The Highly Sensitive Person -
Elaine N. Aron 2013-12-01
The 25TH ANNIVERSARY
EDITION of the original
ground-breaking book on high
sensitivity with over 500,000
copies sold. ARE YOU A
HIGHLY SENSITIVE PERSON?
Do you have a keen
imagination and vivid dreams?
Is time alone each day as
essential to you as food and
water? Are you noted for your

empathy? Your
conscientiousness? Do noise
and confusion quickly
overwhelm you? If your
answers are yes, you may be a
highly sensitive person (HSP)
and Dr. Elaine Aron's *The
Highly Sensitive Person* is the
life-changing guide you'll want
in your toolbox. Over twenty
percent of people have this
amazing, innate trait. Maybe
you are one of them. A similar

percentage is found in over 100 species, because high sensitivity is a survival strategy. It is also a way of life for HSPs. In this 25th anniversary edition of the groundbreaking classic, Dr. Elaine Aron, a research and clinical psychologist as well as an HSP herself, helps you grasp the reality of your wonderful trait, understand your past in the light of it, and make the most of it in your future. Drawing on her many years of study and face-to-face time spent with thousands of HSPs, she explains the changes you will need to make in order to lead a fuller, richer life. Along with a new Author's Note, the latest scientific research, and a fresh discussion of anti-depressants, this edition of *The Highly Sensitive Person* is more essential than ever for creating the sense of self-worth and empowerment every HSP deserves and our planet needs. "Elaine Aron has not only validated and scientifically corroborated high sensitivity as a trait—she has given a level of

empowerment and understanding to a large group of the planet's population. I thank Dr. Aron every day for her having brought this awareness to the world."

How to Draw People - Jeff Mellem 2018-04-24

The Ultimate Beginner's Guide to Drawing Figures! To draw an anatomical figure, you don't need a stack of weighty anatomy books. Just take it step by step! In *How to Draw People*, author Jeff Mellem teaches beginning artists how to draw the human figure, from stick figure to anatomically accurate person, in clear, easy-to-follow lessons. More than just a reference, this book provides the step-by-step instruction to teach you to draw the human figure and the anatomical knowledge to draw it realistically. In each chapter, called "levels," you'll learn core concepts for drawing the human figure. Each new

chapter builds on the previous one to give you the skills you need to add complexity to your drawing. By the end of each chapter, you will be able to draw the figure with greater detail. By the end of Level 5, you will be able to draw an expressive figure with defined muscle groups in a variety of poses both real and imagined.

- Clear goals to progress from stick figure to anatomically correct
- Exercises and assignments to practice new skills
- Level-Up Checklists in each chapter to assess your skills before moving on

With clear step-by-step demonstrations and check-ins along the way, *How to Draw People* is the beginner's guide to drawing realistic figures.

Atomic Habits - James Clear
2018-10-16

The #1 New York Times bestseller. Over 4 million copies sold! Tiny Changes, Remarkable Results No matter your goals, Atomic Habits offers a proven framework for improving--every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear

is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to: make time for new habits (even when life gets crazy); overcome a lack of motivation and willpower; design your environment to make success easier; get back on track when you fall off course; ...and much more. Atomic Habits will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits-- whether you are a team looking

Zen and the Art of Motorcycle Maintenance - Robert M. Pirsig 2009-04-21
THE CLASSIC BOOK THAT HAS INSPIRED MILLIONS A penetrating examination of how we live and how to live better Few books transform a generation and then establish themselves as touchstones for the generations that follow. Zen and the Art of Motorcycle Maintenance is one such book. This modern epic of a man's search for meaning became an instant bestseller on publication in 1974, acclaimed as one of the most exciting

books in the history of American letters. It continues to inspire millions. A narration of a summer motorcycle trip undertaken by a father and his son, Zen and the Art of Motorcycle Maintenance becomes a personal and philosophical odyssey into fundamental questions on how to live. The narrator's relationship with his son leads to a powerful self-reckoning; the craft of motorcycle maintenance leads to an austere beautiful process for reconciling science, religion, and humanism. Resonant with the confusions of existence, this classic is a touching and transcendent book of life. This new edition contains an interview with Pirsig and letters and documents detailing how this extraordinary book came to be.
