermine them, and what people can do to fight back. The stunning election of Donald J. Trump rocked an already divided America and left scores of citizens, including the nearly sixty-five million voters who supported Hillary Clinton, feeling bereft and powerless. Now, Gene Stone, author of *The Bush Survival Bible*, offers invaluable guidance and concrete solutions the resistance can use to make a difference in this serious call-to-arms—showing them how to move from anger and despair to activism against the Trump presidency and its potentially lasting effects on our democracy. Before we can successfully engage, we need to be clear about the battles we

face. Stone outlines political and social concepts—including such issues as Civil Rights, Women's Rights, the Environment, Obamacare, International relations, and LGBTQ Rights—providing a brief history of each, a refresher on Obama's policies over his eight years in office, and an analysis of how Trump's administration is threatening them. But lest we feel overwhelmed by the scale of the threat and settle for aimless outrage, Stone then provides an invaluable guide for fighting back—referring to organizations, people, sites, and countless other resources that are working tirelessly to restore the power of the people, safeguard our democracy, and ensure that none of us are left behind in our quest for relentless and equitable progress. While marches and social media are important forms of protest, concrete actions that achieve real and measurable change are a vital part of the fight. Positive and reinforcing, *The Trump Survival Guide* presents

Downloaded from
test.uni.cari.be.edu.doon

the essential information we need to effectively make our voices heard and our power felt, during the Trump presidency and beyond.

[A Very Stable Genius](#) - Philip Rucker 2021-02-23

The instant #1 bestseller, now updated with new reporting.

"This taut and terrifying book is among the most closely observed accounts of Donald J. Trump's shambolic tenure in office to date." - Dwight

Garner, The New York Times

Washington Post national investigative reporter Carol

Leonnig and White House bureau chief Philip Rucker, both Pulitzer Prize winners,

provide the definitive insider narrative of Donald Trump's

presidency "I alone can fix it." So proclaimed Donald J. Trump

on July 21, 2016, accepting the Republican presidential

nomination and promising to restore what he described as a

fallen nation. Yet as he undertook the actual work of

the commander in chief, it became nearly impossible to

see beyond the daily chaos of scandal, investigation, and

constant bluster. In fact, there were patterns to his behavior and that of his associates. The universal value of the Trump administration was loyalty—not to the country, but to the president himself—and

Trump's North Star was always the perpetuation of his own

power. With deep and unmatched sources throughout

Washington, D.C., Carol Leonnig and Philip Rucker

reveal the forty-fifth president up close. Here, for the first

time, certain officials who felt honor-bound not to divulge

what they witnessed in positions of trust tell the truth

for the benefit of history. A peerless and gripping

narrative, [A Very Stable Genius](#) not only reveals President

Trump at his most unvarnished but shows how he tested the

strength of America's democracy and its common

heart as a nation. [Rage](#) - Bob Woodward

documents to provide details about Trump's moves as he faced a global pandemic, economic disaster, and racial unrest.

Donald J. Trump - Conrad Black 2018-05-14

Conrad Black, bestselling author of Franklin Delano Roosevelt: Champion of Freedom and Richard M. Nixon: A Life in Full, turns his attention to his "friend" President Donald J. Trump and provides the most intriguing and significant analysis yet of Trump's political rise. Ambitious in intellectual scope, contrarian in many of its opinions, and admirably concise, this is surely set to be one of the most provocative political books you are likely to read this year.

But I Do Not Like Donald Trump - Bob Feldman 2017-05-26

But I Do NOT Like Donald Trump is a brightly colored picture book featuring lovable characters and less lovable photo images of Donald Trump. The rhymes will delight young children as well as adults who

do NOT like Donald Trump. This book can be characterized as fitting into the wit and humor category. It also could be categorized as a picture book for children.

A Child's First Book of Trump - Michael Ian Black 2016-07-05

"A humorous satirical field guide for identifying and defeating a Trump when discovered in the wilds of a presidential election"--
So Good They Can't Ignore You - Cal Newport 2012-09-18

In an unorthodox approach, Georgetown University professor Cal Newport debunks the long-held belief that "follow your passion" is good advice, and sets out on a quest to discover the reality of how people end up loving their careers. Not only are pre-existing passions rare and have little to do with how most people end up loving their work, but a focus on passion over skill can be dangerous, leading to anxiety and chronic job hopping. Spending time with organic farmers, venture capitalists, screenwriters, freelance computer

*Downloaded from
test.uni.cari.be.edu.doon
by guest*

programmers, and others who admitted to deriving great satisfaction from their work, Newport uncovers the strategies they used and the pitfalls they avoided in developing their compelling careers. Cal reveals that matching your job to a pre-existing passion does not matter. Passion comes after you put in the hard work to become excellent at something valuable, not before. In other words, what you do for a living is much less important than how you do it. With a title taken from the comedian Steve Martin, who once said his advice for aspiring entertainers was to "be so good they can't ignore you," Cal Newport's clearly written manifesto is mandatory reading for anyone fretting about what to do with their life, or frustrated by their current job situation and eager to find a fresh new way to take control of their livelihood. He provides an evidence-based blueprint for creating work you love, and will change the way you think about careers, happiness, and the crafting of a

remarkable life.

[The Faith of Donald J. Trump -](#)

David Brody 2018-02-13

Based on extensive inside sources, including exclusive interviews with the President and Vice President, *The Faith of Donald J. Trump* explores his rarely discussed, but deeply important, religious beliefs and relationships with leading Evangelicals. The Chief Political Correspondent for the Christian Broadcasting Network and the "Jesus in the Public Square" columnist for the Washington Times explore the rarely discussed, but deeply important, religious beliefs and worldview of Donald J. Trump and his advisors. Donald J. Trump was raised as a Presbyterian and has praised both Christianity and the primacy of the Bible. In the Oval Office, he has surrounded himself with close advisors who share his deep faith. In this deeply reported book, David Brody and Scott Lamb draw on unparalleled access to the White House to explain President Trump's connection to the Christian

Downloaded from
test.uni.cari.be.edu.doon
by guest

faith, the evangelical right, the prosperity gospel, and the pressing moral and ethical issues of our day. In part, the authors argue, President Trump won over evangelicals not by pandering to them, but by supporting them and all their most important issues without pretending to be something he's not. Though the forty-fifth president is far from the perfect vessel—he has been married three times—his supporters argue that Donald Trump may be just what America needs. This book reveals how he has surrounded himself with believers who think he is the one guiding figure who can return us to the traditional values—hard work, discipline, duty, respect, and faith—that have long been the foundation of American life, and truly make America great again in all ways.

Peril - Bob Woodward
2021-09-21

The transition from President Donald J. Trump to President Joseph R. Biden Jr. stands as one of the most dangerous periods in American history.

But as # 1 internationally bestselling author Bob Woodward and acclaimed reporter Robert Costa reveal for the first time, it was far more than just a domestic political crisis. Woodward and Costa interviewed more than 200 people at the center of the turmoil, resulting in more than 6,000 pages of transcripts—and a spellbinding and definitive portrait of a nation on the brink. This classic study of Washington takes readers deep inside the Trump White House, the Biden White House, the 2020 campaign, and the Pentagon and Congress, with vivid, eyewitness accounts of what really happened. *Peril* is supplemented throughout with never-before-seen material from secret orders, transcripts of confidential calls, diaries, emails, meeting notes and other personal and government records, making for an unparalleled history. It is also the first inside look at Biden's presidency as he faces the challenges of a lifetime: the continuing deadly pandemic

Downloaded from
test.uni.cari.be.edu.doon
by guest

and millions of Americans facing soul-crushing economic pain, all the while navigating a bitter and disabling partisan divide, a world rife with threats, and the hovering, dark shadow of the former president. “We have much to do in this winter of peril,” Biden declared at his inauguration, an event marked by a nerve-racking security alert and the threat of domestic terrorism. Peril is the extraordinary story of the end of one presidency and the beginning of another, and represents the culmination of Bob Woodward’s news-making trilogy on the Trump presidency, along with Fear and Rage. And it is the beginning of a collaboration with fellow Washington Post reporter Robert Costa that will remind readers of Woodward’s coverage, with Carl Bernstein, of President Richard M. Nixon’s final days.

I Alone Can Fix It - Carol Leonnig 2021-07-20

The instant #1 New York Times bestseller | A Washington Post Notable Book

| One of NPR's Best Books of 2021 The definitive behind-the-scenes story of Trump's final year in office, by Phil Rucker and Carol Leonnig, the Pulitzer-Prize winning reporters and authors of A Very Stable Genius. “Chilling.” - Anderson Cooper “Jaw-dropping.” - John Berman “Shocking.” - John Heilemann “Explosive.” - Hallie Jackson “Blockbuster new reporting.” - Nicolle Wallace “Bracing new revelations.” - Brian Williams “Bombshell reporting.” - David Muir The true story of what took place in Donald Trump’s White House during a disastrous 2020 has never before been told in full. What was really going on around the president, as the government failed to contain the coronavirus and over half a million Americans perished? Who was influencing Trump after he refused to concede an election he had clearly lost and spread lies about election fraud? To answer these questions, Phil Rucker and Carol Leonnig reveal a dysfunctional and bumbling

*Downloaded from
test.uni.cari.be.edu.doon
by guest*

presidency's inner workings in unprecedented, stunning detail. Focused on Trump and the key players around him—the doctors, generals, senior advisers, and Trump family members— Rucker and Leonnig provide a forensic account of the most devastating year in a presidency like no other. Their sources were in the room as time and time again Trump put his personal gain ahead of the good of the country. These witnesses to history tell the story of him longing to deploy the military to the streets of American cities to crush the protest movement in the wake of the killing of George Floyd, all to bolster his image of strength ahead of the election. These sources saw firsthand his refusal to take the threat of the coronavirus seriously—even to the point of allowing himself and those around him to be infected. This is a story of a nation sabotaged—economically, medically, and politically—by its own leader, culminating with a groundbreaking, minute-

by-minute account of exactly what went on in the Capitol building on January 6, as Trump's supporters so easily breached the most sacred halls of American democracy, and how the president reacted. With unparalleled access, Rucker and Leonnig explain and expose exactly who enabled—and who foiled—Trump as he sought desperately to cling to power. A classic and heart-racing work of investigative reporting, this book is destined to be read and studied by citizens and historians alike for decades to come.

Confidence Man - Maggie Haberman 2022-10-04

The instant #1 New York Times bestseller. "This is the book Trump fears most." - Axios "Will be a primary source about the most vexing president in American history for years to come." - Joe Klein, The New York Times "A uniquely illuminating portrait." - Sean Wilentz, The Washington Post "[A] monumental look at Donald Trump and his presidency." —

Downloaded from
test.uni-cari.be.edu.doon

David Shribman, Los Angeles Times From the Pulitzer-Prize-winning New York Times reporter who has defined Donald J. Trump's presidency like no other journalist, Confidence Man is a magnificent and disturbing reckoning that chronicles his life and its meaning from his rise in New York City to his tortured post-presidency. Few journalists working today have covered Donald Trump more extensively than Maggie Haberman. And few understand him and his motivations better. Now, demonstrating her majestic command of this story, Haberman reveals in full the depth of her understanding of the 45th president himself, and of what the Trump phenomenon means. Interviews with hundreds of sources and numerous interviews over the years with Trump himself portray a complicated and often contradictory historical figure. Capable of kindness but relying on casual cruelty as it suits his purposes. Pugnacious. Insecure. Lonely. Vindictive.

Menacing. Smarter than his critics contend and colder and more calculating than his allies believe. A man who embedded himself in popular culture, galvanizing support for a run for high office that he began preliminary spadework for 30 years ago, to ultimately become a president who pushed American democracy to the brink. The through-line of Trump's life and his presidency is the enduring question of what is in it for him or what he needs to say to survive short increments of time in the pursuit of his own interests. Confidence Man is also, inevitably, about the world that produced such a singular character, giving rise to his career and becoming his first stage. It is also about a series of relentlessly transactional relationships. The ones that shaped him most were with girlfriends and wives, with Roy Cohn, with George Steinbrenner, with Mike Tyson and Don King and Roger Stone, with city and state politicians like Robert Morgenthau and Rudy Giuliani, with business

partners, with prosecutors, with the media, and with the employees who toiled inside what they commonly called amongst themselves the "Trump Disorganization." That world informed the one that Trump tried to recreate while in the White House. All of Trump's behavior as President had echoes in what came before. In this revelatory and newsmaking book, Haberman brings together the events of his life into a single mesmerizing work. It is the definitive account of one of the most norms-shattering and consequential eras in American political history.

You Can't Spell America Without Me - Alec Baldwin
2017-11-07

Political satire as deeper truth: Donald Trump's presidential memoir, as recorded by two world-renowned Trump scholars, and experts on greatness generally "I have the best words, beautiful words, as everybody has been talking and talking about for a long time. Also? The best sentences and, what do you call them,

paragraphs. My previous books were great and sold extremely, unbelievably well--even the ones by dishonest, disgusting so-called journalists. But those writers didn't understand Trump, because quite frankly they were major losers. People say if you want it done right you have to do it yourself, even when 'it' is a 'memoir.' So every word of this book was written by me, using a special advanced word processing system during the many, many nights I've been forced to stay alone in the White House--only me, just me, trust me, nobody helped. And it's all 100% true, so true--people are already saying it may be the truest book ever published. Enjoy." Until Donald Trump publishes the ultimate account of his entire four or eight or one-and-a-half years in the White House, the definitive chronicle will be *You Can't Spell America Without Me: The Really Tremendous Inside Story of My Fantastic First Year As President*. Trump was elected because he was the most frank presidential candidate in

history, a man eager to tell the unvarnished truth about others' flaws and tout his own amazing excellence. Now he levels his refreshingly compulsive, un-PC candor at his landslide election victory as well as his role as commander-in-chief and leader of the free world. There are intimate, powerful, mind-boggling revelations on every page. You are there with him during his private encounters with world leaders, a few of whom he does not insult. You are there at the genius Oval Office strategy sessions with his advisers. You are there in his White House bedroom as he crafts the pre-dawn Twitter pronouncements that rock the world. And, of course, you are there on the golf course as Trump attempts to manage the burdens of his office. President Trump explains each of the historic decisions that have already made America great again, and how he always triumphs over the fake news media. You'll learn what he really thinks of his cabinet members and top aides not related to him, of the

First Lady and the First Daughter and the additional three or four Trump children. Included at no extra charge is a lavish and exclusive portfolio of spectacular, historic and intimate color photographs of President Trump in private - inside the White House, inside Mar-a-Lago, at Trump Tower, and more. You Can't Spell America Without Me is presented by America's foremost Trump scholar Kurt Andersen as well as America's foremost mediocre Trump impersonator, Alec Baldwin. You Can't Spell America Without Me is the perfect holiday gift!

Don't Be Like Trump - John Connolly 2020-08-05

"Mom, why is Donald Trump such a jerk?" If you or your kids have ever asked this question, *Don't Be Like Trump* is here to inform and entertain you. Now that you're homeschooling during the Covid-19 pandemic, you may have to learn or teach about Trump yourself in the 2020 election. Trump provides the perfect example of how not to

Downloaded from
test.uni.cari.be.edu.doon

behave, speak, and treat people. Now there's a book to help your kids understand why Trump alarms most Americans. Most kids' presidential biographies gloss over the scandals and bad behavior. We explain how Trump wants to return to an America that wasn't great for Blacks, women, immigrants, or anyone different. We explore his worrying relationship with dictators. Don't Be Like Trump explains the long history of useless border walls, Trump's military service (just kidding!), and the Resistance in an accessible, breezy style. Plus! 12 activities make learning about our awful president fun, including: - Impersonate the President- Get Rich Quick Using Trump's Proven Method- Prove You are Smarter than the President with Quizzes- Annoy President Donald Trump Eight Different Ways

**My Little Golden Book
About Ruth Bader Ginsburg**

- Shana Corey 2020-12-01
Help your little one dream big with a Little Golden Book biography all about the late

Supreme Court Justice Ruth Bader Ginsburg! The perfect introduction to nonfiction for preschoolers! This Little Golden Book is a compelling introduction to an inspiring woman, written for the youngest readers. From a young age, Ruth Bader Ginsburg knew that she wanted to fight for girls and women to have equal rights. She studied and worked very hard and became just the second woman--and the first Jewish woman--to be a United States Supreme Court Justice. This is a terrific read for future trailblazers and their parents! Look for these other Little Golden Book biographies: My Little Golden Book About Frida Kahlo, My Little Golden Book About Jackie Robinson, My Little Golden Book About Martin Luther King Jr., My Little Golden Book About George Washington, My Little Golden Book About Abraham Lincoln, My Little Golden Book About Balto, and My Little Golden Book About Johnny Appleseed.

Conrad Black 2020-08-18
Conrad Black, bestselling author of Franklin Delano Roosevelt: Champion of Freedom, Richard M. Nixon: A Life in Full, and Flight of the Eagle: America's Rise from Colonial Upstart to the World's Superpower, turns his attention to his friend President Donald J. Trump and provides the most intriguing and significant, but certainly not uncritical, analysis yet of Trump's political rise. Ambitious in intellectual scope, contrarian in many of its opinions, and admirably concise, this is surely set to be one of the most provocative political books you are likely to read this year.

Too Much and Never Enough - Mary L. Trump 2020-07-14
In this revelatory, authoritative portrait of Donald J. Trump and the toxic family that made him, Mary L. Trump, a trained clinical psychologist and Donald's only niece, shines a bright light on the dark history of their family in order to explain how her uncle became the man who now threatens the

world's health, economic security, and social fabric. Mary Trump spent much of her childhood in her grandparents' large, imposing house in the heart of Queens, New York, where Donald and his four siblings grew up. She describes a nightmare of traumas, destructive relationships, and a tragic combination of neglect and abuse. She explains how specific events and general family patterns created the damaged man who currently occupies the Oval Office, including the strange and harmful relationship between Fred Trump and his two oldest sons, Fred Jr. and Donald. A firsthand witness to countless holiday meals and interactions, Mary brings an incisive wit and unexpected humor to sometimes grim, often confounding family events. She recounts in unsparing detail everything from her uncle Donald's place in the family spotlight and Ivana's penchant for regifting to her grandmother's frequent injuries and illnesses and the appalling way Donald, Fred

with central figures in this drama who are telling their stories for the first time. This is a definitive account of what was really going on during the final weeks and months of the Trump presidency and what it means for the future of the Republican Party, by a reporter who was there for it all. He has been taunted, praised, and vilified by Donald Trump, and now Jonathan Karl finds himself in a singular position to deliver the truth.

[50 Things They Don't Want You to Know](#) - Jerome Hudson
2019-09-17

Breitbart.com editor Jerome Hudson delivers the red pills his readers know him for, showing you the facts, statistics, and analysis that the mainstream media have worked so hard to hide

Description: If you heard that one president deported more people than any other president, started the program of family separation, and did nothing to stop Russia's election meddling, how many of them would guess it was Obama? In 50 Things They

Don't Want You to Know Jerome Hudson dives deeply into the things Americans are not supposed to realize. Many of our most hotly debate topics are shaped by Davos power brokers, woke college professors, TV talking heads, social media activists and feckless Washington swamp monsters who want you to only follow their narrative. Your teachers, your politicians, and your local paper are not likely to ever tell you: Racial minorities fare far better in the absence of race-based affirmative action policies. Latinos make up a little more than 50% of the Border Patrol, according to 2016 data. The U.S. settled more refugees in 2017 than any other nation. Between 2011 and 2016, the IRS documented 1.3 million identity thefts by Illegal aliens. Half of federal arrests are immigration-related. Welfare recipients in 34 states earn more than a person making minimum wage. Taxpayers doled out \$2.6 billion in food stamps to dead people in less than two years. 1,700 private
