If you intention to download and install the La Nanna Facile Suggerimenti Da Seguire Ed Errori Da Evitare Per Garantire Un Sonno Sereno A Tutta La Famiglia Il Bambino Naturale In Tasca , it is very simple then, before currently we extend the connect to purchase and make bargains to download and install La Nanna Facile Suggerimenti Da Seguire Ed Errori Da Evitare Per Garantire Un Sonno Sereno A Tutta La Famiglia Il Bambino Naturale In Tasca in view of that simple!

Allattare è facile! - Giorgia Cozza 2015-04-07

Piccolo manuale pratico sull'allattamento naturale e prolungato. Quando la teoria è un po' confusa (poppate ogni tre ore? Ogni cinque minuti?) e la pratica è anche peggio (ma non doveva essere un gesto naturale?), quando il seno inizia a far male, le altre mamme criticano, il pianto è inconsolabile (quello del bambino... e della mamma!) è il momento di sedersi e di aprire questo libro.

The Big Year - Mark Obmascik 2011-09-27

Follows the 1998 Big Year competition between Sandy Komito, Al Levantin, and Greg Miller, during which the three rivals risked their lives to set a new North American birding record.

The Day of the Owl - Leonardo Sciascia 2003-09-30

A man is shot dead as he runs to catch the bus in the piazza of a small Sicilian town. Captain Bellodi, the detective on the case, is new to his job and determined to prove himself. Bellodi suspects the Mafia, and his

suspicious grow when he finds himself up against an apparently unbreachable wall of silence. A surprise turn puts him on the track of a series of nasty crimes. But all the while Bellodi's investigation is being carefully monitored by a host of observers, near and far. They share a single concern: to keep the truth from coming out. This short, beautifully paced novel is a mesmerizing description of the Mafia at work.

Zeno's Conscience - Italo Svevo 2003-02-04

Long hailed as a seminal work of modernism in the tradition of Joyce and Kafka, and now available in a supple new English translation, Italo Svevo's charming and splendidly idiosyncratic novel conducts readers deep into one hilariously hyperactive and endlessly self-deluding mind. The mind in question belongs to Zeno Cosini, a neurotic Italian businessman who is writing his confessions at the behest of his psychiatrist. Here are Zeno's interminable attempts to quit smoking, his courtship of the beautiful yet unresponsive Ada, his unexpected-and

unexpectedly happy-marriage to Ada's homely sister Augusta, and his affair with a shrill-voiced aspiring singer. Relating these misadventures with wry wit and a perspicacity at once unblinking and compassionate, Zeno's Conscience is a miracle of psychological realism.

Stuart Goes to School - Sara Pennypacker 2015-05-26

This hilarious sequel to Stuart's Cape is a witty chapter book about an eight-year-old worrier's first day of school. Our favorite worrier is back, and Stuart is about to start third grade. As he makes his way to the first day of school, wearing the worst outfit ever, what could a first-rate worrier do but worry? Stuart worries about getting stuck in the boys' bathroom and about not having anything to show for show-and-tell, but most of all, about not making any friends. With his cape, though, Stuart is bound to have a day full of wacky adventures.

Loss and the Other in the Visionary Work of Anna Maria Ortese - Vilma De Gasperin 2014-03

Combines theme and genre analysis in a study of the Italian author, from her first literary writings in the 1930s to her novels in the 1990s.

Secrets of the Baby Whisperer for Toddlers - Tracy Hogg 2002-01-29

Unnerved by the ceaseless demands of your toddler? Concerned that your two-year-old isn't developing on schedule? You clearly need to spend some time with Tracy Hogg. Nicknamed the "baby whisperer" by grateful parents because of her extraordinary gift for understanding and connecting with children, Tracy became internationally famous after the smashing success of her New York Times bestseller *Secrets of the Baby Whisperer*. Now Tracy is back with the same winning blend of common sense, uncanny intuition, and results-getting guidance in her new book, *Secrets of the Baby Whisperer for Toddlers*. Yes, the toddler years have their stresses and challenges for both parents and children—but with Tracy at your side, you'll find that this can also be the most fascinating and rewarding stretch of parenthood. As in her hugely popular first book, Tracy brings her vast experience to bear on the issues and dilemmas with which all parents grapple during toddlerhood. Starting with the simple but essential premise that there is no such thing as a "typical" child, Tracy guides you through her unique programs, including: •

H.E.L.P. (Hold back, Explain, Limit, Praise): the mantra that will remind you of the four elements that are critical to fostering your child's growth and independence. • Using T.L.C. (Talk, Listen, Clarify) to communicate with your toddler, to figure out what she is really thinking, and to best help her express herself. • R&R: the Routines and Rituals that give structure and predictability to daily life and a sense of continuity to holidays and special occasions. • Rehearsals for Change: ways of preparing your toddler for new experiences by encouraging her to practice her skills in the safe, controlled setting of your family. • Conscious Discipline: a way of teaching your toddler how to behave and manage his emotions, while being mindful of the lessons you teach with your own behavior. Tracy knows that your child is special—a one-of-a-kind individual with her own gifts and needs—and she has dedicated this marvelous new book to helping you appreciate and respect your child's uniqueness. Whether it's making new friends, mastering potty training, or eating at the family dinner table, your child will do it in her own way and at his own pace. With Tracy as your guide, you can share in the achievements of toddlerhood every step of the way. Practical, reassuring, and written with wit and energy and boundless enthusiasm for real children and their everyday behavior, this book will be your constant companion during the magical, challenging toddler years.

Doctor Me Di Cin - Roberto Piumini 2001

The son of the emperor of China is pale and weak, but when Doctor Me Di Cin tells him to go for a walk in the fresh air, the prince refuses, leaving it up to the clever doctor to trick him into going outside.

Before After - Matthias Arégui 2014-10-01

Everyone knows that a tiny acorn into a mighty oak grows, and a caterpillar emerges into a butterfly. But in this clever, visually enchanting volume, it's also true that a cow can result in both a bottle of milk and a painting of a cow, and an ape in a jungle may become an urban King Kong. Just as day turns into night and back again, a many-tiered cake is both created and eaten down to a single piece. With simple, graphic illustrations sure to appeal to even the youngest of children, this smart exploration of the fascinating theme of before and

after will please the most discerning adult readers, too.

Obsolete Objects in the Literary Imagination - Francesco Orlando
2008-10-01

Translated here into English for the first time is a monumental work of literary history and criticism comparable in scope and achievement to Eric Auerbach's *Mimesis*. Italian critic Francesco Orlando explores Western literature's obsession with outmoded and nonfunctional objects (ruins, obsolete machinery, broken things, trash, etc.). Combining the insights of psychoanalysis and literary-political history, Orlando traces this obsession to a turning point in history, at the end of eighteenth-century industrialization, when the functional becomes the dominant value of Western culture. Roaming through every genre and much of the history of Western literature, the author identifies distinct categories into which obsolete images can be classified and provides myriad examples. The function of literature, he concludes, is to remind us of what we have lost and what we are losing as we rush toward the future.

[How to Be a Friend](#) - Molly Wigand 2014-08-19

Those long summer days and weekends spent with our best friends can be among the happiest memories of childhood. But the art of making friends isn't a skill that is taught in most schools. Teaching children how to be good friends and cultivate healthy friendships is the work of parents, teachers, coaches, ministers, and caring adults. In *How to Be a Friend: A Book about Friendship . . . Just for Me!*, author, Molly Wigand, introduces children to those values that make for good friendships—loyalty, trust, and honesty—and to how they can become a good friend to others.

[Gender, Narrative, and Dissonance in the Modern Italian Novel](#) - Silvia Valisa 2014-11-05

Combining close textual readings with a broad theoretical perspective, *Gender, Narrative, and Dissonance in the Modern Italian Novel* is a study of the ways in which gender shapes the principal characters and narratives of seven important Italian novels of the nineteenth and twentieth centuries, from Alessandro Manzoni's *I promessi sposi* (1827) to Elsa Morante's *Aracoeli* (1982). Silvia Valisa's innovative approach

focuses on the tensions between the characters and the gender ideologies that surround them, and the ways in which this dissonance exposes the ideological and epistemological structures of the modern novel. A provocative account of the intersection between gender, narrative, and epistemology that draws on the work of Georg Lukács, Barbara Spackman, and Teresa de Lauretis, this volume offers an intriguing new approach to investigating the nature of fiction.

[Little Goose's Autumn](#) - Elli Woollard 2020-09-03

Little Goose's Autumn is a second stunning story from an exciting picture book pairing and the uplifting tale of a lively young goose finding her place in the world. As summer fades to autumn, a lively young goose feels a change in the air and senses she has something important to do – but what? The beavers are chopping wood, the squirrels are storing nuts in the ground and the bears are busy building a den. The plucky little goose tries to join in, but without great success. She realizes her wings weren't built for chopping wood, or burying food, or building a den, but they were built for something magnificent – they were built for flight . . . A beautiful, lyrical and hopeful story about finding your wings and your place in the world. Written by star picture book author, Elli Woollard with wonderful illustrations by rising talent, Briony May Smith, whose artwork brings an autumnal landscape of mountains and forests to life with truly breathtaking beauty.

Baby's Very First Slide and See Animals - Fiona Watt 2015-04

Part of a brand new series, from the team that brought you *Baby's Very First Play Books*, this engaging, interactive board book is specially designed for very young children, full of vivid colours, stylish illustrations and friendly animals. Simple slider mechanisms allow a picture to be transformed, as a bush baby peers out from his tree trunk home, some meerkats pop up from their underground burrows, a monkey swings through the trees.

Black Cat, White Cat - Silvia Borando 2015

A black cat who only ever goes out during the day and a white cat who only goes out at night meet in the middle and start a beautiful relationship together.

Neomamma è facile! - Giorgia Cozza 2015-04-07

Inutile negarlo, diventare mamma è un'avventura meravigliosa e travolgente. Certo, nei primi tempi è necessario un po' di rodaggio per prendere confidenza con il bebè, con i suoi ritmi, le sue necessità e i suoi desideri. Quando il bimbo piange e non sappiamo perché, quando siamo stanche (anzi stanchissime) e chi ci sta intorno elargisce consigli contraddittori e non ci risparmia critiche antipatiche: "così lo vizi!", "se non dorme starai sbagliando qualcosa, no?", "poverino, ha le coliche per colpa del tuo latte!". Quando senti queste parole e senti il bisogno di una pausa, allora è il momento di sedersi e di aprire questo libro. Un libro ricco di consigli per coccolare bimbo e neomamma!

Shhh! This Book is Sleeping - Cedric Ramadier 2016-01-12

Hold this book gently because it's very sleepy! A mouse inside the pages invites you to read the book a bedtime story, tuck it in with a cozy blanket, and give it a hug and a kiss. Oh, and don't forget to ask whether it brushed its teeth and went pee-pee! Then turn off the light. There. Shhh! This book is sleeping! Fans of *Press Here* and *The Monster at the End of This Book* will enjoy coaxing the very book they're holding to go to sleep.

La nanna è facile - Giorgia Cozza 2013

Telephone Tales - Gianni Rodari 2020-09-08

Reminiscent of Scheherazade and *One Thousand and One Nights*, Gianni Rodari's *Telephone Tales* is many stories within a story. Every night, a traveling father must finish a bedtime story in the time that a single coin will buy. One night, it's a carousel that adults cannot comprehend, but whose operator must be some sort of magician, the next, it's a land filled with butter men who melt in the sunshine. Awarded the Hans Christian Anderson Award in 1970, Gianni Rodari is widely considered to be Italy's most important children's author of the 20th century. Newly re-illustrated by Italian artist Valerio Vidali (*The Forest*), *Telephone Tales* entertains, while questioning and imagining other worlds.

The Baby Whisperer Solves All Your Problems - Tracy Hogg 2010-05-11

The most comprehensive, up-close, and personal book in the bestselling

Baby Whisperer series to date! Thousands of parents have asked the *Baby Whisperer* to help them solve their problems. With this book you too can take advantage of the advice, insights, and parenting techniques from beloved child expert Tracy Hogg. "A problem is nothing more than a situation calling for a creative solution," she reminds us. "Ask the right questions and you'll come up with the right answers." Once you learn how to translate language, the "baby-language" your infant uses to communicate needs, feelings, and opinions, you can see your child for who he or she really is—an understanding that will serve you well as your child blossoms into the toddler years. By helping you establish a daily routine and tailor your parenting strategies according to your child's unique personality and stage of development, Tracy will teach you how to:

- Ask the Twelve Essential Questions to recognize potential problems and employ the Twelve Principles of Problem Solving—simple troubleshooting techniques for everyday situations
- Avoid, or remedy, accidental parenting—inadvertent adult behavior that often leads to such common parenting challenges as sleep problems, poor eating habits, separation anxiety, and tantrums
- Be a P.C. parent—patient and conscious—who knows how to detect prime times—windows of opportunity for teaching babies how to get to sleep on their own, introducing bottles to breast-fed babies, toilet training, and other growth issues
- Inhibit runaway emotions and foster his or her emotional fitness—the ability to understand and manage feelings ...and so much more.

For Tracy's fans, this book will be a welcome addition to the Hogg library; for readers unfamiliar with her philosophy of care, it will open a new world of understanding and insight.

The Adventures of Captain Underpants - Dav Pilkey 2013-12-05

George and Harold have created the greatest superhero in the history of their school — and now they're about to bring him to life! MEET CAPTAIN UNDERPANTS! HIS TRUE IDENTITY IS SO SECRET, EVEN HE DOESN'T KNOW WHO HE IS! FIGHTING FOR TRUTH, JUSTICE AND ALL THINGS PRE-SHRUNK AND COTTONY!

10 Things to Do Before You're 16 - Caroline Plaisted 2006-06-06

Beth and Anna create a list of ten things that they must do in order to

become beautiful and popular goddesses who are irresistible to the opposite sex, but after several disasters involving fake tans and hair extensions, they find themselves a long way from their goal. Original. *The Sleepwatchers* - William C. Dement 1996

Buddy and Earl - Maureen Fergus 2015-07-24

"An understated winner of a friendship story. ... simultaneously of-the-moment and timeless." — Publishers Weekly, STARRED REVIEW What's in the box that Meredith has carried into the living room? Buddy doesn't know, but when the small, prickly creature says he is a pirate — and that Buddy is a pirate, too — the mismatched friends are off on a grand adventure. In this first book in the best-selling Buddy and Earl series, a dog who likes to play by the rules meets a hedgehog who knows no limits. Their friendship is tender and loyal, and their adventures are funny and imaginative. Maureen Fergus's text is witty and understated, and Carey Sookocheff's art emphasizes both the humor and the warmth of this odd and loveable animal couple. Correlates to the Common Core State Standards in English Language Arts: CCSS.ELA-LITERACY.RL.K.1 With prompting and support, ask and answer questions about key details in a text. CCSS.ELA-LITERACY.RL.1.3 Describe characters, settings, and major events in a story, using key details.

The Art of the Publisher - Roberto Calasso 2015-11-03

An interior look at Roberto Calasso's work as a publisher and his reflections on the art of book publishing In this fascinating memoir, the author and publisher Roberto Calasso meditates on the art of book publishing. Recalling the beginnings of Adelphi in the 1960s, he touches on the Italian house's defining qualities, including the considerations involved in designing the successful Biblioteca series and the strategy for publishing a wide range of authors of high literary quality, as well as the historic critical edition of the works of Nietzsche. With his signature erudition and polemical flair, Calasso transcends Adelphi to look at the publishing industry as a whole, from the essential importance of graphics, jackets, and cover flaps to the consequences of universal digitization. And he outlines what he describes as the "most hazardous

and ambitious" profile of what a publishing house can be: a book comprising many books, a form in which "all the books published by a certain publisher could be seen as links in a single chain"—a conception akin to that of other twentieth-century publishers, from Giulio Einaudi to Roger Straus, of whom the book offers brief portraits. An essential book for writers, readers, and editors, *The Art of the Publisher* is a tribute to the elusive yet profoundly relevant art of making books.

Secrets of the Baby Whisperer - Tracy Hogg 2001-06-01

"TRACY HOGG HAS GIVEN PARENTS A GREAT GIFT—the ability to develop early insight into their child's temperament." —Los Angeles Family When Tracy Hogg's *Secrets of the Baby Whisperer* was first published, it soared onto bestseller lists across the country. Parents everywhere became "whisperers" to their newborns, amazed that they could actually communicate with their baby within weeks of their child's birth. Tracy gave parents what for some amounted to a miracle: the ability to understand their baby's every coo and cry so that they could tell immediately if the baby was hungry, tired, in real distress, or just in need of a little TLC. Tracy also dispelled the insidious myth that parents must go sleepless for the first year of a baby's life—because a happy baby sleeps through the night. Now you too can benefit from Tracy's more than twenty years' experience. In this groundbreaking book, she shares simple, accessible programs in which you will learn: • E.A.S.Y.—how to get baby to eat, play, and sleep on a schedule that will make every member of the household's life easier and happier. • S.L.O.W.—how to interpret what your baby is trying to tell you (so you don't try to feed him when he really wants a nap). • How to identify which type of baby yours is—Angel, Textbook, Touchy, Spirited, or Grumpy—and then learn the best way to interact with that type. • Tracy's Three Day Magic—how to change any and all bad habits (yours and the baby's) in just three days. At the heart of Tracy's simple but profound message: treat the baby as you would like to be treated yourself. Reassuring, down-to-earth, and often flying in the face of conventional wisdom, *Secrets of the Baby Whisperer* promises parents not only a healthier, happier baby but a more relaxed and happy household as well.

The Biggest Kiss - Joanna Walsh 2012-12-18

From tiny ants to enormous elephants, there's a kiss for everyone in this warm and cozy feel-good story. Includes audio! Find out if worms kiss underground, with the soil all around, or if fish kiss with a splash and a splish in this eBook with audio. With an irresistible text that begs to be read aloud and adorable illustrations, parents and grandparents will love sharing this collection of affection with the youngest of readers.

La nanna è facile! - Giorgia Cozza 2015-04-07

La nanna è facile ti insegna buone pratiche da seguire ed errori da evitare per garantire un sonno sereno ai tuoi bambini e a tutta la famiglia. Quando sono mesi che passate le notti in bianco e gli amici vi chiedono "Come si comporta? Dorme?", come se le vostre occhiaie non parlassero per voi; quando i manuali e le informazioni risultano un po' confusi (ma non doveva solamente mangiare e dormire?) e secondo la nonna, la zia, la suocera e la vicina di casa è solo colpa vostra se il bebè fa fatica ad addormentarsi, non dorme tutta la notte o non vuol dormire da solo... È il momento di sedersi e di aprire questo libro.

The Bear's Song - Benjamin Chaud 2013-09-17

New York Times Notable Children's Book "Sweet" has new meaning in this richly illustrated, immersive picture book about two bears on a big-city adventure. Papa Bear is searching for Little Bear, who has escaped the den. Little Bear is following a bee, because where there are bees, there is honey! When the quest leads both bears into the bustling city and a humming opera house, theatrical hijinks ensue, culminating in a deliciously harmonious reunion. Children and parents alike will savor Benjamin Chaud's lush illustrations, and relish in the book's bonus seek-and-find elements. Plus, this is the fixed format version, which will look almost identical to the print version. Additionally for devices that support audio, this ebook includes a read-along setting.

Herman and Rosie - Gus Gordon 2013-10-15

Once upon a time in a very busy city, on a very busy street, in two very small apartments, lived... Herman and Rosie. Herman liked playing the oboe, the smell of hot dogs in the winter, and watching films about the ocean. Rosie liked pancakes, listening to old jazz records, and watching

films about the ocean. They both loved the groovy rhythm of the city, but sometimes the bustling crowds and constant motion left them lonely, until one night ... A Neal Porter Book

Experiences in Translation - Umberto Eco 2008-01-01

In this book Umberto Eco argues that translation is not about comparing two languages, but about the interpretation of a text in two different languages, thus involving a shift between cultures. An author whose works have appeared in many languages, Eco is also the translator of Gérard de Nerval's *Sylvie* and Raymond Queneau's *Exercices de style* from French into Italian. In *Experiences in Translation* he draws on his substantial practical experience to identify and discuss some central problems of translation. As he convincingly demonstrates, a translation can express an evident deep sense of a text even when violating both lexical and referential faithfulness. Depicting translation as a semiotic task, he uses a wide range of source materials as illustration: the translations of his own and other novels, translations of the dialogue of American films into Italian, and various versions of the Bible. In the second part of his study he deals with translation theories proposed by Jakobson, Steiner, Peirce, and others. Overall, Eco identifies the different types of interpretive acts that count as translation. An enticing new typology emerges, based on his insistence on a common-sense approach and the necessity of taking a critical stance.

The No-Cry Sleep Solution: Gentle Ways to Help Your Baby Sleep Through the Night - Elizabeth Pantley 2002-03-22

A breakthrough approach for a good night's sleep--with no tears There are two schools of thought for encouraging babies to sleep through the night: the hotly debated Ferber technique of letting the baby "cry it out," or the grin-and-bear-it solution of getting up from dusk to dawn as often as necessary. If you don't believe in letting your baby cry it out, but desperately want to sleep, there is now a third option, presented in Elizabeth Pantley's sanity-saving book *The No-Cry Sleep Solution*. Pantley's successful solution has been tested and proven effective by scores of mothers and their babies from across the United States, Canada, and Europe. Based on her research, Pantley's guide provides

you with effective strategies to overcoming naptime and nighttime problems. The No-Cry Sleep Solution offers clearly explained, step-by-step ideas that steer your little ones toward a good night's sleep--all with no crying. Tips from The No-Cry Sleep Solution: Uncover the stumbling blocks that prevent baby from sleeping through the night Determine--and work with--baby's biological sleep rhythms Create a customized, step-by-step plan to get baby to sleep through the night Use the Persistent Gentle Removal System to teach baby to fall asleep without breast-feeding, bottlefeeding, or using a pacifier

5 Days to a Perfect Night's Sleep for Your Child - Eduard Estivill
2010-11-24

An international phenomenon now available in America for the first time, this quick, no-nonsense guide is all you need to get your child to sleep through the night (pillow not included). These days, most books on improving your child's sleep take either a tough-love approach (ignore crying) or a soothing strategy (offer continuous comfort). But now an internationally renowned sleep expert provides a middle-ground method that will have your child sleeping through the night at any age. Dr. Eduard Estivill's no-fail technique focuses on a mixture of authority, ritual, and reward. Parents can end negative cycles of resistance and wakefulness and feel as rested as their child will by following these expert tips:

- Adopt a firm and confident attitude (your child will pick up on your mood).
- Use meals as a cue to announce your child's next nap or nighttime sleep.
- Incorporate appropriate elements (such as a stuffed animal or a pacifier) at bedtime so your child will not rely on you as a vital part of the sleep process.
- Reinforce the contrast between light (day) and dark (night).
- Never punish children by making them go to bed (it sends the wrong message about sleep time).
- Learn what to say before—and after—the light is turned off. Complete with special techniques to use with newborns, plus an invaluable question-and-answer section that addresses specific concerns (children sleeping in their parents' bed, how divorced parents can work together, special-needs children), this sanity-saving guide promises sweet dreams for all.

Bebes del mundo /Global Babies - The Global Fund for Children

2009-02-01

Meet babies from around the world in this bilingual (Spanish/English), best-selling celebration of global heritage! First in the Global Babies series. From Guatemala to Bhutan, seventeen vibrantly colored photographs embrace our global diversity and give glimpses into the daily life, traditions, and clothing of babies from around the world. Simple text in Spanish and English teaches the littlest readers that everywhere on earth, babies are special and loved. A perfect baby shower gift or first book for the toddler in your life. Babies love to look at babies and this bright collection of photos is a ticket to an around-the-world journey. Part of the proceeds from this book's sales will be donated to the Global Fund for Children to support innovative community-based organizations that serve the world's most vulnerable children and youth.

Forever - Emma Dodd 2019-09-03

Presents a bedtime tale that reveals how the love between a parent and child lasts forever.

La pappa è facile! - Giorgia Cozza 2015-04-07

La pappa è facile va aperto quando la pappa è tutta sul pavimento (no anzi, ce n'è un po' anche sul soffitto), quando le informazioni sono leggermente confuse (assolutamente e solo omogenizzati, ma vanno bene anche i maccheroni), il bimbo mangia poco, mangia troppo o non mangia per niente (e sicuramente non le verdure). Ecco, quando capita tutto questo è il momento di sedersi e di aprire questo libro. Guida agile e scorrevole che unisce il rigore dell'informazione scientifica all'immediatezza di brevi testi e simpatiche vignette: una formula originale per informare, sostenere, ma anche - perché no? - regalare un sorriso alle mamme!

Below Stairs - Margaret Powell 2012-01-03

Brilliantly evoking the long-vanished world of masters and servants portrayed in *Downton Abbey* and *Upstairs, Downstairs*, Margaret Powell's classic memoir of her time in service, *Below Stairs*, is the remarkable true story of an indomitable woman who, though she served in the great houses of England, never stopped aiming high. Powell first arrived at the servants' entrance of one of those great houses in the

1920s. As a kitchen maid – the lowest of the low – she entered an entirely new world; one of stoves to be blacked, vegetables to be scrubbed, mistresses to be appeased, and bootlaces to be ironed. Work started at 5.30am and went on until after dark. It was a far cry from her childhood on the beaches of Hove, where money and food were scarce, but warmth and laughter never were. Yet from the gentleman with a penchant for stroking the housemaids' curlers, to raucous tea-dances with errand boys, to the heartbreaking story of Agnes the pregnant under-parlormaid, fired for being seduced by her mistress's nephew, Margaret's tales of her time in service are told with wit, warmth, and a sharp eye for the prejudices of her situation. Margaret Powell's true story of a life spent in service is a fascinating "downstairs" portrait of the glittering, long-gone worlds behind the closed doors of Downton Abbey and 165 Eaton Place.

The Farmer and the Obstetrician - Michel Odent 2002

In his new book Michel Odent shows how farming and childbirth have been industrialized side by side during the 20th century - with dramatic and disturbing consequences. The similarities are striking. In both cases innovations have been presented as the long awaited solution to an old problem: the advent of powerful synthetic insecticides has, overnight, dramatically reduced the costs and increased agricultural productivity; the advent of the modern safe technique of caesarean section has offered

serious new reasons to create gigantic obstetrical departments. In both spheres a small number of skeptics voiced doubts and fears concerning the negative long-term consequences of the widespread use of novel, little tested practices; although these repeated warnings initially went unheeded, they have motivated the development of "alternative" approaches and movements. At the turn of the new century the history of industrialized farming has suddenly speeded up. A collective global awareness has been sparked by a series of disasters, particularly "mad cow" and foot and mouth diseases. Industrialized childbirth has not yet reached the same phase of its history, but the parallels between these two industries suggest that there is more to link the farmer and the obstetrician than we had all realized..

Text Compression - Timothy C. Bell 1990
