Practicing Prayer for the Dead - James B. Gould 2016

Throughout history Christians have prayed for the dead. This book challenges Protestants, who seldom pray for the dead, to begin doing so, and Roman Catholics and Eastern Orthodox, who pray only for the Christian dead, to include the unsaved as well. Gould discusses the meaning of prayer for final consummation of all things, growth of the blessed in heaven, purification of the imperfect in purgatory, and salvation of the unsaved in hell--identifying the necessary conception of the afterlife required by each particular prayer. He also reflects on the spiritual value of prayer for the departed--how it enhances faith, builds hope, and sharpens discipleship--and provides some sample prayers for public liturgy and private devotion. In essence, *Practicing Prayer for the Dead* offers an outline of theology from the perspective of death, arguing that prayer for all the departed is one aspect of a tightly knit web of doctrines. The argument, while revisionary in some respects, is orthodox, ecumenical, and integrative, engaging a range of academic disciplines so as to be biblically accurate, historically informed, and philosophically reasoned.

Funeral Homilies - William J. Bausch 2009

Father Bill Bausch's homilies are always outstanding. He brings a deep pastoral presence and much thought and preparation to each of them. This has never been more evident than here in this book of funeral homilies. Each is crafted to reflect the person remembered as well as the message of Scripture. Each reflects the communal nature of a Catholic funeral and is sensitive to the status of the mourners: non-Catholics, lapsed Catholics, faithful parishioners, relatives, and friends. Father Bill's words are faith-filled and compassionate, comforting and challenging, communal and personal. He regards the funeral liturgy as one of the greatest teachable moments the Church offers and here this is very evident. Highly recommended for all priests, deacons, and preachers. Book jacket.

Prayers for The Dead - Faye Kellerman 2009-10-13

The brutal murder of Dr. Azor Sparks in an alley behind a restaurant is greeted with public outrage and a demand for swift, sure justice. But the investigation into the well-known surgeon's death is raising too many questions and providing too few answers for homicide detective Lieutenant Peter Decker. Why, for example, would the family of a man so beloved respond to his slaying with more surprise than grief? And what linked a celebrated doctor with strict fundamentalist beliefs to a gang of outlaw bikers? But the most unsettling connection of all is the one that ties the tormented Sparks family to Peter Decker's own -- and the secrets shared by a renegade Catholic priest...and Decker's wife, Rina Lazarus.

[Hope to Die](#) - Scott Hahn 2020-04-17

As Catholics, we believe in the resurrection of the body. We profess it in our creed. We're taught that to bury and pray for the dead are corporal and spiritual works of mercy. We honor the dead in our Liturgy through the Rite of Christian burial. We do all of this, and more, because when Jesus Christ took on flesh for the salvation of our souls he also bestowed great dignity on our bodies. In *Hope to Die: The Christian Meaning of Death and the Resurrection of the Body*, Scott Hahn explores the significance of death and burial from a Catholic perspective. The promise of the bodily resurrection brings into focus the need for the dignified care of our bodies at the hour of death. Unpacking both Scripture and Catholic teaching, *Hope to Die* reminds us that we are destined for glorification on the last day. Our bodies have been made by a God who loves us. Even in death, those bodies point to the mystery of our salvation.

Prayer Against Untimely Death - Tella Olayeri 2021-07-02

Untimely death has caused disaster to families and nations at large. Bread winners, loved ones, and people loaded with talents often lose their lives before they know it. The agony is much if weighed on scale. It is high time we put check on wicked spirits behind such acts. It is time to say, "Thou spirit behind sudden death your cup is full, surrender and disappear from the corridor of my life." What stories have we not heard? Kidnappers terrorize lives on a daily basis. News of disaster of different

dimensions never ceases. Loss of lives as a result of motor accident is rampant. Witchcraft and wizards are finding it comfortable to kill and maim captives. The cause of untimely death is on and on, and on. Life is no longer safe, as untimely death has taken grip of society. This book stands out to give both practical and spiritual remedy to this nonsense. It builds hope against sudden death and keys to destroy terrors of life. This can be achieved through case studies, and loaded prayer points vomited by the Holy Spirit in this book.

[Preparation for Death](#) - Saint Ligouri 2014-11-19

SOME persons asked me to write a book on the Eternal Maxims, for the use of those who desire to establish themselves in virtue and to advance in a spiritual life. Others requested me to prepare a collection of matter for the sermons of the missions and of the spiritual exercises. Not to multiply books, labor, and expense, I resolved to compose the work in the present form, with the hope that it might answer both purposes. To render it useful as a book of meditations for seculars, I have divided the considerations into three points. Each point will serve for one meditation, and therefore I have annexed to each point affections and prayers. I entreat my readers not to grow weary, if, in those prayers, they always find petitions for the grace of perseverance and of divine love. For us, these are the two graces most necessary for the attainment of eternal salvation. The grace of divine love is, according to St. Francis de Sales, the grace which contains in itself all graces: because the virtue of charity toward God brings with it all other virtues. Now all good things come to me together with her (Wisdom VII, II) He who loves God is humble, chaste, obedient, and mortified; in a word, he possesses all virtues. "Love," says St. Augustine, "and do what you wish" (Ama, et fac quod vis). They who love God labor to avoid whatever is offensive to him, and seek to please him in all things. The grace of perseverance is that grace by which we obtain the eternal crown. St. Bernard says that Paradise is promised to those who begin a good life, but is only given to those who persevere. "To beginners a reward is promised, but to him who perseveres it is given;" (De modo bene vivere, s. 6) But this gift of perseverance is, as the Fathers teach, given only to those who ask it. Hence St. Thomas asserts that to enter heaven continual prayer is necessary. And our Redeemer said: We ought always to pray, and not to faint. (Luke XIII, 1) It is because they do not pray for the gift of perseverance that so many miserable sinners, after having obtained pardon, lose again the grace of God. Their sins are forgiven; but because they afterward neglect to ask of God the grace of perseverance, particularly in the time of temptations, they relapse into sin. And although the grace of final perseverance is altogether gratuitous, and cannot be merited by good works; still Suarez teaches that it can be infallibly obtained by prayer: and according to St. Augustine, it may be merited by humble supplication. (De dono persever. C. 6) This necessity of prayer I have demonstrated at length in another little work, entitled *The Great Means of Prayer*. This book, though small, has cost me a great deal of labor. I consider it to be of extreme utility to all sorts of persons; and I unhesitatingly assert that, among all spiritual treatises, there is none, and there can be none, more necessary than that which treats on prayer as a means of obtaining eternal salvation. To render these considerations useful to preachers who have but few books or little time for reading, I have furnished these considerations with texts of Scripture and passages from the Fathers, which are short, but strong and animated, as they ought to be in sermons. The three points of each consideration will supply matter for one sermon. I have endeavored to collect from many authors the sentiments which appeared to me best suited to move the will, and have inserted several of them expressed briefly, that the reader may select and extend at pleasure those that please him most. May all tend to the glory of God! I pray my reader to recommend me to Jesus Christ, whether I am living or dead (Now that St. Alphonsus Liguori is a canonized Saint we ask for his intercession); and I promise to do the same for all those who perform this act of charity toward me. Live Jesus, our love, and Mary, our hope! This work is excerpted from a larger work of Saint Alphonsus with the same name.

Gone Before Us - 2016-08-27

Gone Before Us is a meditation rendering of songs, psalms, readings and traditional prayers from the Office of the Dead, for the hours of the morning, at daytime, in the evening, at bedtime, and in the middle of the night. When in grief or when hearing news of the death of a loved one, these sets of prayer can be very consoling. The psalms and canticles are slightly altered from the meditation rendering of the compiler's "One Week in Ordinary Time." Choices made in this meditation rendering are available at idjc.org/hinge-hours/, except that "The Lord" is used here instead of the Hebrew "Adonai" for the divine name. Gone Before Us is dedicated to Will D. Campbell, the Baptist preacher who helped me to get to know Mr. Jesus, and Edward Alberts, Catholic pastor, vicar of liquor and friend, whose June 2013 deaths finally prompted this long-considered compilation. Stephen Joseph Wolf is a parish priest in Clarksville, Tennessee, who spends most Mondays in silence and solitude writing for faith sharing groups and spiritual direction. For more visit idjc.org.

[God Is Not Great](#) - Christopher Hitchens 2008-11-19

Christopher Hitchens, described in the London Observer as "one of the most prolific, as well as brilliant, journalists of our time" takes on his biggest subject yet—the increasingly dangerous role of religion in the world. In the tradition of Bertrand Russell's *Why I Am Not a Christian* and Sam Harris's recent bestseller, *The End Of Faith*, Christopher Hitchens makes the ultimate case against religion. With a close and erudite reading of the major religious texts, he documents the ways in which religion is a man-made wish, a cause of dangerous sexual repression, and a distortion of our origins in the cosmos. With eloquent clarity, Hitchens frames the argument for a more secular life based on science and reason, in which hell is replaced by the Hubble Telescope's awesome view of the universe, and Moses and the burning bush give way to the beauty and symmetry of the double helix.

Roger Dyce removes the container of blood he has been draining from his prisoner, brushes the man's hair, and prepares to indulge in make-believe. Once his prisoner is dressed exactly like his dead grandfather, Roger Dyce can eat. Only the man's breathing spoils the effect, but soon the breathing will stop. Fifteen men have gone missing from this small Connecticut town, and only John Becker can bring them justice. An FBI agent who retired out of fear that he was too sympathetic towards criminals, he will push himself to the brink to stop Dyce's sadistic game.

Prayer for the Dead - James Oswald 2017-02-07

Detective Inspector Tony McLean is on the case when the search for a missing journalist uncovers the scene of a carefully staged murder. In a sealed chamber, deep in the heart of Gilmerton Cove, a mysterious network of caves and passages sprawling beneath Edinburgh, the body is discovered in a seemingly macabre ritual of purification. But McLean knew the dead man and can't shake off the suspicion that there is far more to this case than meets the eye. For one thing, the baffling lack of forensics at the crime scene seems impossible. But that's just the first in a series of revelations about this case that seems beyond belief. Teamed with the most unlikely and unwelcome of allies, McLean must track down a killer—driven by the darkest compulsions and who will answer only to a

higher power—until it's his own blood on the altar. Shocking and suspenseful, *Prayer for the Dead*, the fifth installment in James Oswald's internationally bestselling series, plunges readers into the bone-chilling darkness of an underground world filled with ancient secrets.

Fratelli Tutti - Pope Francis 2020-11-05

Understanding Prayer for the Dead - James B Gould 2017-08-31

Throughout history, Christians have prayed for the dead - both for continual growth of the faithful and for their advancement from purgatory, and sometimes, even, for the deliverance of the unsaved from hell. *Understanding Prayer for the Dead* defends all three kinds of prayer. It challenges Protestants, who seldom pray for the dead, to begin doing so - and Roman Catholics and Eastern Orthodox, who pray only for the Christian dead, to include the unsaved as well. James B. Gould addresses the biblical credentials of prayer for the dead and provides a historical overview of such prayers from ancient Christianity to the current practice of the three main branches of the Church. He also discusses the logical assumptions prayer for the dead requires - that prayer is effective, that the dead are conscious, and that the afterlife involves change - and lays out a theological framework for such prayers. *Prayer for the departed* raises the most basic of theological questions, matters that go to the centre of God's purpose in creating spiritual beings and redeeming sinful humankind. The argument, while revisionary in some respects, is orthodox, ecumenical, and integrative, engaging a range of academic disciplines so as to be biblically accurate, historically informed, and philosophically reasoned.

[In Heaven We'll Meet Again](#) - Fr. François René Blot 2016-03-22

Are loved ones reunited in Heaven? The saints say "Absolutely!" In wise and consoling letters written to a mother sorrowing over the death of her child, Fr. François René Blot, S.J., here summons the Church's greatest saints who testify with one voice that death's wound, though grievous, separates us but for a short while from those who die before us. Acknowledging that profound sorrow at the death of loved ones is appropriate (after all, even Jesus wept for the death of his friend Lazarus), Fr. Blot nonetheless gives us reason to be joyful even in the midst of our sorrow: in heaven our loves and friendships will finally be free of the many hindrances — small and large — that keep them from being perfect in this life. Moreover, the saints say, in heaven we will love and know the love of countless souls we never met on earth, our Guardian Angel, and all the choirs of angels! Soon after it was written, a Catholic Cardinal called this book "a pearl set in the fine gold of the doctrine of the Fathers" and a newspaper declared that it "deserves a distinguished place in all Christian libraries and should be on the table of every pious family that faithfully preserves the memory of its deceased members." Let the saints' testimony in these beautiful pages assuage

your grief and renew your hope! Let them increase your gratitude for the sacrifice of Christ whose death on the Cross opened heaven for us, and made these heavenly reunions possible!
