The Star Cross - Raymond Weil 2015-11-04

Admiral Kurt Vickers is on fleet maneuvers in the Newton System when a heavily damaged Earth light cruiser appears. The captain tells a horrific story. Earth has been invaded, and the defensive fleets in orbit have been annihilated. For decades, humans have been exploring farther and farther away from Earth and Newton searching for signs of intelligent life. Now that intelligent life has found them and it comes as an invader. The enemy is ruthless, powerful, and has a disdain for human life. Admiral Vickers has his small fleet taskforce and is hopelessly outnumbered. However, even in darkness there is light and Admiral Vickers will do whatever is necessary to free Earth from the invaders, even if he has to travel to the worst hellhole in the galaxy to do it.

The Player - Claire Contreras 2016-10-10

I'm naturally gifted on the field and between the sheets. With flashy cars and enough media attention to put the Royal Family to shame, I'm the definition of Most Eligible Bachelor. Every man wants to be me and every woman wants to tame me. Until Camila. The moment I lay eyes on her, I know I have to have her. She wants to keep me at arm's length. I want her naked in my bed. She thinks our worlds are too different. All I want her to think about is screaming my name. She says I'm bad news. I have three weeks to prove her wrong.

Galactic Empire Wars: Destruction - Raymond Weil 2014-06-26

From the author of The Slaver Wars comes a new military science fiction series. To the Kleese, the Earth is nothing more than a planet full of conscripts to fight in their numerous wars of aggression. The Kleese are one of three large Galactic Empires that control the majority of the galaxy. To them, Earth is an extremely dangerous planet due to the aggressiveness of the humanoid species that inhabits it. The humans that inhabit Earth will make excellent conscripts, but something must be done to prevent them from expanding out into the galaxy. To the Kleese the solution is simple, take the conscripts they need and then destroy the planet. Mason Randle controls the Smithfield Mining Corporation. His main headquarters is inside the asteroid Vesta. The Kleese know nothing about what resides inside of the asteroid and the role it will play in saving the human race. Lieutenant Wade Nelson is a marine taken as a conscript by the Kleese. His primary goal is to find a way back to Earth. In the meantime, he will fight in the wars the Kleese are involved in until he knows enough to take the fight to the Kleese themselves. He will bid his time in the hope that someday he will find a way back home for himself and his marines.

The Star Cross: Galaxy in Peril - Raymond Weil 2017-01-18

From USA Today Best Selling Author Raymond L. Weil comes the third book in the Star Cross series. The situation in the galaxy is growing desperate. Every day the Vorn are harvesting world after world to be used as food for their Queens. The Vorn ships are nearly indestructible and destroying every fleet that dares to oppose them. Lakiam Fleet Commodore Dreen is trying to form an alliance to try to stop the Vorn, but he needs a victory to bring other Protector Worlds to his side. Fleet Admiral Kurt Vickers undertakes a daring journey to the center of the galaxy seeking a half-mythical race that might just have the secret to stopping the Vorn. However, the mission goes horribly wrong, and he might never see Newton or Earth again.

The Sound the Stars Make Rushing Through the Sky - Jane Johnston Schoolcraft 2007

Introducing a dramatic new chapter to American Indian literary history, this book brings to the public for

the first time the complete writings of the first known American Indian literary writer, Jane Johnston Schoolcraft (her English name) or Bamewawagezhikaquay (her Ojibwe name), Woman of the Sound the Stars Make Rushing Through the Sky (1800-1842). Beginning as early as 1815, Schoolcraft wrote poems and traditional stories while also translating songs and other Ojibwe texts into English. Her stories were published in adapted, unattributed versions by her husband, Henry Rowe Schoolcraft, a founding figure in American anthropology and folklore, and they became a key source for Longfellow's sensationally popular The Song of Hiawatha. As this volume shows, what little has been known about Schoolcraft's writing and life only scratches the surface of her legacy. Most of the works have been edited from manuscripts and appear in print here for the first time. The Sound the Stars Make Rushing Through the Sky presents a collection of all Schoolcraft's extant writings along with a cultural and biographical history. Robert Dale Parker's deeply researched account places her writings in relation to American Indian and American literary history and the history of anthropology, offering the story of Schoolcraft, her world, and her fascinating family as reinterpreted through her newly uncovered writing. This book makes available a startling new episode in the history of American culture and literature.

Star Crossed Enemies - A. N. Mendez 2019-09-16

Two polar opposite lives become intertwined in the most unusual circumstances during the height of World War II. Hazel is a young Jewish woman in hiding and makes the decision that could change her life forever. She saves a German Officer's life when he is left for dead. She struggles to handle her family's outrage, the hatred from the very man whose life she saved, and her own morality. Mark is a German Officer who has been fueled by hatred for years. Overtime, he begins to question his humanity and saves Hazel from her own family in return. But, at what cost? Betrayal, passion, secrets, lies, and love pave their journey together as they desperately save themselves from a world that doesn't understand such a taboo affair. However, not all love stories end in happy endings. And "bad boys" that turn into heroes are too predictable. Will the Nazi Regime, her family, or the very man she saved destroy Hazel? Will she find her way unscathed through all this chaos? Or, will their forbidden love end them both?

Singapore Noir - Cheryl Lu-Lien Tan 2014-05-12

The dark side of The Lion City is explored in a thrilling anthology that gives "plenty of new and unfamiliar voices a chance to shine" (San Francisco Book Review). The island city-state of Singapore harbors unique customs and traditions largely unknown to the West. A booming economy and embrace of conformity overshadow its gambling dens, red-light districts, and a collective passion for ghostly and gory tales. Now, in Singapore Noir, some of its best contemporary authors delve into its seedy side, including three winners of the Singapore Literature Prize: Simon Tay (writing as Donald Tee Quee Ho), Colin Cheong, and Suchen Christine Lim, whose contribution was named a finalist for the Private Eye Writers of America Shamus Award for Best P.I. Short Story. Eleven more tales showcase the talents of Colin Goh, Philip Jeyaretnam, Cheryl Lu-Lien Tan, Monica Bhide, S.J. Rozan, Lawrence Osborne, Ovidia Yu, Damon Chua, Johann S. Lee, Dave Chua, and Nury Vittachi. "Singapore, with its great wealth and great poverty existing amid ethnic, linguistic, and cultural tensions, offers fertile ground for bleak fiction . . . Tan has assembled a strong lineup of Singapore natives and knowledgeable visitors for this volume exploring the dark side of a fascinating country." —Publishers Weekly

Earth Fall: Invasion - Raymond Weil 2018-01-27

From USA Today Bestselling author of The Slaver Wars comes a new military science fiction series. The Trellixian Empire was constantly expanding, seeking new worlds for their ever-increasing population. If worlds were discovered with existing sentient populations, they were cleansed to make room for colonization. Hundreds of budding civilizations had been eliminated by Trellixian battle fleets. On Earth years in the past, a scout ship fleeing from the Trellixians crashed. Scientists investigating the wreckage discovered what the Trellixians had done to the world the scout ship escaped from. They also discovered it was only a matter of time before the Trellixians reached Earth. A daring plan was implemented involving the major world powers. They would prepare in secret for the coming of the alien invaders. The only question was, how could one world resist a galactic empire?

The Slaver Wars: Galactic Conflict - Raymond L. Weil 2014-09-10

Fleet Admiral Streth has left Rear Admiral Jeremy Strong the difficult task of holding the system of Careth until he can return with a relief fleet. Jeremy is facing impossible odds as the Hocklyns and AIs gather a massive force to crush his fleet and the defenses he has put in place around the bear's home planet. Cut off from the Federation, Jeremy and his people have no idea whether the Federation still exists or if the Hocklyns and the AIs have destroyed it. In the Federation, Admiral Streth is being forced to play a game of politics to get a relief fleet approved. His biggest fear is that he won't arrive back at Careth in time to save Admiral Strong. He knows that time is running out and he might be forced to take some desperate

measures.

Star-Crossed Orbits: Inside The U.S.-Russian Space Alliance - James Oberg 2001-11-07

An insider's view into the U.S.-Russian space program In Star-Crossed Orbits, space veteran and bestselling author James Oberg combines riveting personal memoir with top-notch investigative journalism to tell the complete untold story of the U.S.-Russian space alliance. With unparalleled access to official Russian archives, facilities, and key individuals associated with the Russian space program, he describes the strengths and weaknesses that each side of the alliance brings to the table. And he reveals for the first time the full story of Russia's decaying space program and how it ultimately was saved from collapse by Western funds. Praise for Star-Crossed Orbits: "A unique background and base of experience underlies this remarkable book by Jim Oberg. It is must reading for anyone who wishes to understand the culture with which one must deal when attempting to cooperate with Russia or counter its initiatives, whether peaceful or otherwise. Times change with the clock." --Dr. H.H. 'Jack' Schmitt, Apollo moon walker, US Senator "Jim Oberg's new book is an absolute must read for those who have followed the first decades of the human exploration of space. He reveals all sorts of insider information on all sides of the relationship between the U.S. and the Soviet Union, later Russia, as they attempted to forge a successful partnership in space. . . Don't miss this one!" --Admiral Richard Truly, Space Shuttle Astronaut and former NASA Administrator "[Star-Crossed Orbits] is a great piece of investigative journalism. [Its] detailed, comprehensive and well documented description of the political environment that shaped the International Space Station is a service to NASA and the nation. . . [This] book is a must read for program managers, engineers and scientists engaged in present and future projects with Russia." --Gene Kranz, Apollo Flight Director, author of 'Failure is Not An Option' "Finally, someone is telling it like it is about the Russian manned space program the good, the bad and the ugly. The Russians pulled the wool over our eyes for decades. It continues even today, only now America is paying for it. I have relied on Jim for years because no one knows it or tells it like he does." --Walter Cunningham, Apollo VII Astronaut (first manned Apollo mission) "In this reasoned indictment, James Oberg reveals the self-delusional and cynically deceptive deals in which the US allowed Russia to be a controlling partner in constructing the International Space station. He details the terrible cost in time, national treasure and integrity that this caused and how, despite these self-inflicted barriers, America's much-maligned space workers successfully built it anyway." --Frederick C. Durant III, Former Assistant Director, National Air and Space Museum

Kingdom of Fear - Hunter S. Thompson 2011-11-24

'Hot damn! Let us rumble, keep going and don't slow down ... let's have a little fun ...' In his much-anticipated memoir, Hunter S. Thompson looks back on a long and productive life. It is a story of crazed road trips fuelled by bourbon and black acid, of insane judges and giant porcupines, of girls, guns, explosives and, of course, bikes. He also takes on his dissolute youth in Louisville; his adventures in pornography; campaigning for local office in Aspen; and what it's like to accidentally be accused of trying to kill Jack Nicholson. Alongside this 'depraved and terrifying adventure', Hunter S. Thompson exposes the darkness at the heart of America today: a time when the 'goofy child President' and the New Dumb have taken control, and the nation thralls to Bush's War on Terror, War on Evil, War on Iraq, and even War on Fat ... a time when fear and loathing are greater than ever.

Born to Fly - Sara Evans 2020-09-08

Discover country music star Sara Evans's inspirational story about her rise to stardom, her roundabout path to love, and how her faith brings daily joy no matter the circumstances. Sara Evans—a Billboard, ACM, and CMA Award-winning country music star who's been named one of People's "50 Most Beautiful People" and competed on ABC's Dancing with the Stars—has been inspiring fans throughout her successful music career. In this powerful, personal, and often humorous book, Sara opens up and shares stories from her career, describing what it's like living in the spotlight and how her faith keeps her strong. She writes about overcoming life's most challenging experiences, from a childhood accident that nearly took her life, to the loss she experienced when her parents divorced, and from her own painful and very public divorce, to finding incredible love when she least expected it with former pro quarterback-turned-sportscaster Jay Barker. Now, after over a decade of marriage, Sara and Jay's blended family of nine is thriving, filling her life with focus and meaning. As she weaves the narrative of her life, Sara candidly reveals the things that

are most important to her and her family now, her favorite tips about staying true to herself and her faith, knowing when to ask for help, abandoning perfectionism, and the importance of a strong support group of friends and family. Fans old and new will enjoy this inspiring, heartfelt book.

The Guide to Selecting Plays - Samuel French Ltd 1966

The Vorrh - Brian Catling 2015-04-28

Prepare to lose yourself in the heady, mythical expanse of *The Vorrh*, a daring debut that Alan Moore has called “a phosphorescent masterpiece” and “the current century's first landmark work of fantasy.” Next to the colonial town of Essenwald sits the Vorrh, a vast—perhaps endless—forest. It is a place of demons and angels, of warriors and priests. Sentient and magical, the Vorrh bends time and wipes memory. Legend has it that the Garden of Eden still exists at its heart. Now, a renegade English soldier aims to be the first human to traverse its expanse. Armed with only a strange bow, he begins his journey, but some fear the consequences of his mission, and a native marksman has been chosen to stop him. Around them swirl a remarkable cast of characters, including a Cyclops raised by robots and a young girl with tragic curiosity, as well as historical figures, such as writer Raymond Roussel and photographer and Edward Muybridge. While fact and fictional blend, and the hunter will become the hunted, and everyone’s fate hangs in the balance, under the will of the Vorrh.

Born to Be Wild - Barry Bowe 2014-01-03

A distinct line exists between right and wrong. Some people never dream of crossing that line. Others cross it willingly . . . At nineteen, Bobby Nauss joins the Warlocks Motorcycle Gang and plunges into a life of crime. At 2:30 a.m. on December 12, 1971, he has sex with his girlfriend. At 3 a.m. he kills her and disposes of her body. As time passes, four teenaged girls are kidnapped, raped, and murdered. Because their bodies are found in or around the Tinicum Marsh, they become known as "The Marsh Murders." The victims share three things in common - sex, drugs, and an association with members of the Warlocks. It takes the mobilization and galvanization of local, county, state, and federal law enforcement agencies across the country to deal with the outlaw bikers and determine who did what, where, and when. *Born to Be Wild* is a true story of rape, murder, and deception. The book drags you into the misogynistic world of outlaw motorcycle gangs, places you behind prison bars, and pins a badge on your chest to pursue the bad guys. Justice takes twenty years to reach Bobby Nauss.

Born Again! - Martin Popoff 2020-05-22

In this scintillating sequel to *Sabotage! Black Sabbath in the Seventies*, Martin Popoff blows up the kaleidoscopic narrative of the Sabs over the ensuing twenty years, dissecting each and every of the band's ten studio albums and two (and-a-half) live albums produced over that time period. So this is the book where we hear the gripes, snipes, swipes and thumbs-up likes from Ronnie James Dio, Ian Gillan, Glenn Hughes, Tony Martin and finally once more Ozzy Osbourne, as they remark upon this institution coddled by the anchor of the band Tony Iommi, who valiantly held Black Sabbath together through many years of blood, sweat and Tyrs. *Heaven and Hell*, *Mob Rules*, *Live Evil*, *Born Again*, *Seventh Star*, *The Eternal Idol*, *Headless Cross*, *Tyr*, *Dehumanizer*, *Cross Purposes*, *Forbidden* and finally, extensively broken down, *Reunion...* they're all here, song by song, the hirings and the firings highlighted and explained.

Incorporating talk from over 60 interviews conductive with band members and other relevant parties over 25 years, make no mistake-this is the most in-depth examination of the band during this timeframe ever executed. So come one and all, re-love modern-era Black Sabbath all over again-you'll be pleasantly surprised at how much dastardly doom there is from Tony Iommi that you need to know and embrace once again.

Legacy of Ash - Matthew Ward 2019-11-05

Legacy of Ash is an unmissable fantasy debut--an epic tale of intrigue and revolution, soldiers and assassins, ancient magic and the eternal clash of empires. A shadow has fallen over the Tressian Republic. Ruling families -- once protectors of justice and democracy -- now plot against one another with sharp words and sharper knives. Blinded by ambition, they remain heedless of the threat posed by the invading armies of the Hadari Empire. Yet as Tressia falls, heroes rise. Viktor Akadra is the Republic's champion. A warrior without equal, he hides a secret that would see him burned as a heretic. Josiri Trelanis Viktor's

sworn enemy. A political prisoner, he dreams of reigniting his mother's failed rebellion. And yet Calenne Trelan, Josiri's sister, seeks only to break free of their tarnished legacy; to escape the expectation and prejudice that haunts the family name. As war spreads across the Republic, these three must set aside their differences in order to save their home. Yet decades of bad blood are not easily set aside. And victory -- if it comes at all -- will demand a darker price than any of them could have imagined.

No Ordinary Woman - Janice Sanford Beck 2001

Artist, photographer, writer, world traveler and, above all, explorer, Mary Schaffer Warren overcame the limited expectations of women at the turn of the nineteenth century in order to follow her dreams. Mary, born into a wealthy Quaker family in Pennsylvania, was a precocious child who excelled at school. She was much more interested in the arts and traveling. A trip across Canada in 1889 proved the turning point in Mary's life. Not only did she meet her future husband-doctor and botanist Charles Schaffer-she also fell hopelessly in love with the mountains. After Charles' death, Mary embarked on explorations into the Canadian Rockies at a time when it was not thought proper for a woman to do so. Her most famous trips of 1907 and 1908 resulted in the rediscovery of Maligne Lake and the highly regarded book *Old Indian Trails of the Canadian Rockies*. Mary eventually settled in Banff and there married her handsome young guide Billy Warren. Since her death in 1937, she continues to inspire young people and women in particular.

The Star-Crossed Sisters of Tuscany - Lori Nelson Spielman 2020-11-17

An International Bestseller! A LibraryReads and Indie Next Pick! A trio of second-born daughters sets out on a whirlwind journey through the lush Italian countryside to break the family curse that says they'll never find love, by New York Times bestseller Lori Nelson Spielman, author of *The Life List*. Since the day Filomena Fontana cast a curse upon her sister more than two hundred years ago, not one second-born Fontana daughter has found lasting love. Some, like second-born Emilia, the happily-single baker at her grandfather's Brooklyn deli, claim it's an odd coincidence. Others, like her sexy, desperate-for-love cousin Lucy, insist it's a true hex. But both are bewildered when their great-aunt calls with an astounding proposition: If they accompany her to her homeland of Italy, Aunt Poppy vows she'll meet the love of her life on the steps of the Ravello Cathedral on her eightieth birthday, and break the Fontana Second-Daughter Curse once and for all. Against the backdrop of wandering Venetian canals, rolling Tuscan fields, and enchanting Amalfi Coast villages, romance blooms, destinies are found, and family secrets are

unearthed—secrets that could threaten the family far more than a centuries-old curse.

The Rebound - Winter Renshaw 2018-01-29

The last time I saw Nevada Kane, I was seventeen and he was loading his things into the back of his truck, about to embark on a fourteen-hour drive to the only college that offered him a full ride to play basketball. I told him I'd wait for him. He promised to do the same. But life happened. I broke my promise long before he ever broke his-and not because I wanted to. We never saw each other again ... Until ten years later when Nevada unexpectedly returned to our hometown after an abrupt retirement from his professional basketball career. Suddenly he was everywhere, always staring through me with that brooding gaze, never returning my smiles or "hellos." Over the years, I'd heard that he'd changed. And that despite his multi-million dollar contracts and rampant success, life hadn't been so kind to him. He was a widower. And a single father. And rumor had it, he'd spent his last ten years trying to forget me, refusing to so much as breathe my name ... hating me. But just like a rebound, he's back. And I have to believe everything happens for a reason.
