Last First Snow - Max Gladstone 2015-07-14
"Forty years after the God Wars, Dresediel Lex bears the scars of liberation--especially in the Skittersill, a poor district still bound by the fallen gods' decaying edicts. As long as the gods' wards last, they strangle development; when they fail, demons will be loosed upon the city. The King in Red hires

Elayne Kevarian of the Craft firm Kelethres, Albrecht, and Ao to fix the wards, but the Skittersill's people have their own ideas"--

winner. No better feeling exists in the world than stepping to the top of a winner's podium and hoisting a trophy high in the air. At least, that's what Allie thinks . . . she's never actually won anything before. Everyone in her family is special in some way -- her younger sister is a rising TV star; her brother is a soccer prodigy; her great-grandfather is a Congressional Medal of Honor winner. With a family like this, Allie knows she has to make her mark or risk being left behind. She's determined to add a shiny medal, blue ribbon, or beautiful trophy to her family's award shelf. When a prestigious school contest is announced, Allie has the perfect opportunity to take first -- at last. There's just one small snag . . . her biggest competition is also her ex-best friend, Sara. Can Allie take top prize and win back a friend -- or is she destined to lose it all?

ordinances and covenants that would allow his people to dwell in the presence of God; to the end, we will treasure the same ordinances and covenants. Through faith in Jesus Christ and faithfulness to these covenants we hope to stand someday in the holy place with perfect assurance. This comprehensive phrase-by-phrase commentary on the Book of Revelation is the result of decades of loving study of their wonderful words. In its pages you will find both everyday guidance and the answers to life's most important questions. Importantly, this book is a witness that the doctrines and ordinances of the temple are deeply woven into the fabric of these supernal works of scripture, containing persuasive evidence of their authenticity and antiquity. Scores of carefully selected images, coupled with detailed explanations, enrich the commentary. Rather than simply illustrating the text, they seek to enter into dialogue with it. The book is available in

The Theology of the Book of Revelation - Richard Bauckham
1993-03-04

The Book of Revelation is a work of profound theology. But its literary form makes it impenetrable to many modern readers and open to all kinds of misinterpretations. Richard Bauckham explains how the book's imagery conveyed meaning in its original context and how the book's theology is inseparable from its literary structure and composition. Revelation is seen to offer not an esoteric and encoded forecast of historical events but rather a theocentric vision of the coming of God's universal kingdom, contextualised in the late first-century world dominated by Roman power and ideology. It calls on Christians to confront the political idolatries of the time and to participate in God's purpose of gathering all the nations into his kingdom. Once Revelation is properly grounded in its original context it is seen to transcend that

context and speak to the contemporary church. This study concludes by highlighting Revelation's continuing relevance for today.

Matt's not looking for anything other than a good time and toe-curling, no strings attached sex. Neither one expects to meet the woman who could give them their last first kiss.

The Nature of Christ - H.H. Pope Shenouda III 1985-01-01
The nature of Christ is a very important subject that caused a serious dissension within the Church in the fifth century, in 451 AD. When the theological dialogue started as an effort towards the unity of churches, the subject had to be discussed. Therefore, our Orthodox Church found it necessary to issue a book which presents its concept in this regard in a language fit for theological dialogues. This subject (the Nature of Christ) was taught by me to the students of the Seminary "St. Mark Theological College" in 1984 in the form of lectures which I delivered to them in St. Bishoy Monastery, Sheheit Desert, as part of the courses of comparative Theology. The lectures were printed merely for the use of the students. The same lectures were afterwards

translated into English in Ottawa, Canada, in 1980 and became available in English only for six years... We had to print them in Arabic for the students of the Seminary and its branches and for the benefit of those who are interested in theological studies whether ministers or ordinary individuals.. and whoever has the desire-from other churches to be acquainted with our concept of Christology. The first theological dialogue we attended on this subject was in Vienna, Austria in September 1971 AD convened by the ProOriente Group. In this dialogue we reached a theological formula that was accepted by our Catholic brothers and those in the old Oriental orthodox churches: the Syrians, Arminians, Ethiopians and Indians. It was an important dialogue indeed, for the dissension that occurred in the fifth century had distorted the face of every church before the other.. But now the way is open for a common understanding. Then, there was an official agreement

with the Catholic churches after 17 years of differences (since 1988), based on the previous understanding. The agreement was recorded in a concise "Statement" which you will find at the end of this book. There was another dialogue, in more detail, with our brothers in the Byzantine Orthodox Churches in St. Bishoy Monastery, Sheheit Desert in 1989 AD. It was attended by the theologians of twenty Orthodox Churches and was followed by another meeting of the priestly representatives of the Orthodox churches in Chambesy, Geneva, in 1990. Now, seeing it is necessary to make our people acquainted with the details and evidences that prove our concept of the Nature of Christ, and since the Pro-Oriente Group is convening a religious conference for the representatives of all Churches at the end of October 1991 to present to them the Agreed Statement on Christology. And since we were asked to present a paper on the subject and deliver it as a lecture in the conference. Therefore, we

proceeded to print the former lectures delivered in the Seminary in 1984 as a book to be presented to the conference and to be available in Arabic and in English for all who are interested. Pope Shenouda III

Revelations - Elaine Pagels
2012-03-06

A startling exploration of the history of the most controversial book of the Bible, by the bestselling author of *Beyond Belief*. Through the bestselling books of Elaine Pagels, thousands of readers have come to know and treasure the suppressed biblical texts known as the Gnostic Gospels. As one of the world's foremost religion scholars, she has been a pioneer in interpreting these books and illuminating their place in the early history of Christianity. Her new book, however, tackles a text that is firmly, dramatically within the New Testament canon: The Book of Revelation, the surreal apocalyptic vision of the end of the world . . . or is it? In this startling and timely book, Pagels returns The Book of

Revelation to its historical origin, written as its author John of Patmos took aim at the Roman Empire after what is now known as "the Jewish War," in 66 CE. Militant Jews in Jerusalem, fired with religious fervor, waged an all-out war against Rome's occupation of Judea and their defeat resulted in the desecration of Jerusalem and its Great Temple. Pagels persuasively interprets Revelation as a scathing attack on the decadence of Rome. Soon after, however, a new sect known as "Christians" seized on John's text as a weapon against heresy and infidels of all kinds-Jews, even Christians who dissented from their increasingly rigid doctrines and hierarchies. In a time when global religious violence surges, *Revelations* explores how often those in power throughout history have sought to force "God's enemies" to submit or be killed. It is sure to appeal to Pagels's committed readers and bring her a whole new audience who want to understand the roots of

dissent, violence, and division in the world's religions, and to appreciate the lasting appeal of this extraordinary text.

The First and the Last - Adolf Galland 2020

"Adolf "Dolfo" Joseph Ferdinand Gallnd (1912-1996) was a German Luftwaffe General and one of the greatest flying aces of World War II. He flew 705 combat missions, and fought on the Western and the defence of the Reich fronts. He survived being shot down four times and was credited with an astonishing 104 aerial victories, all of them against the Western Allies. He is a legend of aerial combat, and this is his heroic story."--Back cover.

Chasing the Scream - Johann Hari 2015-01-20

The New York Times Bestseller What if everything you think you know about addiction is wrong? Johann Hari's journey into the heart of the war on drugs led him to ask this question--and to write the book that gave rise to his viral TED talk, viewed more than 62 million times, and inspired the

feature film *The United States vs. Billie Holiday* and the documentary series *The Fix*. One of Johann Hari's earliest memories is of trying to wake up one of his relatives and not being able to. As he grew older, he realized he had addiction in his family. Confused, not knowing what to do, he set out and traveled over 30,000 miles over three years to discover what really causes addiction--and what really solves it. He uncovered a range of remarkable human stories--of how the war on drugs began with Billie Holiday, the great jazz singer, being stalked and killed by a racist policeman; of the scientist who discovered the surprising key to addiction; and of the countries that ended their own war on drugs--with extraordinary results. *Chasing the Scream* is the story of a life-changing journey that transformed the addiction debate internationally--and showed the world that the opposite of addiction is connection.

possible reconciliation. Abraham is that man. Bruce Feiler set out on a personal quest to better understand our common patriarch. Traveling in war zones, climbing through caves and ancient shrines, and sitting down with the world's leading religious minds, Feiler uncovers fascinating, little known details of the man who defines faith for half the world. Both immediate and timeless, Abraham is a powerful, universal story, the first-ever interfaith portrait of the man God chose to be his partner. Thoughtful and inspiring, it offers a rare vision of hope that will redefine what we think about our neighbors, our future, and ourselves.

the future of émigré life On a crisp September morning, trouble comes to the Gorbatovs' farm. Having fled the ruins of the Russian Revolution, they have endured crushing labour to set up a small farm in Provence. For young Ilya Stepanovich, this is to be the future of Russian life in France; for some of his Paris-dwelling countrymen, it is a betrayal of roots, culture and the path back to the motherland. Now, with the arrival of a letter from the capital and a figure from the family's past, their fragile stability is threatened by a plot to lure Ilya's step-brother Vasya back to Russia. In prose of masterful poise and restraint, Nina Berberova dramatises the passionate internal struggles of a generation of Russian émigrés. Translated into English for the first time by the acclaimed Marian Schwartz, *The Last and the First* marks a unique contribution to Russian literature.

religious pluralism, many find themselves torn between two worthy goals - to be faithful to the lordship of Jesus Christ and to be open generously to possible truths found in other religions. In *The First and the Last* George Sumner offers a constructive way forward, showing how Christian theology can bring these two goals together. At stake in the current debate over religious pluralism is the issue not only of evangelism and mission but also of the Christian claim to the uniqueness of Jesus Christ. Sumner leads readers through the challenges and possibilities raised by this debate, and he outlines a distinctive new method for assessing from a Christian standpoint the claims and practices of neighboring faiths. The crux of Sumner's approach is what he calls "final primacy," a position that (1) sets non-Christian religions in relation to the unique mediating role of Jesus Christ and (2) relates the truth claims of other religions to the overall scheme of grace. Sumner goes on to demonstrate the

effectiveness of this position in practical terms, using final primacy as a frame of reference for a number of twentieth-century theologies - namely, those of Barth, Rahner, and Pannenberg - and as a way of examining both Indian and African theologies against their respective backgrounds of Hinduism and tribal practices. Additionally, the book serves as an excellent introduction to the history of interfaith thought: Sumner both surveys how religious pluralism has been handled in the past and illustrates how the position of final primacy at once redefines and promotes its most pressing issue - interreligious dialogue. A provocative approach to religious pluralism sure to stir widespread discussion, *The First and the Last* provides valuable reading for anyone interested in theology, interfaith dialogue, and missions.

How do you hold on to a love that is slowly slipping away from you? Can you let go of the past when you know what is in the future? And how do you cope when you know that every kiss is a countdown to goodbye? This is the story of a love affair, of Ryan and Molly and how they fell in love and were torn apart. The first time Molly kissed Ryan, she knew they'd be together forever. Six years and thousands of kisses later she's married to the man she loves. But today, when Ryan kisses her, Molly realises how many of them she wasted because the future holds something which neither of them could have ever predicted... 'An adorable, heartwarming tale of love and friendship which bubbles with tenderness. Love it' Marie Claire 'Not since One Day's Emma and Dexter have we fallen so hard for a literary couple...The First Last Kiss will burrow deep inside your head and heart, and will stay there long after you finish reading. 5 stars.'
