She must survive - or die. Searching for the elven King's missing Dragonheart is his ruthless Spymaster Dimitri, who has his own agenda to revolutionise Pelenor. Harper is thrust into a web of intrigue, and her new companions - a roguish elven thief and his ragtag band - are not be the trustworthy friends she thinks. When Harper and Dimitri's paths collide, the only thing more dangerous than lies might be the truth, for either will destroy them. Harper and Dimitri must ally to ensure both survive the King's wrath in a court where betrayal is as easy as breathing. Who will drown in deceit, and who will rise triumphant? Dimitri's plans backfire as he realises that time, hate, and the darkest of magics have twisted the visionary he hoped to follow, Saradon, into an evil that seeks dominion over all - and Dimitri is bound to his cause. Harper is bound to Saradon too in ways she could not imagine. She holds great darkness within her - and the only chance for salvation. Betrayal rules Pelenor - but will Harper betray herself to save those she loves? Saradon rules Pelenor with an iron fist. The Court of Tournai is beholden to him. A new Order, loyal to the Dark One of Altarea, rises under his dominion. Trapped under Saradon's control, Harper is drawn into a darkness she cannot escape - and from which her friends cannot save her. War comes for Pelenor. The Dark One of Altarea will have his dominion. Will Pelenor be the first to fall, or can Harper and her far-flung companions somehow avert catastrophe? USA Today Bestselling Author and 2018 SPFBO Semi-Finalist Meg Cowley returns with a stunning new romantic epic fantasy trilogy set in the same world as her acclaimed Books of Caledan series. **Figures of Time** - David Ben-Merre 2018-02-01

Focuses on how nuances of poetic form alter how we have come to understand cultural aspects of time. *Figures of Time* proposes radically new ideas about the very poetic ground of culture. Presenting unique close readings of six modern poets—Wallace Stevens, W. B. Yeats, H. D. (Hilda Doolittle), Ezra Pound, Langston Hughes, and T. S. Eliot—David Ben-Merre brings recent theoretical questions about the rhetoric of modernism and poetic figuration into current discussions in critical theory. He argues that poetic spaces, often disjunctions of sound and sense, disrupt our culturally inherited notions of time, reimagining with an often irrational and anachronistic backward glance what we take to be historical chronologies, psychological perceptions of time, and collective scripts about causality.

*Some Luck* - Jane Smiley 2014-10-07

Longlisted for the 2014 National Book Award From the winner of the

Pulitzer Prize: a powerful, engrossing new novel—the life and times of a remarkable family over three transformative decades in America. On their farm in Denby, Iowa, Rosanna and Walter Langdon abide by time-honored values that they pass on to their five wildly different children: from Frank, the handsome, willful first born, and Joe, whose love of animals and the land sustains him, to Claire, who earns a special place in her father's heart. Each chapter in *Some Luck* covers a single year, beginning in 1920, as American soldiers like Walter return home from World War I, and going up through the early 1950s, with the country on the cusp of enormous social and economic change. As the Langdons branch out from Iowa to both coasts of America, the personal and the historical merge seamlessly: one moment electricity is just beginning to power the farm, and the next a son is volunteering to fight the Nazis; later still, a girl you'd seen growing up now has a little girl of her own, and you discover that your laughter and your admiration for all these lives are mixing with tears. *Some Luck* delivers on everything we look for in a work of fiction. Taking us through cycles of births and deaths, passions and betrayals, among characters we come to know inside and out, it is a tour de force that stands wholly on its own. But it is also the first part of a dazzling epic trilogy—a literary adventure that will span a century in America: an astonishing feat of storytelling by a beloved writer at the height of her powers.

**Heart of Dragons: A Sword & Sorcery Epic Fantasy** - Meg Cowley 2019-02-20

A stolen magic. A rising evil. They are pawns in a game they do not understand. USA Today Bestselling Author and 2018 SPFBO Semi-Finalist Meg Cowley returns with a stunning new epic fantasy trilogy set in the same world as her acclaimed Books of Caledan series. When orphan Harper discovers a legendary Dragonheart, her life changes forever. Magically flung to the faraway country of Pelenor, where magic, dragons, and elves rule, Harper must find her place - and fast. Searching for the elven King's missing Dragonheart is his ruthless Spymaster Dimitri, who has his own agenda to revolutionise Pelenor, and free it from the King's greed. Harper is thrust into a web of intrigue beyond her knowledge, and her newfound companions - a roguish elven thief and his ragtag band of companions - might not be the trustworthy friends she thinks. When Harper and Dimitri's paths collide, the only thing more dangerous than lies might be the truth, yet either might destroy them. Harper is forced to ally with the hated spymaster - but Dimitri is equally displeased that his fate rests in her unworthy hands. Harper and Dimitri must work together to ensure both of them survive the King's wrath in a court where betrayal is as easy as breathing. The Dragonheart is key to both their successes - but only one can possess it, and the king will not suffer its loss. Who will drown in deceit, and who will rise triumphant? If you enjoy epic fantasies with vivid characters and complex plots, you'll love the *Pelenor Chronicles*. It's perfect for fans of SJ Maas' *A Court of Thorns and Roses* series and Jeff Wheeler's *Kingfountain* series. Read *Heart of Dragons* now.

*Sparrow & Hawke* - Nina Lane 2022-02-22

Darius: She's forbidden. My attraction to her is wrong and dangerous. I'm like the serpent in the Garden of Eden targeting Eve. Corrupting her. I understand the serpent, though. When you've seen the worst of humanity, taken the brunt of evil, you crave goodness. You want compassion and courage, even when it comes in a girl far too young and innocent for the likes of you. If I get too close, I'll ruin her. But she's so tempting. Sweet. And impossible to resist. Nell: I can't believe I feel this way about him. Darius is my father's oldest friend. He's broken and scarred in ways I will never know or understand. But so am I. And I see myself in him -- this embattled war photographer and I are more alike than he will ever admit. He warns me. He tells me our desire is wrong. Immoral. But the wild, explosive heat between us is like a living creature. Neither one of us can escape it...no matter how desperately we try. Or even if it destroys us both. □ New York Times bestselling author Nina Lane returns with the *Birdsong Trilogy*, a provocative romance between two people whose forbidden love will set their lives—and the world—on fire.

*The First Binding* - R.R. Viridi 2022-08-16  
All legends are born of truths. And just as much lies. These are mine. Judge me for what you will. But you will hear my story first. I buried the village of Ampur under a mountain of ice and snow. Then I killed their god. I've stolen old magics and been cursed for it. I started a war with those that walked before mankind and lost the princess I loved, and wanted to save. I've called lightning and bound fire. I am legend. And I am a monster. My name is Ari. And this is the story of how I let loose the first evil. **Dragon's Blood** - Jada Storm 2017-11-11  
Stolen from her homeland. Separated from her mates. Is there any hope for Dareena and her dragons? Or is their kingdom destined to fall? When Drystan and his brothers managed to drive their madness-stricken father from the throne, Dareena thought the worst of their troubles were over. But the elves are knocking at their door, demanding reparations, and with a new general at the helm, they will not let Dragonfell off the hook so easily. To buy their kingdom time, and save their armies from certain destruction, Dareena and Alistair allows themselves to be taken to Elvenhame, where they will be held hostage until the countries can come to an agreement. But while the two kingdoms squabble, the real enemy continues its insidious assault. Both Dragonfell and Elvenhame unknowingly teeter on the brink of destruction, and unless Dareena and her mates can uncover the true conspiracy, their world will fall to darkness...

*Calendar* - Laurence Hull Stookey 2011-12-01

A probing but clearly written book, *Calendar* will find an appreciative audience beyond academia and clergy to the laity of the church: choirs and their directors, worship planners, adult study groups, and others who want to understand better the church's times of preparation and celebration. *Calendar* centers largely on theological meaning and parish practice in relation to liturgical time. Deliberately, almost no attention is given to detailed historical development, much of which is exceedingly complex in its origins and technical in its detail. An appendix entitled "Forgetting What You Were Always Taught (Or, This Book in a Nutshell)" aptly describes the radical reordering that Stookey believes occurs when our understanding of time and the story of Jesus takes its bearings from the Incarnation. So, just as the Christian week begins with Sunday, the day of Resurrection, Stookey follows the Christian year beginning with the season of Easter, and only then Lent; Christmas, then Advent.

Illuminating discussions of Ordinary and Extraordinary Time, and the Sanctoral Cycle follow.

**Stillbright** - Daniel M Ford 2017-06-01

The adventure continues... Ordained by an ancient goddess of mercy and light, former knight Allystaire Coldbourne has become a paladin, a hero out of legend. But evil stalks him, angry gods align against him, and greedy warlords want him dead. With the help of his friends, each blessed with extraordinary powers by the Goddess, Allystaire must escape the clutches of sorcerers and wicked rulers who will stop at nothing to destroy him as he continues his dangerous quest to bring peace and unity to the fractured and war-torn Baronies. With the Longest Night of mid-winter approaching, the Goddess weakens and armies march—armies determined to bring destruction and horror to the paladin and all who follow him. Allystaire is soon left with only his powers, his handful of friends, and his mission to be a beacon of hope, still and bright, in the encroaching darkness.

**William S. Burroughs Cutting Up the Century** - Joan Hawkins

2019-05-17

This definitive book on Burroughs' decades-long cut-up project and its relevance to the American twentieth century, including previously unpublished works. William S. Burroughs's *Nova Trilogy* (*The Soft Machine*, *Nova Express*, and *The Ticket That Exploded*) remains the best-known of his textual cut-up creations, but he committed more than a decade of his life to searching out multimedia for use in works of collage. By cutting up, folding in, and splicing together newspapers, magazines, letters, book reviews, classical literature, audio recordings, photographs, and films, Burroughs created an eclectic and wide-ranging countercultural archive. This collection includes previously unpublished work by Burroughs such as cut-ups of work written by his son, cut-ups of critical responses to his own work, collages on the Vietnam War and the Watergate scandal, excerpts from his dream journals, and some of the few diary entries that Burroughs wrote about his wife, Joan. William S. Burroughs *Cutting Up the Century* also features original essays, interviews, and discussions by established Burroughs scholars, respected artists, and people who encountered Burroughs. The essays consider Burroughs from a range of perspectives—literary studies, media studies, popular culture, gender studies, post-colonialism, history, and geography. "A landmark in scholarship." —Choice

*The Brooding Crown* - Meg Cowley 2017-05-18

Read the book described as "Game of Thrones for teenagers"... Where is the line between good and evil? Soren has defeated his usurping uncle and the semblance of peace has returned to Caledan, but surrounded by the twelve noble houses of Caledan, King Soren can trust few. In the shadows, treasonous thoughts grow. When news of Zaki's presence in Roher reaches Soren, can he ally all of Caledan to his cause - and keep them? Zaki has not given up on his plans to regain Caledan's throne. First he must prove himself to Harad, the mighty king of Roher, but Zaki will stop at nothing to gain the support of Roher's army, march on Caledan's borders and take back the throne of the dragon kings. War returns to Caledan, but a greater threat looms. The pact is broken. The Eldarkind are fading. The dragons war amongst themselves. A power too terrible to name grows in the North, and He seeks revenge. Only Eve stands in His way - but can she stop magic as old as time?
