The Harvester - Tracey Schoettelkotte 2015-12-31
Tracey was experiencing the most amazing year of her life.

After turning 30, she married the man of her dreams, began a new career as an attorney, and learned she was pregnant.

Everything was perfect - until it wasn't. On Christmas, two days after the death of her beloved grandmother, Tracey collapsed on the kitchen floor of her parents' home. Later that evening, she received a stunning diagnosis: terminal brain cancer. In this touching memoir, Tracey talks about her family, her faith, and the fight to save her unborn baby, aided by a special and enduring relationship that transcends living and dying.

The First Easter Bunny - Frrich Lewandowski 1999-02
A rabbit witnesses the death and resurrection of Jesus and becomes the first Easter bunny.

In Due Time - Jen Noonan
2015-09-11

In this raw and honest memoir, Jen Noonan authentically shares her journey to start and complete a family. Leading readers on a roller coaster of triumphs and losses, she richly details her experience working with the Colorado Center for Reproductive Medicine, one of the nation's leading reproductive endocrinology

clinics. Readers walk away with a deeper understanding of the physical and emotional process of trying to build a family through medication, Intrauterine Inseminations, and In Vitro Fertilization. In Due Time strikes a chord with millions of men and women worldwide attempting to build a family. It is a must read for anyone who has struggled to conceive a child, is currently struggling to conceive, has experienced a miscarriage, wants to support a loved one, or wishes to gain knowledge about infertility.

The Faith of Islam - Edward Sell 1880

A Story of Two Tennessee Families - Ernestine Ratcliffe Edwards 1997

Ancestors of both the Edwards and Hyder families came from Europe into Pennsylvania, then moved to Virginia, then to North Carolina and finally into Tennessee where they intermarried.

Dream Again - Isaiah Austin
2016-03-15

The inspiring story of Isaiah

Austin, the man who captured our hearts when he was made the honorary NBA draft pick after a shocking diagnosis ended his professional basketball career before he could even step onto the court. “There are two choices in life: you make it your excuse or you make it your story.” Isaiah Austin’s mother shared these words of wisdom with him as a child as he came to terms with a torn retina taking away the ability to see with his right eye. Faced with adversity at a young age, Isaiah had to choose—let his disability define him or overcome the challenge and shine. Overcoming that challenge is exactly what Isaiah did as he made a name for himself on Baylor University’s NCAA Division 1 basketball team. Everyone expected Isaiah to have a successful career in the NBA after college, but on June 21, 2014—just five days before the NBA draft—Austin was diagnosed with Marfan syndrome, a genetic disorder that affects the body’s connective tissue, putting him

at risk of rupturing his heart if he continued to play basketball. In seconds, Austin’s hopes for a career in the NBA became impossible. After hearing about Isaiah’s diagnosis, NBA commissioner Adam Silver invited Austin to attend the 2014 draft as his personal guest. The League recognized Isaiah’s courage, resilience, and determination in a bittersweet moment when he was made an Honorary Draft Pick. Rather than letting another challenge destroy his faith, Austin has once again strived to overcome adversity by becoming a spokesperson for The Marfan Foundation, raising awareness and understanding for the disease. He has also founded his own non-profit organization, The Isaiah Austin Foundation, to provide support and research for Marfan syndrome and those affected by it. Despite the many heartbreaking challenges he has faced, Isaiah’s story is inspirational and full of hope as he encourages everyone to tower in the face of adversity and keep living out their

dreams, no matter what life throws their way. The book includes a foreword from Robert Griffin III—the Heisman Trophy winner and NFL quarterback.

Courage to Soar - Simone Biles 2016

In *Courage to Soar*, the official autobiography from US Olympic gymnast Simone Biles, Simone presents the story of how she overcame early childhood challenges to become the most decorated US female gymnast and the only female gymnast to ever win three consecutive World Championship titles.

Gold in Havilah - Jean Hoefling 2017-06-06

"Author Hoefling (*Journey to God*, 2010) seamlessly combines her extraordinary mastery of early biblical tales with a spirit of inventive creativity, weaving a story that both embellishes but also preserves the original story... a gripping account that only deepens an inherited tale about the birth of mankind and about good and evil." -Kirkus Reviews
Akliah, a daughter of Adam and

Eve, has grown up at the foot of the holy mountain where the Garden of Eden lies. She and her siblings know well the story of their parents fall from innocence and their banishment from Eden. And they know the prophecy, that their privileged brother, Cain, will soon crush the head of the ancient serpent who tempted their parents there. Fiercely in love with Cain, Akliah is determined to become his wife. But her schemes are shattered when Cain kills his brother, Abel, and abducts her to a barren land east of Eden where she grieves her mistakes and Cain spirals into ever-deepening tiers of delusion through his bondage to a beautiful fallen angel. When she finally meets a man who offers a chance for love and redemption, Akliah is torn between an honest confession of her past and her longing to be admired. Against the backdrop of life in a city dedicated to dark powers, Akliah must finally make the choice to restore her integrity, or die trying.

The Scorekeeper - Scott D. Russell 2019-12-02

In one aspect, "The Scorekeeper" is a terrific story about the resonance of baseball, of which the author and I agree is "the greatest of all games." But it is about so much more, including fate, faith, family and the courage to dream again. Most importantly, Scott Russell loves his characters, and you will come to love them... well, not the assholes... as well. Score it an "A" in my book. -- Matthew J. Goldberg, author, humorist and incurable baseball fan
Matthew J. Goldberg is the author of "Hot Ice Cream: Inspiring Life Lessons from Our Children" and "Wordapodia: An encyclopedia of Real Fake Words." I found the character ""Tim Barrett" to be particularly appealing. Scott Russell has written a wonderful and imaginative book.--Bill "Spaceman" Lee, pitcher, author and former gubernatorial candidate.

The Courage to Live Your Dreams - Les Brown
2021-05-25

Les Brown has always encouraged people to follow their dreams. He believes that anything is possible. Now you can benefit from his philosophy as he guides you to develop the skills you need to live your dreams. You have the power to make vital changes in your life. It just takes a commitment to becoming the active force in your life, and become the kind of person you want to be. You will learn:

- How to call on a larger vision and defeat the negative self-talk that is holding you back
- To go beyond your comfort zone
- To confront your fears and let them energize instead of immobilizing you
- The importance of daily, weekly, monthly and yearly goals
- How to see beyond your current situation

As a premier Keynote Speaker and leading authority on achievement for audiences as large as 80,000 - Les Brown energizes people to meet the challenges of the world around them. He skillfully weaves his compelling life story into the fabric of our daily lives. The thread is

forever strengthened, touting why you can't afford to be complacent and to aim high, achieve and actively make an impact on the world. Revered as an icon by his colleagues, Brown received the much-coveted National Speakers Association Council of Peers Award of Excellence (CPAE), and ultimately, its most prestigious Golden Gavel Award for achievement and leadership in communication. Toastmasters International also voted him one of the Top Five Outstanding Speakers. Worldwide. Legions of followers flock to stadiums and arenas to hear a man who never stops believing that with proper guidance and training you can achieve anything you desire in life.

A Complicated Legacy -

Robert H. Stucky 2014-05-23
If movies and books like Belle, Twelve Years a Slave, The Butler, The Help, A Time to Kill, and Amistad have moved you, you'll love A Complicated Legacy, a novel by Baltimore writer Robert H. Stucky based on the true story of Elijah

Willis, a white South Carolina planter, and Amy- the love of his life, the mother of his children, and his slave. Taking place in the decade leading up to the Civil War, it is written with a cinematic eye for atmosphere and setting, a linguist's ear for dialogue, and a historian's grasp of the powerful social forces and momentous events of the time. It is a riveting tale of personal transformation in facing the tide of sweeping social change. Elijah Willis fought family opposition, public opinion, and the law to free his family of choice and leave them his entire inheritance. In so doing, his and Amy's story becomes a microcosm of the human struggles that made the Civil War and the Abolition of Slavery both necessary and inevitable. Set in rural South Carolina, Baltimore, and Cincinnati, this vivid saga weaves history and humanity in a compelling testimony to the power of relationships to shape our destinies, even a century and a half later.

Tomorrow's Dream, Today's

Courage - Max Lucado

1991-12-12

This booklet contains a promise for those whose dreams are darkened or unfulfilled and who feel like giving up. There is a source of renewed courage in Christ. It's not too late for tomorrow's dream to become today's courage.

Barefoot to Benefactor -

Lenny Peters 2021-09-14

An Asian American immigrant's journey from poverty in India to the heights of the medical profession in America—and the faith that made his accomplishments possible.

When Lenny Peters was a boy playing marbles among the lush mangrove trees in impoverished India, he had one overriding wish: to be the best at everything he did. Born into a Christian family and part of a minority population in that part of the world, Lenny was innately aware of the hurdles he faced. Wise beyond his years, Lenny embraced a simple philosophy: hard work and prayer. He could never have imagined how far his faith and his drive for excellence

would take him, nor how much good he would do along the way. In *Barefoot to Benefactor*, Lenny tells the uplifting story of how the youngest son from Kerala, India, worked his way into medical school, propelled himself to London, and settled in North Carolina as an accomplished physician. Not satisfied with providing standard medical care, Lenny became a world-class researcher and founded the Bethany Medical Centers, a revolutionary network that treats anyone who walks through its doors with the best that medicine can offer. Wonders followed Lenny as faith determined his path. He turned a community college course in personal finance into a vast real estate empire and thriving medical practice. His fascination with business led him not only to establish much-needed health and research facilities, but to establish a bank for underserved communities that now operates in four states. Through it all, he battled the prejudice he encountered as a professional

man of color with a “funny accent,” turning every hardship into opportunity and learning that forgiveness and acceptance bestow grace. Most importantly, Lenny has never forgotten his roots. The Lenny Peters Foundation shares his abundance with the less fortunate, both here and in India. His story of trailblazing in medicine, finance, and philanthropy is proof that miracles come to those who have faith—in God and in themselves.

The Epworth Era - 1923

Swimming for Freedom - Tera Bradham 2020-06-02

Tera Bradham was born to prove people wrong. The fastest swimmer her age in the United States by age ten, many believed “Tera the Terror” was destined for the Olympics. Her fiercely competitive spirit and unmatched intensity knew no limits until Tera suffered a sudden, devastating shoulder injury that derailed her promising career. Although she trusted in God, she also wrestled with doubts of his

goodness throughout subsequent years of misdiagnoses, chronic pain, and crippling disappointment. Her injury finally forced her to fully surrender to God. Then her miracle came, or so she thought. Her shoulder was successfully reconstructed, and after two more years of grueling recovery, Tera found the courage to swim again and pursue her dreams with renewed faith. Swimming for Freedom tells the story of Tera’s unconventional comeback and shows that through God, all things are possible. What started as an Olympic dream ended in her true miracle: the freedom of a life in Christ. Tera’s story will inspire you to rise up, dream again, and fight for his calling on your life.

Let Us Dream - Pope Francis 2020-12-01

In this uplifting and practical book, written in collaboration with his biographer, Austen Ivereigh, the preeminent spiritual leader explains why we must—and how we can—make the world safer,

fairer, and healthier for all people now. In the COVID crisis, the beloved shepherd of over one billion Catholics saw the cruelty and inequity of our society exposed more vividly than ever before. He also saw, in the resilience, generosity, and creativity of so many people, the means to rescue our society, our economy, and our planet. In direct, powerful prose, Pope Francis urges us not to let the pain be in vain. He begins *Let Us Dream* by exploring what this crisis can teach us about how to handle upheaval of any kind in our own lives and the world at large. With unprecedented candor, he reveals how three crises in his own life changed him dramatically for the better. By its very nature, he shows, crisis presents us with a choice: we make a grievous error if we try to return to some pre-crisis state. But if we have the courage to change, we can emerge from the crisis better than before. Francis then offers a brilliant, scathing critique of the systems and ideologies that conspired to

produce the current crisis, from a global economy obsessed with profit and heedless of the people and environment it harms, to politicians who foment their people's fear and use it to increase their own power at their people's expense. He reminds us that Christians' first duty is to serve others, especially the poor and the marginalized, just as Jesus did. Finally, the Pope offers an inspiring and actionable blueprint for building a better world for all humanity by putting the poor and the planet at the heart of new thinking. For this plan, he draws not only on sacred sources, but on the latest findings from renowned scientists, economists, activists, and other thinkers. Yet rather than simply offer prescriptions, he shows how ordinary people acting together despite their differences can discover unforeseen possibilities. Along the way, he offers dozens of wise and surprising observations on the value of unconventional thinking, on why we must

dramatically increase women's leadership in the Church and throughout society, on what he learned while scouring the streets of Buenos Aires with garbage-pickers, and much more. Let Us Dream is an epiphany, a call to arms, and a pleasure to read. It is Pope Francis at his most personal, profound and passionate. With this book and with open hearts, we can change the world.

Until It's All Crystal Clear -

Don Allison 2022-11-03

Until It's All Crystal Clear is the heartwarming story of the triumph of life over death. It is the story of Crystal Kim (Allison) Kline, a thirty-six-year-old mother stricken with leukemia. Her faith and courage are remarkable. As you read this moving, true story you will be deeply touched. You will . . . Share Crystal's vibrant zest for life. Be encouraged by her courageous battle with leukemia. Be inspired by her unshakable faith in God. Feel the heartbreak of the family coping with their devastating loss. Find comfort, strength,

and healing for grieving parents of adult children. Understand how you can comfort those who grieve over the death of loved ones. Be inspired by a father's dream to pole vault again. Learn how you can have hope for your future, in this life and in the life to come. It's not a crystal ball, but in this book, some things become Crystal Clear
M. D. Dreams - Jarita Hagans
2016-02-01

MD Dreams is part autobiography, part how-to guide for those who are interested in becoming a medical doctor. It contains real world experiences, study tips for the MCAT and USMLE, interview and application guidance, a survival guide (Future Doctor Checklist), sample personal statement and CV. It also contains a resource list of helpful websites, books and programs personally curated by the physician-author.

The Brothers Karamazov -
Fyodor Dostoevsky 2015-01-01
Four brothers reunite in their hometown in Russia. The

murder of their father forces the brothers to question their beliefs about each other, religion, and morality.

The Broken Egg and the Big Dream - Thabo Radzuma
2015-03-03

Thabo Radzuma grew up in a world where many things were beyond his control. He was born in South Africa under apartheid rule, and he grew up in a home under an abusive father's reign. Yet, despite all obstacles, even as a young child, Thabo continued to cling tenaciously to his hope in God. Then, just when it seemed as though nothing could get worse, he lost the people closest to him, he discovered a secret about his past which shattered his world as he knew it, and he came to the point where he had nothing at all except for the clothes on his back. In the midst of all this pain, he thought, "Life is like an egg. When it is broken, it is broken forever." But just when he came to the point of absolute brokenness, God met him in his anguish and gave him the courage to dream

again, taking him on a journey around the world that surpassed even his wildest dreams. Discover for yourself, in this powerful true narrative, how you can see God's faithfulness unfolding throughout your own story. No matter how broken your life may seem, God is the giver of dreams which, through faith, can become reality.

[Holding Back The Tears](#) - Annie Mitchell 2013-09-16

This is true story about real people is set in Edinburgh City and Dundee, where a petite Scottish Lassie called Rosie Gilmour, mother to Finlay Sinclair, receives news of the death of her son - who tragically has taken his own life by hanging. Rosie pretends her son is still alive by talking to him, for that takes away the unbearable pain of her loss. But once she begins to face up to the fact that Finlay is not coming back, her conversations become more of a challenge than she can handle. When memories of her past are triggered by everyday life events, they take her mind

back and forth in time - back to her own childhood days in 1960, when she flirted with the fairground boys, and to the day she gave birth to Finlay - "ME LADDIE". Rosie's Scottish accent becomes more apparent whenever her emotions are heightened and she begins to recite poetry. She goes on to reveal doubts about her own self-worth and how she re-unites her role as mother - a role she had denied herself for seven years prior to Finlay's death. Rosie learns how to forgive herself and how to accept her loss with using practical coping strategies that sometimes but not always work for her. Many voices of different natures and walks of life appear in Rosie's, story with each one offering a part of their own belief to try and console her in her misery - except that she turns her back on any advice or support offered. Rosie is convinced that she can cope with her loss on her own and "needs no help from anyone, thank you" - until a sweet, gentle, soft-spoken voice

begins to travel with her throughout her ordeal, leaving her no other choice but to listen. Eventually moving to the countryside in Angus, Rosie finds the isolation gives her life a new meaning offering her the opportunity to re-value her belief's about her own self values and decides the time has come to give her son a memorial service and invite a chosen few dance companions whom she met on a regular basis in Edinburgh to honour this day. Rosie begins to accept she will never be the same person she once had been and shall never be again, believing now her journey through grief taught her many lessons making her a stronger and better person than she imagined she could ever be.

God Loves Your Dream -
Suzanne Elizabeth Anderson
2013-11-26

God placed a special dream in your heart that only you can fulfill. He's given you a purpose for your life and if you will walk with Him, you will see that purpose completed. We are each on a special journey

toward fulfilling the dreams God has placed in our hearts. It is a road filled with rapid increase, sudden setbacks, and baffling blind alleys. Nevertheless, I promise you that your journey will bring you closer to God. As you draw closer, you will discover that God loves your dreams as much as you do. He wants you to share these dreams with Him, to allow Him to guide you and help you along the way. I assure you: God will always provide an answer to your prayer. You are never alone; God is always near. And more than anything else . . . God loves you beyond measure.

The Audacity of Hope -

Barack Obama 2006-10-17

#1 NEW YORK TIMES

BESTSELLER • Barack

Obama's lucid vision of America's place in the world and call for a new kind of politics that builds upon our shared understandings as Americans, based on his years in the Senate "In our lowdown, dispiriting era, Obama's talent for proposing humane, sensible solutions with uplifting, elegant

prose does fill one with hope."—Michael Kazin, The Washington Post In July 2004, four years before his presidency, Barack Obama electrified the Democratic National Convention with an address that spoke to Americans across the political spectrum. One phrase in particular anchored itself in listeners' minds, a reminder that for all the discord and struggle to be found in our history as a nation, we have always been guided by a dogged optimism in the future, or what Obama called "the audacity of hope." The Audacity of Hope is Barack Obama's call for a different brand of politics—a politics for those weary of bitter partisanship and alienated by the "endless clash of armies" we see in congress and on the campaign trail; a politics rooted in the faith, inclusiveness, and nobility of spirit at the heart of "our improbable experiment in democracy." He explores those forces—from the fear of losing to the perpetual need to raise

money to the power of the media—that can stifle even the best-intentioned politician. He also writes, with surprising intimacy and self-deprecating humor, about settling in as a senator, seeking to balance the demands of public service and family life, and his own deepening religious commitment. At the heart of this book is Barack Obama’s vision of how we can move beyond our divisions to tackle concrete problems. He examines the growing economic insecurity of American families, the racial and religious tensions within the body politic, and the transnational threats—from terrorism to pandemic—that gather beyond our shores. And he grapples with the role that faith plays in a democracy—where it is vital and where it must never intrude. Underlying his stories is a vigorous search for connection: the foundation for a radically hopeful political consensus. Only by returning to the principles that gave birth to our Constitution, Obama

says, can Americans repair a political process that is broken, and restore to working order a government that has fallen dangerously out of touch with millions of ordinary Americans. Those Americans are out there, he writes—“waiting for Republicans and Democrats to catch up with them.”

Lingering Grief - Charles Bugg
2007

In 1993, Smyth & Helwys released the book *Learning to Dream Again*, by noted pastor, teacher, and writer Charles Bugg. The book told of Bugg's son David, whose malignant brain tumor sent David and his entire family down a path filled with the pain of medical tests, surgeries, and radiation, as well as the disappointment of dreams which may never be fulfilled. The response to Bugg's story in *Learning to Dream Again* was overwhelming. Fourteen years later, Bugg has updated the story in this new book, *Lingering Grief*. Not only does this new book continue the story of David and his family, but it also considers the stories

of countless others who connected to the earlier book and who shared with the author their stories of dealing with the lingering grief of their pain and, indeed, learning to dream again.

Completed by the authors of LifeRemotely.com this is the most comprehensive guide for driving the Pan American yet!

Your Hand in Mine, We Will Go - Lynn Cavanaugh-Blades
2014-11-19

Lynn is a typical 7 year old, growing up in the south in 1964, who loves her family, the Beatles, playing outside until

dark and twisting to Chubby Checker's hit single, most days in that particular order. She also secretly dreams of being crowned a queen one day, just like the contestants on the Miss America pageant. One Sunday afternoon as she stands before the newly crowned queens at the Girl's Auxiliary coronation at First Baptist Church, a small white pillow with a crown on it in her hands, Lynn makes the decision to begin her own GA journey. She quickly discovers, however, there is one huge obstacle that threatens to prevent her from ever achieving that or any other goal. Cora, a middle aged friend of Lynn's grandparents, dreams of being a queen too, each weekday morning as she watches one of her favorite shows, "Queen for a Day." Little does she know the same thing that threatens to keep Lynn from the crown also threatens to keep her from her future and more than she is even aware of, perhaps even forcing her to give up before she has the courage to dream

again. Will Lynn and Cora ever see their dreams come true? It is what happens one stormy night on the Pamlico River that has the power to free them both from all that is holding them back, if their hearts are strong enough to live through it. Sweet, inspirational and deeply rooted in Southern 1960's culture, "Your Hand in Mine" captures the power of renewed Hope and the pursuit of dreams, blending the lives and struggles of two similar, but unlikely characters, set apart only by age. Set against the backdrop of a changing America, grieving from the recent assassination of President John Kennedy, this story reminds us of an innocent time so quickly slipping away. It was a time of church picnics, five and dime stores, the birth of rock and roll, a love for the simple things in life, and the pursuit of the American Dream, before that dream began to fall apart, and social change, injustice, war and unrest became such a huge part of our daily dialogue. It is my hope this book will inspire us all to

dream Big dreams again, and live fearless and hopeful lives.
A Real Hero - Jean Brashear
2004

A man who can't walk away from trouble-and a woman who's nothing but Traveling incognito, Zane MacAllister, Hollywood's hottest heartthrob, has at last eluded the rabid gossipmongers and curiosity seekers who trail him like a pack of coyotes hoping for a bone, and now he has the time and space to sort through his life and see what he's become. And then he comes upon Roan O'Hara, pale, thin to the point of starvation, a woman at the end of her rope. She's determined to survive the harsh winter in a ramshackle cabin in the Smoky Mountains-and her grit and vulnerability compel him to stay and help her out. This mountain woman has secrets, and so does he. But just when they're about to come clean with each other, the outside world catches up. Can they find a way to be together, this man who at every turn proves he's a real hero and this woman who has

battles she must fight alone'
**Out of the Closet and Into
God's Love** - Robert Pinkney
2012-01-01

Each person is born with a dream to do something greater than himself. It could be a dream to build an empire, to discover a cure, to run a marathon, or simply to love and be loved. It burns brightly in the heart, as an eternal flame of hope. And for many, the dream successfully transforms itself into reality. But what of those who confront impregnable obstacles that stand brazenly against their dreams? And what do you do when the raging floods of life threaten to permanently extinguish the flame of your dreams? Out of the Closet and Into God's Love chronicles the story of two individuals who dreamed and lost, and dared to dream again. They would eventually not only stand in the fulfillment of their dreams, but their dreams would also bring them together in vital union. Read the book in its entirety to discover how God, the Giver of dreams, stands ready to sustain

you with the power, courage, faith, and bulldog tenacity necessary to fulfill your dreams, every one of them! Also in its pages, you will discover love; you will encounter hope, and you will experience healing. In essence, you will meet God, face to face. And as a result, you will be transformed, for the better. Get ready to dream again.

In Search of My Destiny - Irma Reyes Herrera 2012-09
Heartwarming and inspiring, In Search of My Destiny tells a story about true family love. A wonderful tale that portrays the strength of the human spirit and proves that there is strength in unity, and highlights the special bond between parents and children. It is the story of a woman who lived her life in two different cultures. She lived her childhood and adolescence in a small Mayan village in Guatemala, Central America, where the customs were drastic and dramatic. When she became a single mother of three small children, she lived in California, where she faced a

different culture, where she made a promise to herself that she would survive the struggle for those years ahead and achieve the triumph in the physical, emotional, and intellectual development of her and her children. Though she faced many challenges in life, she persevered in search of love, peace, happiness, and family union. Readers can witness her fascinating story unfold in *In Search of My Destiny*. A book by: Irma Reyes Herrera. Parents Find very similar facts and renewed inspiration. Grandparents Bring back memories of when you raised your children. Young People You'll have an understanding of the love that is felt for your children and what it takes to raise them. Children Be inspired to embrace your family history and events.

Dare to Lead - Brené Brown
2018-10-09

#1 NEW YORK TIMES
BESTSELLER • Brené Brown
has taught us what it means to
dare greatly, rise strong, and
brave the wilderness. Now,

based on new research conducted with leaders, change makers, and culture shifters, she's showing us how to put those ideas into practice so we can step up and lead. Don't miss the five-part HBO Max docuseries *Brené Brown: Atlas of the Heart!* **NAMED ONE OF THE BEST BOOKS OF THE YEAR BY BLOOMBERG** Leadership is not about titles, status, and wielding power. A leader is anyone who takes responsibility for recognizing the potential in people and ideas, and has the courage to develop that potential. When we dare to lead, we don't pretend to have the right answers; we stay curious and ask the right questions. We don't see power as finite and hoard it; we know that power becomes infinite when we share it with others. We don't avoid difficult conversations and situations; we lean into vulnerability when it's necessary to do good work. But daring leadership in a culture defined by scarcity, fear, and uncertainty requires skill-building around traits that are

deeply and uniquely human. The irony is that we're choosing not to invest in developing the hearts and minds of leaders at the exact same time as we're scrambling to figure out what we have to offer that machines and AI can't do better and faster. What can we do better? Empathy, connection, and courage, to start. Four-time #1 New York Times bestselling author Brené Brown has spent the past two decades studying the emotions and experiences that give meaning to our lives, and the past seven years working with transformative leaders and teams spanning the globe. She found that leaders in organizations ranging from small entrepreneurial startups and family-owned businesses to nonprofits, civic organizations, and Fortune 50 companies all ask the same question: How do you cultivate braver, more daring leaders, and how do you embed the value of courage in your culture? In this new book, Brown uses research, stories, and examples to answer these

questions in the no-BS style that millions of readers have come to expect and love. Brown writes, "One of the most important findings of my career is that daring leadership is a collection of four skill sets that are 100 percent teachable, observable, and measurable. It's learning and unlearning that requires brave work, tough conversations, and showing up with your whole heart. Easy? No. Because choosing courage over comfort is not always our default. Worth it? Always. We want to be brave with our lives and our work. It's why we're here." Whether you've read *Daring Greatly* and *Rising Strong* or you're new to Brené Brown's work, this book is for anyone who wants to step up and into brave leadership. *Courage to Live My Dream* - Lawanna G. Parker 2018-08-29 About *Courage to Live Your Dream* La Wanna said she wrote this book to help others who may be experiencing what she went through. This book is about a dark time in her life when she felt she no longer

had any value. With one thing after another taking her deeper into despair, she started wondering what purpose she served. She shares her journey from feelings of despair to celebrations. The process she used is part of the story. Use of these steps as a start will not change you overnight but it will get you started. She doesn't preach to you, but she does believe it was her return to God and putting her faith and trust in Him that started the change with the use of this process. Internalizing his Words and promises and sticking with the steps gave her the courage to live her dream. Take the journey to a new direction, new attitude, new confidence, and a new you by re-creating your life on your terms your way. You are unique, and you do make a meaningful difference in this world. Someone is waiting to hear your story.

Ambition - Natalie Keller
Reinert 2014-07-10

Jules Thornton didn't come to Ocala to make friends. She came to make a name for

herself. Young, determined, and tough as nails, she's been swapping stable-work for saddle-time since she was a little kid -- and it hasn't always been a fun ride. Forever the struggling rider in a sport for the wealthy, all Jules has on her side is talent and ambition. She's certain all she needs to succeed are good horses, but will the eventing world agree? On her own at last, Jules is positive she's poised to become eventing's newest star, but soon finds she's making more enemies than friends in the close-knit equestrian community. Little mistakes cost big -- her students are losing faith in her; her owners are starting to pull their horses. And then there's the small matter of Peter Morrison, the handsome, on-the-rise event rider who keeps showing up when she least expects him. Jules is convinced that all she needs is good horses -- not friends, not romance, not anyone's nose in her business. But it's just the beginning of the long, hot, Ocala summer, and as Jules tumbles through

the highs and lows of a life with horses, she might find she'll need help after all to weather the coming storm.

Afraid to Hope - Rick Rigsby
2018-01-16

More than 160 MILLION people have viewed the widely popular Facebook video of Rick Rigsby speaking on the transformative power of hope. Now he shares these truths and more in his landmark book, "Afraid to Hope." You will discover how the dynamic power of hope has the capacity to transform every part of your life.

Everything Is Possible - Jen Bricker
2016-09-06

Born without Legs, She Inspires Others to Overcome
Jen Bricker was born without legs. Shocked and uncertain they could care for her, her biological parents gave her up for adoption. In her loving adoptive home, there was just one simple rule: "Never say 'can't.'" And pretty soon, there was nothing this small but mighty powerhouse set her sights on that she couldn't conquer: roller-skating,

volleyball, power tumbling, and spinning from silk ribbons thirty feet in the air.

Everything Is Possible is her incredible story--a story of God working out his plan for her life from before day one. Readers follow Jen from the challenges of growing up different to holding captive audiences numbering in the tens of thousands. *Everything Is Possible* shows readers what they can accomplish when they remove the words coincidence and limitation from their vocabulary. Filled with heart and spirit, as well as Jen's wit, wisdom, and no-holds-barred honesty, this inspiring true story points the way to purpose and joy. Foreword by Nick Vujicic.

When You Can't Come Back - Dave Dravecky
1994-02-24

The former all-star pitcher chronicles his painful struggle with cancer, his heroic return to baseball, and the eventual loss of his arm to the disease

Any Dream Will Do - Debbie Macomber
2017-12-26

#1 NEW YORK TIMES
BESTSELLER • Debbie

Macomber returns with a powerful standalone novel about a woman forced to start her life anew, embarking on the most courageous journey of all—to a place where she learns what love and trust really mean. Shay Benson adored her younger brother, Caden, and that got her into trouble. When he owed money, Shay realized she would do anything to help him avoid the men who were threatening him, and she crossed lines she never should have crossed. Now, determined to start fresh, she finds herself in search of a place to stay and wanders into a church to escape from the cold. Pastor Drew Douglas adored his wife. But when he lost her, it was all he could do to focus on his two beautiful kids, and his flock came in a distant third. Now, as he too is thinking about a fresh start, he walks through his sanctuary and finds Shay sitting in a pew. The pair strike up a friendship—Drew helps Shay get back on her feet, and she reignites his sense of purpose—that, over time, turns

into something deeper, something soulful, spiritual, and possibly romantic. Even Drew’s two children are taken with this woman who has brought light back into their lives. Perhaps most important, Shay learns to trust again as she, in turn, proves herself trustworthy to her adopted community. But Caden’s return to town and a disastrous secret threaten to undo the life Shay has tried so hard to rebuild. It will take the utmost courage and faith if she and Drew hope to find healing and open their hearts to a brighter future. Praise for *Any Dream Will Do* “Emotional, romantic and inspirational, the latest novel from romance maven Macomber is a must read! . . . Shay’s journey is one of courage, and there’s something in her story for every reader.”—RT Book Reviews “Any Dream Will Do is . . . so realistic, it’s hard to believe it’s fiction through the end. Even then, it’s hard to say goodbye to these characters. This standalone novel will make you hope it becomes a Hallmark

movie, or gets a sequel. It's an inspiring, hard-to-put-down tale. . . . You need to read it."—The Free-Lance Star "Any Dream Will Do by Debbie Macomber is a study in human tolerance and friendship. Macomber masterfully shows how all people have value."—Fresh Fiction "Macomber never disappoints. The message is uplifting and inspirational. Fans of Christian fiction or crossover works with a positive message will enjoy this book."—Library Journal

Love's Faithful Promise - Susan Anne Mason 2016-09-13

A Stirring Story of Love and Faith and America's Great Promise When her mother suffers a stroke, medical student Deirdre O'Leary makes the difficult choice to put her career on hold to care for her. Dr. Matthew Clayborne is renowned for his amazing results with patients, but when Deirdre approaches him about helping her mother, she finds him challenging and surly. Deirdre has had enough of complicated men in her life. After her fiancé left her, she

vowed never to give a man that kind of power again. Widower Dr. Matthew Clayborne is devoted to two things: his work with wounded soldiers and his four-year-old daughter, Phoebe. He won't abandon either of these priorities to care for one older woman. However, when Phoebe suffers a health scare, they're offered respite at the Irish Meadows farm, where his daughter's weakened lungs can recover--but only if he cares for Mrs. O'Leary. Matthew intends to hate Irish Meadows, yet he immediately feels at home, and soon both Mrs. O'Leary and Phoebe are showing improvement. But since he has no intention of leaving his life up north forever, and Deirdre has sworn off marriage in favor of her career, how will they deal with the undeniable attraction between them?

[Irish Meadows \(Courage to Dream Book #1\)](#) - Susan Anne Mason 2015-06-30

1911, Long Island, New York Faced With an Uncertain Future, Sometimes All You Have Left Is the Courage to

Dream Brianna and Colleen O'Leary know their Irish immigrant father expects them to marry well. Recently he's put even more pressure on them, insinuating that the very future of their Long Island horse farm, Irish Meadows, rests in their ability to land prosperous husbands. Both girls, however, have different visions for their futures. Brianna, a quiet girl with a quick mind, dreams of attending college. Vivacious Colleen, meanwhile, is happy to marry--as long as her father's choice meets her exacting standards of the ideal groom. When former stable hand Gilbert Whelan returns from business school and distant relative Rylan Montgomery visits Long Island during his seminary training, the two men quickly complicate everyone's plans. As the farm slips ever closer to ruin, James O'Leary grows more desperate. It will take every ounce of courage for both sisters to avoid being pawns in their father's machinations and instead follow their hearts. And even if

they do, will they inevitably find their dreams too distant to reach?

Heroes of Faith - Marlene Bateman Sullivan 2013

A collection of twenty-four remarkable stories of stalwart women and men who stood firm in spite of dangerous mobs, flying bullets, physical handicaps, extreme hardships, and dictatorial regimes.

Interrupted - Kathrine Lee 2016-12-15

Kathrine Lee...has an amazing ability to cheer people on to become who God designed them to be by communicating life changing stories wrapped in God's truth.-Lysa TerKeurst, President of Proverbs 31 Ministries and New York Times best-selling author The world can be full of challenges. Often, we must fight to see the good in the world. Kathrine Lee refuses to give up the fight. She believes there is good in the world, despite the pain and challenges we face. Learn how she found the spiritual strength and courage to stand up to disappointments and pain and find her path forward. A path

that leads to joy, hope, and adventure. Lee left the church at a young age and wandered through dark valleys until she found her way back to the light. Once there, she became a passionate crusader for love and justice. In *Interrupted*, Lee discusses how she made the decisions that have given her such a fulfilling, satisfying spiritual and emotional existence. She shares her

concern for anyone-but especially women-who has not felt the transformative power of God's grace. As Lee writes, that pain can be turned into an amazing purpose! Proceeds of her book will help her continue her work with Pure Hope Foundation, her nonprofit that assists in the restoration of those victimized by sex trafficking. "
