Dispensational Truth, Or God's Plan and Purpose in the Ages -

Clarence Larkin 2010-07-01

The Reverend Clarence Larkin was one of the most widely influential pop theologians of the early twentieth century: his works are the source of many of the "prophecies" and "truths" end-times Christians hold to even today. This stupendous 1918 book-perhaps his greatest work-is the result of more than 30 years' worth of, the author informs us, "careful and patient study of the Prophetic Scriptures."Fully illustrated by charts describing God's plan for humanity, Dispensational Truth covers: Pre-Millennialism the Second Coming of Christ the present evil world the Satanic trinity the world's seven great crises prophetic chronology the threefold nature of man the Book of Revelation five fingers pointing to Christ the False Prophet and much more.American Baptist pastor and author CLARENCE LARKIN (1850-1924) was born in Pennsylvania, and later set up his ministry there. He wrote extensively and popularly on a wide range of Biblical and theological matters.

Return to the Gospel of the Water and the Spirit - 1999

By comparing the true gospel to false one, this book clarifies the life giving truth of the Bible. The author have tried to deliver deeper into the truth of being born again of water and the Spirit (John 3:5).

Supernatural - The Life of William Branham Volume 1 - Owen

Jorgensen 2019-11-17

BOOK ONE: THE BOY AND HIS DEPRIVATION (1909-1932)William Branham is one of the greatest healing evangelists in Church history. From the minute he was born, William Branham was set apart from the ordinary. Plagued by poverty and rejection, he became a nervous child. Unusual things kept happening to him, mystifying and spiritual things...but he did not start thinking about God until he was 14, when he nearly lost both legs in a shotgun accident. As he lay dying in a pool of blood, he saw a terrifying vision of hell - saw himself falling constantly deeper into that region of lost and drifting souls. He cried out to God for mercy and miraculously was given a second chance - a chance which later he almost failed to grasp. Why was he the only minister in town who saw visions? When God first called him into nation-wide evangelism in 1936, he refused, only to pay dearly for his mistake by losing his wife and daughter to tuberculosis. The visions continued. Ministers told him that these visions came from Satan. Desperation finally drove him to seek a supernatural being. The angel gave him a commission from God to take a gift of Divine healing to the peoples of the world. When William Branham questioned whether the people would believe an angel had really met him, the angel said he would be given two supernatural signs to prove his calling. Then they

would have to believe. And believer they did!BOOK THREE: THE MAN AND HIS COMMISSION (1946-1950)Soon after the angel visited William Branham and told him he was ordained to take a gift of healing to the peoples of the world, the first sign appeared - a physical reaction in his hand that happened only when he touched the hand of someone suffering from a germ-caused disease. Within two months of his commission, William Branham's extraordinary gift had gained national attention. People by the thousands flocked to his meetings, where he preached salvation and Diving healing in the Name of Jesus Christ. Miracles abounded. The world had not seen anything like it since the days when Jesus walked through Galilee, casting out demons and healing all who were sick and afflicted. Even so, some people still questioned whether an angel had really met this humble man. Then the second sign appeared...and they had to believe!

All Things Are Possible - David Edwin Harrell 1979-01-21

"... a book about healing revivalists that takes them seriously and treats them fairly." Journal of Southern History"... will be a definitive work for some years to come." Reviews in American History"Harrell has obviously attended countless rallies, read sheafs of literature, and personally interviewed many of the principals. He... tell[s] the story in a largely

biographical format. This makes for lively reading." Harvey G. Cox, New York Times Book Review"... will attract readers interested in the reasons behind the various fat and lean periods among revivalists." Publishers Weekly"All Things Are Possible is the first book to tell the story of the enterprisers who have personal followings. The narrative is full of surprises: of seriousness and scandal strangely blended. Professor Harrell has done a staggering amount of research in hard to discover sources; his scholarship is impressive and he is eminently fair-minded. Here is a missing link in the chain of American religious movements." Martin E. Marty, The University of Chicago Divinity School"Harrell's book will doubtless be the definitive work on the subject for a long while who else will wade through Healing Waters and Miracle Magazine with such fastidious care?" The Kirkus ReviewsThis is the first objective history of the great revivals that swept the country after World War II. It tells the story of the victories and defeats of such giants of the revival as William Branham, Oral Roberts, Jack Coe, T. L. Osborn, A. A. Allen. It also tells of the powerful present day evangelists who are carrying on the revival, including Robert Schambach and Morris Cerullo. The book includes pictures of Schambach, Allen, Cerullo, Branham, Roberts, Osborn, Coe and many others. Those who lived through the great revival of the 1950s and 1960s will be thrilled to read about those exciting days. Those who do not remember those days need to read this book to see what has led us up to this present moment in time.David Edwin Harrell, Jr. is a professor of history at the University of Alabama in Birmingham. He has tried to write this book in an objective way, although you may not agree with all that he says. Dr. Harrell has visited Schambach revivals.
