It will not waste your time. receive me, the e-book will utterly vent you supplementary concern to read. Just invest little time to gate this on-line pronouncement **Adolf Hitler What Started World War 2 Biography 6th Grade Childrens Biography s** as well as evaluation them wherever you are now.

**Mein Kampf** - Adolf Hitler 2021-03-19  
'MEIN KAMPF' is the autobiography of Adolf Hitler gives detailed insight into the mission and vision of Adolf Hitler that shook the world. This book is the merger of two volumes. The first volume of MEIN KAMPF' was written while the author was imprisoned in a Bavarian fortress. The book deals with events which brought the author into this blight. It was the hour of Germany's deepest humiliation, when Napoleon has dismembered the old German Empire and French soldiers occupied almost the whole of Germany. The books narrates how Hitler was arrested with several of his comrades and imprisoned in the fortress of Landsberg on the river Lech. During this period only the author wrote the first volume of MEIN KAMPF. The Second volume of MEIN KAMPF was written after release of Hitler from prison and it was published after the French had left the Ruhr, the tramp of the invading armies still echoed in German ears and the terrible ravages had plunged the country into a state of social and economic Chaos. The beauty of the book is, MEIN KAMPF is an historical document which bears the imprint of its own time. Moreover, Hitler has declared that his acts and 'public statements' constitute a partial revision of his book and are to be taken as such. Also, the author has translated Hitler's ideal, the Volkischer Staat, as the People's State. The author has tried his best making German

Vocabulary easy to understand. You will never be satisfied until go through the whole book. A must read book, which is one of the most widely circulated and read books worldwide.  
*The Second World War* - Antony Beevor  
2012-06-05  
A masterful and comprehensive chronicle of World War II, by internationally bestselling historian Antony Beevor. Over the past two decades, Antony Beevor has established himself as one of the world's premier historians of WWII. His multi-award winning books have included Stalingrad and The Fall of Berlin 1945. Now, in his newest and most ambitious book, he turns his focus to one of the bloodiest and most tragic events of the twentieth century, the Second World War. In this searing narrative that takes us from Hitler's invasion of Poland on September 1st, 1939 to V-J day on August 14, 1945 and the war's aftermath, Beevor describes the conflict and its global reach -- one that included every major power. The result is a dramatic and breathtaking single-volume history that provides a remarkably intimate account of the war that, more than any other, still commands attention and an audience. Thrillingly written and brilliantly researched, Beevor's grand and provocative account is destined to become the definitive work on this complex, tragic, and endlessly fascinating period in world history, and confirms once more that he is a military historian of the first rank.

## **World War Two: Under the Shadow of the Swastika** - Lewis Helfand 2016-02-16

This volume of Campfire's graphic history of World War II deals with the war in Europe from the rise of the Nazis through to May 1945 and VE Day. World War II shows the effects of the war on the soldiers, the refugees, the victims and protagonists of the most terrible conflict the world has ever known. In a world that is forgetting the lessons history has to teach, this book is a reminder of the horrors that come from intolerance. In the 1930s, a great evil was rising in the heart of Europe, a threat unlike any seen before. German leader Adolf Hitler, a madman bent on world domination, was raising an army and growing more violent by the day. The world knew that Hitler had to be stopped. But fearing a war, this growing threat of Hitler's Nazi army was left unchecked. The world simply watched as Germany sank into darkness. The world merely prayed that war would not breach their borders. The world waited. And they waited too long. As cities fell to ruin and millions were slaughtered, the growing darkness of Hitler and his Nazi empire branched out far beyond Europe—to Asia and Africa and America—and soon threatened to claim the entire world. France, England, Russia, the United States... no single nation had the strength to combat this darkness, at least not on their own. With the fate of the world hanging in the balance, the one final, desperate hope was that all of these nations united together might muster the strength to save humanity.

## World War II For Dummies - Keith D. Dickson 2020-01-29

Looking to ally yourself with World War II knowledge? More than 75 years after its end, World War II remains one of the most devastating and impactful events in human history. It was a global war, and the nations that fought it employed every available resource, harnessing both technology and people to one purpose. Today, we remember WWII for its battles, tragedies, and horrors, but also for its outcome: a greater good that triumphed over evil. The breadth of World War II facts and history can be overwhelming, which is why *World War II For Dummies* is the perfect book for any reader, from history buffs to WWII novices. Full of accurate and easy-to-understand

information (so you don't have to speak military to comprehend), this book will help you explore a war that defined and shaped the world we live in today. You'll discover all the players—individuals as well as nations—who participated in the war and the politics that drove them. Battle by battle, you'll find out how the Axis powers initially took control of the war and how the Allies fought back to win the day. *World War II for Dummies* also covers: The origins and causes of World War II The rise of Adolf Hitler and the Third Reich How the war was handled at home Germany's invasion of Poland, France, Denmark, Norway, Belgium, and Luxembourg Great Britain's refusal to surrender after 42 days of German aerial attack The United States' entrance into the war after Japan bombed Pearl Harbor The Allied invasion of Normandy (D-Day) Germany's last-ditch effort to stop the Allies at the Battle of the Bulge The use of the atomic bomb on Hiroshima and Nagasaki Become an expert on this historical catalyst with *World War II For Dummies*—grab your copy today. P.S. If you think this book seems familiar, you're probably right. The Dummies team updated the cover and design to give the book a fresh feel, but the content is the same as the previous release of *World War II For Dummies* (9780764553523). The book you see here shouldn't be considered a new or updated product. But if you're in the mood to learn something new, check out some of our other books. We're always writing about new topics! *Battles of World War II* - Neil Tonge 2008-07-15 Describes major military events of World War II, including the destruction of Poland, the battle of Britain, and the bombing of Pearl Harbor. *World War II & the Post-War Years, Grades 4 - 7* - Maria Backus 2002-07-03 Bring history to life for students in grades 4-7 with *World War II and the Post-War Years*! This 64-page book covers topics such as the rise of dictators, Pearl Harbor, victory gardens, Rosie the Riveter, D-day, Anne Frank, Iwo Jima, and the Korean War. It enables students to explore American history through fun activities, such as word searches, fact-or-opinion questions, and creative writing. The book also includes answer keys, time lines, and suggested reading lists. **Hitler, Mad Dictator of World War II** - John Devaney 1978-01-01

Traces the life of Adolf Hitler from his youth to his self-destruction in a Berlin bunker.

[The Best War Ever](#) - Michael C. C. Adams 1994  
"Most valuable to students and general readers who have not given World War II serious study but who are interested in achieving a better understanding of America's experience in what Dwight D. Eisenhower called 'the Great Crusade.'" -- Register of the Kentucky Historical Society

*Hitler's American Gamble* - Brendan Simms  
2021-11-16

A riveting account of the five most crucial days in twentieth-century diplomatic history: from Pearl Harbor to Hitler's declaration of war on the United States. By early December 1941, war had changed much of the world beyond recognition. Nazi Germany occupied most of the European continent, while in Asia, the Second Sino-Japanese War had turned China into a battleground. But these conflicts were not yet inextricably linked—and the United States remained at peace. *Hitler's American Gamble* recounts the five days that upended everything: December 7 to 11. Tracing developments in real time and backed by deep archival research, historians Brendan Simms and Charlie Laderman show how Hitler's intervention was not the inexplicable decision of a man so bloodthirsty that he forgot all strategy, but a calculated risk that can only be understood in a truly global context. This book reveals how December 11, not Pearl Harbor, was the real watershed that created a world war and transformed international history.

**Hitler's American Friends** - Bradley W. Hart  
2018-10-02

A book examining the strange terrain of Nazi sympathizers, nonintervention campaigners and other voices in America who advocated on behalf of Nazi Germany in the years before World War II. Americans who remember World War II reminisce about how it brought the country together. The less popular truth behind this warm nostalgia: until the attack on Pearl Harbor, America was deeply, dangerously divided. Bradley W. Hart's *Hitler's American Friends* exposes the homegrown antagonists who sought to protect and promote Hitler, leave Europeans (and especially European Jews) to fend for themselves, and elevate the Nazi

regime. Some of these friends were Americans of German heritage who joined the Bund, whose leadership dreamed of installing a stateside Führer. Some were as bizarre and hair-raising as the Silver Shirt Legion, run by an eccentric who claimed that Hitler fulfilled a religious prophecy. Some were Midwestern Catholics like Father Charles Coughlin, an early right-wing radio star who broadcast anti-Semitic tirades. They were even members of Congress who used their franking privilege—sending mail at cost to American taxpayers—to distribute German propaganda. And celebrity pilot Charles Lindbergh ended up speaking for them all at the America First Committee. We try to tell ourselves it couldn't happen here, but Americans are not immune to the lure of fascism. *Hitler's American Friends* is a powerful look at how the forces of evil manipulate ordinary people, how we stepped back from the ledge, and the disturbing ease with which we could return to it.

**World War 2** - Aaron Rosenberg 2011

Provides profiles of the life and accomplishments for six leaders during World War II, including Adolf Hitler, Franklin D. Roosevelt, and Josef Stalin.

**Adolf Hitler - What Started World War 2 - Biography 6th Grade Children's Biography Books** - Baby Professor 2017-09-15

Say "Hitler" and people would automatically think of evil and Jews. Adolf Hitler was responsible for the Holocaust, wherein thousands of Jews were killed. But what made Hitler craft anti-Jew legislation? Maybe his life held the answers. Reading about the lives of historical figures will never undo what they did but it can help to make sure history does not repeat itself. Start reading today!

**How Hitler Could Have Won World War II** - Bevin Alexander 2007-12-18

From an acclaimed military historian, a fascinating account of just how close the Allies were to losing World War II. Most of us rally around the glory of the Allies' victory over the Nazis in World War II. The story is often told of how the good fight was won by an astonishing array of manpower and stunning tactics. However, what is often overlooked is how the intersection between Adolf Hitler's influential personality and his military strategy was critical in causing Germany to lose the war. With an

acute eye for detail and his use of clear prose, Bevin Alexander goes beyond counterfactual "What if?" history and explores for the first time just how close the Allies were to losing the war. Using beautifully detailed, newly designed maps, *How Hitler Could Have Won World War II* exquisitely illustrates the important battles and how certain key movements and mistakes by Germany were crucial in determining the war's outcome. Alexander's harrowing study shows how only minor tactical changes in Hitler's military approach could have changed the world we live in today. Alexander probes deeply into the crucial intersection between Hitler's psyche and military strategy and how his paranoia fatally overwhelmed his acute political shrewdness to answer the most terrifying question: Just how close were the Nazis to victory?

[Adolf Hitler Life Story - Volume One](#) - Christian Butnariu 2014-08-16

Adolf Hitler (1889-1945) was the founder and leader of the Nazi Party and the most influential voice in the organization, implementation and execution of the Holocaust, the systematic extermination and ethnic cleansing of six million European Jews and millions of other non-aryans. Hitler was the Head of State, Supreme Commander of the Armed Forces and guiding spirit, or fuhrer, of Germany's Third Reich from 1933 to 1945.

*History of World War II*. - Tim Cooke 2005  
Presents a comprehensive discussion of the origins, events, campaigns and personalities of World War II.

[What They Didn't Teach You About World War II](#) - Mike Wright 2000-10-24

Packed with personal anecdotes and details you won't find anywhere else, this is the secret history of World War II. "A fast-moving overview stuffed with interesting factoids and historical tidbits . . . Casual readers will find themselves carried along, and hardened military buffs will learn much that is new."—Library Journal "It's almost guaranteed to make you so interested in the subject you'll want to learn . . . By including hundreds of interesting anecdotes and facts, [Mike] Wright not only piques our interest repeatedly, he also gives areal feel for the war era."—Manchester Journal Inquirer "An excellent overview . . . [with] interesting

chapters on spies, POWs, censorships, and the building of the atomic bomb . . . Wright's style is accessible."—The Post and Courier

[Heroes and Villains](#) - World History 2020-09-20  
With Europe overrun by Hitler's thundering war machine, Churchill is the only head of state with the courage to stand up to the Führer. The British Prime Minister's iron will makes him a role model in Great Britain and across the continent. Churchill and his V-sign become a symbol of resistance against Nazi Germany. In Germany in February 1942, armaments minister Albert Speer has the job of making sure that there's a steady supply of prisoners of war to man the plants and factories –at the same time as the SS are on a killing spree. But Speer isn't saving prisoners' lives: men, women and children are worked to death producing weapons for the German army. Churchill was a true hero, and Speer, a nasty villain – or were they? Churchill had racist views, while Speer defied Hitler at risk to his own life and saved Germany's infrastructure. This issue gets up close to World War II's greatest personalities. World History invites you on a fascinating journey to bygone eras, allowing you to explore the greatest events in history. Take a trip back in time - to the frontlines of World War 2, to the Viking raids, and the religious rituals of ancient Egypt. World History is for everyone who would like to know more about the exciting and dramatic events of the past.

[Adolf Hitler](#) - Hourly History 2016-10-17

The most notorious man in history, Adolf Hitler, is best known for having perpetrated crimes against humanity over the six-year course of World War II. His brutal extermination policies are responsible for the deaths of close to 30 million people he considered inferior, and added to that, the military casualties suffered by all parties, yields a grand total of approximately 60 million people dead by the end of the war. That number equates to 3% of the world's population at the time. But, who was this man? What made him into the monster he became? Can his childhood explain the formation of such a brutal dictator? Inside you will read about... □ Hitler's Early Years □ Hitler's Years in Vienna □ Life After Vienna - Hitler's Early Military Career □ The Formation of the Nazi Party □ Hitler's Imprisonment and Subsequent Rise to Power □

World War II This eBook tells the story of the man behind the monster in concise yet thorough detail. Hitler's childhood, his early life and dreams of becoming an artist, his military career in World War I, his subsequent rise to power as the leader of the Nazi Party, and his rule during the war are presented in succinct, compelling detail packed with historical information that makes for an entertaining and informative read. *The Concise Encyclopedia of World War II [2 volumes]* - Cathal J. Nolan 2010-04-22

A comprehensive and integrated military, political, and strategic history of World War II, ranging from the daily life of conscripts and civilians to operational and strategic decision making at the highest levels. • Hundreds of concise entries on all facets of World War II, ranging well beyond the typical focus on the West and on battle-to-battle recaps • 100 photos and 20 maps offer important information about World War II

*Visions of Victory* - Gerhard L. Weinberg 2005-04-11

Visions of Victory, first published in 2005, explores the views of eight leaders of the major powers of World War II - Hitler, Mussolini, Tojo, Chiang Kai-shek, Stalin, Churchill, de Gaulle, and Roosevelt. He compares their visions of the future in the event of victory. While the leaders primarily focused on fighting and winning the war, their decisions were often shaped by their aspirations for the future. What emerges is a startling picture of postwar worlds. After exterminating the Jews, Hitler intended for all Slavs to die so Germans could inhabit Eastern Europe. Mussolini and Hitler wanted extensive colonies in Africa. Churchill hoped for the re-emergence of British and French empires. De Gaulle wanted to annex the northwest corner of Italy. Stalin wanted to control Eastern Europe. Roosevelt's vision included establishing the United Nations. Weinberg's comparison of the individual portraits of the war-time leaders is a highly original and compelling study of history that might have been.

*Churchill, Hitler, and "The Unnecessary War"* - Patrick J. Buchanan 2008-05-27

Were World Wars I and II inevitable? Were they necessary wars? Or were they products of calamitous failures of judgment? In this monumental and provocative history, Patrick

Buchanan makes the case that, if not for the blunders of British statesmen- Winston Churchill first among them-the horrors of two world wars and the Holocaust might have been avoided and the British Empire might never have collapsed into ruins. Half a century of murderous oppression of scores of millions under the iron boot of Communist tyranny might never have happened, and Europe's central role in world affairs might have been sustained for many generations. Among the British and Churchillian errors were: • The secret decision of a tiny cabal in the inner Cabinet in 1906 to take Britain straight to war against Germany, should she invade France • The vengeful Treaty of Versailles that mutilated Germany, leaving her bitter, betrayed, and receptive to the appeal of Adolf Hitler • Britain's capitulation, at Churchill's urging, to American pressure to sever the Anglo-Japanese alliance, insulting and isolating Japan, pushing her onto the path of militarism and conquest • The greatest mistake in British history: the unsolicited war guarantee to Poland of March 1939, ensuring the Second World War Certain to create controversy and spirited argument, Churchill, Hitler, and "the Unnecessary War" is a grand and bold insight into the historic failures of judgment that ended centuries of European rule and guaranteed a future no one who lived in that vanished world could ever have envisioned.

**The Real History of World War II** - Alan Axelrod 2008

Traces the causes of World War II, explores the motivations of important people involved with it, presents the events of the war grouped by the theater in which they took place, and examines its aftermath.

*The United States in World War II* - G. Kurt Piehler 2012-11-28

This reader brings together 78 primary documents that capture the diversity of experiences of Americans who lived through World War II, from presidents and generals to war workers and GIs. Illustrates the political, diplomatic and military history of the conflict, including well-known documents, such as the Atlantic Charter and Franklin Roosevelt's Congressional address requesting a declaration of war against Japan Highlights the far-reaching economic, social and cultural changes caused by

the war, such as the struggles to find day care for the children of women war workers, and the experiences returning veterans. Includes an introduction, document headnotes and questions at the end of each chapter designed to encourage students to engage with the material critically

**The Third Reich** - World History 2020-09-20

In 1933 Adolf Hitler seizes power after seducing the German people with lavish promises of restoring order, prosperity and the Greater German Reich to its former glories. He then goes to on exploit other Western European powers' fear of confrontation to rearm the country in direct defiance of the restrictive terms of the Treaty of Versailles. Before his neighbours can react, Hitler has transformed Germany's armed forces into the most modern war machine of the day. And Hitler is not alone. He allies himself with Mussolini's fascist Italy, Stalin's communist Soviet Union and - on the other side of the world - the military dictatorship of Japan, which shares Germany's expansionist vision. World History invites you on a fascinating journey to bygone eras, allowing you to explore the greatest events in history. Take a trip back in time - to the frontlines of World War 2, to the Viking raids, and the religious rituals of ancient Egypt. World History is for everyone who would like to know more about the exciting and dramatic events of the past.

*The Last 100 Days* - John Toland 2003-05-27

A dramatic countdown of the final months of World War II in Europe, *The Last 100 Days* brings to life the waning power and the ultimate submission of the Third Reich. To reconstruct the tumultuous hundred days between Yalta and the fall of Berlin, John Toland traveled more than 100,000 miles in twenty-one countries and interviewed more than six hundred people—from Hitler's personal chauffeur to Generals von Manteuffel, Wenck, and Heinrici; from underground leaders to diplomats; from top Allied field commanders to brave young GIs. Toland adeptly weaves together these interviews using research from thousands of primary sources. When it was first published, *The Last 100 Days* made history, revealing after-action reports, staff journals, and top-secret messages and personal documents previously unavailable to historians. Since that time, it has come to be

regarded as one of the greatest historical narratives of the twentieth century.

*The World War II Book* - 2022-02-03

Discover the key battles, tactics, technologies and turning points of the Second World War - the epic conflict that shaped the modern world. Combining authoritative, exciting text and bold explanatory graphics *The World War II Book* explores the causes, key events, and lasting consequences of the Second World War. Using the original, graphic-led approach of the series, entries profile more than 90 of the key ideas and events during and surrounding the conflict - from the rise of Hitler and Fascism in the 1930s to Pearl Harbor, the D-Day landings, and the bombing of Hiroshima to the founding of the State of Israel in 1948. Offering a uniquely compelling, accessible, and immediate history of the war, *The World War II Book* shows how key battles, political and economic forces, individual leaders, and technological advances influenced the course of the conflict.

*Germany, Hitler, and World War II* - Gerhard L. Weinberg 1996-04-26

A collection of essays discusses the nature of the Nazi system, its impact on the world, and the Holocaust, and offers a comparative analysis of the leadership styles of Hitler, Stalin, Tojo, and Roosevelt. BOMC. History Bk Club. UP.

**Historical Facts** - Amanda Oneil 1992

Presents the turning points of World War II including technical innovations and the political consequences which changed the course of human history.

*Europe on Trial* - Istvan Deak 2015-01-27

Renowned scholar István Deák brings us the comparative history of collaboration, retribution, and resistance during World War II.

**The Encyclopaedia Britannica** - 2020-12-15

This book has been considered by academicians and scholars of great significance and value to literature. This forms a part of the knowledge base for future generations. So that the book is never forgotten we have represented this book in a print format as the same form as it was originally first published. Hence any marks or annotations seen are left intentionally to preserve its true nature.

**World War II in Cartoons** - Mark Bryant 2005

Whether producing strips, social comment in magazines like *Punch* or *Lilliput*, savage

caricature of allies and enemies, or a daily chronicle of events at home or abroad, little escaped the cartoonists pen during World War II and they encapsulated the great dramas in a way impossible in prose. This book is divided into chapters covering the war year-by-year, each chapter prefaced with a concise introduction that provides a historical framework for the cartoons of that year. Altogether some 300 cartoons, in color and black and white, have been skillfully blended to produce a unique record of World War II.

*Hitler's Second Book* - Adolf Hitler 2003

The unpublished followup to Hitler's autobiography never published during the dictator's lifetime includes details of his vision for a foreign policy based on continual aggression that would inevitably result in a confrontation with the United States, which he saw as a major stumbling block to his plans.

**Hitler's First War** - Thomas Weber 2010-09-16

The story of Hitler's formative experiences as a soldier on the Western Front - now told in full for the first time, presenting a radical revision of Hitler's own account of this time in *Mein Kampf*.

**World War II, Roots and Causes** - Keith

Eubank 1975

Topics of focus include the problem of historical context, the tension between traditional and revisionist viewpoints, the question of Allied appeasement, the failure of intelligence-gathering, the Soviet role, and the place of the Holocaust in accounts of the causes of World War II.

**Franco and Hitler** - Stanley G. Payne

2008-01-01

Was Franco sympathetic to Nazi Germany? Why didn't Spain enter World War II? In what ways did Spain collaborate with the Third Reich? How much did Spain assist Jewish refugees? This is the first book in any language to answer these intriguing questions. Stanley Payne, a leading historian of modern Spain, explores the full range of Franco's relationship with Hitler, from 1936 to the fall of the Reich in 1945. But as Payne brilliantly shows, relations between these two dictators were not only a matter of realpolitik. These two titanic egos engaged in an extraordinary tragicomic drama often verging on the dark absurdity of a Beckett or Ionesco play. Whereas Payne investigates the evolving

relationship of the two regimes up to the conclusion of World War II, his principal concern is the enigma of Spain's unique position during the war, as a semi-fascist country struggling to maintain a tortured neutrality. Why Spain did not enter the war as a German ally, joining with Hitler to seize Gibraltar and close the Mediterranean to the British navy, is at the center of Payne's narrative. Franco's only personal meeting with Hitler, in 1940 to discuss precisely this, is recounted here in groundbreaking detail that also sheds significant new light on the Spanish government's vacillating policy toward Jewish refugees, on the Holocaust, and on Spain's German connection throughout the duration of the war.

*An Illustrated History of World War II* - Harris Andrews 2001

*Hitler and His Allies in World War II* - Jonathan R. Adelman 2007

"Focuses on German-Ally relations, the role of the lesser powers and the relationships between dictators. Each chapter looks in turn at the Soviet Union, Japan, Vichy France, Italy, Spain, Romania, and Hungary, and analyzes their relationships with Nazi Germany. Using a comparative approach, seven case studies examine themes such as cooperation and resistance, military and economic aid, treatment of Jews, relations with the enemies, and the popular sentiment toward Germany"--P [4] of cover.

**The Nazi Menace** - Benjamin Carter Hett

2020-08-04

A panoramic narrative of the years leading up to the Second World War—a tale of democratic crisis, racial conflict, and a belated recognition of evil, with profound resonance for our own time. Berlin, November 1937. Adolf Hitler meets with his military commanders to impress upon them the urgent necessity for a war of aggression in eastern Europe. Some generals are unnerved by the Führer's grandiose plan, but these dissenters are silenced one by one, setting in motion events that will culminate in the most calamitous war in history. Benjamin Carter Hett takes us behind the scenes in Berlin, London, Moscow, and Washington, revealing the unsettled politics within each country in the wake of the German dictator's growing

provocations. He reveals the fitful path by which anti-Nazi forces inside and outside Germany came to understand Hitler's true menace to European civilization and learned to oppose him, painting a sweeping portrait of governments under siege, as larger-than-life figures struggled to turn events to their advantage. As in *The Death of Democracy*, his acclaimed history of the fall of the Weimar Republic, Hett draws on original sources and newly released documents to show how these long-ago conflicts have unexpected resonances in our own time. To read *The Nazi Menace* is to see past and present in a new and unnerving light.

### **The Greatest Blunders of World War II -**

Horace Edward Henderson 2001-08

Adolph Hitler lost WWII because of his blunders and the U.S. and its allies won WWII in spite of their blunders. Nearly a lifetime of research and study by a veteran of World War II reveals the major political and military errors and mistakes which caused the greatest catastrophe in world history, almost lost the struggle with the greatest evil the world has ever known, failed to

end the conflict in a decisive victory for the survival of freedom and democracy, subjected the world to almost half a century of fear and turmoil in the Cold War, and wasted vast world resources on armaments while hundreds of millions of people suffered from hunger, illness and death. This analysis of the major issues and campaigns of World War II concentrates on what went wrong with the conduct of the war which needlessly prolonged its brutal end and reveals how narrow was the margin between victory and defeat.
