## **Emergent Strategy** - adrienne maree brown 2017-03-20

In the tradition of Octavia Butler, here is radical self-help, society-help, and planet-help to shape the futures we want. Change is constant. The world, our bodies, and our minds are in a constant state of flux. They are a stream of ever-mutating, emergent patterns. Rather than steel ourselves against such change, Emergent Strategy teaches us to map and assess the swirling structures and to read them as they happen, all the better to shape that which ultimately shapes us, personally and politically. A resolutely materialist spirituality based equally on science and science fiction: a wild feminist and afro-futurist ride! adrienne maree brown, co-editor of Octavia's Brood: Science Fiction from Social Justice Movements, is a social justice facilitator, healer, and doula living in Detroit.

Journey to Oneness - Dr Ron Hitchcock Dmin 2016-05-17

The Journey to Oneness has helped thousands of premarital and married couples to develop, enrich and experience vibrant relationships. Hundreds of crisis couples have reconciled their marriages using the Journey to Oneness Model. What Should You Expect from the Journey to Oneness? The Journey to Oneness shows how relationships transition from individualism towards interdependence and a shared identity. Couples will discover that intimacy and commitment increase as they progress from one stage to the next. Premarital couples will find that the Journey to Oneness empowers them to establish healthy boundaries that promote mutuality in friendships and validation of each others values. Dating couples are responsible to encourage each others pursuit of their dreams and goals. Couples in the friendship/ dating stage are not a "we" but two friends who are learning to have each others best interest in mind. Married couples will be revisiting or reinvesting in one or more of the stages of the Journey to Oneness that are underdeveloped in order to cultivate the characteristics of friendship or shared values in their relationship. At times, couples will prioritize their parenting responsibilities, careers or hobbies above their friendship with each other. When this happens, couples feel disconnected, even though they are committed to their marriage and family life. Couples will be able to rekindle their friendship by reinvesting in areas of communication, conflict resolution or sexual intimacy. The Journey to Oneness offers resources and practical application that allow couples to establish the foundations of friendship and shared values. For some couples, values were underdeveloped while others began their marriage without a strong friendship. How to Use Journey to Oneness Throughout this book, you will read the stories of premarital and married couples who are addressing topics such as communication, conflict resolution, financial management or marital crisis. These stories represent real-life circumstances that will help couples to learn new ways of communicating and resolving conflict. Journey to Oneness can be used individually or in group settings by premarital or married couples. The first half of the book will enrich friendship and shared values in premarital and marriage relationships. The second half of the book reveals how to restore broken

trust and reconcile crisis relationships. In order to enrich couple satisfaction in dating, engaged and marriage relationships, Life In Motion Resources(tm) is offering a free Relationships Growth Plan for my readers. The Life In Motion Relationships Inventory (LIMRI) measures friendship, shared values and couple satisfaction in dating, engaged and married relationships. You can find out more about the LIMRI at [www.lifeinmotionresources.com](http://www.lifeinmotionresources.com). To receive the free inventory, go to [www.limri.org/relationships](http://www.limri.org/relationships). The LIMRI is an online assessment tool that churches, counselors and Christian organizations can utilize to enrich the relationships of their members, clients, staff, leadership, or employees. Couples answer demographic questions that generate personalized inventories for dating, engaged or married couples. The LIMRI is a values based inventory that uses Scriptures, biblical principles and healthy relationship practices to increase couple satisfaction in couple and parenting relationships.

**My Little Brony** - K. M. Hayes 2015-05-26

Drew Morris doesn't just feel like an outsider in his football-crazed Texas town—he actually is. He sucks at sports, even though his dad is the high school football coach. And his supposed “teen growth spurt” has yet to be seen, so he's sure his freshman year will be filled with seniors stuffing him in lockers. However, Drew is spared from the bullying he expects. Instead, a girl named Skye—who constantly dons horse ears and talks about My Little Pony—becomes everyone's target. Drew feels bad for her, but he's not about to stand up and take her place. At least not until he discovers what these My Little Ponies are all about. Babysitting his younger sister one night, Drew is forced to watch My Little Pony: Friendship Is Magic. Much to his surprise, he finds himself actually paying attention to the show . . . and maybe even wanting to watch another episode after his sister is in bed. As school drags on, lonely and boring, he keeps sneaking episodes on his tablet until he has watched every single one. Not only that, but he's even started drawing the ponies in his spare time. He knows if anyone finds out how much he likes the show, he'll be a dead man walking like Skye. As it becomes harder to keep his secret while he has to watch Skye get bullied for the one thing that has made him happy all year, Drew faces some important choices. Read about Drew's search for friends and self-acceptance in My Little Brony. Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for

middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

**Exiled** - M. R. Merrick 2012-04-01

Chase Williams is a demon hunter in the Circle, or at least he was supposed to be. On his fifteenth birthday, Chase stepped up to the altar to claim his elemental power, but it never came. Elemental magic is passed down to a hunter through the bloodline, but on Chase's birthday, the bloodline stopped. Exiled without the Circle's protection, Chase has spent two years trying to survive a world riddled with half-demons and magic. When he has a run in with a frightened and seemingly innocent demon, he learns the Circle's agenda has changed: the Circle plans to unlock a portal and unleash pure-blood demons into the world. Vowing to stop them, and knowing he can't do it alone, Chase forms a reluctant alliance with Rayna - a sexy witch with an attitude and a secret. In their attempt to stop them, Chase and Rayna find themselves in the middle of the Circle's plan, leaving one of them to decide what their friendship is worth, and the other's life depending on it.

**Gathering Blue** - Lois Lowry 2000-09-25

Lois Lowry once again creates a mysterious but plausible future world. It

is a society ruled by savagery and deceit that shuns and discards the weak. Left orphaned and physically flawed, young Kira faces a frightening, uncertain future. Blessed with an almost magical talent that keeps her alive, she struggles with ever broadening responsibilities in her quest for truth, discovering things that will change her life forever. As she did in *THE GIVER*, Lowry challenges readers to imagine what our world could become, how people could evolve, and what could be considered valuable. Every reader will be taken by Kira's plight and will long ponder her haunting world and the hope for the future.
