I Hear the Sunspot: Limit Volume 3 - Yuki Fumino 2021-04-13

Stunningly handsome Kohei Sugihara was outgoing and popular with the girls at school. But when a sudden illness left him with partial hearing loss, he grew quiet and reluctant to engage with others. At college, a chance encounter with an ever-optimistic classmate named Taichi Sagawa helped Kohei open up once more. And over time, the two began to develop feelings for each other. As the story continues, the pair tries to balance their budding relationship alongside Taichi's inspiring new career and Kohei's continued studies. But things don't always go as planned. One day, seemingly out of nowhere, Kohei announces that maybe they should spend some time apart.

Everything You Need to Know But Have Never Been Told - David Icke 2017-11-18

"I want to make it clear before we start what the title represents.

Everything You Need To Know, But Have Never Been Told does not refer to all that people need to know in terms of information and knowledge. How could you put that between two covers? Religious books claim to do this but they are works of self-delusion and perceptual imprisonment. Everything You Need To Know in this case refers to the information necessary to open entirely new ways of thinking and perceiving reality, both in the seen and unseen, from which everything else will come. This book is a start not a finish. It is written in layers with information placed upon information that together reveals the picture by connecting the parts. The parts are fascinating, but the picture is devastating. Prepare for a perception reboot]] "

Empower Yourself - Xenia Tchoumi 2020-12-08

The ultimate guide to self-empowerment from motivational speaker and digital entrepreneur Xenia Tchoumi, offering tips and techniques for staying fiercely independent in a world of social conditioning, making the internet work for you (instead of against you) and living your best, most powerful life. Xenia Tchoumi is passionate about self-empowerment and independent thinking. A fashion influencer, motivational speaker and self-made digital entrepreneur, she wrote this book to share the techniques and tools that have made her so successful, and to encourage her readers to resist media manipulation, stand up for who they really are, and live their best, most powerful lives. Xenia takes readers on a practical, no-nonsense journey to self-empowerment, covering topics such as taking responsibility, using your pain and your failures to push yourself further, and learning digital dominance instead of letting yourself be digitally dependent. She offers a wealth of tips for creating productive habits, setting goals, protecting your mental health and resisting society's pressures to conform. She shares her stories of struggling against prejudice as the child of recent immigrants, battling the restrictive structures of the fashion industry, making her mark in the digital space and ultimately making herself into an ultra successful

brand. Questioning exactly what empowerment looks like today, she also offers the inspiring stories of empowered people she has met all over the world and shows that, while empowerment can seem very different in different cultures, there are certain key traits that empowered people share - habits that anyone can learn and use to become a success in life.

I Hear the Sunspot: Limit Volume 1 - Yuki Fumino 2018-11-06

Miller's Review of Critical Vaccine Studies - Neil Z. Miller 2016-02-01

Many people sincerely believe that all vaccines are safe, adverse reactions are rare, and no peer-reviewed scientific studies exist showing that vaccines can cause harm. This book -- Miller's Review of Critical Vaccine Studies -- provides the other side of the story that is not commonly told. It contains summaries of 400 important scientific papers to help parents and researchers enhance their understanding of vaccinations. "This book should be required reading for every doctor, medical student and parent. Reading this book will allow you to make better choices when considering vaccination." --David Brownstein, MD "This book is so precise and exciting in addressing the vaccine

controversy that I read it in one evening. I recommend this book to any parent who has questions about vaccines and wants to be factually educated to make informed decisions." --Gabriel Cousens, MD "Neil Miller's book is a tour de force and a clarion voice championing the cautionary principle: 'When in doubt, minimize risk.' Let's talk science. Read this book. The truth will keep you and your children protected." --Bradford S. Weeks, MD "Nowhere else can one find such an organized and concise compilation of research on vaccines. Not only does Miller have a deep understanding of science and the issues at hand, he has made this book easy to reference and cite. Truly, there is no other guide out there quite like it. For everyone who contacts me in the future seeking scientific evidence about vaccines, I will recommend Miller's Review of Critical Vaccine Studies." --Toni Bark, MD, MHEM, LEED AP, previous Director of the pediatric ER at Michael Reese Hospital "Miller's Review of Critical Vaccine Studies is the most comprehensive and coherent accumulation of peer-reviewed research on vaccine issues and natural immunity I have ever come across. A must read for parents, teachers, doctors and other healthcare providers." --Dr. Tyson Perez, pediatric chiropractor
