**Identical** - Ellen Hopkins 2008-08-26

Do twins begin in the womb? Or in a better place? Kaeleigh and Raeanne are identical down to the dimple. As

daughters of a district-court judge father and a politician mother, they are an all-American family -- on the surface. Behind the facade each sister has her own dark secret, and that's where their differences begin. For Kaeleigh, she's the misplaced focus of Daddy's love, intended for a mother whose presence on the campaign trail means absence at home. All that Raeanne sees is Daddy playing a game of favorites -- and she is losing. If she has to lose, she will do it on her own terms, so

But not Cow, who can't seem to dress for the weather. She's decked out in a parka and mittens as the first flowers bloom, ski-pants and a wool hat as the summer sun beats down, and a bathing suit and flip-flops when snow starts to tumble. Readers will love shouting out the catchy refrain "Not NOW, Cow!" while learning all about the seasons!

**The Jungle** - Upton Sinclair  
2010-08-19

A searing novel of social realism, Upton Sinclair's *The Jungle* follows the fortunes of Jurgis Rudkus, an immigrant

who finds in the stockyards of turn-of-the-century Chicago a ruthless system that degrades and impoverishes him, and an industry whose filthy practices contaminate the meat it processes. From the stench of the killing-beds to the horrors of the fertilizer-works, the appalling conditions in which Jurgis works are described in intense detail by an author bent on social reform. So powerful was the book's message that it caught the eye of President Theodore Roosevelt and led to changes to the food hygiene laws. In his Introduction to this new edition, Russ Castronovo highlights the aesthetic concerns that were central to Sinclair's aspirations, examining the relationship between history and historical fiction, and between the documentary impulse and literary narrative. As he examines the book's disputed status as novel (it is propaganda or literature?), he reveals why Sinclair's message-driven fiction has relevance to literary and historical matters

today, now more than a hundred years after the novel first appeared in print. *A Land Remembered* - Patrick D. Smith 2001

An elementary school teacher's manual for using *A Land Remembered* to teach language arts, social studies, and science coordinated with the Sunshine State Standards of the Florida Department of Education. In this best-selling novel, Patrick Smith tells the story of three generations of the MacIveys, a Florida family

who battle the hardships of the frontier to rise from a dirt-poor Cracker life to the wealth and standing of real estate tycoons. The story opens in 1858, when Tobias MacIvey arrives in the Florida wilderness to start a new life with his wife and infant son, and ends two generations later in 1968 with Solomon MacIvey, who realizes that the land has been exploited far beyond human need. The sweeping story that emerges is a rich, rugged Florida history featuring a memorable cast of crusty, indomitable Crackers battling wild animals, rustlers, Confederate deserters, mosquitoes, starvation, hurricanes, and freezes to carve a kingdom out of the swamp. But their most formidable adversary turns out to be greed, including finally their own. Love and tenderness are here too: the hopes and passions of each new generation, friendships with the persecuted blacks and Indians, and respect for the land and its wildlife. Patrick Smith's novel is now available

for young readers. Middle School teacher's manual See all of the books in this series *Never Turn Your Back on an Angus Cow* - Dr. Jan Pol  
2014-08-14

The star of *The Incredible Dr. Pol* shares his amusing, and often poignant, tales from his four decades as a vet in rural Michigan. Dr. Jan Pol is not your typical veterinarian. Born and raised in the Netherlands on a dairy farm, he is the star of Nat Geo Wild's hit show *The Incredible Dr. Pol* and has been treating animals in rural Michigan since the 1970s. Dr. Pol's more than 20,000 patients have ranged from white mice to 2600-pound horses and everything in between. From the time he was twelve years old and helped deliver a litter of piglets on his family's farm to the incredible moments captured on his hit TV show, Dr. Pol has amassed a wealth of stories of what it's like caring for this menagerie of animals. He shares his own story of growing up surrounded by animals, training to be a vet in the Netherlands, and moving

to Michigan to open his first practice in a pre-fab house. He has established himself as an empathetic yet no-nonsense vet who isn't afraid to make the difficult decisions in order to do what's best for his patients—and their hard-working owners. A sick pet can bring heartache, but a sick cow or horse could threaten the very livelihood of a farmer whose modest profits are dependent on healthy livestock. Reminiscent of the classic books of James Herriot, *Never Turn Your Back on an Angus Cow* is a charming, fascinating, and funny memoir that will delight animal lovers everywhere.

### **The Only Good Indians** -

Stephen Graham Jones  
2020-07-14

A NEW YORK TIMES BESTSELLER From USA TODAY bestselling author Stephen Graham Jones comes a "masterpiece" (*Locus Magazine*) of a novel about revenge, cultural identity, and the cost of breaking from tradition. Labeled "one of 2020's buzziest horror novels"

(Entertainment Weekly), this is a remarkable horror story that “will give you nightmares—the good kind of course” (BuzzFeed). From New York Times bestselling author Stephen Graham Jones comes a novel that is equal parts psychological horror and cutting social commentary on identity politics and the American Indian experience. Fans of Jordan Peele and Tommy Orange will love this story as it follows the lives of four American Indian men and their families, all haunted by a disturbing, deadly event that took place in their youth. Years later, they find themselves tracked by an entity bent on revenge, totally helpless as the culture and traditions they left behind catch up to them in a violent, vengeful way.

**Sacred Cow** - Diana Rodgers

2020-07-14

We're told that if we care about our health—or our planet—eliminating red meat from our diets is crucial. That beef is bad for us and cattle farming is horrible for the environment. But science says otherwise. Beef is framed as the most environmentally destructive and least healthy of meats. We're often told that the only solution is to reduce or quit red meat entirely. But despite what anti-meat groups, vegan celebrities, and some health experts say, plant-based agriculture is far from a perfect solution. In *Sacred Cow*, registered dietitian Diana Rodgers and former research biochemist and New York Times bestselling author Robb

Wolf explore the quandaries we face in raising and eating animals—focusing on the largest (and most maligned) of farmed animals, the cow.

Taking a critical look at the assumptions and misinformation about meat, *Sacred Cow* points out the flaws in our current food system and in the proposed "solutions." Inside, Rodgers and Wolf reveal contrarian but science-based findings, such as:

- Meat and animal fat are essential for our bodies.
- A sustainable food system cannot exist without animals.
- A vegan diet may destroy more life than sustainable cattle farming.
- Regenerative cattle ranching is one of our best tools at mitigating climate change.

You'll also find practical guidance on how to support sustainable farms and a 30-day challenge to help you transition to a healthful and conscientious diet. With scientific rigor, deep compassion, and wit, Rodgers and Wolf argue unequivocally that meat (done right) should have a place on the table. It's

### **Tender Is the Flesh** -

Agustina Bazterrica 2020-08-04

Working at the local processing plant, Marcos is in the business of slaughtering

humans—though no one calls them that anymore. His wife has left him, his father is sinking into dementia, and Marcos tries not to think too hard about how he makes a living. After all, it happened so quickly. First, it was reported that an infectious virus has made all animal meat poisonous to humans. Then governments initiated the “Transition.” Now, eating human meat—“special meat”—is legal. Marcos tries to stick to numbers, consignments, processing. Then one day he’s given a gift: a live specimen of the finest quality. Though he’s aware that any form of personal contact is forbidden on pain of death, little by little he starts to treat her like a human being. And soon, he becomes tortured by what has been lost—and what might still be saved.

Turn Left at the Black Cow -

Richard McKenzie 1998-01-01

Richard McKenzie, a painter and a widower with two young sons when he met Ava Astaire, describes the romance of their courtship and their decision to move from Los Angeles to West Cork, Ireland. The couple's restoration of a 200-year-old stone cottage in West Cork is the thread that weaves through this absorbing tale. 60 photos.

Cow Says Meow - Kirsti Call  
2021-03-16

A humorous picture book filled with wordplay and mixed-up onomatopoeia, *Cow Says Meow* features bold graphic art and silly animals. Cow says . . . Meow! Cat says . . . Neigh! . . . or does it? With bold graphic art and a punny narrator, this zany picture book is full of outrageously mixed-up animal sounds. Puns and wordplay will leave readers giggling through the roller-coaster of sounds all the way to the final pages featuring the correct animal noises. *Cow Says Meow* is a perfect read aloud for home, the classroom, or anywhere else, and will delight fans of Cece Bell's *I Yam a Donkey* and

David Ezra Stein's Interrupting Chicken.

Priests and kings, apostles and prophets, common folk and charismatic leaders—individual stories offer glimpses into an unfolding revelation that reaches across the centuries to touch us today. The Book of God: Follows the biblical story in chronological order Filled

with carefully researched cultural and historical background Includes biblical events viewed through the eyes of minor characters Master storyteller Walter Wangerin Jr. shares the story of the Bible from beginning to end as you've never read it before, retold with exciting detail and passionate energy. Experience the Bible in a beautiful new way!

**Turn Right at Machu Picchu**

- Mark Adams 2011-06-30

THE NEW YORK TIMES BESTSELLING TRAVEL MEMOIR What happens when an unadventurous adventure writer tries to re-create the original expedition to Machu Picchu? In 1911, Hiram Bingham III climbed into the Andes Mountains of Peru and “discovered” Machu Picchu. While history has recast Bingham as a villain who stole both priceless artifacts and credit for finding the great archeological site, Mark Adams set out to retrace the explorer’s perilous path in search of the truth—except he’d written about adventure far more than

he'd actually lived it. In fact, he'd never even slept in a tent. Turn Right at Machu Picchu is Adams' fascinating and funny account of his journey through some of the world's most majestic, historic, and remote landscapes guided only by a hard-as-nails Australian survivalist and one nagging question: Just what was Machu Picchu?
