Stalkers and their Victims - Paul E. Mullen
2008-11-13

Stalking has moved from being a novel area for study to become a core area of concern for mental health professionals, lawyers and other members of the criminal justice system. It has emerged as a significant social problem which not only commands considerable public attention but is now, in many jurisdictions, a specific form of criminal offence. This new edition brings the reader completely up-to-date with the explosion in published research and clinical studies in the field, and covers new issues such as cyberstalking, stalking health professionals, stalking in the workplace, female stalkers, juvenile stalkers, stalking celebrities, evaluating risk in the stalking situation, as well as exploring changes to the legal status of the behaviour.

Illustrated with case studies throughout, this is the definitive guide and reference for anyone with professional, academic or other interests in this complex behaviour.

I segreti del campo elettromagnetico-mentale - Carlo Mele

A Wild Ride Through the Night - Walter Moers
2008-09-04

In a world between legend and dream, *A Wild Ride through the Night* describes the exhilarating and comic adventures of his twelve-year-old protagonist Gustave, a boy who aspires one day to be a great artist. When a disaster at sea puts Gustave in the uncompromising hands of Death, he has the choice to give up the ghost or take on a series of six impossible tasks.

Gustave embarks on a strange and perilous journey during which he must save a princess from an angry dragon, pull a tooth from the Most Monstrous of All Monsters, fly over the moon, and even, somehow, meet his own self. Will Gustave's creativity and imagination be able to save him from his fate?

Approaches to Teaching the Works of Italo Calvino - Franco Ricci 2013-10-01

Given the range of his writing, teaching Calvino can seem a daunting task. This volume aims to help instructors develop creative and engaging

classroom strategies. Part 1, "Materials," presents an overview of Calvino's writings, nearly all of which are available in English translation, as well as critical works and online resources. The essays in part 2, "Approaches," focus on general themes and cultural contexts, address theoretical issues, and provide practical classroom applications. Contributors describe strategies for teaching Calvino that are as varied as his writings, whether having students study narrative theory through *If on a winter's night a traveler*, explore literary genre with *Cosmicomics*, improve their writing using *Six Memos for the Next Millennium*, or read *Mr. Palomar* in a general education humanities course.

The Pirates' Mixed-up Voyage - Margaret Mahy
1993-09

Captain Wafer and the crew of the *Sinful Sausage* set sail for the Thousand Islands with a plot to kidnap a famous inventor, only to be thwarted by a witch, a fire Drake, and the

dastardly Dr. Silkweed.

Alice: From Dream to Dream - Giulio Macaione
2018-10-10

Writer/artist Giulio Macaione makes his comics debut in this breathtaking story about family and friendship. Alice can enter and share dreams by sleeping near someone, a power utterly outside her own control. After moving back to Cincinnati, Alice is stuck sharing a bedroom with her brother and worse, sharing his dreams. The bright spot in her life is her best friend, Jamie, but there's more history between their families than Alice realized, and there are secrets buried deep.

Knowledge forbidden to humanity - Daniele Villa
2021-11-12

A one-of-a-kind book that will forever change the way those who read it see the world! On the trail of a mysterious energy hidden from humanity, in search of clues that prove its existence, unexpected revelations are discovered that could also explain the functioning of architectures of

the past that were never understood. A one-of-a-kind book! On the trail of a mysterious energy hidden from humanity, in search of clues that prove its existence, unexpected revelations are discovered that could also explain the functioning of architectures of the past that were never understood. From Castel del Monte in Italy to the Sardinian Nuraghi, passing through the Great Pyramid to Stonehenge, new theories revealed for the first time in the world. What did Ettore Majorana, Wilhelm Reich, Pierluigi Ighina, Nikola Tesla have in common? Mythologies of the past from Atlantis to Greece, biblical stories and declassified top secret documents. Real events hidden from humanity. Everything incredibly leads back to the same track. Mysterious energetic forces surround and feed what is found in the universe, passing a large amount of knowledge to the different peoples who have welcomed and exploited them since ancient times. Alignments, high intensity zones, UFOs, powerful weapons, space travel,

time and science fiction movie situations. Yet there are proofs and traces that everything existed, even if the truths of these energies have always been hidden, so as not to allow humanity to take possession of them. If you knew how to use them, would life on Earth have a better end? Man must know. Translator: Nevia Ferrara

Terrence Malick - Daniele Villa 2015-12-22
Terrence Malick's debut film, *Badlands*, announced the arrival of a unique talent. In the 40 years since that debut, Malick has only made 5 films, but they are distinctive in their beauty. This book is not meant to be a biography of Terrence Malick. The purpose behind the book is to introduce readers to the extraordinary universe of his film-making and to aid them in understanding his work. And to do this through the words of his closest collaborators - cinematographers, set designers, costumers, cameramen, directors, producers, and actors such as Sean Penn, Martin Sheen, Sissy Spacek

and Jessica Chastain. As their words flow from one to another, they form a fascinating, kaleidoscopic vision of American film and specifically Malick's artistic world. who make up a film. This book is the fruit of a journey began years ago when Luciano Baracaroli, Carlo Hintermann, Gerardo Panichi and Daniele Villa made a documentary on the work of Terrence Malick, which led to the making of this book as well.

Lateral Cooking - Niki Segnit 2019-11-05
A groundbreaking handbook--the "method" companion to its critically acclaimed predecessor, *The Flavor Thesaurus*--with a foreword by Yotam Ottolenghi. Niki Segnit used to follow recipes to the letter, even when she'd made a dish a dozen times. But as she tested the combinations that informed *The Flavor Thesaurus*, she detected the basic rubrics that underpinned most recipes. *Lateral Cooking* offers these formulas, which, once readers are familiar with them, will prove infinitely

adaptable. The book is divided into twelve chapters, each covering a basic culinary category, such as "Bread," "Stock, Soup & Stew," or "Sauce." The recipes in each chapter are arranged on a continuum, passing from one to another with just a tweak or two to the method or ingredients. Once you've got the hang of flatbreads, for instance, then its neighboring dishes (crackers, soda bread, scones) will involve the easiest and most intuitive adjustments. The result is greater creativity in the kitchen: *Lateral Cooking* encourages improvisation, resourcefulness, and, ultimately, the knowledge and confidence to cook by heart. *Lateral Cooking* is a practical book, but, like *The Flavor Thesaurus*, it's also a highly enjoyable read, drawing widely on culinary science, history, ideas from professional kitchens, observations by renowned food writers, and Segnit's personal recollections. Entertaining, opinionated, and inspirational, with a handsome three-color design, *Lateral Cooking* will have you

torn between donning your apron and settling back in a comfortable chair.

Cats of the Louvre - Taiyo Matsumoto

2019-09-17

The world-renowned Louvre museum in Paris contains more than just the most famous works of art in history. At night, within its darkened galleries, an unseen and surreal world comes alive—a world witnessed only by the small family of cats that lives in the attic. Until now...

The Halloween Tree - Ray Bradbury

2015-08-04

In *The Halloween Tree*, master of fantasy Ray Bradbury takes readers on a riveting trip through space and time to discover the true origins of Halloween. Originally published in 1972, this striking new hardcover edition features dramatic illustrations throughout by Gris Grimly, giving a new generation of readers a chance to discover the magic.

Blizzard - Robert Westall 1996

Contains two love stories, one written from a girl's perspective, one from a boy's. In *THE CHAPEL FARM*, a close relationship disintegrates when the protagonists move away to different universities. In *A CHRISTMAS LOVE STORY*, a couple become closer through

Forbidden Harbor - Teresa Radice 2019-09-15

In the summer of 1807, the *Explorer*, a ship from Her Majesty's Navy recovers a young shipwreck off the coast of Siam, Abel, who can only remember his name. He soon becomes friends with the first officer, acting as a captain because the commander of the ship has apparently absconded with the ship's treasure. Abel returns to England with the *Explorer* and finds accommodation at the inn run by the three fugitive captain's daughters. Well before he can recover his memory, however, he will discover something deeply disturbing about himself, and he will understand the true nature of some of the people who helped him. A haunting and intense

book that digs into the soul of the protagonists as well as the reader, with a generous helping of good ol' fashioned salty adventure along with many a shanty sung and a sprinkling of magic dust. Presented in a handsome old style, with a worn-looking hardcover, as if taken from a ship captain's library. An uplifting, enthralling escape.

Oh, Freedom! - Francesco D'Adamo 2016-06-09

This exciting adventure story follows a family of slaves in the USA in 1860 as they escape from a cotton plantation via the legendary Underground Railroad. An enthralling story of courage and resilience, centring on 10-year-old Tommy, it will fascinate children who might not know much about this secret escape route into Canada that was used by as many as 100,000 people. Ten-year-old Tommy roams the cotton fields of Alabama owned by the notorious Captain Archer. Intimidating guards with fierce dogs protect the land to prevent any slaves from leaving. That is until a supernatural spirit visits

Tommy offering a way out. With his banjo slung over his shoulder, Peg Leg Joe guides Tommy, his family and other slaves out of Southern USA, and into Canada through the legendary Underground Railroads. Stretched for miles across the country's vastness, the network famously facilitated more than 100,000 slaves to a new life. For Tommy and his family, the escape is far from an easy ride. The young boy is forced to mature through this testing period and allow his strong will to guide himself and others to safety under the guidance of Peg Leg Joe. Set in the 19th century, D'Adamo's well-constructed novel tells a story distant in time, remains grounded in a reality that still exists today. Millions of people across the globe continue to be enslaved, including children.

The Abbey of Cluny - Giles Constable 2010

The essays published in this volume cover many aspects of the history of Cluny from its foundation until the end of the twelfth century. Four of them are published here for the first

time, and others appear in a revised form. The three articles on Cluny in the tenth, eleventh, and twelfth centuries constitute a brief survey of Cluny at the height of its prestige and influence. Others, such as the articles on Cluny and the Investiture Controversy and the First Crusade, deal with the influence of Cluny outside its walls. Yet others are concerned with the relations between Cluny and other orders, between Cluny and its dependent houses, and between the abbey and town of Cluny. The remainder study the internal history of the abbey, the administration, legislation, and finances of the order, and its development and problems, especially in the twelfth century.

Eva Luna - Isabel Allende 2018-05-03

****The remarkable novel from the multi-million-bestselling author of The House of the Spirits and The Japanese Lover**** Meet the unforgettable Eva Luna: a lover, a writer, a revolutionary and above all, a storyteller. Eva Luna is the daughter of a professor's assistant

and a snake-bitten gardener - born poor, orphaned at an early age and working as a servant. Eva is a naturally gifted and imaginative storyteller who meets people from all walks of life. Though she has no wealth, she trades her stories like currency with people who are kind to her. As she shares her stories, she introduces an eccentric cast of characters: the Lebanese émigré who takes her in, her Catholic godmother who believes in saints, a street urchin who grows up to be the leader of the guerrilla struggle, a celebrated trans cabaret star and a young refugee whose flight from postwar Europe will change Eva's life forever. As Eva tells her story, Isabel Allende brings to life a complex South American country - the rich, the poor, the sophisticated - in a novel that celebrates the power of imagination and storytelling. Praise for Isabel Allende's Eva Luna: 'Vibrant, colourful characters; the ordinary fused with the grotesque; a Latin American setting, tropical this time; vivid,

elegant narrative. The narrator, Eva Luna, is herself a story-teller in the Allende tradition' Guardian 'An evident affection for words, compassion for the oppressed and the inarticulate, the daring ambition to draw cross-sections of whole societies . . . Allende's work glows' New York Times 'Sumptuous . . . a tale that spans forty years and moves from a surreal jungle to a modern-day urban capital where even the most apolitical are driven to risky anti-government activities' Chicago Tribune 'Allende rearranges reality with a blend of memories, mysticism and imagination' The Philadelphia Inquirer 'A remarkable novel, one in which a cascade of stories tumbled out before the reader, stories vivid and passionate and human' Washington Post 'Magnificent . . . Allende is a prodigious fabulist, weaving extraordinary tales' Publishers Weekly

Stella, Star of the Sea - Marie-Louise Gay

2020-05-28

Stella and her little brother are spending the day at the sea. Stella has been to the sea before and knows all its secrets, but Sam has many questions: "Does a catfish purr? Does a seahorse gallop?" Stella has an answer for them all. The only thing she isn't sure of, and neither are we, is whether Sam will ever come into the water.

Exquisite, evocative watercolors bring a diaphanous day at the beach alive in this perfect summer story. Gently humorous, *Stella, Star of the Sea* also captures the relationship between an older sister and her baby brother — a responsibility that can be both lots of fun and very trying.

Partisan Wedding - Renata Vigano 1999

World War II stories on Italian women in the

Resistance as heroines and traitors, and the way they exploited their femininity. In *Red Flag*, a woman hides guns by covering them with a soiled sanitary napkin.

Investigating Gender, Translation and Culture in Italian Studies - Monica Boria 2007

The past few years have witnessed a growing academic interest in Italian Studies and an increasing number of symposia and scholarly activities. This volume originates from the Society for Italian Studies Postgraduate Colloquia that took place at the University of Leicester and Cambridge in June 2004 and April 2005 respectively. It gathers together articles by young researchers working on various aspects of Italian Studies. It well illustrates current trends in both typical areas of research, like literature and 'high culture', and in those which have gained momentum in recent years, like translation and language studies. The volume offers a taste of the dynamic outlook of current research in Italian Studies: the interdisciplinary

approach of the essays in translation and gender studies, and the innovative methodological perspectives and findings offered by the new fields of Italian L2 and ethnography. The book is divided into three sections, each grouping contributions by broad subject areas: literature and culture, translation and gender studies, language and linguistics. Cross-fertilizations and interdisciplinary research emerge from several essays and the coherent ensemble constitutes an example of the far-reaching results achieved by current research.

Air and Memory - Franco Loi 2008
After World War II dialect poetry became widespread in Italy, with the Milanese poet Franco Loi being one of its most prominent and masterful practitioners. In the 1970s, a leading critic called Loi "the most powerful poetic

personality of recent years," and since then Loi has been considered one of the most distinguished living Italian poets. The present volume, the first full length collection of Loi's work to appear in English, has been translated and edited by Andrew Frisardi and provides a selection of Loi's shorter lyrical poems, drawn from the full span of his career, as well as an in-depth interview with Loi in which he discusses poetry, religion, politics, writing in dialect, and the shaping experience of living through wartime Milan.

My Wild Family - Laurent Moreau 2015-11-03
Sometimes there's more to family than meets the eye.... Animals of all kinds take center stage in this unique exploration of a very unusual family. An older brother is strong and respected, just like an elephant. A mother is stately and beautiful, but she prefers not to stand out—a tall feat for a giraffe! How are animals like humans, and humans like animals? Readers of all ages will delight in Laurent Moreau's richly rendered,

thought-provoking illustrations, and then they will entertain perhaps the most wildly illuminating question of all: What makes you special? Plus, this is the fixed format version, which will look almost identical to the print version. Additionally for devices that support audio, this ebook includes a read-along setting.

The Fantora Family Photographs - Adèle Geras 1995-05

Seacrow Island - Astrid Lindgren 2015

Life in their rented summer cottage on Seacrow Island is sometimes happy, sometimes exciting and sometimes tragic, but it is never uneventful for a Swedish author, his three sons and 19-year-old daughter. Simultaneous eBook.

Erections, Ejaculations, Exhibitions and General Tales of Ordinary Madness - Charles Bukowski 1979

La Vita Per Lo Czar - Mikhail Ivanovich Glinka 1899

The Five Misfits - Beatrice Alemagna

2018-05-23

When Mr Perfect comes to stay, the five misfits find themselves questioning what their purpose in life is. Can they teach him that not fitting in is more fun than trying to be perfect? A quirky, allegorical picture book from the multi award-winning creator of *A Lion in Paris*.

Teratoid Heights - Mat Brinkman 2000-05-01

Teratoid Heights realistically depicts the lifecycles of various species found in the tide location's cave-riddled terrain, down to the most painstakingly detailed behavioral patterns. It matters not that both *Teratoid Heights* and its inhabitants are entirely fictional. Brinkman taps into the zeitgeist of modern suburban America with what seems to be a mixture of J.R.R. Tolkien-style adventure, video-game inspired syncopation and an endless barrage of cable-television nature films all filtered through the reddened eyes of a marijuana-addled teenager. A book that reveals levels of humor and humanity

no matter what age the reader.

Answer to Job - Carl Gustav Jung 1973

Explores the religious symbolism present throughout the Bible as it reflects the nature, needs, and processes of the human consciousness

The Testament of Loki - Joanne M. Harris

2018-05-22

In the sequel to *The Gospel of Loki*, Loki's adventures continue when he finds a way out of the end of the world and plans to restart the power of the Norse gods. The end of the world—also known as Ragnarok to the Norse gods—has occurred, and Loki has been trapped in a seemingly endless purgatory, in torture, until he finds a way to escape. It seems that he still exists in the minds of humanity and uses that as a way to our time. Back in the ninth world (Earth), Loki finds himself sharing the mind of a teenage girl named Jumps, who is a bit of a mess. She's also not happy about Loki sneaking his way into her mind since she was

originally calling on Thor. Worse, her friends have also been co-opted by the gods: Odin, Jump's one-eyed best friend in a wheelchair, and Freya, the pretty one. Thor escapes the netherworld as well and shares the mind of a dog, and he finds that it suits him. Odin has a plan to bring back the Norse gods ascendancy, but Loki has his own ideas on how things can go—and nothing goes according to plan.

Forty-four Scotland Street - Alexander McCall Smith 2005

When Pat rents a room in Edinburgh, she acquires some interesting neighbors--including a pushy Stockbridge mother and her talented, sax-playing, five-year-old son. Her job at an art gallery hardly keeps her busy until she suspects one painting in the collection may be an undiscovered work by a Scottish master.

Parliamo Italiano! - Suzanne Branciforte 2001-11-12

The Second Edition of *Parliamo italiano!* instills five core language skills by pairing cultural

themes with essential grammar points. Students use culture—the geography, traditions, and history of Italy—to understand and master the language. The 60-minute *Parliamo italiano!* video features stunning, on-location footage of various cities and regions throughout Italy according to a story line corresponding to each unit's theme and geographic focus.

The Fishing Lesson - Heinrich Boell 2018

"A tourist spots a fisherman napping in his boat and tells him what he could achieve if he spent more time fishing, but it's the tourist who ultimately learns something"--

Il Filocopo, etc - Giovanni Boccaccio 1612

Love Over Scotland - Alexander McCall Smith 2009-04-03

44 SCOTLAND STREET - Book 3 The residents and neighbors of 44 Scotland Street and the city of Edinburgh come to vivid life in these gently satirical, wonderfully perceptive serial novels, featuring six-year-old Bertie, a remarkably

precocious boy—just ask his mother. This just in from Edinburgh: the complicated lives of the denizens of 44 Scotland Street are becoming no simpler. Domenica Macdonald has left for the Malacca Straits to conduct a perilous anthropological study of pirate households. Angus Lordie's dog, Cyril, has been stolen, and is facing an uncertain future wandering the streets. Bertie, the prodigiously talented six-year-old, is still enduring psychotherapy, but his burden is lightened by a junior orchestra's trip

to Paris, where he makes some interesting new friends. Back in Edinburgh, there is romance for Pat with a handsome young man called Wolf, until she begins to see the attractions of the more prosaically named Matthew. Teeming with McCall Smith's wonderful wit and charming depictions of Edinburgh, *Love Over Scotland* is another beautiful ode to a city and its people that continue to fascinate this astounding author.
