Unconvinced that Zach has adjusted to his transformation, Sophia's brothers confine Zach to their family compound in Montana, where Sophia offers to teach him how to manage his new powers—and libido. But when Zach and Sophia both hear the Beat, an old shifter legend that guarantees they are made for each other, is falling in love their fate—or is it just wishful thinking? When her powerful family questions his motives and powers, can Zach rise to the occasion— And become Sophia's true alpha?

*This is a standalone book #2 in the interconnected series, The Broken-Hearts. One week. No strings. Sexy stranger. What could go wrong? My name is Julia McDowell. I'm not the pretty girl next door, I'm the boss at work who solves all your problems. I'm an awkward genius with the worst taste in boyfriends; the last one left me with a 6-figure debt to prove it. So, when the most swoon-worthy man alive saves me from a psychotic tree, who am I to say no to a drink? He's sweet yet powerful with a darkness I can't place. I should be terrified of him, but I find

myself drawn to him in ways I've never experienced. He says I'm his guiding light, that our hearts beat to the same melody. But I'm not looking for forever, and he has his own demons to slay. We agreed to one week, no strings. It will have to be enough. It's definitely enough, more than enough, until it's not. I'm ready to throw our one-week rules out the window when tragedy pulls us apart. It would take a miracle to find our way back to each other, and life is no fairytale. With no happily ever after in sight, will our hearts learn a new rhythm? Or will heartache become our new theme song? Click the BUY NOW button to enter the world of Broken Hearts and find out! The Beat of My Heart is a standalone HEA in the Broken Hearts Series. abduction that may be a trigger for some readers.

Graham does not expect this and thinks he can end the invisible connection that has appeared between them at his will. The young woman is like us: first love, first amazing experience and first disappointments. But she does not look broken: she will fight for her future, as she sees it. In actual life not all happens like we would expect, and this is the lesson to learn. These are my first romance series, and it is full of all the things I have to say about us, women. How you should cherish your dignity, how you can attract a man, and so on. It is worth reading these series to realize that in our lives; it is better to be true to yourself, and everything will come together. If this is your man - he will stay with you, no matter what. Mr. Morgan--My two brothers were closing a million-dollar deal with me. Simple?focus and get out. But when I saw Emily setting up the charity auction, I had to have her.

PROTECTING HER--Insta love romance between an alpha male billionaire and a skeptical Latina. Amy--I made plenty of bad decisions on my own. Was I really going to let a guy who won me in a charity auction pawn me off on his brother? Chalk it up to another bad

decision, or maybe not. Eli-- Impulsivity led me to some good decisions, and some not so good ones. In light of nearly screwing up our last business deal, my older brother cautioned me to slow down and take the current deal more seriously. That included using restraint with women. Then I met Amy. She challenged my restraint, and she might be the one to break my record of loving and leaving.

CONVINCING HER-- Insta love interracial romance between an alpha male billionaire and a frugal curvy girl. Kim--I grew up with a family that didn't understand the value of humans over things. My personal mission to help people kept me happy until my friends set me up on a blind date?with a billionaire. Despite his money, Darnell reminded me of the one type of human connection I'd been missing. Darnell--Business travel meant I stayed closer to my family than anyone else...until my brothers set me up on a date with Kim. I wasn't sure if it had been intentional

to set me up with someone who despised money, or if fate had stepped in. Kim wasn't charmed by my flash. Would opening my heart to her work? Steamy, and I'll always guarantee the HEA/HFN!

And who exactly is the mysterious, unflinching Doctor Elliot Sanderson? Does he truly care for Charlotte? Can't Go Back - Billionaire Stepbrother Romance Alexander Bill grew up on Quackenbush Avenue in Brooklyn. She'd had a provincial childhood, walking the distance between her grandparents' house and home, just three doors away. She'd never wanted for anything and had adored her father, but her dream was to become a teacher and move somewhere out west. If there was one thing that prevented her from dreaming, it was her father. He

was a New Yorker through and through and the world beyond New York ceased to exist. He thought Alex would one day marry a nice New York boy and live somewhere in Brooklyn. Alex's mother had left when she was two after falling in love with a guy who predicted that one day "wine would be big." He was right, and they'd settled in northern California and had joined the ranks of the very wealthy. Alex also inherited a stepbrother named Thom that she rarely saw but disliked just the same. When her mother offered her a job in the company business, Alex decided to try it for a year. The salary was great, but the thought of finally seeing the world appealed to her the most. She'd been dreaming of foreign lands her entire life. What she didn't expect was to have to work closely with a stepbrother who had a penchant for business and an even better penchant for love.

The Salamander - billionaire boss romance series: A series of novels about a woman who goes through life's trials and learns to stand up for herself in love and business. The young woman is like us: first love, first amazing experience and first disappointments. But she does not look broken: she will fight for her future, as she sees it. In actual life not all happens like we would expect, and this is the lesson to learn. These are my first romance series, and it is full of all the things I have to say about us, women. How you should cherish your dignity, how you can attract a man, and so on. It is worth reading these series to realize that in our lives; it is better to be true to yourself, and everything will come together. If this is your man - he will stay with you, no matter what.
